Gay Religion Scott Thumma 2004-12-10 Conflicts over homosexuality and gay rights threaten to break apart denominations, if not North American society. These heated theological and political debates have, as well, obscured the fact that many gays and lesbians are religiously active individuals. Gay Religion is the first book to give a straightforward presentation of the spiritual lives, practices and expressions of gays, lesbians, bisexuals, and transgender. Drawing from a wide range of religious traditions, new and established scholars explore the range of gay religious expression in denominations, sects, and even outside recognized religious institutions. The essays ask what these religious innovations mean to the continually evolving religious environment of North America. With its helpful section introductions and an appendix providing profiles of organizations involved, Gay Religion is a unique and compelling resource

for anyone interested in homosexuality and American religion.

In Her Own Words Jennifer Kelly 2013-06-01 This collection of new interviews with twenty-five accomplished female composers substantially advances our knowledge of the work, experiences, compositional approaches, and musical intentions of a diverse group of creative individuals. With personal anecdotes and sometimes surprising intimacy and humor, these wide-ranging conversations represent the diversity of women composing music in the United States from the mid-twentieth century into the twenty-first. The composers work in a variety of genres including classical, jazz, multimedia, or collaborative forms for the stage, film, and video games. Their interviews illuminate questions about the status of women composers in America, the role of women in musical performance and education, the creative process and inspiration, the experiences and qualities that contemporary composers bring to their craft, and balancing creative and personal lives. Candidly sharing their experiences, advice, and views, these vibrant, thoughtful, and creative women open new perspectives on the prospects and possibilities of making music in a changing world.

Play and Sing 5 Chord Chris Tomlin Songs for Worship Eric Roberts 2018-06-27 The easiest to play and most accurate chord charts are now in one amazing book! The best songs from one of the most successful Christian worship artist are now easy to play on guitar and include simple chords and rhythm slashes to help you know exactly when to change chords. This songbook is perfect for performing or playing your favorite Chris Tomlin songs with simple chords with easy-to-follow rhythms. Amazing Grace (My Chains Are Gone) Resurrection Power How Great is Our God 10,000 Reasons Everlasting God I will Rise The Wonderful Cross Sing, Sing, Sing Forever We Fall Down I Will Follow God of This City Jesus Loves Me Not to Us At the Cross (Love Ran Red) White Flag God of This City Whom Shall I Fear (God of Angel Armies) Enough Made to Worship Good Good Father Our God Your Grace is Enough Jesus Messiah Here I Am to Worship How Can I Keep from Singing? God's Great Dance Floor Joy to the World (Unspeakable Joy) Home I spent many years searching for the best chord charts while preparing for weekly worship services but I became frustrated with because most charts published seem inaccurate to the real life song (the way that the artist would actually play the song on stage). Also many charts include unnecessary chords that get in the way and make it hard for most musicians to actually sound good playing the song. That is why I have written these simple, accurate, and easy-to-play charts. Using my charts, you can play these great songs with 4-5 simple modern chord shapes on guitar or piano. My simple one-page charts will help you play with ease and help you put more focus on what really matters... worshiping God! This book has some great features including: -Strum and Play along on guitar or piano with my YouTube videos for every song at www.worshiptheking.com/playandsing -Every song is in the key of G to make it extremely easy to learn and play -Easy slash marks so you know exactly when to switch chords. -NO note reading required. You get the same charts the band uses every week to lead worship! How the book is made:
