**SBA's and EMQs for Human Disease (Medicine) in Dentistry** Oluyori K. Adegun 2021-01-11 A key revision resource for dental undergraduates and foundation dentists, SBA's and EMQs for Human Disease

(Medicine) in Dentistry is also suitable for qualified practitioners undertaking professional development and learning about the medical context of dentistry. Featuring 200 high quality SBAs and EMQs, the questions mirror the format of university and professional assessments and are based on real-life clinical scenarios. Questions are designed to test the recognition of oral and systemic symptoms, selection of appropriate investigations and management, as well as to foster development of clinical problem-solving skills for future practice. The book promotes formative learning by incorporating answers, rationale, detailed explanations, and further reading sources for every question. Written by expert clinical teachers, the questions are mapped to specific learning outcomes for the Medicine (Human Disease) in Dentistry course (also referred to as Human Health and Disease (HHD) and Clinical Human Health and Disease (CHHD)) as outlined in the General Dental Council's (GDC's) Preparing for Practice document. A valuable resource full of comprehensive practice questions, this book is a key assessment tool for all those studying dentistry.

Packed full of examples and activities this new series takes the IB student step-by-step through the essential skills development needed to be successful in the course and examination. Special attention is paid to unpacking the language of the subject with plenty of workbook-style exercises to engage students and reinforce the lessons learnt in the course. Detailed guidance on the new mathematical elements of the Higher Level syllabus will provide extra reinforcement and build confidence.

**Oxford IB Diploma Programme: Economics Course Book** Jocelyn Blink 2020-02-27 This comprehensive and engaging text, developed in cooperation with the IB, follows the new curriculum for first assessment in 2022. With accessible, engaging lessons students will actively relate economics to real-world issues and the global economy. The international examples and case studies encourage students to analyse economics in terms of present-day challenges and concerns. Conceptual links are provided to help students understand the over-arching big questions that relate economics to the multi-faceted challenges of the world economy including how it works and changes over time. Through inquiry-based tasks and

links to TOK and ATL activities students will gain a deep understanding of economics. Practice activities will develop the skills required to succeed in the IB assessment including exam-style questions and data response questions. Clear explanations will help students achieve assessment success. About the Series: Oxford's IB Diploma Course Books are essential resource materials designed in cooperation with the IB to provide students with extra support through their IB studies. Course Books provide advice and guidance on specific course assessment requirements, mirroring the IB philosophy and providing opportunities for critical thinking.
