Learning the Korn Shell Bill Rosenblatt 1993-01-01 This Nutshell Handbook® is a thorough introduction to the Korn shell, both as a user interface and as a programming language. The Korn shell, like the C and Bourne shells, is a program that interprets UNIX commands. It has many features that aren't found in other shells, including command history (the ability to recall and edit previous commands). The Korn shell is also faster; several of its features allow you to write programs that execute more quickly than their Bourne or C shell equivalents. This book provides a clear and concise explanation of the Korn shell's features. It explains ksh string operations, co-processes, signals and signal handling, and one of the worst "dark corners" of shell programming: command-line interpretation. It does this by introducing simple real-life examples and then adding options and complexity in later chapters, illustrating the way real-world script development generally proceeds. An additional (and unique) programming aid, a Korn shell debugger (kshdb), is also included. Learning the Korn Shell is an ideal resource for many UNIX users and programmers, including software developers who want to "prototype" their designs, system administrators who want to write tools for their own use, and even novices who just want to use some of ksh's more advanced interactive features.

Touching Earth Rani Manicka 2011-10-13 THE BALINESE TWINS - Beautiful and exotic, they exchange an island paradise for the shabby squalor of London, and innocence for corruption. THE SICILIAN - Ricky Delgado strikes a devil's bargain with a blood goddess: 'Build my temple and bring me the souls of damaged people, and you will see what rewards I give.' THE COURTESAN - Elizabeth makes her living from men's desire. With a flick of the switch in her head, she feels nothing: no pain, no hate, no sorrow, no joy. THE ARTIST - Anis takes to painting as an outlet for his rage. His artist's eye knows his subjects before they know themselves, and he paints them all, a gallery of broken people. Can they escape the deadly web of decadence and sin?

Total Exposure Tori Carrington 2009-05-01 Fire chief Dan Egan pilots a helicopter with Dr. Natalie Giroux aboard to make an emergency airlift. A full-blown electrical storm hits. Lightning strikes the chopper. An emergency landing is their only hope.... The forced landing strands Dan Egan and Natalie Giroux on a remote island in Courage Bay. Being isolated with Dan both frightens and excites Natalie. He's the kind of stubborn, fearless man she tries to avoid, yet she finds herself attracted. Maybe it's the brush with death...or the way Dan is struggling with his own desire for her. But she may as well admit it—when their helicopter went down, so did all of Natalie's defenses.

Touch of Darkness C.T. Adams 2008-07-29 KNOW YOUR ENEMIES It's good advice—and Kate always thought she did. But everything has changed: there's a new force at the head of the Thrall collective. A force brilliant enough and ruthless enough to hide its sinister plan behind humanitarian work—building and funding halfway houses to ease the victims of drugs and the Thrall back into society. And then Kate discovers that another part of the plan is rescinding the rules of fair play by which the Thrall have always dealt with humans. Kate is no longer Not Prey. Now she is just like everyone else: Prey. Uncovering the plot is a start, but stopping it is another thing entirely. Kate must not only call on all of her own resources, but all of those that belong to her werewolf boyfriend Tom. But the Thrall collective has a brand new way of getting to Kate: a very personal series of attacks designed to tear her from Tom. Kate has to decide: save her relationship with Tom, or save the future from the Thrall? At the Publisher's request,

Tough Decisions John M. Freeman 2001 Tough Decisions places readers in realistic composites of cases the authors have actually seen or managed where they must make tough medical decisions. What happens in them often depends on the reader's decisions and thus gives a sense of pressures that bear on clinical-decision making.

Schott's Quintessential Miscellany Ben Schott 2011-10-25 In 2003, a curious, old-fashioned, pocket-size book transformed the way we look at information. Since then, Schott's Original Miscellany and its two sequel volumes have been translated into more than fifteen languages and have sold some three million copies. Now Ben Schott returns to the miscellany format with a brand-new cabinet of curiosities. Inside, you'll find fascinating facts cheek by jowl with information you can't live without. All things are considered, from footwear labeling symbols, airport runway markings, and sign-writing brush sizes to the traditional method of counting sheep and how to smoke cigars while reading the news. Nothing escapes the jeweler's eye of this curator of unconsidered trifles. An essential addition to the bookshelf of all who love life's rich tapestry, Schott's Quintessential Miscellany-equal parts encyclopedia, almanac, treasury, and lexicon-will remind you that there is only one Ben Schott. Praise for Schott's Miscellanies: "If we live in an information age, then Ben Schott has become something of a maestro, or perhaps a master chef, ranging over the whole of knowledge and seasoning his...books with a pinch of this, a drop of that." -Chicago Sun-Times "Genuine practical value...Elegantly designed...A vast empire of informational flotsam and jetsam." -New York Times "One of the oddest and most addictively readable reference books in print."-Boston Globe "Completely earnest and mischievous at the same time."-Newsday

Toughing It Out: From Silver Slippers to Combat Boots Claire Reed 2013-01-14 She was the pampered daughter of a wealthy manufacturer, then the bored wife of the man who took over the business, lost in suburbia, drifting through the days until she found politics. Claire Reed always believed in helping others, but it wasn't until she began working with Women Strike for Peace, an early antinuclear proliferation organization, that she saw she could actually change the world. She went on to work with one of the icons of modern feminism, Bella Abzug, and with civil rights groups. Her story is the story of an era when women could, at last, shed the feminine mystique and become the woman they had buried inside themselves.

Total Supply Chain Management Ron Basu 2010-05-14 The latest book from a successful author team, this essential handbook provides the basic concepts, tools and techniques to support a supply chain excellence initiative. The book shows how to add value to an organisation through the optimum use of resources and supply chain elements and through the provision of improved customer satisfaction. Touchy Subjects Emma Donoghue 2016 In this sparkling collection of nineteen stories, the bestselling author of *Slammerkin* returns to contemporary affairs, exposing the private dilemmas that result from some of our most public controversies. A man finds God and finally wants to father a child—only his wife is now forty-two years old. A coach's son discovers his sexuality on the football field. A roommate's bizarre secret liberates a repressed young woman. From the unforeseen consequences of a polite social lie to the turmoil caused by the hair on a woman's chin, Donoghue dramatizes the seemingly small acts upon which our lives often turn. Many of these stories involve animals and what they mean to us, or babies and whether to have them; some replay biblical plots in modern contexts. With characters old, young, straight, gay, and simply confused, Donoghue dazzles with her range and her ability to touch lightly but delve deeply into the human condition.

Tough Fronts L Janelle Dance 2012-11-12 *Tough Fronts* takes the difficult issues in urban education head on by putting street-savvy students at the forefront of the discussion on how to best make successful changes for inner city schools. Individual chapters discuss scholarly depictions of black America, the social complexity of the teacher-student relationship, individual success stories of 'at-risk' programs, popular images of urban students, and implications for education policy. With close attention to the voices of individual students, this engaging book gives vitality and legitimacy to arguments for school changes that have been lacking in previous discussions.

Political Memory in and After the Persian Empire Jason M. Silverman 2015-10-15 Various disciplines that deal with Achaemenid rule offer starkly different assessments of Persian kingship. While Assyriologists treat Cyrus's heirs as legitimate successors of the Babylonian kings, biblical scholars often speak of a "kingless era" in which the priesthood took over the function of the Davidic monarch. Egyptologists see their land as uniquely independently minded despite conquests, while Hellenistic scholarship tends to evaluate the interface between Hellenism and native traditions without reference to the previous two centuries of

Persian rule. This volume brings together in dialogue a broad array of scholars with the goal of seeking a broader context for assessing Persian kingship through the anthropological concept of political memory.

Tough Questions Biblical Answers/Part 2 Jack Cottrell 1986-06 If you could ask God any question, what would his answer be? Some of the most difficult questions you might ask are in this book. See what God has said by opening his Word and listening to what he has said.

Alpha Boss Zoe Ray 2019-05-28 Samantha Davis was only looking for a job, but she ended up finding much more. The moment she stepped into the lobby at ASC she knew she belonged there, and the moment Preston Jacobs stepped into her life she knew she'd never be the same. His massive frame towers over her. His presence is intimidating, and he is the sexiest man she's ever seen. He exudes power, and Samantha can't explain the raw animalistic attraction she feels. Sam is determined to push thoughts of the boss out of her mind, but the connection is too powerful. Preston Jacobs is a hard-headed wolf shifter, and as CEO of ASC and leader of his pack, he hasn't had time to worry about people's feelings. Everything changed when he met Samantha. He knew she was his mate the moment he laid eyes on her in the elevator of his building. His thoughts become consumed with taking his mate and marking her, and he's going to pull out all the stops to make her trust him and show her that she is his forever. When members of the pack become rebellious and trouble arises Preston must face a new challenge. Can he convince Samantha to accept her fate as his mate and help him lead the pack? Or will uncertain danger cause her to run away with her tail tucked between her legs?

Searching for Vedic India Devamrita Swami 2002 Deep in lost history, did high civilizations and advanced knowledge thrive? The ancient Vedic literatures of India describe a worldwide civilization that flourished at a time when modern historians insist that humans like us existed simply as hunter-gatherers. This Vedic civilization, centered in India, employed technologies based on a scientific understanding of the physical elements and forces we know today, as well as more subtle conscious elements. Devamrita Swami, who has spent a lifetime in his own search for Vedic India, takes us on a journey of intellectual discovery through the history of the remarkable Vedic civilization and its knowledge, locked in the ancient literatures of India. His wit and wisdom combine to make our search for Vedic India not only illuminating but entertaining. He tells us not only the truths of Vedic India, but how they are again coming to be. Searching for Vedic India thus takes us not only into the past, but into the future.

Saturday's Child Betty Neels 2016-03-14 Saturday's child works hard for a living... The old saying certainly applies to Nurse Abigail Trent. Pleasant but plain and sorely in need of money, Abigail is preparing to devote herself to her career when Professor Dominic van Wijkelen strides into her life. But the professor apparently hates all women, and Abigail in particular. What can she do but hide her heartbreak and continue to do the work he finds for her, which somehow, mysteriously, contrives to keep her near him in Holland. Originally published in 1973.
