The Hereford Mappa Mundi Gabriel Alington 1996

The Rough Guide to Jerusalem Daniel Jacobs 2009-10-19 The Rough Guide to Jerusalem is the essential guide to the Holy City, featuring informed accounts of all the sights, including the Dome of the Rock, the Wailing Wall and the Church of the Holy Sepulchre; up-to-the-minute reviews of the best accommodation, cafés, restaurants and shops; and excursions to Bethelhem, Jericho and other day trip destinations. New to this edition is a new city guide format with a complete introduction with "25 things not to miss", 4-page insert on Jerusalem's architectural treasures, and 8 pages of maps covering the Old City in detail. The Rough Guide to Jerusalem also includes new coverage of Tel Aviv and Nazareth as likely day trips.

Sea Monsters Joseph Nigg 2014-01-03 The mythic creature expert and author of Phoenix takes readers through a bestiary of sea monsters featured on the famous 16th century map Carta Marina. In the sixteenth century, sea serpents, giant man-eating lobsters, and other monsters were thought to swim the waters of Norther Europe, threatening seafarers who ventured too far from shore. Thankfully, Scandinavian mariners had Olaus Magnus, who in 1539 charted these fantastic marine animals in his influential map of the Nordic countries, the Carta Marina. In Sea Monsters, mythologist Joseph Nigg brings readers face-to-face with these creatures and other magnificent components of Magnus's map. Nearly two meters wide in total, the map's nine wood-block panels comprise the largest and first realistic portrayal of the region. But in addition to its important geographic significance, Magnus's map goes beyond cartography to scenes both domestic and mystic. Close to shore, Magnus shows humans interacting with common sea life—boats struggling to stay afloat, merchants trading, children swimming, and fisherman pulling lines. But from the offshore deeps rise some of the most terrifying sea creatures imaginable—like sea swine, whales as large as islands, and the Kraken. In this book, Nigg draws on Magnus's own text to further describe and illuminate these inventive scenes and to flesh out the stories of the monsters. Sea Monsters is a stunning tour of a

world that still holds many secrets for us land dwellers, who will forever be fascinated by reports of giant squid and the real-life creatures of the deep that have proven to be as bizarre and otherworldly as we have imagined for centuries. It is a gorgeous guide for enthusiasts of maps, monsters, and the mythic. "[A] beautiful new exploration of the Carta Marina."—Wired

Mapping Cities Naomi Miller 2000 Mapping Cities charts both the development of urban planning in seven cities -- Jerusalem, Rome, Paris, Amsterdam, London, Boston, and New York -- and changes in mapmaking since the 15th century. Despite the ubiquity of city maps, urban cartography is a relatively recent discipline, quite distinct from the field of urban history. This book emphasizes the city map as a bearer of information and a graphic means of communication. It illustrates several little-known maps, including a never before published 1598 map of Jerusalem, an 1858 lithograph of New York in an orb, and a poster for the Tate Gallery advertising the London transport system. Also included are acknowledged landmarks such as Nolli's 1748 map of Rome, the Turgot map of Paris featuring detailed images of 18th-century Parisian life, and the McIntyre map of Boston.

Surveying and Mapping 1973

Portraying the Land Rehav Rubin 2018-05-22 The book presents and discusses a large corpus of Jewish maps of the Holy Land that were drawn by Jewish scholars from the 11th to the 20th century, and thus fills a significant lacuna both in the history of cartography and in Jewish studies. The maps depict the biblical borders of the Holy Land, the allotments of the tribes, and the forty years of wanderings in the desert. Most of these maps are in Hebrew although there are several in Yiddish, Ladino and in European languages. The book focuses on four aspects: it presents an up-to-date corpus of known maps of various types and genres; it suggests a classification of these maps according to their source, shape and content; it presents and analyses the main topics that were depicted in the maps; and it puts the maps in their historical and cultural contexts, both within the Jewish world and the sphere of European cartography of their time. The book is an innovative contribution to the fields of history of cartography and Jewish studies. It is written for both professional readers and the general public. The Hebrew edition (2014), won the Izhak Ben-Zvi Prize.

Rose Then and Now Bible Map Atlas Paul H Wright 2021-08-03 Learn about the Holy Land from the man who trains Israeli tour guides! This best-selling Bible atlas was authored by Dr. Paul H. Wright, president of Jerusalem University College (Institute of Holy Land Studies). Over the years Dr. Wright has led thousands of university students and adults on field studies throughout Israel, the Palestinian territories, Jordan, Egypt and the Sinai, many to out-of-the-way places not normally seen by students of the Bible. *Rose Then and Now Bible Map Atlas* is the only Bible atlas with a combination of 120 stunning detailed Bible maps Overlays of modern cities and countries so you know where Bible places are today. Incredible insights into the lives of 30 important Bible characters. This Bible atlas focuses on people not regions and how the Middle East geography affected their lives and decisions. Paul Wright gives you amazing insights into Bible geography and culture. Know how Davids clever understanding of geography and politics led to his marriage with Ahinoam of Jezreel. Discover why Naomi, in the Book of Ruth, couldnt just move back to Bethlehem after her husbands death and use his land again. Find out why Moses and the Children of Israel took the long southern trek from Egypt to the Promised Land, rather than the direct route. More than just an atlas, this work gives you incredible insights into your favorite Bible stories. About the author, Dr. Paul H. Wright of Jerusalem University College: Dr. Paul H. Wright is President of Jerusalem University College (the Institute of Holy Land Studies) located on historic Mt. Zion adjacent to the old walled city of Jerusalem. He also teaches courses on the culture, history and geography of the lands of the Bible. Over the years Dr. Wright has led thousands of Christian college and university students, as well as adults, on field studies throughout Israel, the Palestinian territories, Jordan, Egypt and the Sinai, many to out-of-the-way places not normally seen by students of the Bible. He is also an instructor in an advanced educational program for licensed Israeli tour guides at the Yad Ben-Zvi Institute in Jerusalem, and at Tantur, a Christian research center between Jerusalem and Bethlehem. Dr. Wright holds the BA degree in anthropology from Bethel College (now Bethel University), an MA degree in the history of ancient Israel from the Institute of Holy Land Studies, an MA degree in Old Testament from Trinity Evangelical Divinity School, and the M Phil and PhD degrees in Bible and Ancient Near East from Hebrew Union College. He is also an ordained minister and has, over the years, been an effective teacher in both adult and childrens church ministries. He and his wife Diane have lived in Jerusalem for fifteen years, and raised their two children there. They are active members of East Jerusalem Baptist Church, a small congregation that represents an active mix of dedicated people from all over the world who live and minister in Jerusalem and the surrounding area.

today? Where were Iraq and Iran in Bible times? The answers to these questions and countless others are found in the bestselling pamphlet *Then & Now Bible Maps*. This full-color, fold-out reference tool contains 17 Bible maps that show ancient cities and countries in black with modern-day boundaries marked in red. Fantastic for comparing places in the news with places in the Bible. Size: 8.5x 5.5 unfolds to 38 long. Fits inside most Bible covers. Teachers love the amazing *Then & Now Bible Maps* reference tool. Seventeen maps make the Bible more relevant and more meaningful by providing visual context. Show students where Persia is today and the places Paul's first missionary journey would take him if traveling the same route today. Help them understand the biblical geographic context of the places they hear in the news every day. Here are a few of the maps included in this incredible resource: The Middle East map during Bible Times and Today The Assyrian Empire, Babylonian Kingdoms and Persian Empire The Holy Land Map Then and Now Places of Jesus' Ministry Then and Now *Then & Now Bible Maps* pamphlet makes it easy to compare Bible times with modern times. On each of the 17 maps, modern-day cities and countries appear in red type or red underline if the name has remained the same. The maps provide helpful historic information. For example: The Holy Land: Then (1300 BC--Twelve Tribes) and Now (modern times) uses color coding to show Canaan divided by the Twelve Tribes, and also shows the historical and modern-day names of cities within the regions occupied by the Twelve Tribes Paul's Journeys: Then (AD 47-62) and Now (modern times) show one of the Seven Churches of Asia (Rev. 1-3), cities, towns, ancient ruins, mountains, modern capital cities and a key for measuring the distance traveled from city to city *Empires & Kingdoms: Then and Now* shows the changing boundaries of the Assyrian Empire, Babylonian Kingdom, and Persian Empire

The Holy Land for Christian Travelers John A. Beck 2017-08-01 A trip to the Holy Land is on the bucket list of many Christians. But planning a meaningful trip in a place so filled with significant sites is an imposing task. Most travel guides are not prepared to link the Bible and land in an accurate and meaningful way because they are written for people of all faiths. So how can a Christian traveler prepare a trip that will illuminate God's Word and reveal the Lord's presence? In *The Holy Land for Christian Travelers*, John A. Beck provides a guide to the Holy Land for Christians with explanations of the biblical significance of important sites. The entries provide key Scripture references for reflection and a guide to the land that will encourage communion with God and a genuine spiritual experience for travelers as they walk in the footsteps of Jesus. A trip to the Holy Land can be a worship-filled, once-in-a-lifetime spiritual journey. This book puts a biblical scholar and experienced Holy Land guide at the reader's side.

Bibliographic Guide to Maps and Atlases 2000 Gale Group 2001-07

Nine Quarters of Jerusalem Matthew Teller 2022-09-27 This unique, absorbing biography of Jerusalem brings to light its overlooked histories and diverse contemporary voices. In Jerusalem, what you see and what is true are two different things. The Old City has never had "four quarters" as its maps proclaim. And beyond the crush and frenzy of its major religious sites, many of its quarters are little known to visitors, its people ignored and their stories untold. *Nine Quarters of Jerusalem* lets the communities of the Old City speak for themselves. Ranging from ancient past to political present, it evokes the city's depth and cultural diversity. Matthew Teller's highly original "biography" features the Old City's Palestinian and Jewish communities, but also spotlights its Indian and African populations, its Greek and Armenian and Syriac cultures, its downtrodden Dom Gypsy families, and its Sufi mystics. It discusses the sources of Jerusalem's holiness and the ideas—often startlingly secular—that have shaped lives within its walls. It is an evocation of place through story, led by the voices of Jerusalemites.

The Illustrated Atlas of Jerusalem Dan Bahat 1990

Martin Waldseemüller's 'Carta marina' of 1516 Chet Van Duzer 2019-10-09 This open access book presents the first detailed study of one of the most important masterpieces of Renaissance cartography, Martin Waldseemüller's *Carta marina* of 1516. By transcribing, translating into English, and detailing the sources of all of the descriptive texts on the map, as well as the sources of many of the images, the book makes the map available to scholars in a wholly unprecedented way. In addition, the book provides revealing insights into how Waldseemüller went about making the map -- information that can't be found in any other source. The *Carta marina* is the result of Waldseemüller's radical re-evaluation of what a world map should be; he essentially started from scratch when he created it, rejecting the Ptolemaic model and other sources he had used in creating his 1507 map, and added more descriptive texts and a wealth of illustrations. Given its content, the book offers an essential reference work not only on this map, but also for anyone working in sixteenth-century European cartography.

The Illustrated Atlas of Jerusalem Dan Bahat 1996 Festive "Jerusalem 3000" edition. Lavish use of maps, diagrams, reconstructions and color photographs unfold the historical and architectural development of the Holy City.

Blake's Bulletin 1918

Understanding the Spiritual Meaning of Jerusalem in Three Abrahamic Religions Antti Laato 2019-08-05 Understanding the Spiritual Meaning of Jerusalem in Three Abrahamic Religions analyses spiritual images and theological constructions related to Jerusalem in Christian, Islamic and Jewish literature, including the Bible, Qur'an, and Second Temple Jewish writings.

Jerusalem Daniel Jacobs 1999 This guide gives biblical references, and an explanation of the history of the city. There are listings on shopping, eating and nightlife as well as bus routes, car rental, airlines, disability contacts, consulates and hospitals. Day trips to Bethlehem, Jericho and other sites are covered.

Invitation to the Old Testament: Participant Book James D. Tabor 2011-12-01 Explore the Old Testament's story of God and God's calling of the people of Israel through the many "voices" of the biblical text. Hear the magnificence of a Creation hymn, discover the law and wisdom teachings, listen to the warning of the prophets and explore the poetry of the Song of Solomon. In the two weekly video segments, first gain insight from biblical scholars and then take a visual tour of archaeological sites, ancient artifacts, and other physical remains, related to and illuminating scripture and events. Ideal experience for adults who are interested in the practice of prayer and worship and would like to connect prayer practice with Scripture. The study is accessible for adults with little prior Bible experience. Participants gain a deeper understanding and appreciation of the Old Testament as an integral part of the Christian Bible and a renewed discovery of our identity in God and God's vision for all things. This eight-week study includes a participant book outlining daily reading assignments for group preparations, a leader guide suggesting discussion activities for use in the 60–90-minute weekly meeting, and a video component providing interpretation and context for the biblical texts. Sessions: The Making of the Hebrew Bible The Creation Story of Israel Out of Bondage Promise and Problem in the Land Israel Has a King Division and the Rise of Prophecy Exile and Response Restoration and Renewal

The Union Catalog of Maps 1974

Jerusalem Andrew Humphreys 1997 A CITY GUIDE which features the historical, archaeological and religious sites of the Israeli city of Jerusalem, plus information on day trips beyond to locations such as Jericho, Nablus and Bethlehem. Robert the Monk's History of the First Crusade Carol Sweetenham 2017-09-19 This is the first English translation of Robert the Monk's *Historia Iherosolimitana*, a Latin prose chronicle describing the First Crusade. In addition to providing new and unique information on the Crusade (Robert claims to have been an eyewitness of the Council of Clermont in 1095), its particular interest lies in

Downloaded from avenza-dev.avenza.com
on September 30, 2022 by guest

the great popularity it enjoyed in the Middle Ages. The text has close links with the vernacular literary tradition and is written in a racy style which would not disgrace a modern tabloid journalist. Its reflection of contemporary legends and anecdotes gives us insights into perceptions of the Crusade at that time and opens up interesting perspectives onto the relationship of history and fiction in the twelfth century. The introduction discusses what we know about Robert, his importance as a historical source and his place in the literary tradition of the First Crusade.

Israel & the Palestinian Territories Andrew Humphreys 1996 With over sixty maps, recommendations on where to stay and eat, as well as Israel's historical and political background, this book provides essential information for travellers of all interests. Israel & the Palestinian Territories covers archaeological and biblical sites, provides a rundown on diving spots and trekking routes, and is a guide to volunteer work throughout the country.
