Creative Scrapbook Piecing with Marina du Plessis 3 Marina du Plessis 2012-10-18 Scrapbooking aficionados keep coming back for more from Marina du Plessis! And it's little wonder, because she knows exactly what scrapbookers want. In this, her third collection, she offers more cost effective projects that revolve around her versatile and internationally unique three-dimensional figurines created mostly with paper and imagination. So even if you have less disposable income to devote to your favourite craft than

before, Marina's templates for the figurines and lettering and other elements will see you happily scrapping in an affordable manner. Best of all, you can replicate the projects as is, or you can mix and match, vary and choose to create your own personalised layouts. Included in the templates are figurines, frames, letters, titles, tags, envelopes and other decorative elements. The 40+ themes ensure that there is something suitable for girls and boys (of all ages!), and cover birthdays, festivals and special events, weddings, memories, pets and simply good times. Accompanied by full-colour photographs, instructions are clear and easy to understand, for both advanced and beginner scrappers.

**Robotics in Genitourinary Surgery** Ashok Kumar Hemal 2011-03-23 Robotics in Genito-Urinary Surgery fills the void of information on robotic urological surgery; a topic that is currently highly in demand and continuously increasing. This book provides detailed information on the utility of robotic urological surgery and how to use it most effectively. Robotics in Genito-Urinary Surgery comprehensively covers specialist areas such as female urology, pelvic floor reconstructions and holds a strong focus on pediatric urology. It also presents the main operative techniques through the use of high quality images and drawings. Compiled by expert authors from the USA, Europe and Asia, this book provides an international perspective on the basic knowledge and clinical management required for the optimal care of patients.
