Turn This Book Into a Beehive! Lynn Brunelle 2018-04-03 The Real Buzz on Bees
What a promise! Actually, promises. First, here's a book that teaches kids all about the fascinating world of bees. Second, fun exercises, activities, and illustrations engage the imagination and offer a deeper understanding of bee life and bee behavior. Third, by following a few simple steps including removing the book's cover and taping it together, readers can transform the book into an actual living home for backyard bees. Fourth, added all together, Turn This Book Into a Beehive! lets kids make a difference in the world—building a home where bees can thrive is one small but critical step in reversing the alarming trend of dwindling bee populations. Written by Lynn Brunelle, author of Pop Bottle Science, whose gift for making science fun earned her four Emmy Awards as a writer for Bill Nye the Science Guy, Turn This Book Into a Beehive! introduces kids to the amazing mason bee, a non-aggressive, non-stinging super-pollinator that does the work of over 100 honeybees. Mason bees usually live in hollow reeds or holes in wood, but here's how to make a home just for them: Tear out the perforated paper—each illustrated as a different room in a house—roll the sheets into tubes, enclose the tubes using the book's cover, and hang the structure outside. The bees will arrive, pack mud into the tubes, and begin pollinating all the plants in your backyard. Twenty experiments and activities reveal even more about bees—how to smell like a bee, understand the role of flowers and pollen, learn how bees communicate with each other through “dance,” and more. It's the real buzz on bees, delivered in the most ingenious and interactive way.

Paint by Sticker Kids: Unicorns & Magic Workman Publishing 2019-04-30 Paint a magical world with stickers (including glitter stickers)! Paint by Sticker Kids: Unicorns & Magic includes everything kids need to create ten vibrant images, including unicorns, a dragon, a princess, and more. Step 1: Find the sticker. All the pages are perforated, making it easy to tear out each finished work to frame and share!

Geometrics 2018-12 Includes 12 striking portraits to complete with sticker shapes. Ten pages of sticker shapes at the back of the book lead you on a quest to complete a wide variety of portraits, including a bear or a panther, a monkey or a unicorn, a kingfisher sitting on a branch or a hot air balloon sailing across the desert sky. Includes perforated pages.

Paint by Sticker Kids Workman Publishing 2016-04-05 Move over, coloring books! Here's an entirely new craft that kids will love: Paint by Sticker Kids. Paint by Sticker Kids is the same compelling craft first introduced in Paint by Sticker, but just for kids! The book includes everything you need to create 10 bright, playful, full-color illustrations—illustrated templates printed on

perforated card stock, and 10 pages of stickers to fill in and create the artwork. The fun, vibrant images are rendered in "low-poly," a computer graphics style using geometric polygon shapes to create a 3-D effect. As in paint-by-number, each template is divided into hundreds of spaces, each with a number that corresponds to a particular sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and the next and voila! It's a rocket ship blasting through space. A Tyrannosaurus rex prowling his domain. A pickup truck hauling its load. A friendly toucan hanging on his perch. Kids will love watching these pictures come to life. Plus, each is suitable for framing or the fridge.

Make a Masterpiece -- Van Gogh's Starry Night Vincent Van Gogh 2014-09-17
Create a Starry Night of your very own or reproduce van Gogh's masterpiece. This book features the painting's dramatic landscape with the foreground items removed and transformed into individual stickers.

2nd Grade Reading Workman Publishing 2014-06-17 The Force is strong with this series! Introducing a line of workbooks that marries the iconic popularity of Star Wars with the unique mix of editorial quality, fun presentation, and rigorous educational standards that Workman applied to the BRAIN QUEST Workbooks. Twelve titles launch the series—three each for Pre-K through 2nd Grade—and dig deep into core subjects, including numbers, ABCs, phonics, and reading readiness for younger grades, and math, reading, and writing for the older ones. The material, which aligns with national Common Core State Standards, is designed to reinforce essential concepts and lessons taught in schools. Any child, not just fans of Star Wars—but yes, those fans will be especially delighted (as will reluctant learners)—will love the *is for Anakin* approach to phonics. Kids will practice learning numbers by counting and circling X-wing starfighters and clone troopers. Master place values by sorting groups of Wookiees. There are math problems—Yoda is holding 7 lightsabers. 5 of the lightsabers are blue. The rest are green. How many green lightsabers is he holding? And Language Arts—Circle the correct homophone in this sentence: Luke is a Jedi knight/night. Featuring favorite characters like Luke Skywalker, Queen Amidala, Yoda, and Obi-Wan Kenobi, and other creatures, monsters, Jedi, and Sith, the workbooks are filled with thousands of original illustrations drawing from all six Star Wars movies and the expanded Star Wars universe. Learn well, you will.

Off the Walls 2020-09-22 When life (in a global pandemic) imitates art . . . Van Gogh's Starry Night made out of spaghetti? Cat with a Pearl Earring? Frida Kahlo self-portraits with pets and toilet paper? While the world reeled from the rapid spread of the novel coronavirus (COVID-19), thousands of people around the globe, inspired by challenges from Getty and other museums, raided toy chests, repurposed pantry items, and enlisted family, roommates, and animals to re-create famous works of art at home. Astonishing in their creativity, wit, and ingenuity, these creations remind us of the power of art to unite us and bring joy during troubled times. *Off the Walls: Inspired Re-Creations of Iconic Artworks* celebrates these imaginative re-creations,

bringing highlights from this challenge together in one whimsical, irresistible volume. Getty Publications will donate all profits from the sales of this book to Artist Relief, an emergency initiative offering resources to artists across the United States.

Paint by Sticker Workman Publishing 2016-04-05 Introducing a compelling new activity for crafters and artists, doodlers and coloring book enthusiasts of all ages. Paint by Sticker includes everything you need to create twelve vibrant, full-color "paintings." The images—including sunflowers, a fox, a hummingbird in mid-flight, two boats on the water—are rendered in "low-poly," a computer graphics style that creates a 3-D effect. As in paint-by-number, each template is divided into dozens of spaces, each with a number that corresponds to a particular colored sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and the next—it's an activity that's utterly absorbing as you watch a "painting" emerge from a flat black-and-white illustration to a dazzling image with color, body, spirit. The pages are perforated for easy removal, making it simple to frame the completed images.

American Royals II: Majesty Katharine McGee 2022-01-04 America has its first ever queen on the throne in this sequel to *American Royals*! If you can't get enough of Harry and Meghan and Will and Kate, you'll love this New York Times bestseller that imagines America's own royal family--and all the drama and heartbreak that entails. Crazy Rich Asians meets *The Crown*. Perfect for fans of *Red, White, and Royal Blue* and *The Royal We*. Power is intoxicating. Like first love, it can leave you breathless. Princess Beatrice was born with it. Princess Samantha was born with less. Some, like Nina Gonzalez, are pulled into it. And a few will claw their way in. Ahem, we're looking at you Daphne Deighton. As America adjusts to the idea of a queen on the throne, Beatrice grapples with everything she lost when she gained the ultimate crown. Samantha is busy living up to her "party princess" persona...and maybe adding a party prince by her side. Nina is trying to avoid the palace--and Prince Jefferson--at all costs.

And a dangerous secret threatens to undo all of Daphne's carefully laid "marry Prince Jefferson" plans. A new reign has begun....

*The Reverse Coloring Book*TM Kendra Norton 2021-08-31 Coloring books became a thing when adults discovered how relaxing and meditative they were. Jigsaw puzzles roared back into popularity as an immersive activity, not to mention a great alternative to television. How exciting is it, then, to introduce an activity that tops them both: reverse coloring, which not only confers the mindful benefits of coloring and puzzling but energizes you to feel truly creative, even when you're weary and just want to zone out. It's so simple, yet so profoundly satisfying. Each page in *The Reverse Coloring Book* has the colors, and you draw the lines. Created by the artist Kendra Norton, these beautiful and whimsical watercolors provide a gentle visual guide so open-ended that the possibilities are limitless. Trace the shapes, draw in figures, doodle, shade, cover an area with dots. Be realistic, with a plan, or simply let your imagination drift, as if looking at clouds in the sky. Each page is an invitation to slow down, let go, and thoughtfully (or thoughtlessly) let your pen find its way over the image. *The Reverse Coloring Book* includes 50 original works of art, printed on sturdy paper that's single-sided and perforated. And unlike with traditional coloring books, all you need is a pen.

Paint by Sticker Kids: Dinosaurs Workman Publishing 2020-07-21 *Paint by Sticker Kids* just gets stronger and stronger, with the last three titles—*Unicorns & Magic*, *Halloween*, and *Christmas*—on fire. With over 1.7 million copies in print, and with sales increasing every season, it is the phenomenal activity book series that marries the joy of paint by number and coloring with every kid's favorite thing—stickers. And now add dinosaurs—what could be better? Kids will have a blast “painting” an armored Ankylosaurus, and an agile Velociraptor, now known to have been covered in feathers. And don't forget about the king of them all: a ferocious T-Rex, which could eat 500 pounds of meat in one bite! New to the series, on the back of each image is a paragraph of lively text packed with facts about the dinosaur pictured, how it lived, and how to pronounce its name. Designed especially for children and their smaller hands, the *Paint by Sticker Kids* series offers a quiet, completely absorbing, no-mess activity that—bonus!—encourages kids to practice number recognition without them even thinking they're doing math. The way it works is simple: Find the numbered sticker, peel it, and place it in the right space. Add the next, and the next—and see the images come to life in the “low-poly” style that uses geometric shapes. The card-stock pages are perforated, allowing the artwork to be easily removed so kids can hang them up as decorations or proudly display them on the fridge. In other words, hours and hours of artistic fun with none of the hassle or cleanup!

Paint by Sticker Kids: Under the Sea Workman Publishing 2017-05-16 *Paint by Sticker Kids* is the most exciting new idea in activity books, both for grown-ups and kids. A compelling activity for crafters and artists, doodlers and colorers of all ages, each *Paint by Sticker Kids* book includes everything you need to create ten vibrant, full-color “paintings.” The original images are rendered in

low-poly, a computer graphics style using geometric polygon shapes to create a 3D effect. As in paint-by-number, each template is divided into spaces, each with a number that corresponds to a particular sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and the next—it's an activity that's utterly absorbing, both in the pleasure of peeling and sticking and the growing satisfaction of watching a "painting" come to life, emerging from a flat black-and-white illustration to a dazzling image with color, body, and spirit. Paint by Sticker Kids: Under the Sea is a journey into the world beneath the waves. Kids will create a dolphin, a shark, an octopus, and other denizens of the watery world. The card stock pages are perforated so kids can remove them easily and display, or share, their finished works of art.
