

One Hundred Lifetimes An Aspen Cove Small Town Ro

Eventually, you will unconditionally discover a additional experience and deed by spending more cash. yet when? pull off you take that you require to acquire those every needs taking into account having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will guide you to understand even more in this area the globe, experience, some places, with history, amusement, and a lot more?

It is your certainly own grow old to do something reviewing habit. among guides you could enjoy now is **one hundred lifetimes an aspen cove small town ro** below.

One Hundred Promises Kelly Collins 2020-12-11 Take a trip to Aspen Cove, where anything is possible when it comes to love... Emergency room doctor Lydia Nichols thought her future was set. But when her boyfriend, who was also her boss, walked out the door and into the arms of a nurse, her job left with him. With no boyfriend, no job, and no prospects, Lydia had little choice but to answer the pleas of her sister and head to Aspen Cove to help in their clinic. But small-town life would never be enough. Her plan was to help out and then hightail it out of town. That was, until sinfully sexy contractor Wes Covington came in seeking emergency care. Wes Covington fled to Aspen Cove looking for the comforts of simple, small-town life. After a lifetime of being almost good enough, almost rich enough, and almost loveable enough, he left behind his high-paying job, his penthouse, and his Porsche to start over. He wanted to find acceptance and a woman who loves him for who he is and not what he has in his bank account. When Dr. Lydia heals his wounds, she gives him hope for the future he envisions. She's the perfect mix of sassy and sweet. The woman is a hellion with a halo, but she's temporary. Lydia can't imagine staying. Wes can't bear to see her leave. Will love be enough to keep them together?

Prominent Families of New York Lyman Horace Weeks 1898

Finding Jung Frank N. McMillan 2012-03-14 Available electronically in an open-access, full-text edition from the Texas A&M University Libraries' Digital Repository at <http://hdl.handle.net/1969.1/146844>. Frank N. McMillan Jr., a country boy steeped in the traditional culture of rural Texas, was summoned to a life-long quest for meaning by a dream lion he met in the night. On his journey, he followed the lead of the founder of analytical psychology, Carl Jung, and eventually established the world's first professorship to advance the study of that field. McMillan, born and raised on a ranch near Calvert, was an Aggie through and through, with degrees in geology and petroleum engineering. As an adult working near Bay City, Texas, he was lunching in a country café when by chance he met abstract expressionist painter Forrest Bess, who was ecstatically waving a letter he had received from Jung himself. The artist's enthusiastic description of Jung as a master psychologist, soul doctor, and healer led McMillan to the Jung Center in Houston, where he began reading Jung's Collected Works. McMillan frequently said, "Jung saved my life." *Finding Jung: Frank N. McMillan Jr., a Life in Quest of the Lion* captures McMillan's journey through the words of his own journals and

through reflections by his son, Frank III. David Rosen, the holder of the first endowed McMillan professorship at Texas A&M University, adds insights to the book, and the late Sir Laurens van der Post, whom the elder McMillan met at the Houston Jung Center in 1979, authored a foreword to the book before his death. This is a story that sheds light on the inner workings of the self as well as the Jungian understanding of the Self. In often lyrical language, it gives the human background to a major undertaking in the dissemination of Jungian scholarship and provides a personal account of a life lived in near-mythic dimensions.

Can't Judge a Book By Its Murder Amy Lillard 2019-10-29 Not every murder is by the book... As Sugar Springs gears up for its all-class high school reunion, Mississippi bookstore owner Arlo Stanley prepares to launch her largest event: a book-signing with the town's legendary alum and bestselling author, Wally Harrison. That's when Wally is discovered dead outside of Arlo's front door and her best friend is questioned for the crime. When the elderly ladies of Arlo's Friday Night Book Club start to investigate, Arlo has no choice but to follow behind to keep them out of trouble. Yet with Wally's reputation, the suspect list only grows longer—his betrayed wife, his disgruntled assistant, even the local man who holds a grudge from a long-ago accident. Between running interference with the book club and otherwise keeping it all together, Arlo anxiously works to get Chloe out of jail. And amidst it all, her one-time boyfriend-turned-private-eye returns to town, just another distraction while she digs to uncover the truth around Wally's death and just what Sugar Springs secret could have led to his murder.

Teaching Engineering, Second Edition Phillip C. Wankat 2015-01-15 The majority of professors have never had a formal course in education, and the most common method for learning how to teach is on-the-job training. This represents a challenge for disciplines with ever more complex subject matter, and a lost opportunity when new active learning approaches to education are yielding dramatic improvements in student learning and retention. This book aims to cover all aspects of teaching engineering and other technical subjects. It presents both practical matters and educational theories in a format useful for both new and experienced teachers. It is organized to start with specific, practical teaching applications and then leads to psychological and educational theories. The "practical orientation" section explains how to develop objectives and then use them to enhance student learning, and the "theoretical orientation" section discusses the theoretical basis for learning/teaching and its impact on students. Written mainly for PhD students and professors in all areas of engineering, the book may be used as a text for graduate-level classes and professional workshops or by professionals who wish to read it on their own. Although the focus is engineering education, most of this book will be useful to teachers in other disciplines. Teaching is a complex human activity, so it is impossible to develop a formula that guarantees it will be excellent. However, the methods in this book will help all professors become good teachers while spending less time preparing for the classroom. This is a new edition of the well-received volume published by McGraw-Hill in 1993. It includes an entirely revised section on the Accreditation Board for Engineering and Technology (ABET) and new sections on the characteristics of great teachers, different active learning methods, the application of technology in the classroom (from clickers to intelligent tutorial systems), and how people learn.

Splitting Heirs Diane Michaels 2020-06-13 "The characters are amazing, real people that you can really relate to and identify with in a fast-paced story with a few twists and turns to

keep you on your toes." □□□□ Readers' Favorite A family feud over a New York-sized fortune? Fugetaboutit! In her dreams, Lauren sells the most fabulous properties in New York City. In reality, she's scraping by on the tiny commission she earned seven months ago. Plus she just accidentally set fire to the only other listing in her portfolio. Lauren hopes inheriting a small share of her eccentric great-aunt's real estate fortune will be the win she desperately needs. But there's no such thing as easy money. Before she can earn her inheritance, she has to compete against her family in a series of quests. To make matters worse, the quests involve the surprise reappearance of Johnny, the bane of her existence in high school and definitely the last person she wants to see. As the circumstances push Lauren beyond her limit, she discovers the prize she's fighting for may not be what she thinks it is. And the more time she spends with Johnny, the more she wonders if she is also spectacularly wrong about both him and her life-long dream. Get this laugh-out-loud novel, perfect for fans of chick lit with a lot of heart.

Tinsey Clover Chelsea Flagg 2018-11-30 Tinsey Clover feels like a total outcast in her own village. When she sets out on an adventure through the Icelandic Bungaborg Forest, she has to rely on her innate math skills, a pinch of unreliable magic, and a team of unlikely new friends to navigate all sorts of sticky situations.

Purgatory Ridge William Kent Krueger 2010-03-16 Winner of the prestigious Loft-McKnight Fiction Award and the Anthony Award for Best First Novel, William Kent Krueger has established himself as a startlingly original voice in thriller fiction. With Purgatory Ridge he cements his standing as a suspense writer of the highest caliber. Not far from the small town of Aurora (population 3,752) lies an ancient two-hundred-acre expanse of great white pines, sacred to the Anishinaabe and known to them as Minishoomisag (Our Grandfathers). Wealthy industrialist Karl Lindstrom does not have a reputation as a sensitive environmentalist, and some members of the Anishinaabe tribe are concerned about the proximity of the trees to his lumber mill. So when an explosion at the mill results in the death of a night watchman, it's obvious whom suspicion will fall upon. Cork O'Connor, in the throes of straightening out his life and repairing his marriage, is asked by his successor as sheriff to help with the investigation. His sense of community obliges him to accept, but Cork has distinctly mixed feelings about the case. For one thing, he is part Anishinaabe himself. For another, his lawyer wife, Jo, represents the tribe. Meanwhile, in a secluded house that overlooks the lakeside home of the Lindstrom family, a reclusive shipwreck survivor and his sidekick also seem to be harboring some resentment of their own against the industrialist. And it soon becomes clear to Cork that harmony, both at home and in the town, will be on the back burner for some time. William Kent Krueger's precise and atmospheric prose, combined with his keen eye for the telling details of small-town life and his vivid sense of the land and seascapes of northern Minnesota, will impress and delight both his old fans and those discovering him for the first time.

Blood Meridian Cormac McCarthy 2010-08-11 25th ANNIVERSARY EDITION • An epic novel of the violence and depravity that attended America's westward expansion, Blood Meridian brilliantly subverts the conventions of the Western novel and the mythology of the Wild West—from the bestselling, Pulitzer Prize-winning author of The Road Based on historical events that took place on the Texas-Mexico border in the 1850s, it traces the fortunes of the Kid, a fourteen-year-old Tennessean who stumbles into the nightmarish world where Indians are being murdered and the market for their scalps is thriving.

Weekend Wife Erin McCarthy 2020-01-18 Billionaire businessman in need of a fake fiancée... It should be the easiest job ever for an out-of-work actress, right? All I have to do is pose as Grant Caldwell (the Third)'s fiancée for a fancy-pants weekend in the Hamptons. Easy. Wear designer clothing and sip champagne? Don't mind if I do. Flirting with Grant? It's so delicious I should be paying him. Nothing can go wrong as long as I can keep my hands off of him. But that's the hard part. And I do mean hard. Because Grant is sexy. And bossy. And surprisingly sweet, a real rarity in his pretentious family. Oops. I'm not as good at faking it as I thought.

One Hundred Promises Kelly Collins 2018-08-06 Aspen Cove, Colorado wasn't on Lydia Nichols' wish list when she finished her residency at Denver General Hospital, but life delivered several surprising blows. Her long-time boyfriend, who was also her boss, moved on with a nurse and took Lydia's job with him. No boyfriend. No job. No options. As a favor to her sister, she arrived in the small mountain town for a temporary job as the clinic doctor. Her first question when she got there was 'how fast can I leave?' That was until sinfully, sexy Wes Covington came into the clinic seeking care. With him around Lydia might have found a reason to stay-for now. Wes Covington left his demons in Denver. Working for his family's architectural firm, he was tired of being almost-almost good enough-almost rich enough-almost loveable enough. He abandoned his penthouse, his high-paying position and his Porsche for simple, small-town life. All he wanted was to restore his ancestral home and find a good woman who would love him for who he was and not what he was worth. When Wes meets Dr. Lydia Nichols he likens her to a hellion with a halo. She's the perfect mix of sassy and sweet, cunning and compassion, but she'll never be his unless he can convince her to stay. Love blooms quickly when the timing is right, but will Lydia surrender her chance at love, or can Wes convince her that everything she'll ever want or need is right in Aspen Cove?

Dreaming of Provence Jennifer Skully 2021-06-23 A deathbed promise could open the door to a promise of love. When Julia Bellerman loses her husband to cancer, she's cast adrift. For ten years, her whole life has been about caring for him. Now, before she can move on with her life, she must fulfill her husband's deathbed wish to scatter his ashes in Provence. And to let Ryder Wilding go with her. Ryder, her husband's best friend. And the man she fell in love with a lifetime ago. Ryder's first mistake was walking away from Julia. His second mistake was marrying the wrong woman—a marriage that ended in a nasty divorce. He's spent all the years since wrestling with the guilt of loving his best friend's wife. Now Ryder must take Julia to Provence to scatter her husband's ashes. He thought losing his best friend was painful, but keeping his hands off Julia will be the hardest thing he's ever done. Can love overcome grief and guilt to give them a second chance? A later in life, friends to lovers holiday romance set in the beauty of Provence...

Hell's Angels Hunter S. Thompson 2012-08-01 Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell's Angels, that is—in this short work of nonfiction. "California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again." Thus begins Hunter S. Thompson's vivid account of his experiences with California's most notorious motorcycle gang, the Hell's Angels. In the mid-1960s, Thompson spent almost two

years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as *The New Yorker* pointed out, "For all its uninhibited and sardonic humor, Thompson's book is a thoughtful piece of work." As illuminating now as when originally published in 1967, *Hell's Angels* is a gripping portrait, and the best account we have of the truth behind an American legend.

Saving Silas Kelly Collins 2017-06-04 She's running from her painful past. He's racing toward an uncertain future. Can their love set the course for a happy life together? Silas Savage is back in the one place he never wanted to be, Fury Colorado—the town where his parents died—the place where his life turned into a living hell. Silas is certain the only thing worth his time in the tiny mountain town is his brother Ryker until he runs into sassy single mother, Grace Faraday. The second they meet she kisses him and thrusts a baby into his arms before she tells her father the baby is his. Silas never considered a family until that little boy was cradled in his arms and Grace's lips pressed against his. That one kiss made anything seem possible. Grace Faraday understands what family is and what it isn't. Growing up with a clergyman as a father she couldn't tell him she'd had a child out of wedlock. Giving up on love, she leaves Denver behind in search of a better life for her infant son in Fury, Colorado. After being abandoned by her baby's father, Grace is determined to never fall for a man again, but everything changes when Silas Savage shows up in the nick of time to save her from telling her father the painful truth. She didn't realize one kiss would change the trajectory of her life. Silas is the exact opposite of what she thought she wanted, but he's everything she needs or at least is pretending to be. When their pasts intersect with their present, will the lies derail their future, or can the truth in their hearts guide them to everlasting love? *Saving Silas* is the second book in *The Boys of Fury* contemporary romance series. If you like off the charts chemistry, quirky side characters, and small-town romances, then you'll love Kelly Collins' emotional journey of love lost and found.

Illusions Janet Dailey 2009-03-17 Delaney Westcott is a beautiful career woman in a man's world. Owner and chief asset of a personal security business -- where she guards the rich and famous from the unwanted attention of friends and enemies -- she can take care of herself. Except for the one time she didn't: when she fell headlong for handsome cowboy Jared McCallister, a man she couldn't have. After it ended suddenly, Delaney threw herself into her work with a fury and intensity calculated to erase every other thought from her mind. And she promised that she'd never let any man touch her so deeply again. Ever. But when Delaney finds herself in Jared's hometown of Aspen, Colorado, on a dangerous job, she begins to wonder if she is strong enough to refuse him a second time...

[One Hundred Excuses](#) Kelly Collins 2019-04-08 Author Kelly Collins takes you back to Aspen Cove where life is sweet, the tea is sweeter, and love is the sweetest of all. Marina Caswell didn't expect to find herself broken and alone with a four-year-old daughter. She could offer a hundred excuses as to why her marriage failed, but the truth was she'd chosen poorly. After a painful marriage and an ugly divorce, she flees with her little girl to Aspen Cove looking for a place to heal their wounded spirits and mend their shattered hearts. What she doesn't expect to find in the quirky little town is love in the form of Sheriff Cooper, a man who insists that

everything including trust, love, and respect is grown like a garden. All it needs is a bit of attention and care, something Marina has never experienced. As the local sheriff, Aiden Cooper can recognize trouble at a glance. It usually looks pretty, smells nice, and wears heels. After his last relationship failure, Aiden doesn't expect love to bloom when single mom Marina Caswell plants roots next door, but when he sees the sadness in her eyes, he makes it his mission to sow seeds of hope and happiness in her heart. The tiniest kernel of love can grow when the conditions are right, but a weed from Marina's past threatens to choke out what they've cultivated together. Can Aiden and Marina's love grow and thrive, or will the past seek its revenge, causing their love to wilt and die before it can ever take root? Find out in *One Hundred Excuses*

Lovely War Julie Berry 2020-02-04 "They are Hazel, James, Aubrey, and Colette. A classical pianist from London, a British would-be architect-turned-soldier, a Harlem-born ragtime genius in the U.S. Army, and a Belgian orphan with a gorgeous voice and a devastating past. Their story, as told by goddess Aphrodite, who must spin the tale or face judgment on Mount Olympus, is filled with hope and heartbreak, prejudice and passion, and reveals that, though War is a formidable force, it's no match for the transcendent power of Love"--

Priceless Linda Kage 2019-12-17 Three things in my life were fact. I needed Sarah to survive. I needed sex to remain sane. And I could never mix sex with Sarah. I just knew—deep in my marrow—that if I did, I'd somehow lose her. All my deepest darkest secrets would crack open, bleed out, and ruin everything between us. I wouldn't unleash the shit inside me on my worst enemy, let alone her. So she stayed strictly in the friend zone. People probably thought I never went there with her because of her cerebral palsy, but f*ck them. She knew she was the most important person in my world, and I wasn't about to risk hurting our relationship just to make my c*ck happy. Until the moment she begged me to take her virginity. Now it's all about to hit the fan, because how the hell do you resist the one person forbidden to you when she says please? --Brandt Gamble

One Hundred Lifetimes Kelly Collins 2021-02-25 Visit Aspen Cove, the charming mountain town where dreams never die and love lives on forever... Poppy Dawson wants what she can't have--Mark Bancroft, Aspen Cove's deputy sheriff. Growing up the daughter of a cattle rancher, she had no time for silly things like love. But after watching her terminally ill mother wither, Poppy realizes life is not only unpredictable, it's short. She has to decide if she'll settle for the life laid out for her or the life she desires. Abandoned by his no-good father at the age of eight, Mark Bancroft has spent over twenty years trying to redeem his family name. He's been a good man. An honest man who's been in love with Poppy Dawson ever since he can remember. But when his father stole everything from the Dawsons and left town, he took Mark and Poppy's future with him. Done carrying the burden of his father's crimes, Mark sets out to win her heart, but first, he must win her father's respect. She's a woman desperate for love. He's a man who demands respect. Can a decades-old family feud be ended for love?

The Memorial History of Hartford County, Connecticut, 1633-1884 James Hammond Trumbull 1886

Rats Saw God Rob Thomas 2012-06-12 Steve details his descent from bright star to burnout in this newly repackaged edition of the definitive, highly acclaimed novel from the creator of

Veronica Mars and Party Down. Houston, sophomore year: Steve is on top of the world. He and his friends are the talk of the school. He's in love with a terrific girl. He can even deal with "the astronaut"—a world-famous hero who happens to be his father. San Diego, senior year: Steve is bummed out, drugged out, flunking out. A no-nonsense counselor says he can graduate if he writes a 100-page paper. So Steve starts writing, and as the paper becomes more and more personal, he reveals how a National Merit Scholar has become an under-achieving stoner. And in telling how he got to where he is, Steve discovers how to get to where he wants to be.

Where the Crawdads Sing Delia Owens 2018-08-14 NOW A MAJOR MOTION PICTURE—The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, hailed by The New York Times Book Review as "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature." For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

Osceola the Seminole, Or The Red Fawn of the Flower Land Mayne Reid 1873

The List Karin Tanabe 2013-02-05 After leaving her glamorous job for a journalist position at the Capitolist, a popular political media outlet, Adrienne Brown finds herself in a frenetic, cutthroat industry, where the scoop of a lifetime may leave her in trouble.

If you like secret societies, sizzling sex scenes, and forbidden love affairs, then you'll adore Kelly Collins' irresistible read. Buy The Dean's List to enroll in a sultry secret romance today!

Behold a Pale Horse William Cooper 2012-04-11 Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to "talk" due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been "talking," he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. "Bill Cooper is the world's leading expert on UFOs." -- Billy Goodman, KVEG, Las Vegas. "The onlt man in America who has all the pieces to the puzzle that has troubled so many for so long." -- Anthony Hilder, Radio Free America "William Cooper may be one of America's greatest heros, and this story may be the biggest story in the history of the world." -- Mills Crenshaw, KTALK, Salt Lake City. "Like it or not, everything is changing. The result will be

the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands." -- William Cooper, October 24, 1989.

What I Never Knew I Needed C. L. Collier 2018-05-10 Divorced. I never thought I would be checking this box as a life accomplishment. Apparently, my cheating husband had other plans and no longer wanted to uphold our vows. Life as I knew it will never be the same. Not only do I have to worry about how I will pick up the pieces for myself, but I have to help my son recover from the lies and deceit as well. When my best friend Amanda asks me to go on a road trip to California, I jump at the chance to help her recover from the loss of her mom, as well as escape my own life in turmoil. I finally decide to let loose and have a care-free night. Little do I know just how much that one magical night will change my world.

The trail of the lonesome pine John Fox 1917

One Hundred Reasons Kelly Collins 2020-12-11 Fresh starts, hope, and happily ever afters? Nurse Sage Nichols life changed when she lost her favorite patient and inherited a bed and breakfast in a town she didn't know existed. She traveled to Aspen Cove intent to sell so she could hurry back to her life in Denver. Little did she know, she was about to find everything she ever needed in the tiny mountain town with a big heart. Sage found herself in a place where caring for your neighbor was a way of life. In her case, that happened to be surly Cannon Bishop, the man of her dreams. Cannon Bishop was a man who learned long ago that hope was a dangerous thing. Closed off from the world after a family tragedy, Cannon lived a lonely life as the owner of Aspen Cove's only bar and son to the town drunk. When Sage Nichols breezed into town, she offered the possibility of more if he'd only open his heart. Cannon's protective walls tumble and suddenly a brighter future of healing, hope, and peace was possible? if only Sage would stay.

The Baron Trump Collection Lockwood Ingersoll 2020-10-20 This is a fun classic book for the whole family to enjoy. It's proven the test of time and is relevant even in this day and age. Your kids will be excited as you read it to them before they go to bed. In these books, the young German protagonist, Wilhelm Heinrich Sebastian Von Troomp, better known as Baron Trump, with a brain so big that his head has grown to twice the normal size, travels around and under the globe with his dog Bulger, meeting residents of as-of-yet undiscovered lands before arriving back home at Castle Trump. Ingersoll Lockwood is particularly known today for his Baron Trump children's novels. However, he wrote other children's novels, as well as the dystopian novel, 1900: or; The Last President, a play, and several non-fiction works. He wrote some of his non-fiction under the pseudonym Irwin Longman.

Along Navajo Trails Will Evans 2005-04-15 Will Evans's writings should find a special niche in the small but significant body of literature from and about traders to the Navajos. Evans was the proprietor of the Shiprock Trading Company. Probably more than most of his fellow traders, he had a strong interest in Navajo culture. The effort he made to record and share what he learned certainly was unusual. He published in the Farmington and New Mexico newspapers and other periodicals, compiling many of his pieces into a book manuscript. His subjects were Navajos he knew and traded with, their stories of historic events such as the Long Walk, and descriptions of their culture as he, an outsider without academic training, understood it. Evans's writings were colored by his fondness for, uncommon access to, and

friendships with Navajos, and by who he was: a trader, folk artist, and Mormon. He accurately portrayed the operations of a trading post and knew both the material and artistic value of Navajo crafts. His art was mainly inspired by Navajo sandpainting. He appropriated and, no doubt, sometimes misappropriated that sacred art to paint surfaces and objects of all kinds. As a Mormon, he had particular views of who the Navajos were and what they believed and was representative of a large class of often-overlooked traders. Much of the Navajo trade in the Four Corners region and farther west was operated by Mormons. They had a significant historical role as intermediaries, or brokers, between Native and European American peoples in this part of the West. Well connected at the center of that world, Evans was a good spokesperson.

Cover of Darkness Kaylea Cross 2010-05-25 Targeted by a terrorist cell. Bryn McAllister survives a bombing at the U.S. Embassy in Beirut only to be left to die in a desert cellar. When she's rescued by SEAL Lieutenant Declan McCabe and his team, Bryn must rely on him and his team to get her to safety. But just when she thinks the nightmare is over, she and McCabe are recruited to help track down the terrorist mastermind responsible for the attack. Now they're both fighting for their lives. With Bryn determined to see the terrorist brought to justice, Dec joins up to protect her, prepared to do whatever it takes to keep her safe during their hazardous mission. Battling the explosive attraction between them, Dec fights to keep his distance from her so he can do his job and keep her alive. And when everything goes sideways and Bryn is captured, he must make the agonizing choice between his duty as a SEAL and the life of the woman he loves.

The Woodsman B. C. Lienesch 2021-07-20 Jackson Clay used to be many things. An Army Ranger. A loving husband. A doting father. But that was a lifetime ago. Now, in the wake of unspeakable tragedy, he's simply the missing's last hope. When quiet high schooler Sara Beth Parker disappears in the night from her home in Virginia's Shenandoah Valley, Detective Angela Cole is assigned the case. A black woman in a department full of white men, she's made a career for herself working harder and being better than the badges beside her. But when leads begin to dry up and her own peers start to question whether Parker was taken or simply ran away, Cole feels herself being pushed to the edge. And when an old colleague introduces her to Jackson, she'll break her own rules and place any hope of finding Sara Beth in his hands. Determined to breathe life into a case that has quickly gone cold, Jackson begins to unravel a tangled web of secrets and lies that put him in the crosshairs of a sociopathic killer and his heavily-armed cult - a group that may be responsible for much, much more than just Sara Beth's disappearance. But enemies also have enemies, and when Jackson gains the help of a charismatic boor named Bear, together they'll take the fight to the cult, determined to bring Sara Beth home. *THE WOODSMAN* is "an unputdownable, suspenseful, and gripping book full of twists and turns." (Dawn Hosmer, author of *Bits & Pieces*)

It Was Always You Alexa Rivers 2020-05-29 Who says you never get a second chance at your first love? Dr. Avery Brown is a skeptic by nature. It's a good trait for a scientist, but when it comes to relationships? It can complicate things. Not that it really matters. She's too busy revolutionizing forensic science to deal with emotional entanglements, anyway. But when her breakthrough puts her in the crosshairs of a killer, she has no choice but to accept help from the only man who ever managed to worm his way into her cynical heart-and shattered it in the process. Sergeant Gareth Wayland never got over Avery. She was his first

love, his best friend. Letting her go was the hardest thing he'd ever done, and staying away when she returned to their small hometown proved nearly impossible. So when she needs his protection, he doesn't hesitate. He'll do whatever it takes to keep her safe. But he's seen how badly things can go wrong when cops blur professional lines, and he won't take chances with her life-even if it means pushing Avery away when all he really wants to do is hold her close. Can Gareth and Avery trust each other-and love-enough to get a second chance at happily ever after? Can he keep her alive long enough to even try?
