*The Complete Book of Collection Letters, Telephone Scripts, and Faxes* Cecil J. Bond 1994 Are outstanding debts eating away at your business's profitability? This valuable "toolbox" of over 400 collection letters, scripted collection calls, directions for visiting customers in person, plus model faxes can help you turn accounts receivable into accounts paid. Avoid the costly trap of chasing down a small number of problem accounts, limit delinquencies, stay on the right side of the law, and reduce the time it takes to collect balances. This groundbreaking volume can help you substantially increase your cashflow without a lot of costly and time-consuming systems changes. At last you'll have the time and the money to run your business more effectively. Step-by-step procedures and ready-to-use forms help you organize or reorganize your credit department, construct more useful credit files, and build a new credit policy that keeps customers happy and keeps the payments pouring in. Cecil Bond is full of sound advice on: precautions you must take when collecting by mail ... how a conciliatory tone can be more effective than a threatening posture ... setting up a payment program to work with your customers' cashflow ... the advantages of "doing lunch" with a customer ... writing the final demand letter ... and what bad-debt accounts are better left alone. For both commercial and consumer accounts, for business managers and owners, *The Complete Book of Collection Letters, Telephone Scripts, and Faxes* is a veritable treasure trove of the dos and don'ts of collection methods; what's legal and what's not; key ingredients in successful letters and how long they should be; how to avoid controversial statements; how to structure and control collection telephone calls; and when to employ a collection agency. Actual samples with clearly explained procedures include the letters that generate payments with the key words that get action; how to freshen up a favorite letter, and how to selectively use the form letters in this guide; putting it all together: integrating letters, calls, faxes - and visits; your collection efforts and the law - practices to avoid; deploying your credit department people to collectible accounts; screening accounts for creditworthiness; the most effective series of collection notices; combining the strengths of letters and telephone calls; tailoring your efforts: when and how to use more than one option; when and how to use a collection agency; and steps for salvaging bad-debt write-offs.

*How to Write Apology Letters* Dianna Booher 2012-01-31 Have you ever tried to apologize to someone and realized that your apology made things worse? It happens. Apologies are difficult because you're already dealing with a negative situation: The other person hears you from a negative state of mind. Your challenge with an apology letter is to disarm the other person quickly so you can start to turn the situation around. Acknowledging the error, problem, or insensitivity immediately. Be specific with your phrasing. Make an empathetic statement to let readers know that you understand the issue and any difficulty, damage, pain, or embarrassment caused. Keep your tone consistent with the circumstances. Explain how a mistake happened if that will add assurance that the problem will not recur in the future. Offer to make things right. End with a goodwill statement. If you'd like to make the apology letter process even easier, we can help even more. If you

still can't find the right words to apologize and improve the situation quickly, try our professionally written package of sample apology letters and notes. **Payment System Users Manual for Letter of Credit Treasury Financial Communications System (LOC-TFCS) Recipients** United States. Office of Justice Programs 1986

**Contractors' and Homeowners' Guide to Mechanics' Liens** Stephen Elias 1998 Odd though it may be, a mechanics lien has little to do with auto mechanics. Instead, it involves builders. Contractors and subcontractors, materials suppliers and equipment suppliers -- these are the folks who use mechanics liens. A mechanics lien enables workers to collect debts owed for work or materials they've contributed to a project. By making a legal claim on the real estate of an owner, the lien ensures that workers don't leave a project empty-handed if the owner refuses payment. Consequently, it's important that both laborers and owners understand the ins and outs of these liens. Whether a reader is a general contractor, a carpenter, a lumber supplier or simply a diehard fan of home improvement projects, *Everybody's Guide to Mechanics' Liens* is the place to go for strategies and answers. The book does not cover public property owners and publicly-funded projects.
