Translating Humour in Audiovisual Texts Gian Luigi De Rosa 2014-12-11 Humour found in audiovisual products is, of course, performative in nature. If we consider instances of humour - any droll moment occurring in today's fare of mixed-genre products as a composite of cognition, emotion, interaction and expression - we see that the verbal code becomes just one component of four equally significant elements. And, as 'expression' is not limited to verbal output alone, humour may of course be created in absence of a verbal code. Translating humour for audiovisuals is not too different from translating verbal humour tout court. What makes humour occurring within audiovisual texts more problematic is the fact that it may be visually anchored; in other words a gag or a joke may pivot on verbal content directed at a specific element that is present within the graphic system of the same text. As the term itself suggests, audiovisuals contain two overlying structures: a visual and an auditory channel each of which contain a series of both verbal and non-verbal elements which inextricably cross-cut one another. The contributors in this collection of essays present a series of case studies from films and video-games exemplifying problems and solutions to audiovisual humour in the dubs and subs in a variety of language combinations.

Deliver Us Luigi Meneghello 2011-05-27 Originally published in 1963, and today considered a landmark in twentieth century Italian literature, Luigi Meneghello's *Deliver Us* is the memoir, not of an extraordinary childhood, but of the very ordinary one the author shared with most of his generation, when Italy was a rural country under the twin authorities of Church and Fascism. His boyhood begins in 1922, the year of Mussolini's March on Rome, and ends when Meneghello, 21, goes up into the hills to join the partisans. Called a *romanzo*—a story, although not a novel, as that term usually suggests—the book is a genre all of its own that mixes personal and collective memory, amateur ethnography, and reflections on language. Meneghello's sharp insights and narrative skill come together in an original meditation on how words, people, places, and things shape thought itself. Only loosely chronological, *Deliver Us* proceeds by themes—childhood games, Fascist symbols, religious precepts, and the rites of poverty, of death, of eros, and of love. Meneghello's ironic musings and profoundly honest recollections make an utterly unsentimental human comedy of that was the whole world to his dawning consciousness.

Essays on Kant's Anthropology Brian Jacobs 2003-02-27 Kant's lectures on anthropology capture him at the height of his intellectual power. They are immensely important for advancing our understanding of

Kant's conception of anthropology, its development, and the notoriously difficult relationship between it and the critical philosophy. This 2003 collection of essays by some of the leading commentators on Kant offers a systematic account of the philosophical importance of this material that should nevertheless prove of interest to historians of ideas and political theorists. There are two broad approaches adopted: a number of the essays consider the systematic relations of the anthropology to critical philosophy, especially speculative knowledge and ethics. Other essays focus on the anthropology as a major source for the clarification of both the content and development of Kant's work. The volume also serves as an interpretative complement to the translation of the lectures in the Cambridge Edition of the Works of Immanuel Kant.

Methods of Murder Elena M. Past 2012-03-13 The first extended analysis of the relationship between Italian criminology and crime fiction in English, *Methods of Murder* examines works by major authors both popular, such as Gianrico Carofiglio, and canonical, such as Carlo Emilio Gadda. Many scholars have argued that detective fiction did not exist in Italy until 1929, and that the genre, which was considered largely Anglo-Saxon, was irrelevant on the Italian peninsula. By contrast, Past traces the roots of the twentieth-century literature and cinema of crime to two much earlier, diverging interpretations of the criminal: the bodiless figure of Cesare Beccaria's Enlightenment-era *On Crimes and Punishments*, and the biological offender of Cesare Lombroso's positivist *Criminal Man*. Through her examinations of these texts, Past demonstrates the links between literary, philosophical, and scientific constructions of the criminal, and provides the basis for an important reconceptualization of Italian crime fiction.

A Manual of Hebrew Poetics Luis Alonso Schökel 1988 "This manual closes a circle which began almost thirty-five years ago (November, 1954) with the beginning of work on a doctoral dissertation defended at the Pontifical Biblical Institute in April, 1957 (published in Spanish in 1962). During three decades of teaching and writing the author has kept an active interest in poetics and stylistics and the resulting accumulated knowledge has been concentrated in the present manual. The primary purpose of the book is not to serve as a source of information about facts and authors but rather to initiate the reader into the stylistic analysis of poetry. To obtain information and to classify it the reader can turn to recent works (Watson), earlier works (Knig, Hempel), or reprinted works (Bullinger). Among the poetic techniques discussed are sound and sonority, rhythm, imagery, figures of speech, dialogue and monologue, development and composition"--Page 4 of cover.

Anna Niccolò Ammaniti 2017-08-03 FINANCIAL TIMES BEST BOOKS OF 2017 It is four years since the virus came, killing every adult in its path. Not long after that the electricity failed. Food and water started running out. Fires raged uncontrolled across the country. Now Anna cares for her brother alone in a house hidden in the woods, keeping him safe from 'the Outside', scavenging for food amid the packs of wild dogs that roam their ruined, blackened world. Before their mother died, she told them to love each other and never part. She told them that, when they reach adulthood, the sickness will claim them too. But she also told them that someone, somewhere, will have a cure. When the time comes, Anna knows, they must leave their world and find another. By turns luminous and tender, gripping and horrifying, Anna is a haunting parable of love and loneliness; of the stories we tell to sustain us, and the lengths we will go to in order to stay alive.

Renaissance Rewritings Helmut Pfeiffer 2017-09-25 'Rewriting' is one of the most crucial but at the same time one of the most elusive concepts of literary scholarship. In order to contribute to a further reassessment of such a notion, this volume investigates a wide range of medieval and early modern literary transformations, especially focusing on texts (and contexts) of Italian and French Renaissance literature. The first section of the book, "Rewriting", gathers essays which examine medieval and early modern rewritings while also pointing out the theoretical implications raised by such texts. The second part, "Rewritings in Early Modern Literature", collects contributions which account for different practices of rewriting in the Italian and French Renaissance, for instance by analysing dynamics of repetition and duplication, verbatim reproduction and free reworking, textual production and authorial self-fashioning, alterity and identity, replication and multiplication. The volume strives at shedding light on the complexity of the relationship between early modern and ancient literature, perfectly summed up in the motto written by Pietro Aretino in a letter to his friend the painter Giulio Romano in 1542: "Essere modernamente antichi e anticamente moderni".

The Translation of Love Lynne Kutsukake 2016-04-05 Against the backdrop of occupied Tokyo, a young girl searches for her missing older sister, who has disappeared into the world of bars and dance halls. In the process, her story will become intertwined with those of others trying to make sense of their lives in a post-war world: a thirteen-year-old Japanese Canadian “repat,” a school teacher who translates love letters from American GIs, and a Japanese-American soldier serving with the Occupation forces. An emotionally gripping portrait of a battered nation, *The Translation of Love* mines this turbulent period to show how war irrevocably shapes the lives of people on both sides—and how resilience, friendship, and love translate across cultures and borders no matter the circumstances. Me and You Niccolò Ammaniti 2012-02-01 The bestselling author of *I’m Not Scared* “elegizes adolescence fiercely and sympathetically” in a novel that’s “scary, lovely and at last a heartbreaker” (Kirkus Reviews). Lorenzo Cuni is a fourteen-year-old loner. His wealthy parents think he is away on a school skiing trip, but in fact he has stowed away in a forgotten cellar. For a week he plans to live in perfect isolation, keeping the adult world at bay. Then a visit from his estranged half-sister, Olivia, changes everything. Evoking the fierce intensity and the pulse-quickening creepiness of *I’m Not Scared*, Ammaniti’s bestselling first novel, *Me and You* is a breathtaking tale of alienation, acceptance, and wanting to be loved by “a fearsomely gifted writer” (The Independent). “Immensely engaging . . . Both tender and emotionally arresting, Ammaniti’s novel is unforgettable.” —Publishers Weekly, starred review “Italian author Niccolò Ammaniti does a lot in 160 pages, including surprise, humor, and frighten you—sometimes simultaneously.” —Daily Candy “Ammaniti’s prose is nimble, perceptive and economical . . . There’s a lot to love about this book—its reticent empathy, its delicate and pragmatic treatment of addiction, its remarkable use of restricted physical space.” —Full Stop “*Me and You* takes a short time to read but offers a memorable experience in a mutual recognition of loneliness and grief.” —Curled Up With a Good Book “*Me And You*, at just over one hundred pages . . . [is a] perfect book . . . Niccolò Ammaniti disgusts me for how talented he is . . . He has written a masterpiece.” —Antonio D’Orrico, *Corriere della Sera*

Utrecht, Caravaggio and Europe Bernd Ebert 2018 "What a shock it must have been for the Utrecht painters Hendrick ter Brugghen, Gerard van Honthorst and Dirck van Baburen when, in Rome, they first saw Caravaggio's breath-takingly unconventional paintings with their own eyes. Under the influence of this great, inspirational master and by exchanging ideas with the many young artists who poured into the pulsating Italian metropolis around the year 1600, these three men of Utrecht developed their very own, distinctive style by propelling Caravaggio's radical realism to its culmination."--from back cover

Petrarch and Boccaccio Igor Candido 2018-02-19 The early modern and modern cultural world in the West would be unthinkable without Petrarch and Boccaccio. Despite this fact, there is still no scholarly contribution entirely devoted to analysing their intellectual revolution. Internationally renowned scholars are invited to discuss and rethink the historical, intellectual, and literary roles of Petrarch and Boccaccio between the great model of Dante's encyclopedia and the ideas of a double or multifaceted culture in the era of Italian Renaissance Humanism. In his lyrical poems and Latin treatises, Petrarch created a cultural pattern that was both Christian and Classical, exercising immense influence on the Western World in the centuries to come. Boccaccio translated this pattern into his own vernacular narratives and erudite works, ultimately claiming as his own achievement the reconstructed unity of the Ancient Greek and Latin world in his contemporary age. The volume reconsiders Petrarch's and Boccaccio's heritages from different perspectives (philosophy, theology, history, philology, paleography, literature, theory), and investigates how these heritages shaped the cultural transition between the end of the Middle Ages and the early modern era, as well as European identity.

Homelands and Diasporas Giorgia Foscarini 2019-01-15 The volume brings together a collection of essays on Jewish-related subjects to celebrate Emanuela Trevisan Semi’s career and research authored by some former students, friends and colleagues on the occasion of her retirement. Drawing upon the many academic interests and research of Trevisan Semi, one of the most important European scholars of Jewish and Israel Studies, the volume discusses the diversity of Jewish culture both in the diaspora and in Israel. The contributors here wrote their pieces understanding Jewish culture as inscribed in a set of different, yet interrelated, homelands and diasporas, depending on the time and space we refer to, and what this means for communities and individuals living in places as different as West Africa, Poland, Morocco, and Israel and the Occupied Palestinian Territories. At the same time, they discuss the notion of diaspora as being crucial in the formation of the Jewish cultural identity both before and after the birth of the State of Israel.

The Work of Art Gérard Genette 1997 What art is--its very nature--is the subject of this book by one of the most distinguished continental theorists writing today. Informed by the aesthetics of Nelson Goodman and referring to a wide range of cultures, contexts, and media, *The Work of Art* seeks to discover, explain, and define how art exists and how it works. To this end, Gérard Genette explores the distinction between a work of art's immanence--its physical presence--and transcendence--the experience it induces. That experience may go far beyond the object itself. Genette situates art within the broad realm of human practices, extending from the fine arts of music, painting, sculpture, and literature to humbler but no less fertile fields such as haute couture and the culinary arts. His discussion touches on a rich array of examples and is bolstered by an extensive knowledge of the technology involved in producing and disseminating a work of art, regardless of whether that dissemination is by performance, reproduction, printing, or recording. Moving beyond examples, Genette proposes schemata for thinking about the different manifestations of a work of art. He also addresses the question of the artwork's duration and mutability.

Elena Ferrante's Key Words Tiziana de Rogatis 2019-12-03 “Tackles novelist Elena Ferrante’s Neapolitan quartet in terms of their ‘creative forms of [female] resistance’ . . . A richly layered study.” —Kirkus Reviews “I greatly admire the work of Tiziana de Rogatis. She is a reader of deep refinement. Often I think that she knows my books better than I. So, I read her with admiration and remain silent.” —Elena Ferrante, in the magazine, *San Lian Sheng Huo Zhou Kan* Ferrante’s four-volume novel cycle known in English as the Neapolitan quartet has become a global success, with over ten million readers in close to fifty countries. Her readers recount feeling “addicted” to the novels; they describe a pleasure in reading that is as rare as it is irresistible, a compulsion that leads them either to devour the books or to ration them so as to prolong the pleasure. De Rogatis here addresses that same transnational, diverse, transversal audience. *Elena Ferrante’s Key Words* is conceived as a lighted path made of luminous key words that synthesize the multiform aspects of Ferrante’s writing and guide us through the labyrinth of her global success. “An exceptional companion to the source material, particularly for the lit-crit crowd looking to affirm Ferrante’s reinvention of the future of the novel.” —Library Journal

LITTLE WORLD OF DON CAMILLO. GIOVANNI. GUARESCHI 2015

Beethoveniana Gustav Nottebohm 1872

Poems and Selected Letters Veronica Franco 2007-11-01 Veronica Franco (whose life is featured in the motion picture *Dangerous Beauty*) was a sixteenth-century Venetian beauty, poet, and protofeminist. This collection captures the frank eroticism and impressive eloquence that set her apart from the chaste, silent woman prescribed by Renaissance gender ideology. As an "honored courtesan", Franco made her living by arranging to have sexual relations, for a high fee, with the elite of Venice and the many travelers—merchants, ambassadors, even kings—who passed through the city. Courtesans needed to be beautiful, sophisticated in their dress and manners, and elegant, cultivated conversationalists. Exempt from many of the social and educational restrictions placed on women of the Venetian patrician class, Franco used her position to recast "virtue" as "intellectual integrity," offering wit and refinement in return for patronage and a place in public life. Franco became a writer by allying herself with distinguished men at the center of her city's culture, particularly in the informal meetings of a literary salon at the home of Domenico Venier, the oldest member of a noble family and a former Venetian senator. Through Venier's protection and her own determination, Franco published work in which she defended her fellow courtesans, speaking out against their mistreatment by men and criticizing the subordination of women in general. Venier also provided literary counsel when she responded to insulting attacks written by the male Venetian poet Maffio Venier. Franco's insight into the power conflicts between men and women and her awareness of the threat she posed to her male contemporaries make her life and work pertinent today.
