An Experiential Approach to Psychopathology Giovanni Stanghellini 2016-08-09 This book introduces the reader to a clear and consistent method for in-depth exploration of subjective psychopathological experiences with the aim of helping to restore the ability within psychiatry and clinical psychology to draw qualitative distinctions between mental symptoms that are only apparently similar, thereby promoting a more precise characterization of experiential phenotypes. A wide range of mental disorders are considered in the book, each portrayed by a distinguished clinician. Each chapter begins with the description of a paradigmatic case study in order to introduce the reader directly to the patient's lived world. The first-person perspective of the patient is the principal focus of attention. The essential, defining features of each psychopathological phenomenon and the meaning that the patient attaches to it are carefully analyzed in order to "make sense" of the patient's apparently nonsensical experiences. In the second part of each chapter, the case study is discussed within the context of relevant literature and a detailed picture of the state of the art concerning the psychopathological understanding of the phenomenon at issue is provided. An Experiential Approach to Psychopathology, and the method it proposes, may be considered the result of convergence of classic phenomenological psychopathological concepts and updated clinical insights into patients' lived experiences. It endorses three key principles: subjective phenomena are the quintessential feature of mental disorders; their qualitative study is mandatory; phenomenology has developed a rigorous method to grasp "what it is like" to be a person experiencing psychopathological phenomena. While the book is highly relevant for expert clinical phenomenologists, it is written in a way that will be readily understandable for trainees and young clinicians.

How to Revised and Expanded Edition Michael Bierut 2021-09-07 A revised and expanded edition of the world-renowned graphic designer's classic and bestselling monograph, using examples from a portfolio spanning his full career to date. Protégé of design legend Massimo Vignelli and partner in the New York office of the international design firm Pentagram, Michael Bierut has had one of the most varied careers of any living graphic designer. The projects in *How to* illustrate the breadth of activity that graphic design encompasses today and demonstrate Bierut's enthusiastically eclectic approach that has been a hallmark of his career. This revised and expanded edition of his bestselling monograph examines more than three dozen projects from start to finish—including new projects for major clients such as Mastercard, The Poetry Foundation, the International Center for Photography, and Bierut's brand design for Hillary Clinton's 2016 presidential campaign—providing insights into the creative process, his working life, his relationship with clients, and the challenges that all creatives face in bringing innovative work into the world today. It also features a new afterword on the role of the designer in the post-Covid era.

Baselitz. Paintings 1962-2001. Ediz. italiana e inglese Georg Baselitz 2002

Hacksaw Ridge Ronald Kruk 2017-05-14 A short biography of Desmond Doss, who, during the bloodiest battle of WWII, saved 50-100 men without firing or carrying a gun. He was the only American soldier in WWII to fight on the front lines without a weapon, as he believed that while the war was justified, killing was nevertheless wrong. As an army medic, he singlehandedly evacuated the wounded from behind enemy lines, braved fire while tending to soldiers, and was wounded by a grenade and hit by snipers.

Diamonds & pearls Marc Lagrange 2013 Belgian photographer Marc Lagrange has quickly gained a reputation as one of the most original and talented erotic photographers around. Taking a distinctive approach to setting voluptuous scenes, Lagrange meticulously composes timeless settings--with each location and prop carefully chosen to enhance the romantic and revealing mood. Building trust and chemistry with his models, Lagrange is daring but never crosses into mere titillation. The tension is palpable and a sense of mystery pervades each elaborate vignette. Combining the glamour of classic Hollywood with the sensibility of an Old Master painting, all his alluring heroines seem at ease and approachable--yet just tantalizingly out of reach.

Liberty or Equality Erik von Kuehnelt-Leddihn 2007 Sometime in the 18th century, the word equality gained ground as a political ideal, but the idea was always vague. In this treatise, Erik von Kuehnelt-Leddihn argues that it reduced to one simple and very dangerous idea: equality of political power as embodied in democracy. He marshals the strongest possible case that democratic equality is the very basis not of liberty, as is

commonly believed, but the total state. He uses national socialism as his prime example. He further argues the old notion of government by law is upheld in old monarchies, restrained by a noble elite. Aristocracy, not democracy, gave us liberty. On his side in this argument, he includes the whole of the old liberal tradition, and offers overwhelming evidence for his case. In our times, war and totalitarianism do indeed sail under the democratic flag. This book, capable of overturning most of what you thought you knew about political systems, was first published in 1952.

Iconic New York Christopher Bliss 2011 Few cities spark the imagination like New York. Its name stands for excitement. Famed for both its hectic pace and for being a melting pot of cultures and ideas, this is perhaps the world's ultimate metropolis. As a native, Chris Bliss understands the city on many levels. From the New Museum of Contemporary Art to such distinctive sights as the Chrysler Building and the majesty of Central Park in all seasons, each of the city's characteristic moods are captured in the pages of this unique book. Everything that makes New York so distinctly New York is here for you to savour

We Love Hockey Teneues 2017 It is the 26th minute of the Finland-Russia semifinal of the 2011 IIHF Ice Hockey World Championships: Finnish player Mikael Granlund, just 19 years old, skates around behind the Russian goal. Suddenly he scoops the puck onto the toe of his blade, glides forward past the side of the goal and slams the puck into the net. The players and spectators go wild. It was a once-in-a-lifetime goal, a goal that was an artistic masterpiece, so beautiful that the Finnish post office created a stamp to celebrate it. Contrast that story with this one: in Sparta Prague's home arena, Vladim ♦ r Nov ♦ cek steers the ice resurfacing machine around the rink. What's so special about that? Nov ♦ cek has been maintaining the ice for Sparta since 1968; he is now 82 years old. His work doesn't prompt much excitement, and he certainly doesn't have his own postage stamp. Still, the young Finnish world champion and the elderly Czech ice manager are united by their dedication to the sport of ice hockey. Their stories and many others are told in *We Love Hockey*. The very personal and emotional vignettes and stunning photographs make this book extremely exciting and give it a very special place in the sports literature market. It's about the greatest and the smallest moments, the men and women who are passionate about this sport, and everything that makes ice hockey so fascinating.

Text in English, German, French, Spanish and Italian SELLING POINTS: An ideal gift for all who appreciate the mastery of art that defies generalization A scintillating overview of an artist who has tapped the pulse of our time 200 colour illustrations *

Materada Fulvio Tomizza 2000 Francesco Koslovic--even his name straddles two cultures. And during the spring of 1955, in the village of Materada on the Istrian Peninsula, his two worlds are coming apart. Materada, the first volume of Fulvio Tomizza's celebrated Istrian Trilogy, depicts the Istrian exodus of the hundreds of thousands who had once thrived in a rich ethnic mixture of Italians and Slavs. Complicating Koslovic's own departure is his attempt to keep the land that he and his brother have worked all their lives. A picture of a disappearing way of life, a tale of feud and displacement, and imbued with the tastes, tales, and songs of his native Istria, Koslovic's story is a testament to the intertwined ethnic roots of Balkan history.

Remarkable Golf Courses Iain T. Spragg 2018-02-15 Remarkable Golf Courses encompasses the extremes of the sport – from the highest golf course in La Paz, Bolivia, to the lowest, in Death Valley, USA; from the most northerly in the Arctic Circle to the most southerly in Tierra del Fuego. The many quirks of the golfing world are covered, such as the 18th green the other side of the River Lea which is serviced by an electric ferry, or the LA golf course that has its own funicular railway, or the floating golf hole in Idaho, where it's not just the pin position that's changed every day, it's the distance from the shore! Golf courses that feature neolithic standing stones (Scotland), Roman roads (England), and ruined medieval castles (Wales) take their place alongside the old temples of Delhi or a UNESCO World Heritage bridge that is used to link the 9th and 10th at Angkor Wat. There are the beloved classic courses of St. Andrews, Carnoustie, Royal St. George and Westward Ho!. There are spectacular golf courses hewn out of the Nevada and Arizona desert, green oases in a cactus-strewn, rocky landscape, along with Hawaiian courses fringed by barren black lava flows. But nothing can beat the thrill in Guatemala of lining up your drive on an active volcano at the Fuego Maya course. In comparison there are the traditional wind-blown Scottish links, such as the Machrie Hotel on the island of Islay which has the most blind greens on any course, or the remote Isle of Barra where greens are only accessible via a kissing gate. Fancy swapping countries mid-round? You can at the Llanmymynech club in Wales. At the fourth hole golfers tee off in Wales and putt out on the green in England. Remarkable Golf Courses brings together some astonishing stories with some extraordinary photography.

Broken Music Ursula Block 2018-11 Broken Music is an essential compendium for records created by visual artists. The publication was edited by Ursula Block and Michael Glasmeier and originally published in 1989 by DAAD. Broken Music focuses on recordings, record-objects, artwork for records, and record installations made by thousands of artists between WWII and 1989. It also includes essays by both editors as well as Theodor W. Adorno, René Block, Jean Dubuffet, Milan Knizak, László Moholy-Nagy, Christiane Seiffert, and Hans Rudolf Zeller, as well as a flexi disc of the Arditti Quartet performing Knizak's "Broken Music." The centerpiece of the publication is a nearly 200-page bibliography of artists' records. Works chosen for the publication revolved around four criteria: (1) record covers created as original work by visual artists; (2) record or sound-producing objects (multiples/editions/sculptures); (3) books and publications that contain a record or recorded-media object; and (4) records or recorded media that have sound by visual artists.

London: Portrait of a City (Policeman) Taschen 2013-01-30 A photographic journey through the history of this epic city Samuel Johnson famously said that: “When a man is tired of London, he is tired of life.” London’s remarkable history, architecture, landmarks, streets, style, cool, swagger, and stalwart residents are pictured in hundreds of compelling photographs sourced from a wide array of archives around the world. London is a vast sprawling metropolis, constantly evolving and growing, yet throughout its complex past and shifting present, the humor, unique character, and bulldog spirit of the people have stayed constant. This book salutes all those Londoners, their city, and its history. In addition to the wealth of images included in this book, many previously unpublished, London’s history is told through hundreds of quotations, lively essays, and references

from key movies, books, and records. From Victorian London to the Swinging 60s; from the Battle of Britain to Punk; from the Festival of Britain to the 2012 Olympics; from the foggy cobbled streets to the architectural masterpieces of the millennium; from rough pubs to private drinking clubs; from Royal Weddings to raves, from the charm of the East End to the wonders of the Westminster; from Chelsea girls to Hoxton hipsters; from the power to glory: in page after page of stunning photographs, reproduced big and bold like the city itself, London at last gets the photographic tribute it deserves. Photographs by: Slim Aarons, Eve Arnold, David Bailey, Cecil Beaton, Bill Brandt, Alvin Langdon Coburn, Anton Corbijn, Terence Donovan, Roger Fenton, Bert Hardy, Evelyn Hofer, Frank Horvat, Tony Ray-Jones, Nadav Kander, Roger Mayne, Linda McCartney, Don McCullin, Norman Parkinson, Martin Parr, Rankin, Lord Snowdon, William Henry Fox Talbot, Juergen Teller, Mario Testino, Wolfgang Tillmans, and many, many others. For die-hard lovers of Paris, Berlin, London, Los Angeles, and New York, TASCHEN introduces the Portrait of a City Art Edition series. For each edition, limited to only 500 copies, a legendary local fashion designer is invited to design a bespoke fabric to line the cover, and a large signed and numbered print of one of the images from the book is included. Paul Smith has designed the fabric cover for the Art Editions of London: Portrait of a City, and the print Traffic Policeman was taken by photographer Elmar Ludwig. Art Edition B - No. 501-1,000 Traffic Policeman, 1960s Fine art print on archival paper 52 x 68 cm (20.5 x 26.8 in.) (Frame not included) Also available in another Art Edition (No. 1-500)
