in their version as published on the Portal at the moment of contract signature. 2. Timetable and deadlines This call for expression of interest is permanently open for the entire duration of the EU Multi-annual Financial Framework (MFF) period 2021-2027. 3. Eligible profiles

Collective Memory and Cultural Identity - JSTOR

poral horizon. Cultural memory has its fixed point; its horizon does not change with the passing of time. These fixed points are fateful events of the past, whose memory is maintained through cultural formation (texts, rites, monuments) and institutional communication (recitation, practice, observance). We call these "figures of memory."

EPICAC by Kurt Vonnegut - PBworks

I stayed until dawn, decoding. When the sun peeped over the horizon at the Wyandotte campus, I had transposed into my own writing and signed my name to a two-hundred-and-eighty-line poem entitled, simply, "To Pat." I am no judge of such things, but I gather that it was terrific. It began, I ...

Braneswrappedon orbifolds andtheirgravitationalblocks

The key for formulating this proposal is to provide a toric presentation of our solutions.

Despite the fact that our orbifolds are not symplectic and therefore there are no moment maps with associated polytope, assuming a $U(1)^2$ action, we can still define a set of toric data from the co-dimension two loci where one $U(1) \subset U(1)^2$ degenerates ...

Farewell to Manzanar

would be rushing to the canneries. But for the moment there wasn't much else to do. We watched until the boats became a row of tiny white gulls on the horizon. Our vigil would end when they slipped over the edge and disappeared. You had to squint against the glare to keep them sighted, and with every blink you

Project Management Organizational Structures - PM4DEV

where the time horizon is longer, with more emphasis on sharing and generation of new ideas in order to achieve innovation and creativity. In a reconstruction component, there are specific goals, a need for a rigid, hierarchical structure, and there is a defined time horizon with little sharing of ideas. While specialization allows each project

THE BASIS OF CHURCH UNITY (Ephesians 4:4-6)

moment we're saved the Holy Spirit comes into our lives - into our inner being - and dwells within us. Before Jesus went to the cross, He promised His disciples that he would return to them. He did return, temporarily, in his resurrection body. But after He ascended back to heaven, He came to indwell them permanently by sending the Holy ...

A Theory of Rational Addiction - JSTOR

Our analysis builds on the model of rational addiction introduced by Stigler and Becker (1977) and developed much further by Iannaccone (1984, 1986). He also relates the analysis of addiction to the literature on habit persistence, especially to the work by Pollak (1970, 1976), Ryder and Heal (1973), Boyer (1978, 1983), and Spinnewyn (1981).

x arXiv:2211.01949v1 [gr-qc] 3 Nov 2022

Nov 04, 2022 · The two roots of $\Delta = 0$ specify the positions of the event horizon r_+ and the Cauchy horizon r_- , respectively. Varying the action (1) with respect to θ , we obtain the equation of motion of the axion as $g^{\mu\nu} \partial_\mu \partial_\nu \theta = 0$: (4) A. Axion cloud without self-interaction First, we consider the case in which the amplitude of the axion is small ($\theta \ll 1$).

The Schwarzschild Proton

We also compare our results to a scaling law for organized matter and in particular, to the ubiquitous existence of black holes. We calculate the magnetic moment of such a Schwarzschild proton system and we find it to be a close approximation to the measured value for the so -called “anomalous” magnetic moment of the proton. 2.

I doubt it--goodness

Our relationship is unlike anything generations to come will ever experience. Life is idyllic. But there is a cloud on our horizon. A darkness that will soon separate us. It's not in the garden. It's within me. My own decision will soon break our intimate bond. But for the moment I relish life the way you intended it. Perfect. Intimate ...

SANSERA ENGINEERING LIMITED

Nov 16, 2022 · Before we dive into our performance during the quarter, I would take a moment to speak about EV industry in India and Sansera's progress: Currently, the overall industry is still at a very nascent stage and it is developing at a very rapid pace. EV penetration in India as per various surveys are just about 2.6% of the total automotive

Called to Care

as the baby boomers become our next generation of elders. At first glance, the congregants look like ordinary mothers and fathers, daughters and sons, but they are family caregiving superheroes. Many juggle full-time jobs with private care responsibilities, and they must be willing to transform into “Captain Caregiver”² at a moment's notice.
