Liberal Thought in Argentina, 1837-1940 Natalio R. Botana 2013 This is the first compilation of primary sources that document the history and tradition of liberal thought in Argentina throughout the nineteenth and first half of the twentieth century. With only two exceptions, none of the works have ever been translated into English until now. Liberal ideas were very important in Argentina from the time of independence. The Argentine constitution (1853-60), in force for a long time, was based on liberal principles taken from both the North American and the European tradition. The general structure of the collection is chronological, taking the reader through an analysis of different periods of liberal thought in Argentina: from liberalism as opposed to dictatorial rule, to liberalism as the framework of the National Constitution (1852-60). Importance is given to the development of liberalism in government and opposition (1857-1910) and to the last period (1912-40), the twilight of liberalism. Chapter 1 addresses the dictatorship of Juan Manuel de Rosas (1837-50), during which time a set of liberal ideas was formed that would subsequently have a decisive influence on the second period, the formation of the National Constitution (1852-60). Chapters 3 and 4 consist of writings that chronicle the surge of liberalism in Argentina, first, during the period between 1857 and 1879, and, later, between 1880 and 1910. These chapters reflect the great political, economic, and social debates that exemplify the variety and richness of the body of liberal ideas during this time. The writings in the final chapter review the gradual decline of liberalism. They rescue from obscurity those voices and writings that upheld and defended liberal ideals in several aspects, namely, those ideals concerning electoral and constitutional reforms and the resistance of the advance of different expressions of totalitarian dictatorship during the twentieth century.

Last Night I Dreamt I Was a DJ Frank Baez 2014-11-20 Miami, FL's Jai-Alai Books proudly presents, Last Night I Dreamt I Was a DJ (2014), Frank Bez's debut volume of poetry in English, translated by P. Scott Cunningham and Hoyt Rogers. A former resident of Chicago, Bez's poetry highlights the deep connections between the United States and the Dominican Republic. He celebrates the lyrical possibilities of Santo Domingo, while also lamenting its systemic failures. He delights in the cultural influence of the United States, while also recognizing the failed exportation of the American dream. Most of all, though, Bez's poems are funny. They laugh at the spectacle of their creator and his struggle to exist as a poet in world hostile to poetry, and they dare to talk back to capitalism with the voices of the voiceless: the poor, working class people haunting the streets of Santo Domingo "like a new Night of the Living Dead sequel."

Tropic of Cancer (Harper Perennial Modern Classics) Henry Miller 2012-01-30 Miller's groundbreaking first novel, banned in Britain for almost thirty years.

Trigger Warning Neil Gaiman 2015-02-03 Multiple award winning, #1 New York Times bestselling author Neil Gaiman returns to dazzle, captivate, haunt, and entertain with this third collection of short fiction following Smoke and Mirrors and Fragile Things—which includes a never-before published American Gods story, “Black Dog,” written exclusively for this volume. In this new anthology, Neil Gaiman pierces the veil of reality to reveal the enigmatic, shadowy world that lies beneath. Trigger Warning includes previously published pieces of short fiction—stories, verse, and a very special Doctor Who story that was written for the fiftieth anniversary of the beloved series in 2013—as well “Black Dog,” a new tale that revisits the world of American Gods, exclusive to this collection. Trigger Warning explores the masks we all wear and the people we are beneath them to reveal our vulnerabilities and our truest selves. Here is a rich cornucopia of horror and ghosts stories, science fiction and fairy tales, fabulism and poetry that explore the realm of experience and emotion. In Adventure Story—a thematic companion to The Ocean at the End of the Lane—Gaiman ponders death and the way people take their stories with them when they die. His social media experience A Calendar of Tales are short takes inspired by replies to fan tweets about the months of the year—stories of pirates and the March winds, an igloo made of books, and a Mother's Day card that portends disturbances in the universe. Gaiman offers his own ingenious spin on Sherlock Holmes in his award-nominated mystery tale The Case of Death and Honey. And Click-Clack the Rattlebag explains the creaks and clatter we hear when we're all alone in the darkness. A sophisticated writer whose creative genius is unparalleled, Gaiman entrances with his literary alchemy, transporting us deep into the realm of imagination, where the fantastical becomes real and the everyday incandescent. Full of wonder and terror, surprises and amusements, Trigger Warning is a treasury of delights that engage the mind, stir the heart, and shake the soul from one of the most unique and popular literary artists of our day.

Gabriel's Inferno Sylvain Reynard 2012-07-31 From New York Times bestselling

author Sylvain Reynard comes the first novel in the Gabriel's Inferno series, a haunting, unforgettable tale of one man's salvation and one woman's sensual awakening—NOW A FILM FROM PASSIONFLIX! Enigmatic and sexy, Professor Gabriel Emerson is a well-respected Dante specialist by day, but by night he devotes himself to an uninhibited life of pleasure. He uses his notorious good looks and sophisticated charm to gratify his every whim, but is secretly tortured by his dark past and consumed by the profound belief that he is beyond all hope of redemption. When the sweet and innocent Julia Mitchell enrolls as his graduate student, his attraction and mysterious connection to her not only jeopardizes his career, but sends him on a journey in which his past and his present collide. An intriguing and sinful exploration of seduction, forbidden love, and redemption, Gabriel's Inferno is a captivating and wildly passionate tale of one man's escape from his own personal hell as he tries to earn the impossible—forgiveness and love.

Narcoland Anabel Hernandez 2013-09-10 The product of five years' investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, *Narcoland* has been a publishing and political sensation in Mexico. The definitive history of the drug cartels, *Narcoland* takes readers to the front lines of the "war on drugs," which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names – not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico's government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, "Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great

personal risk, against drug cartels.”

What I Loved Siri Hustvedt 2004-03-01 A powerful and heartbreaking novel that chronicles the epic story of two families, two sons, and two marriages Siri Hustvedt's *What I Loved* begins in New York in 1975, when art historian Leo Hertzberg discovers an extraordinary painting by an unknown artist in a SoHo gallery. He buys the work; tracks down the artist, Bill Wechsler; and the two men embark on a life-long friendship. Leo's story, which spans twenty-five years, follows the evolution of the growing involvement between his family and Bill's-an intricate constellation of attachments that includes the two men; their wives, Erica and Violet; and their children, Matthew and Mark. The families live in the same building in New York, share a house in Vermont during the summer, keep up a lively exchange of thoughts and ideas, and find themselves permanently altered by one another. Over the years, they not only enjoy love but endure loss-in one case sudden, incapacitating loss; in another, a different kind, one that is hidden and slow-growing, and which insidiously erodes the fabric of their lives. Intimate in tone and seductive in its complexity, the novel moves seamlessly from inner worlds to outer worlds, from the deeply private to the public, from physical infirmity to cultural illness. Part family novel, part psychological thriller, *What I Loved* is a beautifully written exploration of love, loss, and betrayal-and of a man's attempt to make sense of the world and go on living.

Collected Poems and Other Verse Stéphane Mallarmé 2008-11-13 'sense too definite cancels your indistinct literature' Stéphane Mallarmé was the most radically innovative of nineteenth-century poets. His writings, with their richly sensuous texture and air of slyly intangible mystery, perplexed or outraged many early readers; yet no writer has more profoundly influenced the course of modern poetry - in English as well as in French. In both form and content, his poems created new ways of conveying existential doubt, fragmentation, and discontinuity. This is the fullest collection of Mallarmé's poetry ever published in English, and the only edition in any language that presents his *Poésies* in the last arrangement known to have been approved by the author. Apart from verse, it includes all the prose poems and the unique, unclassifiable *Un Coup de dés...* (A Dice Throw...). The lucid, wide-ranging introduction and invaluable notes help an understanding of this astonishing poet's work. ABOUT THE SERIES: For over 100 years Oxford World's Classics has

made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Temple of Gold William Goldman 2001-10-02 Acclaimed for such Academy Award-winning screenplays as *Butch Cassidy and the Sundance Kid* and such thrillers as *Marathon Man*, not to mention the bestselling classic *The Princess Bride*, William Goldman stands as one of the most beloved writers in America. But long before these triumphs, he caused a sensation with his brilliant first novel, a powerful story of reckless youth that was hailed as a worthy rival to *The Catcher in the Rye*. *THE TEMPLE OF GOLD* Ray Trevitt is coming of age in the American midwest of the late 1950s. Handsome, restless, eager to live life and to find his place in the world, Ray hurtles headlong through a young man's rite of passage—searching for answers and somewhere to belong. What he discovers is that within friendships and love affairs, army tours and married life, victory and tragedy, lie the experiences that will shape his destiny, scar his soul, and ultimately teach him profound lessons he never expected.

A Beautiful Young Woman Julián López 2017 As political violence escalates around them, a young boy and his single mother live together in an apartment in Buenos Aires - which has recently been taken over by Argentina's military dictatorship. When the boy returns home one day to find his mother missing, the story fractures, and the reader encounters him fully grown, consumed by the burden of his loss, attempting to reconstruct the memory of his mother. By leaping forward in time, the boy - now a man - subtly gives shape to his mother's activism, and in the process recasts the memories from his childhood.

Drown Junot Díaz 1997-07-01 From the beloved and award-winning author Junot Díaz, a spellbinding saga of a family's journey through the New World. A coming-of-age story of unparalleled power, *Drown* introduced the world to Junot Díaz's exhilarating talents. It also introduced an unforgettable narrator—Yunior, the haunted, brilliant young man who tracks his family's precarious journey from the barrios of Santo Domingo to the tenements of industrial New Jersey, and their epic passage from hope to loss to something like love. Here is the soulful, unsparing book that made Díaz a literary sensation.

Based on a True Story Donald F. Stevens 1998-07-01 Combining history with discussions of dramatic cinema, *Based on a True Story: Latin American History at the Movies* examines how film has portrayed Latin America from the late fifteenth century to the present. The book opens with an introduction on the visual presentation of the past in the movies, while the rest of the book consists of essays that explore the best feature films on Latin America from the professional historian's perspective.

Mea Cuba Guillermo Cabrena Infante 1995-10-31 "Quirky, unpredictable, often hilarious, Infante's book tells us much about the effect of the Cuban revolution on Cuban literature." - Publishers Weekly With bitter irony, the author tells a story sadly repeated during this century. A dictatorship that silences the intellectuals, a regime that lies and kills, and a propaganda war that has yet to end. One of the best compilations of documents on recent Cuban history.

Girl in Pieces Kathleen Glasgow 2016-08-30 Fans of *Girl*, *Interrupted*, *Thirteen Reasons Why*, and *All the Bright Places* will love this New York Times bestseller. "A haunting, beautiful, and necessary book that will stay with you long after you've read the last page."—Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* and *The Sun Is Also a Star* Charlotte Davis is in pieces. At seventeen she's already lost more than most people do in a lifetime. But she's learned how to forget. The broken glass washes away the sorrow until there is nothing but calm. You don't have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie's heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. A deeply moving portrait of a girl in a world that owes her nothing, and has taken so much, and the journey she undergoes to put herself back together. Kathleen Glasgow's debut is heartbreakingly real and unflinchingly honest. It's a story you won't be able to look away from. "Girl, Interrupted meets Speak."—Refinery29 "A dark yet powerful read."—Paste Magazine "One of the most affecting novels we have read."—Goop "Breathtaking and beautifully written."—Bustle "Intimate and gritty."—The Irish Times And don't miss Kathleen Glasgow's newest novel *How to Make Friends with the Dark*, which Karen M. McManus, the New York Times bestselling author of *One of Us Is Lying*, calls "rare and powerful."

Nature Inside William D. Browning 2020-09-01 Written by a leading proponent of biophilic design, this is the only practical guide to biophilic design principles for interior designers. Describing the key benefits, principles and processes of biophilic design, *Nature Inside* illustrates the implementation of biophilic design in interior design practice, across a range of international case studies – at different scales, and different typologies. Starting with the principles of biophilic design, and the principles and processes in practice, the book then showcases a variety of interior spaces – residential, retail,

workplace, hospitality, education, healthcare and manufacturing. The final chapter looks 'outside the walls', giving a case study at the campus and city scale. With practical guidance and real-world solutions that can be directly-applied in day-to-day practice, this is a must-have for designers interested in applying biophilic principles.

The Chemical History of a Candle Michael Faraday 2020-09-28 From the primitive pine-torch to the paraffin candle, how wide an interval! between them how vast a contrast! The means adopted by man to illuminate his home at night, stamp at once his position in the scale of civilisation. The fluid bitumen of the far East, blazing in rude vessels of baked earth; the Etruscan lamp, exquisite in form, yet ill adapted to its office; the whale, seal, or bear fat, filling the hut of the Esquimaux or Lap with odour rather than light; the huge wax candle on the glittering altar, the range of gas lamps in our streets,—all have their stories to tell. All, if they could speak (and, after their own manner, they can), might warm our hearts in telling, how they have ministered to man's comfort, love of home, toil, and devotion. Surely, among the millions of fire-worshippers and fire-users who have passed away in earlier ages, some have pondered over the mystery of fire; perhaps some clear minds have guessed shrewdly near the truth. Think of the time man has lived in hopeless ignorance: think that only during a period which might be spanned by the life of one man, has the truth been known. Atom by atom, link by link, has the reasoning chain been forged. Some links, too quickly and too slightly made, have given way, and been replaced by better work; but now the great phenomena are known—the outline is correctly and firmly drawn—cunning artists are filling in the rest, and the child who masters these Lectures knows more of fire than Aristotle did. The candle itself is now made to light up the dark places of nature; the blowpipe and the prism are adding to our knowledge of the earth's crust; but the torch must come first.

It's the Political Economy, Stupid Gregory Sholette 2013-02-19 It's the Political Economy, Stupid brings together internationally acclaimed artists and thinkers, including Slavoj Žižek, David Graeber, Judith Butler and Brian Holmes, to focus on the current economic crisis in a sustained and critical manner. Following a unique format, images and text are integrated in a visually stunning bespoke production by activist designer Noel Douglas. What emerges is a powerful critique of the current capitalist crisis through an analytical and theoretical response and an aesthetic-cultural rejoinder. By combining artistic responses with the analysis of leading radical theorists, the book expands the boundaries of critique beyond the usual discourse. It's the Political Economy,

Stupid argues that it is time to push back against the dictates of the capitalist logic and, by use of both theoretical and artistic means, launch a rescue of the very notion of the social.

The Dinner Guest Gabriela Ybarra 2018-03-01 LONGLISTED FOR THE 2018 MAN BOOKER

INTERNATIONAL PRIZE The Dinner Guest is Gabriela Ybarra's prizewinning literary debut: a singular autobiographical novel piecing together the kidnap and murder of her grandfather by terrorists, reflecting on the personal impact of private pain and public tragedy. The story goes that in my family there's an extra dinner guest at every meal. He's invisible, but always there. He has a plate, glass, knife and fork. Every so often he appears, casts his shadow over the table, and erases one of those present. The first to vanish was my grandfather. In 1977, three terrorists broke into Gabriela Ybarra's grandfather's home, and pointed a gun at him in the shower. This was the last time his family saw him alive, and his kidnapping played out in the press, culminating in his murder. Ybarra first heard the story when she was eight, but it was only after her mother's death, years later, that she felt the need to go deeper and discover more about her family's past. The Dinner Guest is a novel, with the feel of documentary non-fiction. It connects two life-changing events – the very public death of Ybarra's grandfather, and the more private pain as her mother dies from cancer and Gabriela cares for her. Devastating yet luminous, the book is an investigation, marking the arrival of a talented new voice in international fiction.
