Spanish Trails - A Guide to Walking the Spanish Mountains Phil Lawler 2017-04

In this book Phil Lawler offers a wide selection of walks across the Picos de Europa in the majestic Cordillera Cantábrica, the Cantabrian Mountains, which run parallel with the Atlantic coastline in northern Spain. Phil has an intimate knowledge of this beautiful mountain range, as well as mountains in other parts of Spain. Many of the walks offer a choice of options and all are graded, with clear and concise information and useful tips. This handy and practical guide also indicates where you can find watering holes, as well as where to stay overnight and where to park your car. From an easy or moderate walk to a more strenuous and challenging ascent, there is something here for everyone. This is the first in a series of guides which will cover the Sierra Almijara and Tejeda in Andalucia, the Sierra de Guadarrama near Madrid, the natural park of Cazorla and the Ordesa area of the Pyrenees.

Difficult Light Tomas Gonzalez 2020-08-11 Grappling with his son's death, the painter David explores his grief through art and writing, etching out the rippled landscape of his loss. Over twenty years after his son's death, nearly blind and unable to paint, David turns to writing to examine the deep shades of his loss. Despite his acute pain, or perhaps because of it, David observes beauty in the ordinary: in the resemblance of a woman to Egyptian portraits, in the horseshoe crabs that wash up on Coney Island, in the foam gathering behind a ferry propeller; in these moments, González reveals the world through a painter's eyes. From one of Colombia's greatest contemporary novelists, *Difficult Light* is a formally daring meditation on grief, written in candid, arresting prose.

Sustainable Territorial Management David Rodr'iguez-Rodr'iguez 2018-09-21 This book is a printed edition of the Special Issue "Sustainable Territorial Management" that was published in *Environments*

Like a Fading Shadow Antonio Muñoz Molina 2017-07-18 A hypnotic novel intertwining the author's past with James Earl Ray's attempt to escape after shooting Martin Luther King Jr. The year is 1968 and James Earl Ray has just shot Martin Luther King Jr. For two months he evades authorities, driving to Canada, securing a fake passport, and flying to London, all while relishing the media's confusion about his location and his image on the FBI's Most Wanted list. Eventually he lands at the Hotel Portugal in Lisbon, where he anxiously awaits a visa to Angola. But the visa never comes, and for his last ten days of freedom, Ray walks around Lisbon, paying for his pleasures and rehearsing his fake identities. Using recently declassified FBI files, Antonio Muñoz Molina reconstructs Ray's final steps through the Portuguese capital, taking us inside his feverish mind, troubled past, and infamous crime. But Lisbon is also the city that inspired Muñoz Molina's first novel, *A Winter in Lisbon*, and as he returns now, thirty years later, it becomes the stage for and witness to three alternating stories: Ray in 1968 at the center of an international manhunt; a thirty-year-old Muñoz Molina in 1987 struggling to find his literary voice; and the author in the present, reflecting on his life and the form of the novel as an instrument for imagining the world through another person's eyes. Part historical fiction, part fictional memoir, *Like a Fading Shadow* masterfully explores the borders between the imagined, the reported, and the experienced past in the construction of identity.

The Rough Guide to Spain Simon Baskett 2004 Presents a guide to traveling in Spain, providing an introduction to the country with advice on planning a visit, and discussing the attractions, restaurants, accommodations, shopping, and entertainment venues of Madrid and other cities and regions. Now available in PDF format.

The Kidnapping Club Jonathan Daniel Wells 2020-10-20 In a rapidly changing New York, two forces battled for the city's soul: the pro-slavery New Yorkers who kept the illegal slave trade alive and well, and the abolitionists fighting for freedom. We often think of slavery as a southern phenomenon, far removed from the booming cities of the North. But even though slavery had been outlawed in Gotham by the 1830s, Black New Yorkers were not safe. Not only was the city built on the backs of slaves; it was essential in keeping slavery and the slave trade alive. In *The Kidnapping Club*, historian Jonathan Daniel Wells tells the story of the powerful network of judges, lawyers, and police officers who circumvented anti-slavery laws by sanctioning the kidnapping of free and fugitive African Americans. Nicknamed "The New York Kidnapping Club," the group had the tacit support of institutions from Wall Street to Tammany Hall whose wealth depended on the Southern slave and cotton trade. But a small cohort of abolitionists, including Black journalist David Ruggles, organized tirelessly for the rights of Black New Yorkers, often risking their lives in the process. Taking readers into the bustling streets and ports of America's great Northern

metropolis, *The Kidnapping Club* is a dramatic account of the ties between slavery and capitalism, the deeply corrupt roots of policing, and the strength of Black activism.

Gordo Jaime Cortez 2021-08-10 Shedding profound natural light on the inner lives of migrant workers, Jaime Cortez's debut collection ushers in a new era of American literature that gives voice to a marginalized generation of migrant workers in the West. The first-ever collection of short stories by Jaime Cortez, *Gordo* is set in a migrant workers camp near Watsonville, California in the 1970s. A young, probably gay, boy named Gordo puts on a wrestler's mask and throws fists with a boy in the neighborhood, fighting his own tears as he tries to grow into the idea of manhood so imposed on him by his father. As he comes of age, Gordo learns about sex, watches his father's drunken fights, and discovers even his own documented Mexican-American parents are wary of illegal migrants. Fat Cookie, high schooler and resident artist, uses tiny library pencils to draw huge murals of graffiti flowers along the camp's blank walls, the words "CHICANO POWER" boldly lettered across, until she runs away from home one day with her mother's boyfriend, Manny, and steals her mother's Panasonic radio for a final dance competition among the camp kids before she disappears. And then there are Los Tigres, the perfect pair of twins so dark they look like indios, Pepito and Manuel, who show up at Gyrich Farms every season without fail. Los Tigres, champion drinkers, end up assaulting each other in a drunken brawl, until one of them is rushed to the emergency room still slumped in an upholstered chair tied to the back of a pick-up truck. These scenes from *Steinbeck Country* seen so intimately from within are full of humor, family drama, and a sweet frankness about serious matters – who belongs to America and how are they treated? How does one learn decency, when laborers, grown adults, must fear for their lives and livelihoods as they try to do everything to bring home a paycheck? Written with balance and poise, Cortez braids together elegant and inviting stories about life on a California camp, in essence redefining what all-American means.

Ordesa Manuel Vilas 2021-11-30 "A meditation on yearning, solitude, and self; a soul storm, a mirage of phantom figures . . . a book of deep reckoning." –The New York Times Book Review The #1 international bestselling phenomenon—a profound and riveting story of love, loss, and memory. A man at a crossroads in the middle of his life considers the place where he's from, and where his parents have recently died. In the face of enormous personal tumult, he sits down to write. What follows is an audacious chronicle of his childhood and an unsparing account of his life's trials, failures, and triumphs that becomes a moving look at what family gives and takes away. With the intimacy of a diarist, he reckons with the ghosts of his parents and the current specters of his divorce, his children, his career, and his addictions. In unswervingly honest prose, Vilas explores his identity after great loss—what is a person without a marriage or without parents? What is a person when faced with memories alone? Already an acclaimed poet and novelist in Spain, Vilas takes his work to a whole new level with this autobiographical novel; critics have called it "a work of art able to cauterize pain." Elegiac and searching, *Ordesa*

is a meditation on loss and a powerful exploration of a person who is both extraordinary and utterly ordinary—at once singular and representing us all—who transforms a time of crisis into something beautiful and redemptive.

Landscapes and Landforms of Spain Francisco Gutiérrez 2014-04-18 The Landscapes and Landforms of Spain provides an informative and inviting overview of the geology and geomorphology of Spain. It incorporates a diverse range of topics, ranging from the fiery landscapes of the Canary Islands and its volcanic formations to the glacial scenery of the Pyrenees. The book devotes attention to granite landforms, karst terrains, coastal dunes and marshes, as well as to heritage and conservation, with the objective of offering the reader a comprehensive insight into the Spanish geological setting. The book presents readers with the opportunity to explore Spanish landforms in detail through its highly illustrated pages and maps, making this an appealing text on the subject field.

The GR11 Trail Brian Johnson 2018-06-15 The GR11 trail (La Senda Pirenaica) is a glorious 820km traverse of the Pyrenees from the Atlantic to the Mediterranean on the Spanish side of the border with France. The guidebook presents the route in 47 stages of 8-31km and provides everything hikers will need to take up the challenge - detailed route description, excellent photographs, lots of background information and unique custom-produced maps. Also included are bad weather options - although the weather is often good along this route - detours to find accommodation at some points, and advice on where to stay, supplies, language and logistics, as well as a glossary including Aragon, Basque and Catalan words, to help you find your way. Although it's a serious challenge for experienced walkers the route is less demanding than the higher-level Pyrenean Haute Route, sunnier and wilder than the GR10 which runs along the French side, and well waymarked throughout with regular opportunities to find accommodation and stock up your supplies.

Great Vilas Manuel Vilas 2016 Poetry. Translated from the Spanish by Pablo Rodríguez Balbontín and William F. Blair. The Vilas project, now including the book GREAT VILAS in translation, "seems to be a radical rewriting of the contemporary history of the Ibero-American world. Soccer, reality shows, movies, and literary biographies are interspersed with the reading and writing of journalism and historiography, provoking a new logic of entanglements and outcomes as comical as they are satirical, as intimate as ultimately free."—Julio Ortega

Fodor's Spain 2010 Fodor's 2009-11-01 Provides a region-by-region guide to Spain including information on accommodations, shopping, and points of interest

Let's Go 2009 Spain & Portugal with Morocco Let's Go Inc. 2008-11-25 Offering a comprehensive guide to economical travel in diverse regions of the world, these innovative new versions of the popular handbooks feature an all-new look, sidebars highlighting essential tips and facts, information on a wide range of itineraries, transportation options, off-the-beaten-path adventures, expanded

Ordesa (Spanish Edition) Manuel Vilas 2019-03-19 El mejor libro del 2018 según Babelia. "ESTA HISTORIA TE PERTENECE" «Uno de los libros más humanos, más profundos, más reconfortantes que yo he leído en mucho tiempo.».-Lorenzo Silva. Escrito a ratos desde el desgarró, y siempre desde la emoción, este libro es la crónica íntima de la España de las últimas décadas, pero también una narración sobre todo aquello que nos recuerda que somos seres vulnerables, sobre la necesidad de levantarnos y seguir adelante cuando nada parece hacerlo posible, cuando casi todos los lazos que nos unían a los demás han desaparecido o los hemos roto. Y sobrevivimos. ENGLISH DESCRIPTION "A meditation on yearning, solitude, and self; a soul storm, a mirage of phantom figures . . . a book of deep reckoning." –The New York Times Book Review The #1 international bestselling phenomenon—a profound and riveting story of love, loss, and memory. Where to Watch Birds in Northern and Eastern Spain Ernest Garcia 2017-04-20 The definitive guide to finding birds in Northern and Eastern Spain. This region embraces an impressive range of habitats from the Pyrenees to the sun-drenched

Catalan coast. As a consequence the area is rich in birdlife and full of potential for visiting birders. Almost 200 sites are described in this fully updated third edition, with full coverage of terms of habitat, access and the species to be seen. The accounts are illustrated by detailed maps and beautiful line drawings of selected species. Where to Watch Birds in Northern and Eastern Spain includes comprehensive coverage of all thirteen autonomous regions, a descriptive list of all the resident, visiting and rare birds to be found, as well as advice on watching seabirds from key sites like Estaca de Bares. This edition provides better coverage than ever to one of the most popular birding destinations in Europe.

If You Only Walk Long Enough Steve Cracknell 2009-03-01 In a sweeping panorama which takes in everything from hot pepper ice cream and slug sex to the legacy of the Romantic movement and the future of the European brown bear, *If You Only Walk Long Enough* is a fascinating portrait of the French Pyrenees as they move into the 21st century. It is also the story of a solitary walker and a long-distance footpath, the Pyrenean Way (GR10). When he set out from the Atlantic coast, Steve Cracknell thought he was heading for the Mediterranean on a trail which ambled through the foothills. He ended up with crampons and ice axe, crossing glaciers to tackle the highest peaks of the range. In a book which is by turns amusing and thoughtful he treads lightly across the landscape, concluding that the Pyrenees are changing rapidly. Now is the time to discover them.

The Sun Collective Charles Baxter 2021-10-05 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • A timely and unsettling novel about the people drawn to—and unmoored by—a local activist group more dangerous than it appears. From the winner of the PEN/Malamud Award and “one of our most gifted writers” (Chicago Tribune). Once a promising actor, Tim Brettigan has gone missing. His father thinks he may have seen him among some homeless people. And though she knows he left on purpose, his mother has been searching for him all over their home city of Minneapolis. She checks the usual places—churches, storefronts, benches—and stumbles upon a local community group with lofty goals and an enigmatic leader. Christina, a young woman rapidly becoming addicted to a boutique drug that gives her a feeling of blessedness, is inexplicably drawn to the same collective by a man who's convinced he may start a revolution. A vision of modern American society and the specters of the consumerism, fanaticism, and fear that haunt it, *The Sun Collective* captures both the mystery and the violence that punctuate our daily lives.

DK Eyewitness Travel Guide: Spain Josephine Quintero 2010-02-15 The Eyewitness Travel Guide provides detailed, practical information and expert recommendations. Little Eyes Samanta Schweblin 2021-05-04 LONGLISTED FOR THE 2020 MAN BOOKER INTERNATIONAL PRIZE A NEW YORK TIMES NOTABLE BOOK OF THE YEAR "Her most unsettling work yet – and her most realistic." --New York Times Named a Best Book of the Year by The New York Times, O, The Oprah Magazine, NPR, Vulture, Bustle, Refinery29, and Thrillist A visionary novel about our interconnected present, about the collision of horror and humanity, from a master of the spine-tingling tale. They've infiltrated homes in Hong Kong, shops in Vancouver, the streets of in Sierra Leone, town squares in Oaxaca, schools in Tel Aviv, bedrooms in Indiana. They're everywhere. They're here. They're us. They're not pets, or ghosts, or robots. They're real people, but how can a person living in Berlin walk freely through the living room of someone in Sydney? How can someone in Bangkok have breakfast with your children in Buenos Aires, without your knowing? Especially when these people are completely anonymous, unknown, unfindable. The characters in Samanta Schweblin's brilliant new novel, *Little Eyes*, reveal the beauty of connection between far-flung souls—but yet they also expose the ugly side of our increasingly linked world. Trusting strangers can lead to unexpected love, playful encounters, and marvelous adventure, but what happens when it can also pave the way for unimaginable terror? This is a story that is already happening; it's familiar and unsettling because it's our present and we're living it, we just don't know it yet. In this prophecy of a story, Schweblin creates a dark and complex world that's somehow so sensible, so recognizable, that once it's entered, no one can ever leave.

Walks and Climbs in the Pyrenees Kev Reynolds 2015-01-28 This guide is an introduction to one of Europe's finest mountain ranges. It suggests 170 walks, multi-day tours and moderate ascents of some of the principal summits of the Central or High Pyrenees, and includes the Pyrenean High Route

The Shape of the Ruins Juan Gabriel Vasquez 2018-09-25 SHORTLISTED FOR THE 2019 MAN BOOKER INTERNATIONAL PRIZE A sweeping tale of conspiracy theories, assassinations, and twisted obsessions -- the much anticipated masterpiece from Juan Gabriel Vásquez. The Shape of the Ruins is a masterly story of conspiracy, political obsession, and literary investigation. When a man is arrested at a museum for attempting to steal the bullet-ridden suit of a murdered Colombian politician, few notice. But soon this thwarted theft takes on greater meaning as it becomes a thread in a widening web of popular fixations with conspiracy theories, assassinations, and historical secrets; and it haunts those who feel that only they know the real truth behind these killings. This novel explores the darkest moments of a country's past and brings to life the ways in which past violence shapes our present lives. A compulsive read, beautiful and profound, eerily relevant to our times and deeply personal, The Shape of the Ruins is a tour-de-force story by a master at uncovering the incisive wounds of our memories.

With the intimacy of a diarist, he reckons with the ghosts of his parents and the current specters of his divorce, his children, his career, and his addictions. In unswervingly honest prose, Vilas explores his identity after great loss—what is a person without a marriage or without parents? What is a person when faced with

memories alone? Already an acclaimed poet and novelist in Spain, Vilas takes his work to a whole new level with this autobiographical novel; critics have called it “a work of art able to cauterize pain.” Elegiac and searching, Ordesa is a meditation on loss and a powerful exploration of a person who is both extraordinary and utterly ordinary—at once singular and representing us all—who transforms a time of crisis into something beautiful and redemptive.
