Raising a Bilingual Child Barbara Zurer Pearson 2008-04-15 If you would like your children to experience the benefits of becoming bilingual, but you aren't sure how to teach them a second language, then Raising a Bilingual Child is the perfect step-by-step guide for you. Raising a Bilingual Child provides parents with information, encouragement, and practical advice for creating a positive bilingual environment. It offers both an overview of why parents should raise their children to speak more than one language and detailed steps parents can take to integrate two languages into their child's daily routine. Raising a Bilingual Child also includes inspirational first-hand accounts from parents. It dispels the myth that bilingualism may hinder a child's academic performance and explains that learning languages at a young age can actually enhance a child's overall intellectual development.

Beginning Literacy with Language David K. Dickinson 2001 Beginning literacy with language : young children learning at home & school.

A Kiss from Heaven Rashana 2013-12-09 A Kiss from Heaven was inspired by a true story and written to help children grieve the loss of a loved one. One day Rashana learned that a former classmate had tragically lost his wife in a car accident, leaving him with two young daughters. A few days later one of his girls was seen looking out the window at the graveyard nestled in beside the little church across the street from where they lived. It was Rashana's compassion for those girls that brought A Kiss from Heaven to life.

Spotlight on Young Children Meghan Dombrink-Green 2015 Offers practical ways to support young dual language learners and their families. Addresses communicating, using technology, pairing children, and more.

Fluent in 3 Months Benny Lewis 2014-03-11 Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, Fluent In 3 Months. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good

of language learners as children.

Captain's Surrender Alex Beecroft 2010 Despite his looks and ambition, Midshipman Joshua Andrews hides urges that, in his world, make him an abomination. Once he sets eyes on the elegant picture of perfection that is Peter Kenyon, though, temptation lures him like the siren call of the sea. Peter is the darling of the Bermuda garrison, with a string of successes behind him and a suitable bride lined up to share his future. He seems completely out of Joshua's reach. Then the two men are forced to serve on a long voyage under a sadistic commander. As the tension aboard the vessel heats up, their unexpected friendship intensifies into a passion neither man can rein in. Intimacy like theirs can only exist in the shadow of the gallows. Both men are determined their "youthful curiosity" must die before it brings disaster down on them. Yet neither man can root it from his heart. Warriors both, they think nothing of risking their lives for their country. In the end they must decide whether love, too, is worth dying for.

Hi My Name Is Cj Willetta J. Davis 2013-12 Hi My Name Is C.J. is an easy to read, fun, interactive children's book. Meet 5 year-old C.J. and learn about all the things he likes and does. Enjoy the interactive pages by writing your own C.J. story and have fun drawing and coloring the characters. Have fun and use your imagination.

45 Strategies That Support Young Dual Language Learners Shauna L. Tominey 2017-05-15 The number of dual language learners in early childhood classrooms is expanding every year--and teachers often feel underprepared to bridge language barriers and effectively meet these students' learning needs. Help is here in this urgently needed book, a toolbox of today's best strategies for supporting children and families from diverse backgrounds and ensuring the academic and social success of young dual language learners. Early childhood educators will get an invaluable collection of 45 practical, developmentally appropriate strategies for teaching dual language learners (both Spanish speakers and children who speak other languages). Real-world guidance helps teachers apply each strategy in their own classrooms, and the activities, reflection questions, and resources in Spanish will support educators in strengthening their current teaching practices. A much-needed resource for in-service professional development and preservice courses, this timely book will help educators foster the success of inclusive early childhood classrooms and prevent achievement gaps for dual language learners. **DISCOVER HOW TO** Set up and organize your learning environment to support dual language learners Create a diverse classroom community where children's (TM)s challenges and needs are anticipated Use culturally responsive classroom management practices that engage diverse learners Strengthen social-emotional learning for dual language learners Promote early academic skills and make learning activities accessible to children of all cultural backgrounds Use music and movement to increase student engagement and boost language development Partner with families and engage them in children's (TM)s academic and social-emotional learning **PRACTICAL MATERIALS:** Reinforce your learning with classroom activities; chapter quizzes; reflection questions; Spanish songs, vocabulary, and books for the classroom; lists of additional resources; and a glossary. Sample letters and forms help you communicate with families and evaluate student needs (all forms are photocopiable and available online).

Helping Young Children Learn Language and Literacy Carol Vukelich 2012 *Helping Young Children Learn Language and Literacy: Birth Through Kindergarten*, 3/e, written by three renowned and well respected educator/authors, provides teachers with sound instructional strategies for teaching the language arts to young children and enhancing their reading, writing, speaking, and listening development. The unique focus of the book integrates emergent literacy and scientifically based reading research instruction, diversity, and instruction-based assessment in a highly readable manner, while incorporating ready-to-use ideas and strategies.

Stuck Jonathan Hoffman 2012 There are many challenges that children with Asperger's syndrome (AS) will have to overcome to reach their highest potential. In order to help them progress in constructive ways, those who care for and about these children often need to make changes too, sometimes difficult ones. *Stuck* provides a roadmap for understanding and addressing the complexities of AS, especially the presence of obsessive-compulsive behaviors (OCBs) that so frequently complicate basic functioning for both the child and others involved in their lives. The more knowledge and skills that caregivers can gain about these issues the better. Whether you are a parent, an educator, or a healthcare professional that wants to increase their awareness about Asperger's syndrome and obsessive-compulsive behaviors, you can benefit from the useful concepts and practical, action-oriented activities presented throughout this book.

Language Strategies for Bilingual Families Suzanne Barron-Hauwaert 2004-01-01 This book looks at how families can support and increase bilingualism through planned strategies. One such strategy is the one person-one language approach, where each parent speaks his or her language. Over a hundred families from around the world were questioned and thirty families were interviewed in-depth about how they pass on their language in bilingual or trilingual families.

Early Childhood Education Rebecca Staples New 2007

One Child, Two Languages Patton O. Tabors 2008 Practical, engaging guide to helping early childhood educators understand and address the needs of English language learners.

Growing Up with Two Languages Una Cunningham 2020-02-19 Growing Up with Two Languages provides a highly accessible account of the stages of language development, describes and evaluates the various systems and strategies that can be adopted and looks at the problems that can occur when a child is exposed to two languages and cultures. Combining research-informed advice and the experience of parents raising children as speakers of a wide range of languages in every populated continent in the world, this book and its associated web material will answer questions, offer tried and tested strategies to keep children speaking a minority language, and provide material to enlist the support of the extended family, teachers and others. The perspective of adults who were themselves raised speaking more than one language is included. New to this edition is a chapter focusing on families raising children as speakers of indigenous and threatened languages as well as chapters for teachers and health professionals who want to know more about multilingual child language development and how they can support parents to continue speaking their language with their children. With new and updated first-hand advice, Internet resources and examples throughout, this book also includes a chapter that introduces important recent research into multilingual children and further reading guides for those who want to know more. This book is for parents who are raising or plan to raise children as speakers of more than one language, and for the teachers and healthcare workers who meet and can support them.

A Parents' and Teachers' Guide to Bilingualism Colin Baker 2014-04-03 In this accessible guide to bilingualism in the family and the classroom, Colin Baker delivers a realistic picture of the joys and difficulties of raising bilingual children. This revised edition includes more information on bilingualism in the digital age, and incorporates the latest research in areas such as neonatal language experience, multilingualism and language mixing.

Growing Up with Two Languages Una Cunningham-Andersson 1999 The lives of many families involve contact with more than one language and culture on a daily basis. This volume is aimed at parents and professionals who feel uncertain about the best way to help children gain maximum benefit from the situation.

Shelters, Shacks and Shanties Daniel Carter Beard 2015-09-11 Élf my present reader happens to be a Boy Scout or a scout-master who wants the scouts to build a tower for exhibition purposes, he can do so by following the directions here given, but if there is real necessity for haste in the erection of this tower, of course we cannot build one as tall as we might where we have more time. With a small tower all the joints may be quickly lashed together with strong, heavy twine, rope, or even wire; and in the wilderness it will probably be

necessary to bind the joints with pliable roots, or cordage made of bark or withes; but as this is not a book on woodcraft we will suppose that the reader has secured the proper material for fastening the joints of the frame of this signal-tower and he must now shoulder his axe and go to the woods in order to secure the necessary timber. First let him cut eight straight poles—that is, as straight as he can find them. These poles should be about four and one half inches in diameter at their base and sixteen and one half feet long. After all the branches are trimmed off the poles, cut four more sticks each nine feet long and two and a half or three inches in diameter at the base; when these are trimmed into shape one will need twenty six or seven more stout sticks each four and one half feet long for braces and for flooring for the platform.

Parenting Without Guilt Charles C. Larson, Ph.d. 2014-04-01 There are times when what a youngster does or says is absolutely baffling to mom or dad. How can 15-year-old Sarah spend hours prepping her hair and not give one second to cleaning her room? Likewise, what's wrong with 10-year-old Mark who knows he shouldn't bully his little brother but does so anyway? Certainly parents want answers, and no one is surprised when a parent falls back on interrogating a child or teen with repeated "Why?" or "What were you thinking?" questions. Unfortunately, searching for the reasons children behave as they do by asking the ubiquitous "Why?" is ultimately unsuccessful and, frankly, irrelevant. "I don't know," "Because," or "I wasn't thinking," is the usual child response, resulting in frustrated parents and youngsters who feel embarrassed, stupid or annoyed. Drs. Charles C. Larson and John B. Dockstader, each with more than thirty years of experience working with parents and youngsters, advise parents to step back from situations such as those described and offer, instead, techniques for evaluating and solving family problems without needing to know "Why?". The authors counsel parents how to determine if a problem exists, who owns the problem and who is best equipped to solve it. Numerous real-life examples are presented to illustrate the problem-solving process and solutions. In Parenting Without Guilt, parents learn not only to solve family problems, but also why the challenges parents and youngsters face today are more demanding than ever before. In addition, parents are guided through each stage of child development, from birth to young adulthood, with attention to typical problems any parent may anticipate. Resources that parents can use to help them resolve family discords are discussed, to include working with educators, clergy, pediatricians, private practitioners and others. With compassion, humor and wisdom gained through practical experience, Drs. Larson and Dockstader offer information and advice that provides any parent with the skills to raise successful children without guilt, anxiety or distress.

Growing up with Three Languages Dr. Xiao-lei Wang 2008-11-06 This book is based on an eleven-year observation of two children who were simultaneously exposed to three languages from birth. It tells the story of two parents from different cultural, linguistic, and ethnic-racial backgrounds who joined to raise their two children with their heritage languages outside their native countries. It also tells the children's story and the way they negotiated three cultures and languages and developed a trilingual identity. It sheds light on how parental support contributed to the children's simultaneous acquisition of three languages in an environment where the main input of the two heritage languages came respectively from the father and from the mother. It addresses the challenges and the unique language developmental characteristics of the two children during their trilingual acquisition process.

Critical Perspectives on Project Head Start Jeanne Ellsworth 1998-01-01 Considers how

Downloaded from avenza-dev.avenza.com
on October 5, 2022 by guest

Project Head Start, the federally funded preschool program, has operated (sometimes effectively and comfortably, sometimes not) with families, in communities, and with other institutions. An important look at the intersections of poverty, social programs, and education.

Bilingual Children Jürgen M. Meisel 2019-06-27 This practical and reassuring guide will enable readers to make informed decisions about how to raise their child bilingually.

Teaching in Two Languages Sharon Adelman Reyes 2010-02-18 Grounded in the latest research, this book provides classroom-ready strategies for balancing instruction in two languages and meeting the unique challenges of educating English language learners.

One Child, Two Languages Patton O. Tabors 2008 Practical, engaging guide to helping early childhood educators understand and address the needs of English language learners.

Kindergarten Language Arts Sheila Carter 2017-08-22 "This curriculum is so user friendly. It takes all the guess work out of what, when and how to teach my child. It's obvious, this curriculum was carefully and skillfully put together to give parents and children a positive learning experience. I am so thankful I was able to use this program with my child! I don't know what I would have done without it!" J. Widdison Home to Home Education provides an easy to follow, step by step approach for all of your language arts needs (phonics, reading, spelling, grammar, writing, and handwriting). This Teacher's Manual in companion with the Kindergarten Student Workbooks (Part 1 and Part 2) gives a solid foundation and encourages a love for learning. By the end of the course, your child will have the skills necessary to read books and write complete sentences. This manual includes: -36 weeks of lesson plans (4 days a week) -step by step instructions on what to teach and do each day -repetition to stimulate learning and imagination -handwriting and sentence guidelines -independent and teacher lead exercises -over 200 quality literature suggestions for reading -hands on activities -interactive learning games Mrs. Carter, founder of Home to Home Education, uses her experiences as a certified educator and homeschool mom of four to compile the best of both worlds. The focus of the program is not only to provide the steps to teach your children reading and writing; but to have them love it too. Enjoy teaching at home knowing that you are giving your children the best education. You can successfully teach your children!

Teaching Dual Language Learners Lisa M. López 2020-08 "Teaching Dual Language Learners is a practical guide to help early childhood educators understand the needs of and provide instruction for young dual language learners in their classroom"--

Mei Mei---a Beautiful Fish 2013

Mentoring Your Child to Win Arlene Karian 2013-11-25 Author Arlene Karian opens the door to success for millions of parents now – and in the future. In "Mentoring Your Child To Win: The 7 Breakthrough Keys How A Single Former Welfare Mom Raised A Multi-Millionaire Kid", Arlene – "The Parenting Mentor" – provides you with a proven plan she created for herself and is now available to all who shape a child's consciousness. Easy and enjoyable to follow, parents will find the tools to create a bond with their children in an exciting new way. Recently validated by science, Arlene's system will open a whole new world of possibilities, empowering you to raise extraordinary children and also uplift you and your entire life in the process. The simple secret: Arlene became a mentor to her son by following a simple original system. Now you can

use Arlene's "Road Map to 21st Century Parenting" system to help your children avoid negative outside influences and achieve great things, so they become what they were meant to become. In "Mentoring Your Child To Win: The 7 Breakthrough Keys How A Single Former Welfare Mom Raised A Multi-Millionaire Kid," you'll discover:

- The 7 Keys to 21st Century Parenting
- The 3 Scientific Research Secrets about Parenting
- How To Mentor Your Child to Excel
- How to Raise an Extraordinary Child
- How To Get Your Kid To Say 'No' to Outside Influences

Plus a lot more detailed, step-by-step guidance, inspiration, and help for parents and guardians to modernize parenting with a new breakthrough approach to interface with these troubled times. In addition, the book reveals:

- Detoxing Your Mind: An Innovative Way to De-stress
- How To Effortlessly Organize Your Day
- Keeping The Love Alive In Spite Of Dishes, Laundry and Texting

"Mentoring is the new way," Arlene says. "I raised my son to excel while on welfare. It's because I blended parenting with mentoring that my son became so extraordinary, successful, and a living role model of my work. Helping all parents bring out the best in their children, whatever that might be, is now my passion." Arlene believes that true wealth comes from the wisdom of the one who is shaping a child's life. Her book will guide you on an incredible new journey toward that end.

Mentoring Your Child To Win: The 7 Breakthrough Keys - How A Single, Former Welfare Mom Raised A Multi-Millionaire Kid brings solutions for parenting in the 21st Century.

Diary of a Bilingual School Sharon Adelman Reyes 2012 Dual immersion, a popular new way to cultivate bilingualism, is capturing the attention of parents and educators alike. By bringing together children from diverse backgrounds to learn each other's languages in a natural setting, it has proved far more effective at cultivating fluency than traditional approaches. But how do these programs actually work? What goes on in dual immersion classrooms? And what is it that makes them so effective? Diary of a Bilingual School answers these questions with a unique mix of narratives and analysis. Depicting a year in the life of a second-grade classroom, it demonstrates what can happen when the instruction is bilingual and the curriculum is constructivist. The book focuses on Chicago's Inter-American Magnet School, one of the nation's most acclaimed dual immersion programs, where children thrive in an environment that unlocks their intellectual curiosity and enthusiasm for learning. Simultaneously, without conscious effort, they become proficient in two languages and at home in a culture that differs from their own. For those who want to discover the benefits of dual immersion for their children or for their students -- or who want to learn more about child-centered approaches to teaching -- Diary of a Bilingual School is a must.

Academic Language! Academic Literacy! Eli R. Johnson 2009-07-06 Develop students' understanding of academic language and watch literacy skills soar! To achieve higher levels of learning, students must be able to understand academic language—the formalized language of instruction found in classrooms, textbooks, and standardized tests. Eli R Johnson conveys a powerful message of the need for teachers to provide explicit academic language instruction for all students, especially English language learners or those struggling with reading. Filled with 36 hands-on strategies, this practical ...

Literacy for Young Children Priscilla L. Griffith 2008-03-13 This research-based guidebook offers PreK and kindergarten teachers easy-to-implement activities to develop oral language, phonological and print awareness, emergent writing, and comprehension skills in diverse classrooms.

One Child, Two Languages Patton O. Tabors 1997 Offers specific techniques designed to facilitate the natural progression of second-language acquisition in young children. Includes suggestions for measuring progress, addressing individual differences, and working with parents. Preschool level.

Bilingual Siblings Suzanne Barron-Hauwaert 2011-01-13 How do bilingual brothers and sisters talk to each other? Sibling language use is an uncharted area in studies of bilingualism. From a perspective of independent researcher and parent of three bilingual children Suzanne Barron-Hauwaert discusses the issues of a growing bilingual or multilingual family. What happens when there are two or more children at different stages of language development? Do all the siblings speak the same languages? Which language(s) do the siblings prefer to speak together? Could one child refuse to speak one language while another child is fluently bilingual? How do the factors of birth order, personality or family size interact in language production? With data from over 100 international families this book investigates the reality of family life with two or more children and languages.

Dreaming Dangerously Kathleen Harsch 2012-06-01 Praise for DREAMING DANGEROUSLY 5 out of 5 star reviews: Once I read the first page, I couldn't put it down until I finished it. Dreaming Dangerously is a book I would recommend to anyone to read... the Author is skilled. -Dominique, Goodreads.com It really just blew me away how much I loved reading this book. Chani, Goodreads.com I loved Dreaming Dangerously. Mind reading is one of those things not all authors can write about. Dreaming Dangerously is a book I would highly recommend. - Kris Spor, Amazon customer Overview of DREAMING DANGEROUSLY: A teen mind-reader tries to keep her secret from the gossips at her high school. A popular boy who finds out. Her nightmares start to come true. She must learn to trust him before it's too late to stop the tragedy that awaits. FOR ANYONE WHO WANTS YOUNG ADULT SCIENCE FICTION/FANTASY and can't get enough of Hunger Games, and Evermore, then you must read DREAMING DANGEROUSLY as your next YA thriller!! Other works by Kathleen Suzette Harsch: DARKNESS DESCENDS, book 2 of the Children of the Psi series is out now!

Windows to Our Children Violet Oaklander 1988

7 Steps to Raising a Bilingual Child Naomi STEINER 2008-11-13 The best time to learn a second language is as a child. During childhood, the brain is more receptive to language learning than at any other time in life. Aware that a second language can enrich their child's understanding of other cultures and bring future job opportunities in a world drawn ever closer by globalization, many parents today are motivated to raise their children bilingual. This book helps parents in both monolingual and multilingual families determine and achieve their bilingual goals for their child, whether those goals are understanding others, the ability to speak a second language, reading and/or writing in two languages, or some combination of all of these. The authors explain how the brain learns more than one language, explode common myths, address frequently asked questions, and reveal an array of resources available to families. Packed with insightful anecdotes and powerful strategies, this is a one-of-a-kind guidebook for those seeking to provide their children with a uniquely valuable experience.

Performative Language Teaching in Early Education Joe Winston 2022-01-27 This book introduces the application of drama and arts-related activities to the teaching of English as a second or additional language in early education. Joe Winston draws on both his own scholarly

expertise and experience as a practitioner to provide a theoretical rationale, practical examples, tips and easy-to-read teaching guides intended to help busy professionals apply drama related methods in an efficient and accessible way. Detailed examples of schemes of work are included for all year groups and developmental stages between the ages of 3 and 7 years of age. Each scheme centres on a popular and easily obtainable picturebook or children's story. Detailed guidance on how to plan and structure lessons with specific learning objectives is offered, as is extensive advice on issues of classroom management. The practical approaches have been used successfully in early years settings in China and primary and pre-primary settings in the UK, and are adaptable to a variety of national and cultural contexts.
