Reading Researchers in Search of Common Ground Rona F. Flippo 2012-03-22 In *Reading Researchers in Search of Common Ground*, Second Edition, Rona F. Flippo revisits her groundbreaking Expert Study, in which she set out to find common

ground among experts in the much-fragmented field of reading research. The original edition, featuring contributions from participants in the Expert Study, commentary from additional distinguished literacy scholars with specialized experiences and vantage points from which to view it, and recommendations for use of its findings, was published in 2001 and has become a classic in the field. The Expert Study's findings and discussions related to it remain provocative, viable, and highly relevant. Taking a fresh look at it, and its current implications for literacy education and common ground in light of the newest thinking and research of today, the Second Edition includes four new chapters from leaders in the field who discuss the Study from their unique vantage points (literacy trends, emergent writing development, a comprehensive literacy curriculum, and a comparative analysis of the study's findings and recommendations). It is a must-read resource for the entire literacy community – researchers, teacher educators, graduate students, administrators, practitioners, and policymakers.

The Patriotism of Despair Serguei Alex. Oushakine 2011-02-23 The sudden dissolution of the Soviet Union altered the routines, norms, celebrations, and shared understandings that had shaped the lives of Russians for generations. It also meant an end to the state-sponsored, nonmonetary support that most residents had lived with all their lives. How did Russians make sense of these historic transformations? Serguei Alex Oushakine offers a compelling look at postsocialist life in Russia. In Barnaul, a major industrial city in southwestern Siberia that has lost 25 percent of its population since 1991, many Russians are finding that what binds them together is loss and despair. The Patriotism of Despair examines the aftermath of the collapse of the Soviet Union, graphically described in spray paint by a graffiti artist in Barnaul: "We have no Motherland." Once socialism disappeared as a way of understanding the world, what replaced it in people's minds? Once socialism stopped orienting politics and economics, how did capitalism insinuate itself into routine practices? Serguei Alex. Oushakine offers a compelling look at postsocialist life in noncosmopolitan Russia. He introduces readers to the "neocoms": people who mourn the loss of the Soviet economy and the remonetization of transactions that had not involved the exchange of cash during the Soviet era. Moving from economics into military conflict and personal loss, Oushakine also describes the ways in which veterans of the Chechen war and mothers of soldiers who died there have connected their immediate experiences with the country's historical disruptions. The country, the nation, and traumatized individuals, Oushakine finds, are united by their vocabulary of shared pain.

Building Fluency through Reader's Theater: Mi País (My Country) Kit (Spanish Version) 2010-06-01 Teach your students about America by having them act out these patriotic scripts that have been translated into Spanish! Performing these stories make repeated reading and building fluency an enjoyable activity for students! This kit includes eight scripts with roles written at multiple reading levels, making it easy to implement differentiation strategies included in the Teacher's Guide. This feature allows teachers to assign specific roles to students in a way that best accommodates their individual reading levels,

encouraging everyone to participate and engage in the same activity, regardless of their current reading ability. All readers can feel successful and confident while building fluency! By performing these stories together, students will practice other important skills like interacting cooperatively, reading aloud, and using expressive voices and gestures to tell the story. Each script also includes a song and poem to give children additional fluency practice. These scripts give students the tools they need to confidently practice repeating reading and performance, making it the perfect resource for a classroom of varied readers! Building Fluency through Reader's Theater Spanish: Mi país (My Country) kit includes: 8 scripts, 6 copies each, 20-24 pages per book in print and digital formats; a Teacher's Guide; poems and songs in digital and transparency formats; and professionally recorded audio of scripts, songs, and poems.

Democracy and Education John Dewey 1916 John Dewey's Democracy and Education addresses the challenge of providing quality public education in a democratic society. In this classic work Dewey calls for the complete renewal of public education, arguing for the fusion of vocational and contemplative studies in education and for the necessity of universal education for the advancement of self and society. First published in 1916, Democracy and Education is regarded as the seminal work on public education by one of the most important scholars of the century.

Mixing It Wendy Webster 2018-02-02 During the Second World War, people arrived in Britain from all over the world as troops, war-workers, nurses, refugees, exiles, and prisoners-of-war-chieflly from Europe, America, and the British Empire. Between 1939 and 1945, the population in Britain became more diverse than it had ever been before. Through diaries, letters, and interviews, Mixing It tells of ordinary lives pushed to extraordinary lengths. Among the stories featured are those of Zbigniew Siemaszko - deported by the Soviet Union, fleeing Kazakhstan on a horse-drawn sleigh, and eventually joining the Polish army in Scotland via Iran, Iraq, and South Africa - and 'Johnny' Pohe - the first Maori pilot to serve in the RAF, who was captured, and eventually murdered by the Gestapo for his part in the 'Great Escape'. This is the first book to look at the big picture of large-scale movements to Britain and the rich variety of relations between different groups. When the war ended, awareness of the diversity of Britain's wartime population was lost and has played little part in public memories of the war. Mixing It recovers this forgotten history. It illuminates the place of the Second World War in the making of multinational, multiethnic Britain and resonates with current debates on immigration.

The Theatre of Sa'dallah Wannous Sonja Mejcher-Atassi 2021-05-31 The Theatre of Sa'dallah Wannous is the first book in English to provide a clear sense of the significance and complexity of Wannous' life and work. It is unique in bringing cross-disciplinary scholarship on Wannous together and aligning it with cultural practice and memory by including contributions from leading academics as well as renowned cultural figures from the Arab world. This volume should be

of interest to literary and theatre studies scholars, cultural historians, theatre practitioners and anyone who cares about contemporary theatre, Syria and the Arab world. Collectively, the contributions demonstrate the role of cultural production - especially dramatic literature - in providing a portrait of and shaping a culture in the throes of profound transformation.

Iron Patriot Ales Kot 2014-10-22 Collects Iron Patriot #1-5.

Moving Day Robert Kalan 1996 A hermit crab looking for a new home tries several different shells before finding one that fits just right.

How Plays Work Martin Meisel 2007-06-28 "Meisel begins with a look at matters often taken for granted in coding and convention, and then - under 'Beginnings' - at what is entailed in establishing and entering the invented world of the play. Each succeeding chapter is a gesture at enlarging the scope. The final chapters explore ways in which both the drive for significant understanding and the appetite for wonder can and do find satisfaction and delight." "Cultivated in tone and jargon-free, *How Plays Work* is illuminated by dozens of judiciously chosen examples from western drama - from classical Greek dramatists to contemporary playwrights, both canonical and relatively obscure. It will appeal as much to the serious student of the theatre as to the playgoer who likes to read a play before seeing it performed."--BOOK JACKET.

Reader's Theater Scripts Sarah Kartchner Clark 2010-02 Students love the center stage! Improve secondary-level students' reading fluency while providing fun and purposeful reading practice for performance. Mein Kampf Adolf Hitler 2021-03-19 'MEIN KAMPF' is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of MEIN KAMPF' was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany's deepest humiliation, when Napoleon has dismembered the old German Empire and French soldiers occupied almost the whole of Germany. The books narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The Second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and 'public statements' constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler's ideal, the Volkischer Staat, as the People's State. The author has tried his best making German Vocabulary easy to understand. You will never be satisfied until go through the whole book. A must read book, which is one of the most widely circulated and read books worldwide.

Broadway Goes to War Robert L. McLaughlin 2021-07-08 The American theater was not ignorant of the developments brought on by World War II, and actively addressed and debated timely, controversial topics for the duration of the war, including neutrality and isolationism, racism and genocide, and heroism and battle fatigue. Productions such as Watch on the Rhine (1941), The Moon is Down (1942), Tomorrow the World (1943), and A Bell for Adano (1944) encouraged public discussion of the war's impact on daily life and raised critical questions about the conflict well before other forms of popular media. American drama of the 1940s is frequently overlooked, but the plays performed during this eventful decade provide a picture of the rich and complex experience of living in the United States during the war years. McLaughlin and Parry's work fills a significant gap in the history of theater and popular culture, showing that American society was more divided and less idealistic than the received histories of the WWII home front and the entertainment industry recognize.

"But He Doesn't Know the Territory" Meredith Willson 2020-09-22 Chronicles the creation of Meredith Willson's The Music Man—reprinted now as the Broadway Edition Composer Meredith Willson described The Music Man as “an Iowan's attempt to pay tribute to his home state.” Now featuring a new foreword by

Red, White, and You Judy Trueddell Mecca 2004

Shakespearean Robert McCrum 2021-09-07 "A remarkable book that takes us to the heart of Shakespeare's art and influence."—James Shapiro When Robert McCrum began his recovery from a life-changing stroke, he discovered that the only words that made sense to him were snatches of Shakespeare. Unable to travel or move as he used to, the First Folio became his "book of life"—an endless source of inspiration through which he could embark on "journeys of the mind" and see a reflection of our own disrupted times. An acclaimed writer and journalist, McCrum has spent the last twenty-five years immersed in Shakespeare's work, on stage and on the page. During this prolonged exploration, Shakespeare's poetry and plays, so vivid and contemporary, have become his guide and consolation. In *Shakespearean* he asks: why is it that we always return to Shakespeare, particularly in times of acute crisis and dislocation? What is the key to his hold on our imagination? And why do the collected works of an Elizabethan writer continue to speak to us as if they were written yesterday? *Shakespearean* is a rich, brilliant and superbly drawn portrait of an extraordinary artist, one of the greatest writers who ever lived. Through an enthralling narrative, ranging widely in time and space, McCrum seeks to understand Shakespeare within his historical context while also exploring the secrets of literary inspiration, and examining the nature of creativity itself. Witty and insightful, he makes a passionate and deeply personal case that Shakespeare's words and ideas are not just enduring in their relevance — they are nothing

less than the eternal key to our shared humanity.

The Bad Seed William March 2005-06-28 Now reissued – William March's 1954 classic thriller that's as chilling, intelligent and timely as ever before. This paperback reissue includes a new P.S. section with author interviews, insights, features, suggested reading and more. What happens to ordinary families into whose midst a child serial killer is born? This is the question at the center of William March's classic thriller. After its initial publication in 1954, the book went on to become a million-copy bestseller, a wildly successful Broadway show, and a Warner Brothers film. The spine-tingling tale of little Rhoda Penmark had a tremendous impact on the thriller genre and generated a whole perdurable crop of creepy kids. Today, *The Bad Seed* remains a masterpiece of suspense that's as chilling, intelligent, and timely as ever before.

One-Handed Catch MJ Auch 2009-03-03 There's no way a little thing like losing his hand will keep Norm from trying out for baseball.

The Devil and Daniel Webster Stephen Vincent Benét 1943-10 Having promised his soul to the Devil in exchange for good fortune, Jabez Stone asks the talented lawyer Daniel Webster to get him out of the bargain.

Performing Patriotism Jason Shaffer 2007-10-15 Selected by Choice magazine as an Outstanding Academic Title During the eighteenth century, North American colonists began to display an increasing appetite for professional and amateur theatrical performances and a familiarity with the British dramatic canon ranging from the tragedies of Shakespeare, Addison, and Rowe to the comedies of Farquhar, Steele, and Gay. This interest sparked demand for both the latest hits of the London stage and a body of plays centered on patriotic (and often partisan) British themes. As relations between the crown and the colonies soured, the texts of these plays evolved into a common frame of reference for political arguments over colonial policy. Making the transition to print, these arguments deployed dramatic texts and theatrical metaphors for political advantage. Eventually, with the production of American propaganda plays during the Revolution, colonists began to develop a patriotic drama of their own, albeit one that still stressed the "British" character of American patriotism. *Performing Patriotism* examines the role of theatrical performance and printed drama in the development of early American political culture. Building on the eighteenth-century commonplace that the theater could be a school for public virtue, Jason Shaffer illustrates the connections between the popularity of theatrical performances in eighteenth-century British North America and the British and American national identities that colonial and Revolutionary Americans espoused. The result is a wide-ranging survey of eighteenth-century American theater history and print culture.

Inscribing Jingju/Peking Opera David Rolston 2021-08-09 What was the most influential mass medium in China before the internet reaching both literate and illiterate audiences? The answer may surprise you...it's Jingju (Peking opera).

Beyond Glory: Medal of Honor Heroes in Their Own Words Larry Smith 2004-05-17 A stirring oral history of the nation's Medal of Honor winners interviews twenty-four men who earned the honor through extraordinary acts of valor on the battlefield. Reprint. 20,000 first printing.

Nationalism and Youth in Theatre and Performance Victoria Pettersen Lantz 2014-07-11 Nationalism and Youth in Theatre and Performance explores how children and young people fit into national political theatre and, moreover, how youth enact interrogative, patriotic, and/or antagonistic performances as they develop their own relationship with nationhood. Children are often seen as excluded from public discourse or political action. However, this idea of exclusion is false both because adults place children at the center of political debates (with the rhetoric of future generations) and because children actively insert themselves into public discourse. Whether performing a national anthem for visiting heads of state, creating a school play about a country's birth, or marching in protest of a change in public policy, young people use theatre and performance as a means of publicly staking a claim in national politics, directly engaging with ideas of nationalism around the world. This collection explores the issues of how children fit into national discourse on international stages. The authors focus on national performances by/for/with youth and examine a wide range of performances from across the globe, from parades and protests to devised and traditional theatre. Nationalism and Youth in Theatre and Performance rethinks how national

performance is defined and offers previously unexplored historical and theoretical discussions of political youth performance.

Tragedy of Titus Andronicus William Shakespeare 1897

Immigration--Reader's Theater Script & Fluency Lesson Harriet Isecke 2014-03-01

This historical reader's theater script builds fluency through oral reading. The creative script captures students' interest, so they will want to practice and perform. Included is a fluency lesson and approximate reading levels for the script roles.

A Bad Case of Tattle Tongue Julia Cook 2006-01-01

A Book that Helps Kids Learn the Difference Between Tattling and Telling No one likes "Josh the Tattler" because he tattles way too much. He tattles on his classmates, his brother, and even his dog! But one night Josh wakes up to find that his tongue is very long, yellow, covered in bright purple spots, and Itchy, Itchy, Scratchy, Scratchy... Will a bad case of Tattle Tongue teach him a lesson? A Bad Case of Tattle Tongue gives teachers and counselors a humorous, cleverly creative way to address the time-consuming tattling-related issues that often sap classroom energy and thwart teaching opportunities. Parents who "battle the tattle" at home, on the playground, in the grocery store, or anywhere else can use this book to both entertain and enlighten their children about "The Tattle Rules." Every adult who desires to help children understand the differences between tattling and the need to warn others about important matters needs this book!
