Confessions of an Italian Ippolito Nievo 2014-05-29 An overlooked classic of Italian literature, this epic and unforgettable novel recounts one man's long and turbulent life in revolutionary Italy. At the age of eighty-three and nearing death, Carlo Altoviti has decided to write down the confessions of his long life. He remembers everything: his unhappy childhood in the kitchens of the Castle of Fratta; romantic entanglements during the siege of Genoa; revolutionary fighting in Naples; and so much more. Throughout, Carlo lives only for his twin passions in life: his dream of a unified, free Italy and his undying love for the magnificent but inconstant Pisana. Peopled by a host of unforgettable characters - including drunken smugglers, saintly nuns, scheming priests, Napoleon and Lord Byron - this is an epic historical novel that tells the remarkable and inseparable stories of one man's life and the history of Italy's unification. Ippolito Nievo was born in 1831 in Padua. Confessions of an Italian, written in 1858 and published posthumously in 1867, is his best known work. A patriot and a republican, he took part with Garibaldi and his Thousand in the momentous 1860 landing in Sicily to free the south from Bourbon rule. Nievo died before he reached the age of thirty, when his ship, en route from Palermo to Naples, went down in the Tyrrhenian Sea in early 1861. He was, Italo Calvino once said, the sole Italian novelist of the nineteenth century in the 'daredevil, swashbuckler, rambler' mould so dear to other European literatures. Frederika Randall has worked as a cultural journalist for many years. Her previous translations include Luigi Meneghello's Deliver Us and Ottavio Cappellani's Sicilian Tragedee and Sergio Luzzatto's Padre Pio: Miracles and Politics in a Secular Age. Lucy Riall is Professor of Comparative History at the European University Institute. Her many books include Garibaldi. Invention of a Hero. 'Of all the furore that came out of the Risorgimento, only Manzoni and Nievo really matter today' - Umberto Eco 'The one 19th century Italian novel which has [for an Italian reader] that charm and fascination so

abundant in foreign literatures' - Italo Calvino 'Perhaps the greatest Italian novel of the nineteenth century' - Roberto Carnero 'A spirited appeal for liberté, égalité and fraternité, the novel is also an astute, scathing and amusing human comedy, a tale of love, sex and betrayal, of great wealth and grinding poverty, of absolute power and scheming submission, of idealism and cynicism, courage and villainy' - The Literary Encyclopedia

The Girl with the Silver Eyes Dashiell Hammett 2020-03-04 A Tale of the Continental Op The man who had disturbed my Sunday morning sleep—I found when I reached the Glenton—was a slim, white-faced person of about twenty-five, with big brown eyes that were red-rimmed just now from either sleeplessness or crying, or both. His long brown hair was rumpled when he opened the door to admit me; and he wore a mauve dressing-robe spotted with big jade parrots over wine-colored silk pajamas. The room into which he led me resembled an auctioneer's establishment just before the sale—or maybe one of these alley tea-rooms. Fat blue vases, crooked red vases, lanky yellow vases, vases of various shapes and colors; marble statuettes, ebony statuettes, statuettes of any material; lanterns, lamps and candlesticks; draperies, hangings and rugs of all sorts; odds and ends of furniture that were all somehow queerly designed; peculiar pictures hung here and there in unexpected places. A hard room to feel comfortable in. "My fiancée," he began immediately in a high-pitched voice that was within a notch of hysteria, "has disappeared! Something has happened to her! Foul play of some horrible sort! I want you to find her—to save her from this terrible thing that..."

Mr Blue: Memoirs of a Renegade Edward Bunker 2012-07-27 Edward Bunker's life is beyond the imaginings of most fiction writers. He was born in Hollywood, California, the son of a stagehand and Busby Berkeley chorus girl, whose early divorce propelled him into a series of boarding homes and military schools. From the age of five he repeatedly ran away, roaming the city streets at night. A proud character, combined with an IQ of 152, resulted in a series of altercations with the authorities. He became the youngest ever inmate of San Quentin at the age of seventeen, and there he learned survival skills and faced down the toughest prisoners in the system. He was befriended by Mrs Louise Wallis, a former star of the silent screen and wife of movie mogul, Hal Wallis, who produced films starring Bogart, Cagney, Edward G. Robinson and George Raft. She introduced Bunker to her circle of friends, including Jack Dempsey, Tennessee Williams, Aldous Huxley and William Randolph Hearst, whose guest he was at San Simeon. A parole violation resulted in a spell crossing America as a fugitive on the FBI's most wanted list. His eventual capture led to Folsom prison. Encouraged by the example of Dostoevsky, Cervantes and Caryl Chessman, and by the kindness of Mrs Wallis, he determined to write his way out of prison. Bunker's first published novel, *No Beast So Fierce*, viewed by many including Quentin Tarantino as the finest crime novel ever written, changed his fortunes. It was filmed as *Straight Time*, starring Dustin Hoffman. He has written three other novels, *The Animal Factory*, *Little Boy Blue* and *Dog Eat Dog*, (all published by No Exit) admired by writers as diverse as William Styron and James Ellroy. He received an Oscar nomination for the screenplay of *Runaway Train*, and has appeared in a score of films, most notably his legendary role as Mr Blue in *Reservoir Dogs*. This blistering narrative is a memoir like no other.

The Woman of Porto Pim Antonio Tabucchi 2013-04-23 By Antonio Tabucchi, one of the most renowned voices in European literature and the foremost Italian writer of his generation, *The Woman of Porto Pim* is made up of enchanting, hallucinatory fragments that take place on the Azores Islands off the coast of Portugal. Told by a visiting Italian writer unearthing legends, relics and histories of the inhabitants, the tales shed light on a local restaurant proprietress's impossible love with an Azorean fisherman during WWII, a dazzling whaling expedition of eras past, shipwrecks both metaphorical and real, and a playful look at humankind from the perspective of a whale. Nina Simone Aurum Press, Limited 2013-11-14 "The greatest female artist of the 20th century" – Elton John This first-ever biography of Nina Simone caused quite a stir among reviewers. "A chastening read", said the Sunday Times; "Simone's story is as harrowing as it is remarkable", said the Yorkshire Post. No-one was quite prepared for the life story of the singer of such enduringly uplifting classics as "My Baby Just Cares for Me" turning out to be such a chilling litany of mental disorder, vile temper, terrible abuse at the hands of bad men, and a self-destructively hostile attitude all too often to the acolytes who came to see her perform. Brun-Lambert shows how Simone saw herself as a lifelong victim of racism, right from being turned down by the prestigious music school that would have enabled her to become a classical musician. Undiagnosed bipolar disorder, he argues, added to her torment. But it was her unforgettable voice, and, at best, her utterly magnetic performances, that kept people coming to a sold-out Ronnie Scott's every time she was in residency, and the way she sang her hardest songs like "Mississippi Goddam" with such fire and fury that they became anthems of political change, and means so many people can only be curious about the real life of the mecurial woman behind the piano. David Brun-Lambert is a highly regarded French writer and broadcaster.

Lateral Thinking Edward De Bono 2010-09-07 "This could be a very useful book for teachers and non-teachers alike. Dr. DeBono does not claim to be able to turn us all into Miltons, Davincis, and Einsteins...but his techniques provide an alternative to just sitting around waiting for the Muse to appear. The Muse never appears to most of us—hence the value of this book."— David Cohen, Times Educational Supplement The first practical explanation of how creativity works, this results-oriented bestseller trains listeners to move beyond a "vertical" mode of thought to tap the potential of lateral thinking "The underlying argument of the book is that there are two kinds of thinking—vertical and lateral. Most of us are educated to think vertically, to go from one logical step to the next, moving all the time towards the one correct solution of our problem. We are not usually educated to be creative, to generate idea after idea... "Dr. DeBono argues that the function of vertical, logical thinking is to argue what is wrong. It is a very useful way of thinking, but it is not the only useful way. To claim it is, is the sort of intellectual arrogance that makes creative thinking unlikely..."

The Day of the Owl Leonardo Sciascia 2003-09-30 A man is shot dead as he runs to catch the bus in the piazza of a small Sicilian town. Captain Bellodi, the detective on the case, is new to his job and determined to prove himself. Bellodi suspects the Mafia, and his suspicions grow when he finds himself up against an apparently unbreachable wall of silence. A surprise turn puts him on the track of a series of nasty crimes. But all the while Bellodi's investigation is being carefully monitored by a host of observers, near and far. They share a single concern: to keep the truth from coming out. This short, beautifully paced novel is a mesmerizing description of the Mafia at work.

Fear in the World Corrado Alvaro 2021-03-23 Corrado Alvaro's *Fear in the World* was published a decade before Orwell's 1984, but is not well known outside Italy, perhaps because of the timing of the publication just before the Second World War. Alvaro had visited the Soviet Union as a journalist, but was probably motivated to write this dystopian novel by aspects of modernity that concerned him, particularly the use of fear for political purposes which was

not afflicting Russia alone. He was interested in the psychology of fear and the extent to which individuals and the crowd participate in their own regimentation. The names of countries, cities and leading political figures such as Stalin are never referred to, but as in the works of Orwell they are clearly identifiable from their descriptions: the author was writing in a Fascist country against a Fascist censor and had to cut his cloth accordingly. This is a dark novel, not quite as dark as 1984, but it is more claustrophobic. The feeling of inevitability is there from the first page, and it is experienced as we experience real life. The imagined truth takes us closer to where we really are. The travails of the love affair at the core of this novel quite possibly arise from perceptions that the regime exploits in a quite ad hoc manner. And it leads the reader through an extraordinary sequence of events and observations which encompass a vast range of emotions and ideas expressed in a unique prose style. The modern Leviathan appears to be a well-oiled machine, but towards the end it becomes clear that this is merely an appearance of efficiency and omniscience, but appearances can be powerful. Alvaro is particularly interested in how the state uses quasireligious mechanisms and rituals to assert its power. The central character returns to the country after a long period abroad, and sees things initially through foreign eyes, living a life similar to the one Alvaro did when in Russia. He is not a natural rebel, and very much wants to fit in, but he finds this difficult to achieve. The regime boasts that it has an ally in history, but destiny is elusive, however much the characters feel that they are driven by it.

The True Memoirs of Little K Adrienne Sharp 2010-10-26 Exiled in Paris, tiny, one-hundred-year-old Mathilde Kschessinska sits down to write her memoirs before all that she believes to be true is forgotten. A lifetime ago, she was the vain, ambitious, impossibly charming prima ballerina assoluta of the tsar's Russian Imperial Ballet in St. Petersburg. Now, as she looks back on her tumultuous life, she can still recall every slight she ever suffered, every conquest she ever made. Kschessinska's riveting storytelling soon thrusts us into a world lost to time: that great intersection of the Russian court and the Russian theater. Before the revolution, Kschessinska dominated that world as

the greatest dancer of her age. At seventeen, her crisp, scything technique made her a star. So did her romance with the tsarevich Nicholas Romanov, soon to be Nicholas II. It was customary for grand dukes and sons of tsars to draw their mistresses from the ranks of the ballet, but it was not customary for them to fall in love. The affair could not endure: when Nicholas ascended to the throne as tsar, he was forced to give up his mistress, and Kschessinska turned for consolation to his cousins, two grand dukes with whom she formed an infamous ménage à trois. But when Nicholas's marriage to Alexandra wavered after she produced girl after girl, he came once again to visit his Little K. As the tsar's empire—one that once made up a third of the world—began its fatal crumble, Kschessinska's devotion to the imperial family would be tested in ways she could never have foreseen. In Adrienne Sharp's magnificently imagined novel, the last days of the three-hundred-year-old Romanov empire are relived. Through Kschessinska's memories of her own triumphs and defeats, we witness the stories that changed history: the seething beginnings of revolution, the blindness of the doomed court, the end of a grand, decadent way of life that belonged to the nineteenth century. Based on fact, *The True Memoirs of Little K* is historical fiction as it's meant to be written: passionately eventful, crammed with authentic detail, and alive with emotions that resonate still.

Journeys Out of the Body Robert A. Monroe 2014-11-12 The definitive work on the extraordinary phenomenon of out-of-body experiences, by the founder of the internationally known Monroe Institute. Robert Monroe, a Virginia businessman, began to have experiences that drastically altered his life. Unpredictably, and without his willing it, Monroe found himself leaving his physical body to travel via a "second body" to locales far removed from the physical and spiritual realities of his life. He was inhabiting a place unbound by time or death. Praise for *Journeys Out of the Body* "Monroe's account of his travels, *Journeys Out of the Body*, jam-packed with parasitic goblins and dead humans, astral sex, scary trips into mind-boggling other dimensions, and practical tips on how to get out of your body, all told with wry humor, quickly became a cult sensation with its publication in 1971, and has been through many printings. Whatever their 'real' explanation, Monroe's trips made for splendid reading." —Michael Hutchinson, author of *Megabrain* "Robert Monroe's experiences are probably the most intriguing of any person's of our time, with the possible exception of Carlos Castaneda's." —Joseph Chilton Pierce, author of *Magical Child* "This book is by a person who's clearly a sensible man and who's trying to tell it like it is. No ego trips. Just a solid citizen who's been 'out' a thousand times now and wants to pass his experiences to others." —The Last Whole Earth Catalog

Dashiell Hammett, the author of *The Maltese Falcon* and the incomparable master of detective fiction. In the title story, a man on a bender enters a small town and ends up unraveling the dark mystery at its heart. A woman confronts the brutal truth about her husband in the chilling story "Ruffian's Wife." "His Brother's Keeper" is a half-wit boxer's eulogy to the brother who betrayed him. "The Second-Story Angel" recounts one of the most novel cons ever devised. In seven stories, the tough and taciturn Continental Op takes on a motley collection of the deceitful, the duped, and the dead, and once again shows his uncanny ability to get at the truth. In three stories, Sam Spade confronts the darkness in the human soul while rolling his own cigarettes. And the first study for *The Thin Man* sends John Guild on a murder investigation in which almost every witness may be lying. In *Nightmare Town*, Dashiell Hammett, America's poet laureate of the dispossessed, shows us a world where people confront a multitude of evils. Whether they are trying to right wrongs or just trying to survive, all of them are rendered with Hammett's signature gifts for sharp-edged characters and blunt dialogue. Hammett said that his ambition was to elevate mystery fiction to the level of art. This collection of masterful stories clearly illustrates Hammett's success, and shows the remarkable range and variety of the fiction he produced.

The House by the Medlar Tree Giovanni Verga 2015-04-13 Three generations of fishermen conduct an epic struggle against nature, fate, and society in this moving tale by acclaimed realist writer Giovanni Verga. Written in 1881 and set in the Sicilian village of Aci Trezza during the 1860s, the novel recounts an impoverished family's attempts to pay off a crushing debt, to reclaim their lost boat and ancestral home, and to reunite their scattered clan. This groundbreaking work of fiction offers a revealing look at the social and political climate in post-revolutionary Italy. Verga combines lyrical prose and inspiring social commentary to chronicle the poverty suffered by provincial Sicilian communities after Garibaldi's conquest. Rich in character and starkly honest, *The House by the Medlar Tree* offers a life-affirming story of misfortunes endured with humor and courage.
