Tomoko Fuse's Origami Art Tomoko Fuse 2020-05-19 Tomoko Fuse has been one of the world's premier origami artists for more than 35 years. This beautifully photographed book examines the three-dimensional geometric designs she is famous for. Fuse, often referred to as "the queen of origami," discovered the art of folding paper at just seven years old. She has come a long way since then, having had her work highlighted in exhibitions around the world, including *Paris Origami* (Carrousel du Louvre, 1998), *On Paper* (Crafts Council London, 2002) and her solo show *Yorokobi* (Bauhaus Dessau, 2004). In addition to teaching, folding and writing, she also collaborated with designer Denis Guidone for Milan Design Week 2018 and was a featured artist in Nova's episode "The Origami Revolution" (February, 2017). An artistic anthology of her most impressive work, *Tomoko Fuse's Origami Art* can serve multiple purposes: as inspiration for an experienced origami folder; as a truly impressive coffee table book for the artistically-minded; or as a push for intermediate folders to try their hand at modular origami models.

Heart of Fire Mazie K. Hirono 2022-04-19 "Heart of Fire is a revelatory, evocative, deeply moving book." —Washington Post "Amazing . . . a memoir I really loved." —Secretary Hillary Clinton, "You and Me Both" podcast "A beautiful book." —Trevor Noah, The Daily Show The intimate and inspiring life story of Mazie Hirono, the first Asian-American woman and the only immigrant serving in the U.S. Senate Mazie Hirono is one of the most fiercely outspoken Democrats in Congress, but her journey to the U.S. Senate was far from likely. Raised on a rice farm in rural Japan, she was seven years old when her mother, Laura, left her abusive husband and sailed with her two elder children to Hawaii, crossing the Pacific in steerage in search of a better life. Though the girl then known as "Keiko" did not speak or read English when she entered first grade, she would go on to serve as a state representative and as Hawaii's lieutenant governor before winning election to Congress in 2006. In this deeply personal memoir, Hirono traces her remarkable life from her earliest days in Hawaii, when the family lived in a single room in a Honolulu boarding house while her mother worked two jobs to keep them afloat, to her emergence as a highly effective legislator whose determination to help the most vulnerable was grounded in her own experiences of economic insecurity, lack of healthcare access, and family separation. Finally, it chronicles Hirono's recent transformation from dogged yet soft-spoken public servant into the frank and fiery advocate we know her as today. For the vast majority of Mazie Hirono's five decades in public service, even as she fought for the causes she believed in, she strove to remain polite and reserved. Steeped in the nonconfrontational cultures of Japan and Hawaii, and aware of the expectations of women in politics--chiefly, that they should never show an excess of emotion—she had schooled herself to bite her tongue, even as her male colleagues continually underestimated her. After the 2016 election, however, she could moderate herself no longer. In the face of a dangerous administration--and amid crucial battles with lasting implications for our democracy, from the Kavanaugh hearings to the impeachment trial--Senator Hirono was called to give voice to the fire that had always been inside her. The compelling and moving account of a woman coming into her own power over the course of a lifetime in public service, and of the mother whose courageous choices made her life possible, Heart of Fire is the story of a uniquely American journey, told by one of those fighting hardest to ensure that a story like hers is still possible in this country.

Love Spells and Other Disasters Angie Barrett 2021-02-01 I didn't know when I wrote the first love spell that it would actually make things happen. Like, actually make people fall in love with each other... How could I have known something like that? I mean, magic isn't real, right? But here's the thing—the spell does work and so does the next one and the next one...and suddenly I'm getting a whole lot of attention from everyone at my high school. Me, Blend-into-the-Walls, Please-Let-Me-Introvert-in-Peace Rowan Marshall. And not only that, but I've also caught the attention of Luca Russo, a godlike, football-playing hottie who claims he likes me just the way I am. Ummm... But as I'm about to learn, playing around with things you don't understand means when things go wrong—like really, very awfully wrong—you don't know how to fix them.

Art and Intercultural Dialogue Susana Gonçalves 2016-03-22 How can art act as an intercultural mediator for dialogue?
