Murder in Devil's Cove Melissa Bourbon 2020-08-22 #1 Amazon Bestseller! Perfect for fans of Ellery Adams, Carlene O'Connor, and Barbara Freethy. "...a deftly crafted and impressively original novel by an author with a genuine flair for originality...certain to be an unusual, immediate and enduringly popular addition to community library Mystery/Suspense collections..." ~Midwest Book Review After twenty years, Pippin Lane Hawthorne and her twin brother, Grey, return to their birth place—the Outer Banks island of Devil's Cove. But what was supposed to be a chance at a new life turns sinister when their father's old fishing boat reveals a dark secret. Now Pippin must embrace her fate as a bibliomancer and learn how to 'read' the books she's always shied away from. Only then will she be able to discover the truth about what really happened to her parents and continue their efforts to break the curse that has haunted the Lane family for two thousand years. "A magical blend of books, mystery, and smart sleuthing, Melissa Bourbon's Murder in Devil's Cove offers mystery readers everything they crave and stands out in the crowded cozy genre. This captivating new series will leave readers spellbound."—NYT and USA bestselling author, Ellery Adams

History of Stumpy Point Harold Lee Wise 2014-03-26 The village of Stumpy Point is surrounded by water and the Alligator River National Wildlife Refuge. Its wilderness location has influenced the history of the village, making it unique in character in comparison to the other villages and towns along the Inner and Outer Banks of North Carolina. Author Harold Lee Wise wrote this oral history-based story and has given the work as a gift to Stumpy Point Civic Club so that it may use the royalties to fund community-building projects such as Community Thanksgiving and providing scholarships to the village's young people.

Irritable Hearts Mac McClelland 2015-02-24 "I had nightmares, flashbacks. I dissociated... Changes in self-perception and hallucinations—those are some of my other symptoms. You are poison, I chanted silently to myself. And your poison is contagious." So begins Mac McClelland's powerful, unforgettable memoir, *Irritable Hearts*. When thirty-year-old, award-winning human rights journalist Mac McClelland left Haiti after reporting on the devastating earthquake of 2010, she never imagined how the assignment would irrevocably affect her own life. Back home in California, McClelland cannot stop reliving vivid scenes of violence. She is plagued by waking terrors, violent fantasies, and crippling emotional breakdowns. She can't sleep or stop crying. Her life in shambles, it becomes clear that she is suffering from Post-Traumatic Stress Disorder. Her bewilderment about this sudden loss of control is magnified by the intensity of her feelings for Nico, a French soldier she met in Port-au-Prince and with whom she connected instantly and deeply. With inspiring fearlessness, McClelland tackles perhaps her most harrowing assignment to date: investigating the damage in her own mind and repairing her broken psyche. She begins to probe the depths of her illness, exploring our culture's history with PTSD, delving into the latest research by the country's top scientists and therapists, and spending time with veterans and their families. McClelland discovers she is far from alone: while we frequently associate PTSD with wartime combat, it is more often caused by other manner of trauma and can even be contagious—close proximity to those afflicted can trigger its symptoms. As she confronts the realities of her diagnosis, she opens up to the love that seems to have found her at an inopportune moment. *Irritable Hearts* is a searing, personal medical mystery that unfolds at a breakneck pace. But it is also a romance. McClelland fights desperately to repair her heart so that she can give it to the kind, patient, and compassionate man with whom she wants to share a life. Vivid, suspenseful, tender, and intimate, *Irritable Hearts* is a remarkable exploration of vulnerability and resilience, control and acceptance. It is a riveting and hopeful story of survival, strength, and love.

Tar Heel Traveler Eats Scott Mason 2014-11-07 Scott Mason is the Tar Heel Traveler and he loves to eat hot dogs, cheeseburgers, barbecue, biscuits, and ice cream served in crumbling cinder-block buildings and ramshackle dives along the back roads of North Carolina. As a full-time feature reporter for WRAL-TV in Raleigh since 2007, Scott has discovered that North Carolina is filled with many amusing characters and out-of-the-way places, all of which are part of his Tar Heel Traveler television segment that airs Monday through Thursday on WRAL's 5:30 pm newscast. The most popular stories are always about the hole-in-the-wall hot dog dives, cheeseburger joints, barbecue places, and ice cream parlors he has visited. He has featured dozens of such places on TV and now on paper he expands each story. Each chapter of Tar Heel Traveler Eats focuses on a particular restaurant as seen through the eyes the reporter who stumbles upon these classic dives. He peppers each chapter with dialogue and descriptive detail that includes the often inspiring stories of how these places began. These stories are not only about the nothin'-fancy kind of places that are close to people's hearts, but also about the culture, tradition, and heritage of North Carolina.

Saint Mary's County, Maryland street map book ADC (Firm) 1998-06-01 Large scale atlas with street level detail, showing ZIP Codes, block numbers, schools, hospitals, points of interest, shopping centers, airports, parks and more. Guide for All-Hazard Emergency Operations Planning Kay C. Goss 1998-05 Meant to aid State & local emergency managers in their efforts to develop & maintain a viable all-hazard emergency operations plan. This guide clarifies the preparedness, response, & short-term recovery planning elements that warrant inclusion in emergency operations plans. It offers the best judgment & recommendations on how to deal with the entire planning process -- from forming a planning team to writing the plan. Specific topics of discussion include: preliminary considerations, the planning process, emergency operations plan

format, basic plan content, functional annex content, hazard-unique planning, & linking Federal & State operations.

Strengthening Forensic Science in the United States National Research Council 2009-07-29 Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

The Secret Sean Kelly & Ted Mann & Byron Preiss 2014-03-18 The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels in 1982 dollars, are buried. The key to finding each can be found within the twelve full-color paintings and verses of THE SECRET. Are you smart enough? THE SECRET: A TREASURE HUNT was published in 1982. The year before publication, the author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum.

The Nature of the Outer Banks Dirk Frankenberg 1995 North Carolina's Outer Banks, like barrier islands worldwide, are in constant motion, responding to weather, waves, and rising sea level. Beaches erode, sometimes taking homes or sections of highway with them into the surf; sand dunes migrate with the win

Kiss River Diane Chamberlain 2019-03-11 Return to Kiss River in the second emotional novel in the acclaimed trilogy from bestselling author Diane Chamberlain. Separated by a continent from her child, Gina Higgins comes to Kiss River with little more than a desperate plan. Now, saving her daughter depends on whether she can uncover a message buried deep below the ocean's surface. Kiss River's historic nineteenth-century lighthouse has all but fallen into the sea, taking with it the huge Fresnel lens that once served as its beacon. Gina is desperate to find a way to raise the lens; the glass holds the key to her future, her fortune and her only chance to save the one person who matters to her. Clay O'Neill lives in the old light keeper's house, a home he shares with his sister, Lacey. When Lacey invites her to stay with them, Gina eagerly accepts. As Gina begins her quest to raise the lens, Clay finds himself drawn to her struggle, and to Gina herself. But the answers lie deep below the ocean. And the lighthouse holds secrets that neither Clay nor Gina can anticipate... Originally published in 2003

Georgia and Carolina Coasts Adventure Guide Blair Howard 2011-04-15 We travel to grow our Adventure Guides show you how. Experience the places you visit more directly, freshly, intensely than you would otherwise sometimes best done on foot, in a canoe, or through cultural adventures like art courses, cooking classes, learning the language, meeting the people, joining in the festivals and celebrations. This can make your trip life-changing, unforgettable. All of the detailed information you need is here about the hotels, restaurants, shopping, sightseeing. But we also lead you to new discoveries, turning corners you haven't turned before, helping you to interact with the world in new ways. That's what makes our Travel Adventure Guides unique. The author is fascinated with these islands and her passion comes across in the text, which is lively, revealing and a pleasure to read. Detailed town and regional maps make planning day-trips or city tours easy. Adventures covered range from town sightseeing

tours and nature watching to sea kayaking and mountain climbing excursions. Travelers looking for a more relaxed vacation may want to sign up for dance lessons and take part in the local Carnaval or join a local cycling club and tackle some of the most scenic areas - these cultural adventures will introduce you to the people and afford you a truly unique travel experience. This guide focuses on Curaçao primarily and is based on material found in our larger book, Aruba, Bonaire & Curacao Pocket Adventures.
