Updated estimates show the number of people who suffer from hunger has been growing over the past three years, returning to prevailing levels from almost a decade ago. Although progress continues to be made in reducing child stunting, over 22 percent of children under five years of age are still affected. Other forms of malnutrition are also growing: adult obesity continues to increase in countries irrespective of their income levels, and many countries are coping with multiple forms of malnutrition at the same time - overweight and obesity, as well as anaemia in women, and child stunting and wasting.

Obey Giant Shepard Fairey 2005-08-01 Andre the Giant Has a Posse is a street art campaign based on an original design by Frank Shepard Fairey created in 1989 while Fairey was a student at the Rhode Island School of Design (RISD). At the time Fairey declared the campaign to be "an experiment in phenomenology." Over time the artwork has been reused in a number of ways and has become a world-wide pataphysical movement, following in the footsteps of Ivan Stang's Church of the SubGenius and populist WWII icon Kilroy Was Here. At the same time, Fairey's work has evolved stylistically and semantically into the OBEY Giant campaign. This book displays 10 years of graphic evolution - from the first photocopied "Andre the Giant" sticker that Shepard Fairey made at RISD to the giant billboard posters you see all around the world. A stunning full-colour documentation of Fairey's 'campaign' of postering and stencils It attempts to simultaneously bring the viewer to question propaganda absorption and to encourage a better use of public space.

Tatterdemalion Sylvia Linsteadt 2017-05-11 In a ruined world, what survives are the tales we tell. Tatterdemalion is a uniquely original post-apocalyptic novel rooted in fantasy and folklore. It begins when Poppy, who speaks the languages of wild things, travels east to the mountains with the wheeled and elephantine beast, Lyoobov. He's seeking answers to the mysteries of his birth, and the origins of a fallen world. Up in the glacial peaks, among a strange, mountainous people, a Juniper Tree takes Poppy deep into her roots and shows him the true stories of the people who made his world, people he thought were only myths. Their tales span centuries, from three hundred years in the future all the way back to our present day. It is through this feral but redemptive folklore that Poppy begins to understand the story of his own past and his place in the present. Tatterdemalion is a brilliant collaboration between the visual artist Rima Staines and the author Sylvia Linsteadt, and it features 14 original colour illustrations which inspired the story.

The Secret Sean Kelly & Ted Mann & Byron Preiss 2014-03-18 The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels in 1982 dollars, are buried. The key to finding each can be found within the twelve full-color paintings and verses of *THE SECRET*. Are you smart enough? *THE SECRET: A TREASURE HUNT* was published in 1982. The year before publication, the author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum.
