This pepsi ipl 2013 game, as one of the most working sellers here will certainly be in the midst of the best options to review.

Power Play Raymond Boyle 2009-05-21 The fully revised and updated version of this classic text examines the link between three key obsessions of the 21st century: the media, sport and popular culture. Gathering new material from around the 2007 Rugby World Cup, the Beijing Olympics and the rise of new sports stars such as boxing's Amir Khan and cycling's Victoria Pendleton, the authors explore a wide range of sports, as well as issues including nationalism, gender, race, political economy and the changing patterns of media sport consumption. For those interested in media and sport the second edition combines new and original material with an overview of the developing field of media sport, and examines the way in which the media has increasingly come to dominate how sport is played, organized and thought about in society. It traces the historical evolution of the relationship between sport and the media and examines the complex business relationships that have grown up around television, sponsors and sport. Covers the following topics: the history of media in sport; television, sport and sponsorship; why sport matters to television; sports stars; sports journalism; fans and the audience; sport in the digital media economy.

Caught Out - Shocking Revelations of Corruption in International Cricket Brian Radford 2012-06-29 Caught Out exposes a staggering catalogue of revelations about the way international cricket is being contaminated by crooked players, ruthless gamblers and bent officials. It brings together appalling scandals involving the biggest names in the sport who have deliberately cheated, often under enormous pressure from gambling gangs who threaten serious physical harm and even abduction if their orders are not carried out. These riveting revelations will shock and disgust all those who play cricket honestly at every level whether it is at school, a local club, county level, or at the top in the international arena. Icons are named and shamed in a series of disclosures that zoom in on match-fixing, spot-fixing, cocaine smuggling, chilling death threats, kidnapping, ferocious betting, and high-class prostitutes paraded as additional rewards for players who cheat for illegal bookmakers. A string of amazing exposes will grip and alarm anyone, whether close to cricket or not; even if only having a modicum of interest in the integrity of those who compete and officiate in sport. Full of revelatory details this book sheds light on the scandals in cricket that seem to capture the headlines whenever there's a key international fixture.

Routledge Handbook of International Sport Business Mark Dodds 2017-09-13 Contemporary sport business is international. From global sport competitions and events, sponsorship deals and broadcasting rights to labour markets and lucrative flows of tourists, anybody working in sport business today has to have an international perspective. This book offers the broadest and most in-depth guide to the key themes in international sport business today, covering every core area from strategy and marketing to finance, media and the law. Including authors from more than twenty countries spanning

the Americas, Europe, Asia, Africa and Australia, this handbook addresses the most important issues in the world of sport business from a uniquely global perspective. Each chapter examines a particular cross-section of business and sport, encompassing all levels from grassroots to professional and elite. Divided into seven major subject areas, it offers insights from experts on: International Sport Business Strategy Sport Marketing Sport Economics and Finance International Sport Law Sport Media and Communication Sport Tourism Sport Development. The Routledge Handbook of International Sport Business is an essential resource for any course on sport business, sport management or international business.

Winning Like Virat Abhirup Bhattacharya 2017 Virat Kohli scored only 10, 12 and 19 runs in his debut domestic, ODI and Test matches, respectively. Today, he is hailed as one of the greatest batsmen in the world. But how did this transformation come about? If we focus on Virat, the cricketer and the man, we will find some extraordinary traits-his leadership skills, the ability to keep his cool under pressure, a fearless attitude and a desire to win every game-that have shaped him as he is today. Off the field too, his maturity in handling the media and business acumen testify to his excellent leadership and management skills. There is little doubt that Virat's success is not a matter of luck alone but of relentless hard work and a dedicated goal to succeed. As a young professional or student there is a lot to learn from Virat's achievement. *Winning like Virat: Think & Succeed like Kohli* attempts to understand the secrets of his phenomenal success and tells the reader how best to emulate these in life.

The Rise of the New East B. Simpfendorfer 2014-06-27 Taking the reader on a tour of the fast changing East, Simpfendorfer urges the business world to respond by planning for the unexpected. Now that the East has secured its role as a powerful player on the world stage, *The Rise of the New East* provides simple business strategies for dealing with an increasingly complex global environment.

Windows 10 For Dummies Andy Rathbone 2015-08-10 Illustrates the new features of Windows 10.

Essentials of Economics Glenn Hubbard 2012-10-17 Real examples. Real companies. Real business decisions. Covering the core economics principles and providing engaging, relevant examples within just nineteen Chapters, Hubbard *Essentials of Economics* is the perfect teaching and learning resource for a one semester unit. The authors present economics as a dynamic, relevant discipline for Australasian students. The key questions students of first year economics ask themselves are: 'Why am I here?' and 'Will I ever use this?' Hubbard *Essentials of Economics* answers these questions by demonstrating that real businesses use economics to make real decisions every day. Each chapter of the text opens with a case study featuring a real business or real business situation, refers to the study throughout the Chapter, and concludes with An Inside Look—a news article format which illustrates how a key principle covered in the Chapter relates to real business situations or was used by a real company to make a real business decision.

8 Steps To Innovation No Author 2013-02-20 A guide to systematic, as opposed to incidental, ad-hoc innovation Innovation need not only be jugaad. For the first time a book shows us how in India, innovation can be introduced in one's organization in a systematic, deliberate way. *8 Steps to Innovation* explains how you can do this by building an idea pipeline in your organization, improving the velocity of ideas coming in, and implementing the ideas within the given constraints. All this is shown through nice, snappy examples, mostly homegrown Indian ones. Few books in the market talk about innovation in the Indian context with Indian examples as this one does.

The Test of My Life Yuvraj Singh 2013-03-19 'That day I cried like a baby not because I feared what cancer would do but because I didn't want the disease. I wanted my life to be normal, which it could not be.' For the first time Yuvraj Singh tells the real story behind the 2011 World Cup when on-the-field triumph hid his increasingly puzzling health problems and worrying illnesses. In his debut book *The test of my life*, he reveals how—plagued with insomnia, coughing fits that left him vomiting blood, and an inability to eat—he made a deal with God. On the night before the 2011 ICC Cricket World Cup final, Yuvraj prayed for the World Cup in return for anything God wanted. In this book, he lays bare his fears, doubts, and the lows he experienced during chemotherapy—when he lost his energy, his appetite, and his hair—and his battle to find the will to survive. Poignant, personal, and moving—*The test of my life*—is about cancer and cricket; but more importantly, it is about the human will to fight adversity and triumph despite all odds.

Controversially Yours Anshu Dogra 2011-09-16 A tell-all book on and by Pakistan cricket's fastest and most controversial bowler One of the most talented and certainly one of the most colourful players in the history of cricket, Shoaib Akhtar holds the record for the fastest delivery ever, clocking in at 11.2 mph. Having taken more than 400 wickets in his international career, Shoaib has seen it all—the best matches, the most exciting tournaments, the highs and lows of personal achievement and failure. *Controversially Yours* is his take on the game, on his peers, on the fraught tussles between bowlers and batsmen and, of course, the institutions that control the sport, including the ICC and the Pakistan Cricket Board. From the early days of struggle to the 2011 World Cup, this is Shoaib's story in his own words, straight from the heart.

A History of Cricket in 100 Objects Gavin Mortimer 2013-06-06 Once the preserve of the English, now, for nations the world over, summertime means cricket bats to be oiled, rain forecasts analysed and tea in the pavilion. Cricket has enthralled us since the seventeenth century. But what is it about the game that provokes such fervour? Award-winning sports author Gavin Mortimer calls together a cast of salt-of-the-earth Yorkshiremen, American billionaires and dashing Indian princes to tell the strange and remarkable tale of cricket's journey from medieval village sport of 'club-ball' to the global media circus graced by superstars from Denis Compton to Sachin Tendulkar. If you've ever wanted to know what a hoop skirt has to do with overarm bowling, why England fight Australia over a burnt bail, or how to avoid tickling a jaffa in the corridor of uncertainty, Mortimer chalks up a stunning century of tales in the first truly accessible global history of cricket.

Virat Kohli Ayaz Memon 2013-12-02 In many ways, Kohli epitomizes the New Age Indian — aggressive, sometimes brash, but also a go-getter with great clarity about what he wants. After making his mark at the junior level, when he led the Under-19 team to victory in the World Cup, Virat Kohli graduated into the senior ranks quite seamlessly and is now considered a pivotal player in the Indian team. He played a significant role in the 2011 World Cup triumph and has since matured into a consistent match-winner in limited overs cricket and a highly reliable batsman in the longer version of the game. His brilliant fielding enhances manifold his value to the team. Rated among the best young players in the world today, Kohli's filmstar looks and dashing approach on the field make him hugely popular with both fans and brands. Not quite 25, he is sound on tactics, strong on fellow-player management and is already seen as the future captain of India. Ayaz Memon, one of India's most prolific journalists, brings with him 33 years of experience in sports writing. He started his career covering sports and went on to edit newspapers like *Mid-Day*, *Bombay Times* and *DNA* as well as magazines like *Sportsweek*. Ayaz was also sports editor for the *Times of India* and the *Independent* at various stages. He is currently consulting editor with *NewsX*. C. Rajshekhar Rao is a sports writer with the international news agency, *The Associated Press*. He has in the past written for prominent Indian newspapers like *The Hindu*, *The*

Indian Express and Daily News and Analysis.

Current Affairs October 2015 eBook Jagran Josh Details - Current Affairs October 2015 eBook · It provides the comprehensive coverage of the current affairs that happened in October 2015. · It covers the current affairs of October 2015 with ample background and provides a detailed analysis of all the national and international events. · The presentation of the current affairs is provided in very simple and easy-to-understand language. · The October 2015 eBook will be of immense help for the candidates preparing for forthcoming exams. · The eBook will be handy for the forthcoming exams like IBPS CWE PO/MT -V (Main) Exam, IBPS CWE RRB - IV, Combined Defence Services Exam (II) 2015, NDA & NA Exam (II) 2015, Indian Economic Services/Indian Statistical Services Exam 2015, Combined Geo-Scientist & Geologists Exam 2015, Engineering Services Exam 2015, Combined Medical Services Exam 2015, Civil Services (Mains) Exam 2015, Central Armed Police Forces (AC) Exam 2015 and others. Game Theory, Alive Anna R. Karlin 2017-04-27 We live in a highly connected world with multiple self-interested agents interacting and myriad opportunities for conflict and cooperation. The goal of game theory is to understand these opportunities. This book presents a rigorous introduction to the mathematics of game theory without losing sight of the joy of the subject. This is done by focusing on theoretical highlights (e.g., at least six Nobel Prize winning results are developed from scratch) and by presenting exciting connections of game theory to other fields such as computer science (algorithmic game theory), economics (auctions and matching markets), social choice (voting theory), biology (signaling and evolutionary stability), and learning theory. Both classical topics, such as zero-sum games, and modern topics, such as sponsored search auctions, are covered. Along the way, beautiful mathematical tools used in game theory are introduced, including convexity, fixed-point theorems, and probabilistic arguments. The book is appropriate for a first course in game theory at either the undergraduate or graduate level, whether in mathematics, economics, computer science, or statistics. The importance of game-theoretic thinking transcends the academic setting—for every action we take, we must consider not only its direct effects, but also how it influences the incentives of others.

Captain Cool Gulu Ezekiel 2014-11-30 'It must be my power, the bat speed I generate, and the swing of the bat...' Mahendra Singh Dhoni is as calm and unruffled a sportsman on the field as he is self-effacing off it. But 'brute strength', 'murderous form' and 'a man possessed' were some of the phrases that came to mind when, on 5 April 2005 in Visakhapatnam, he exploded onto international consciousness by becoming the first regular Indian 'keeper to score a one-day century. With his striking form on the day, his long locks visible beneath his helmet, red tints glinting in the sunlight, 'Mahi' Dhoni had transformed from a boy HAILING from an obscure small town to a sports legend with the aura of a rock star. And yet, Dhoni was no child prodigy, no overnight success. When he made his international debut at 23, he was already mature by Indian cricket standards-with five grinding years of domestic cricket behind him. How that legend came to be-and grew from game to game-is told here by noted sportswriter Gulu Ezekiel in his crackling but measured prose. Captain Cool is the story of MS Dhoni, Indian cricket's poster boy; it is also the heartwarming account of the life of a young man who won India the World Twenty20 in 2007, the 50-over World Cup title in 2011 and the Champions Trophy in 2013, but can still tell his throngs of admirers, 'I am the same boy from Ranchi'.

The Business Of Cricket Vijay Santhanam 2014-10-17 The Business of Cricket: The Story of Sports

Downloaded from avenza-dev.avenza.com

Marketing in India. HOW SPORTS MARKETING HAS BOWLED US OVER Sports marketing is all-pervasive today - no matter where you look, there is no escaping a Dhoni, a Tendulkar or a Sehwag. It wasn't always like this. There was a time when sportspersons got fame from sport, but not the money commensurate with that fame. Then Sunil Gavaskar, India's first batsman-entrepreneur, came along, and in his wake followed Kapil Dev and Sachin Tendulkar. Helped by television and competing multinational brands vying to expand their market in a liberalizing India, sports marketing, which in India is synonymous with cricket, exploded. The culmination of this process was the Indian Premier League (IPL), a brilliant marketing concept that was a win-win for players, sponsors, media and viewers alike. This book, written by two sports enthusiasts who are also ace sports marketers with a combined international experience of forty years in marketing, takes us on an engaging and informative journey through the highs and lows of sports marketing in India. Along the way, the authors explain what constitutes good sports marketing, how the market can be expanded, what the prospects are for sports other than cricket, and why the sports fan needs to be better treated. An incisive, heartfelt book that will appeal to sports fans, marketers, advertisers as well as administrators.

Microeconomics R. Glenn Hubbard 2014-09-01 Microeconomics is the most engaging introductory economics resource available to students today. Using real businesses examples to show how managers use economics to make real decisions every day, the subject is made relevant and meaningful. Each chapter of the text opens with a case study featuring a real business or real business situation, refers to the study throughout the chapter, and concludes with An Inside Look—a news article format which illustrates how a key principle covered in the chapter relates to real business situations or was used by a real company to make a real business decision. Solved problems in every chapter motivate learners to confidently connect with the theory to solve economic problems and analyse current economic events.

KP: The Autobiography Kevin Pietersen 2014-10-09 THE SUNDAY TIMES BESTSELLER 'Outrageous, audacious, jaw-dropping' SUNDAY TIMES 'An essential read' DAILY MAIL 'Utterly captivating' DAILY TELEGRAPH 'Hugely entertaining' GUARDIAN The fascinating life story of professional cricketer Kevin Pietersen, MBE, from his childhood in South Africa to his experiences as one of the leading lights in the world of international cricket. Kevin was dropped from the England squad in February 2014, seemingly calling time on an international career that began nearly ten years earlier. The decision puzzled many observers - although the England team had failed miserably in the Ashes tour of 2013-14, Kevin was the tourists' leading run scorer across the series, and he remains the country's highest run scorer of all time across all formats of the game. Kevin reveals all in his autobiography, telling the stories behind the many other highs and lows of his incredible career. Giving readers the full story of his life, from his childhood in South Africa to his experiences as one of the leading lights in the world of international cricket, KP is an autobiography that entertains and fascinates readers in equal measure.

Twenty20 and the Future of Cricket Chris Rumford 2013-09-13 Cricket is a sport which is currently undergoing a rapid and dramatic transformation. Traditionally thought of as an English summer game, limited in appeal to Britain and its Commonwealth, cricket has, in the past a few years, achieved a global profile. This is largely due to the development of a new TV-friendly format of the game: Twenty20 cricket. Indeed, through the economic and media interests promoting the Indian Premier League (IPL), the world's richest Twenty20 tournament, cricket has belatedly 'gone global'. The rapid rise of the IPL underlines that the economic and political characters within cricket are no longer the traditional elites in metropolitan centres but the businessmen of India and the media entrepreneurs world-wide who seek to shape new audiences for the game and create new marketing opportunities on a global scale. The contributions in this book fall into two broad categories. There are firstly those which explore the rapid growth of Twenty20, particularly the motors of change and the new directions that cricket is taking as a

result of the Twenty20 revolution. Secondly, there are a number of contributions which chart the impact of Twenty20 on traditional elements of the game. This book was originally published as a special issue of Sport in Society.

How to Play Cricket Sir Donald Bradman 2011 A classic reprint which no young cricketer should be without. Also a release for those who are cricket memorabilia fanatics. Here is the art of cricket by one of the greatest in the game, the acknowledged master. In this reprint of a classic, all of The Don's essential instruction is provided in clear and concise detail in his delightful writing style. It includes the original stop-motion photographs which show the strokes and positions of Bradman's own game. With his passion for the game, Don Bradman was keen to pass on his knowledge of cricket to the younger generation. How to Play Cricket includes instruction on batting, grip and the different strokes, bowling, fielding and running between wickets. This book is a look at classic cricket technique which includes the 'newly introduced' lbw rule.

The Neuroscience of Expertise Merim Bilalić 2017-02-16 The book examines the ways in which the brain accommodates the incredible feats of experts.

Game Changer Shahid Afridi 2019-04-30

Sports Business Management George Foster 2016-01-08 Sports Business Management will equip students with a comprehensive understanding of the sport industry. With a focus on management, strategy, marketing, and finance, the decision-making approach of the book emphasizes key concepts while translating them into practice. Foster, O'Reilly, and Dávila present a set of modular chapters supported with plenty of examples, mini-cases, and exercises to help students apply the decision-making approach to real-world situations. Covering an international array of sports and organizations - including the Olympic Games, FIFA World Cup, US Major League Baseball, and more - the book also covers unique topics such as diversity in sport, the impact of technology, and social media. Rounding this out, the book provides around 50 Harvard/Stanford cases, along with case notes for instructors. This is an ideal textbook for upper-level undergraduate and graduate students of sports business and management, fully supported by a companion website featuring PowerPoint slides, test questions, teaching notes, and other tools for instructors.

Ask Beardeners Bill Frindall 2010-06-30 What is the highest number of runs a player has scored in Test matches without ever being dismissed? Did P. G. Wodehouse name Bertie Wooster's valet, Jeeves, after a county cricketer? Why is Ashley Giles known as the 'King of Spain'? Who scored the 1,000th century in Test cricket? No one knew and loved, cricket quite like Bill Frindall - his passion and his encyclopaedic knowledge of the game was evident as soon as he took over scoring for Test Match Special in 1966, a post he held until his death in 2009. In 2001, he began offering his cricket expertise through a column on the Test Match Special website, 'Ask Beardeners'. Fans would write in with the most difficult and arcane questions possible, hoping to 'Stump the Bearded Wonder'. They never did. Ask Beardeners collects the best of the Q & As from Bill's popular column, offering cricket fans a one-stop compendium of the most challenging bits of history and statistics the game has to offer. It is a unique testament to the perfection Bill sought in his study of the game, and an essential book for any serious cricket fan

Understanding Sport John Horne 2005-10-10 Bringing a cultural and social dimension to the study of sport, this introductory guide will help students understand the context of sport and the place it has in the lives of individuals as well as in modern British society as a whole. Theoretically rigorous yet

accessible, *Understanding Sport* includes: up-to-date coverage of key socio-cultural issues suggested further reading, to expand students' understanding of the topics introduced end-of-chapter essay topics and questions, to help students consolidate their knowledge extensive reference lists and a thematic index, to direct students and lecturers toward further research materials.

Sport Sponsorship Insights Norm O'Reilly 2021-09-06 Sponsorship is a vital area of contemporary sport business. This book offers a concise and practice-focused introduction to sport sponsorship, including an explanation of key concepts, a survey of the key tools required to be a successful practitioner, and insights into real-world practice from authors with extensive industry and academic experience. Covering sport at all levels, from professional to grassroots, and including international cases and examples throughout, the book demonstrates that sport sponsorship works if done correctly. Drawing on the latest cutting-edge research, it introduces the core principles of sport sponsorship and shows how to get maximum value at each stage of the sponsorship process, from plan to activation, servicing and evaluation, for sponsor, property or agency. Requiring no prior knowledge of sport sponsorship, and full of real-world examples of best practice, this is the perfect primer for any student or industry professional looking to improve and deepen their understanding of this core element of modern sport business.

Luxury Brands in China and India Glyn Atwal 2017-06-27 This book provides an analysis of the luxury industry in two of the world's biggest and evolving markets, and identifies and discusses the key issues and dynamics in transforming their luxury landscapes. By discussing the elements that are most likely to dominate boardroom agendas, the pragmatic implications for both strategic and marketing planning are made clear. Special emphasis is placed upon well-contemplated responses to luxury brand marketing challenges that executives are likely to face as they push their brands to adapt and thrive in these shifting markets.

Cognitive Science Jay Friedenberg 2015-09-23 *Cognitive Science* provides a comprehensive introduction to the field from multiple perspectives to help readers better understand and answer questions about the mysteries of the mind. In each chapter, the authors focus on a particular area in cognitive science, exploring methodologies, theoretical perspectives, and findings, then offering the critical evaluations and conclusions drawn from them. Substantially updated with new and expanded content, the Third Edition reflects the latest research in this rapidly evolving field.

The Great Tamasha James Astill 2013-07-09 Examines the history of cricket in India, discussing the creation of the Twenty20 cricket league and the corruption and scandal that followed.

Playing It My Way Sachin Tendulkar 2014-11-06 The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

Fundamentals of Sport Management Robert E. Baker 2013 Engaging and reader friendly, *Fundamentals of Sport Management* addresses the foundations of the field for students and

professionals. It provides real-world examples and career opportunities in the exciting world of sport management.

Brave New Pitch Samir Chopra 2012-10-26 Cricket as we know it may soon be no more. Thanks to Twenty20, technology, media, and the sheer financial power of Indian cricket, the gentleman's game is on the brink of radical changes. Nation-based cups might give way to T20 professional leagues; umpires might be replaced by technology; and professional franchises, not national boards, might call the shots. Could cricket go the way of professional football? Will Test cricket survive in an entertainment-driven field? Will television rights deals determine the nature of the game? This upheaval has been accompanied by conflict between the old guard - England and Australia - and the new boss, India. If the spirit of cricket is to survive these changes, it requires the balancing of economic, political and sporting imperatives. The game must find a way to remain a financially solvent global sport that caters to the changing tastes of its fans and players by creatively using new media and limited-overs cricket. In *Brave New Pitch*, Samir Chopra takes a hard look at cricket's tumultuous present, and considers what could and should lie ahead.

Branded Entertainment Jean-Marc Lehu 2007-03-03 *Branded Entertainment* explains how product placement, a long-time phenomenon in films, has gone beyond this to now embrace all media. Citing examples from film to music video, to computer games, the author explains the: history and development of product placement; advantages of this form of brand advertising; and methods employed by different brands Most importantly, *Branded Entertainment* discusses the future possibilities for using this form of promotion to recreate an emotional connection with customers and exploiting the opportunities afforded by advances in technology to spread the message across multimedia channels.

Swarm, Evolutionary, and Memetic Computing Bijaya Ketan Panigrahi 2011-12-07 Annotation This volume constitutes the refereed proceedings of the Second International Conference on Swarm, Evolutionary, and Memetic Computing, SEMCCO 2011, held in Visakhapatnam, India, in December 2011. The 124 revised full papers presented in both volumes were carefully reviewed and selected from 422 submissions.

Bookie Gambler Fixer Spy Ed Hawkins 2013-07-04 A startling and powerful journey to the very core of India's illegal bookmaking industry that exposes the scale of corruption and the match-fixing that now runs rife throughout world cricket. For several years Ed Hawkins made friends with India's illegal bookmakers - men who boast turnover of hundreds of millions of dollars per cricket match - as well as the corruption officers of the International Cricket Council who are trying to shut them down. It's a shady world and rumours abound. But then Hawkins receives a message that changes everything and he decides it is time to expose the truth behind match-fixing. *Bookie Gambler Fixer Spy* is a story featuring politicians, governing bodies, illegal bookmakers and powerless players - as well as corruption, intimidation and even suicide. It is a story that touches all cricket-playing nations around the world. It is a story that every cricket fan must read. You might never again watch a cricket match without suspicion...
