Small History of a Disagreement Claudio Fuentes 2020-10-27 A lively introduction to debate, democracy, and citizenship. “A refreshing and timely reminder that disagreement can—and should—be productive.” — Kirkus Should an ancient monkey puzzle tree be cut down to make room for exciting new classrooms? In this spirited picture book, students must work together to come to an agreement—but it’s not as easy as it seems! On the first day back at school after the holidays, a group of classmates notice a construction crane parked next to the old monkey puzzle tree. The school principal says the tree will be cut down to make room for new science classrooms and computer labs. The classmates are divided, with some in favor of innovation, and others calling for the protection of the thousand-year-old tree. As they protest, march, fight, and strike, one teacher offers a solution: Why not hold a debate? The principal agrees, and at the end of the debate, a student vote will end the disagreement, once and for all—or will it? Inspirational without being didactic, and filled with warm, lively illustrations, this wonderful introduction to the process of debate, listening, and collective decision-making will be read by young and old alike for years to come. An Aldana Libros Book

Bezimena Nina Bunjevac 2019-05-29 The author’s jumping-off point is the myth of Artemis and Siproites, in which a young man is turned into a woman as a punishment for the attempted rape of one of Artemis’s virgin cohorts. Bunjevac’s retelling follows Benny, a sexually deviant man who, coming across an alluring former classmate, concocts an elaborate, disturbing rape fantasy. Inked in her lush, stippled, illustrative style, Bunjevac crafts a gripping, noirish, Nabokovian tale, by turns surreal and harrowing, that turns the male gaze inside-out. Bezimena is both a radical examination of the misconceptions surrounding rape culture and an artistic and psychological tour de force.

A Long Petal of the Sea Isabel Allende 2020-01-21 NEW YORK TIMES BESTSELLER • From the author of *The House of the Spirits*, this epic novel spanning decades and crossing continents follows two young people as they flee the aftermath of the Spanish Civil War in search of a place to call home. “One of the most richly imagined portrayals of the Spanish Civil War to date, and one of the strongest and most affecting works in [Isabel Allende’s] long career.”—The New York Times Book Review NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *Esquire* • *Good Housekeeping* • *Parade* In the late 1930s, civil war grips Spain. When General Franco and his Fascists succeed in overthrowing the government, hundreds of thousands are forced to flee in a treacherous journey over the mountains to the French border. Among them is Roser, a pregnant young widow, who finds her life intertwined with that of Victor Dalmau, an army doctor and the brother of her deceased love. In order to survive, the two must unite in a marriage neither of them desires. Together with two thousand other refugees, Roser and Victor embark on the SS *Winnipeg*, a ship chartered by the poet Pablo Neruda, to Chile: “the long petal of sea and wine and snow.” As unlikely partners, the couple embraces exile as the rest of Europe erupts in world war. Starting over on a new continent, they face trial after trial, but they will also find joy as they patiently await the day when they might go home. Through it all, their hope of returning to Spain keeps them going. Destined to witness the battle between freedom and repression as it plays out across the world, Roser and Victor will find that home might have been closer than they thought all along. A masterful work of historical fiction about hope, exile, and belonging, *A Long Petal of the Sea* shows Isabel Allende at the height of her powers. Praise for *A Long Petal of the Sea* “Both an intimate look at the relationship between one man and one woman and an epic story of love, war, family, and the search for home, this gorgeous novel, like all the best novels, transports the reader to another time and place, and also sheds light on the way we live now.”—J. Courtney Sullivan, author of *Saints for All Occasions* “This is a novel not just for those of us who have been Allende fans for decades, but also for those who are brand-new to her work: What a joy it must be to come upon Allende for the first time. She knows that all stories are love stories, and the greatest love stories are told by time.”—Colum McCann, National Book Award–winning author of *Let the Great World Spin*

Young Archimedes Aldous Huxley 1924 "Every day he made the discovery of something which seemed to him exquisitely beautiful..." -Aldous Huxley, *Young Archimedes and Other Stories* (1924) *Young Archimedes and Other Stories* (1924) by Aldous Huxley is a collection of six stories considered to be semi-autobiographical and originally published under the title of *Little Mexican and Other Stories*. The collection includes the aforementioned titles as well as *Uncle Spencer*, *Hubert and Minnie*, *Fard*, and *The Portrait* and diverge from his well-known dystopian writing. All are set in Europe and offer thoughtful discourse on childhood, love, life,

death, and society. This anthology is a must-read for lovers of short stories, early twentieth century literature, and Huxley's writing.

Beautiful Creatures Kami Garcia 2013-01-08 There were no surprises in Gatlin County. We were pretty much the epicenter of the middle of nowhere. At least, that's what I thought. Turns out, I couldn't have been more wrong. There was a curse. There was a girl. And in the end, there was a grave. Lena Duchannes is unlike anyone the small Southern town of Gatlin has ever seen, and she's struggling to conceal her power and a curse that has haunted her family for generations. But even within the overgrown gardens, murky swamps and crumbling graveyards of the forgotten South, a secret cannot stay hidden forever. Ethan Wate, who has been counting the months until he can escape from Gatlin, is haunted by dreams of a beautiful girl he has never met. When Lena moves into the town's oldest and most infamous plantation, Ethan is inexplicably drawn to her and determined to uncover the connection between them. In a town with no surprises, one secret could change everything.

Music Theory For Dummies Michael Pilhofer 2011-02-25 Many people grimace at the sound of music theory. It can conjure up bad memories of grade school music classes, rattle the brains of college students, and make self-taught musicians feel self-defeated. Music Theory may seem tedious and unnecessary, especially since not many people can read music. Luckily, *Music Theory for Dummies* shows you the fun and easy way to understanding the concepts needed to compose, deconstruct, and comprehend music. This helpful guide will give you a great grasp of: Note value and counting notes Treble and bass clefs Time signatures and measures Naturalizing the rhythm Tempo and dynamic Tone, color, and harmonics Half steps and whole steps Harmonic and melodic intervals Key signatures and circles of fifths Scales, chords, and their progressions Elements of form Music theory's fascinating history This friendly guide not only explores these concepts, it provides examples of music to compliment them so you can hear how they sound firsthand. With a bonus CD that demonstrates these ideas with musical excerpts on guitar and piano, this hands-on resource will prove to you that music theory is as enjoyable as it is useful. Don't get discouraged by the seemingly complicated written structure. With *Music Theory for Dummies*, understanding music has never been easier! Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

The Phantom of the Opera Gaston Leroux 2019-06-14 *The Phantom of the Opera* is a novel by French writer Gaston Leroux. Christine Daaé travels with her father, a famous fiddler, throughout Europe, and plays folk and religious music. When Christine was six years old, her mother died and her father was taken to rural France by a patron, Professor Valerius. While Christine was a child, her father told her many stories about the "Angel

of Music", who is the personification of musical inspiration. Christine meets and befriends the young Raoul, Viscount of Chagny. One of Christine and Raoul's favourite stories is one of Little Lotte, a girl who is visited by the Angel of Music and possesses a heavenly voice. Christine now lives with "Mamma" Valerius, the elderly widow of her father's benefactor. She eventually is given a position in the chorus at the Paris Opera House (Palais Garnier). She begins hearing a beautiful, unearthly voice which sings to her and speaks to her. She believes this must be the Angel of Music and asks him if he is. The Voice agrees and offers to teach her "a little bit of heaven's music". The Voice, however, belongs to Erik, a physically deformed and mentally disturbed musical genius who was one of the architects who took part in the construction of the opera house. He is in love with Christine.

How to Make Good Things Happen: Know Your Brain, Enhance Your Life Marian Rojas Estape 2021-05-18
An empowering journey through the mechanisms of the mind from one of the world's leading mental health experts. For those in pursuit of a better life, psychiatrist Marian Rojas Estapé presents the essential guide to neuroscience-driven mindfulness. Understanding your brain, managing your emotions, and being aware of your responses to stressors can give you greater self-control. Rather than a gimmicky guidebook, this is a thorough look at how our brains react to stress, threats, hyperstimulation, and the vices of our digital age. With proven techniques backed by solid, up-to-date psychiatric research, Estapé teaches us how to make the best of our lives. Combining science, psychology, and philosophy, Estapé delivers practical advice about how we can cultivate a happy existence. This includes understanding the parts of the brain, setting healthy goals and objectives, strengthening willpower, cultivating emotional intelligence, developing assertiveness, avoiding excessive self-criticism and self-demand, and mastering the proven art of optimism.

The Sweetest Sound Sherri Winston 2017-01-03 A story about friendship, family, and finding your voice by the author of *President of the Whole Sixth Grade* For ten-year-old Cadence Jolly, birthdays are a constant reminder of all that has changed since her mother skipped town with dreams of becoming a singing star. Cadence inherited that musical soul, she can't deny it, but otherwise she couldn't be more different -- she's shy as can be. She did make a promise last year that she would try to break out of her shell, just a little. And she prayed that she'd get the courage to do it. As her eleventh birthday draws near, she realizes time is running out. And when a secret recording of her singing leaks and catches the attention of her whole church, she needs to decide what's better: deceiving everyone by pretending it belongs to someone else, or finally stepping into the spotlight. In a story filled with whimsy and hope, Sherri Winston inspires readers to embrace the voice within.

A World for Julius Alfredo Bryce Echenique 2004 Julius was born in a mansion on Salaverry Avenue, directly across from the old San Felipe Hippodrome. Life-size Disney characters and cowboy movie heroes romp across the walls of his nursery. Out in the carriage house, his great-grandfather's ornate, moldering carriage takes him on imaginary adventures. But Julius's father is dead, and his beautiful young mother passes through her children's lives like an ephemeral shooting star. Despite the soft shelter of family and money, hard

realities overshadow Julius's expanding world, just as the rugged Andes loom over his home in Lima. This lyrical, richly textured novel, first published in 1970 as *Un mundo para Julius*, opens new territory in Latin American literature with its focus on the social elite of Peru. In this postmodern novel Bryce Echenique incisively charts the decline of an influential, centuries-old aristocratic family faced with the invasion of foreign capital in the 1950s. Winner of the Outstanding Translation Award of the American Literary Translators Association and the Columbia University Translation Center Award.

Ah, Music! Aliko 2003-04-01 What is Music? Music is rhythm. Music is melody. Music is feeling... and oh, so much more. In this richly layered compendium, Aliko shares her keen insight about music and all its themes and variations. Ah, Music! is about composers and instruments. It's about artists and performers. It's about history -- from the earliest music through classical, modern, jazz, and popular times. It's about diversity and pleasure. If you have a love of music in your bones, or if you are just learning, or if you are about to play in your first recital, it's about you. Ah, music!

The Book of Salsa César Miguel Rondón 2008 Rondón tells the engaging story of salsa's roots in Puerto Rico, Cuba, Colombia, the Dominican Republic, and Venezuela, and of its emergence and development in the 1960s as a distinct musical movement in New York. Rondón presents salsa as a truly pan-Caribbean phenomenon, emerging in the migrations and interactions, the celebrations and conflicts that marked the region. Although salsa is rooted in urban culture, Rondón explains, it is also a commercial product produced and shaped by professional musicians, record producers, and the music industry. --from publisher description.

"Quinqui" Film in Spain 2020-01-31 This volume of essays focuses on films of the so-called quinqui genre, films created during the 1970s–1980s depicting the lives of young criminals from the outskirts of Spanish cities, that arose/spread during the uncertain transitional period in a Spain moving from a dictatorship to a democracy. The quinqui films, produced and released on a shoestring budget, were nonetheless immensely popular, although never fully considered as part of the national film production in academic circles due to their “B” nature and low quality. These films encapsulate many of the concerns that Spaniards were facing (unemployment, class conflict and disparity, wild economic growth, increasing violence and crime activity, illegal drugs ravaging the youth, etc.) and consequently they had an impact on social, cultural, and emotional levels in the reborn country. In addition to recent interest in these films as cultural products, this book presents a thorough and multi-perspective analysis of the implications for film and society that these films reveal, clarifying both: the Spanish filmic panorama as well as the canon, and the socio-political situation in a country that was going through one of the most controversial and tumultuous times of its contemporary history.
