Rearguard Actions I. N. C. Aniebo 2013-02-12 "Thanks to this insane war, even goats are no longer safe outside. What is the world coming to?" War has broken out. Combatants have drawn the line in the sand to mark the side they are on. But it is unfortunate that this conflict is happening in one country, and the fighters are its own inhabitants. Locked in a battle for survival, countryman is fighting against countryman. And caught in the middle of this ill-fated and bloody clash are the ordinary citizens, who want only to go about living their lives tending to their livelihoods, spending time with their families and friends, and proceed through to the rest of their existence in quiet and peace.

Oyster Bay & Other Short Stories Jules S. Damji 2006-11-22 In his stunning debut of stories, Jules S. Damji explores the social ethos of an immigrant Asian community set in the early 1960s through to the 1970s, a decade of immense political changes that marked many peoples lives in Dar es Salaam, Tanzania. Starting with Mango Tree, a metaphor of stability which embodies a center around which a community revolves, only to be seen destroyed and a way of life lost; Caretaker tenderly reveals the hidden and wretched historical

past of a man dedicated to service his community; the nefarious characters in Middlemen are a poignant reminder of human flaws: graft, greed, manipulation, lust, and power; family relationships in Marxist and His Sister and A Household Divided wickedly and woefully capture the predicament universally endured by so many when an ideology is embraced to the point of fault; Oyster Bay and Freedom Fighter is a cry for breaking away and a genesis of a writer; and ending with Family Reunion, a glimpse into the narrators desire to illuminate his fading past. Sometimes with strokes of simple and lucid prose that tugs your heart, other times with cool detachment and assured maturity that bucks your sensibility, Mr. Damji masterfully chronicles a slice of history through the tragically comic fictional characters set in Dar es Salaams residential district of Upanga, a setting intimately familiar to him.

Volvo Amazon Richard Dredge 2016-03-31 In 1956, a prototype of a new passenger car from Volvo was presented. It became known as the Amazon in Sweden and the 121 and 122S in export markets, the latter denoting a more sporty derivative. However, despite its substantial appearance, all Amazons were surprisingly fleet of foot - this was one of the most sporty European saloons of the 1960s. With its elegant, timeless styling the Amazon broke new ground for Volvo - and for passenger cars as a whole. This new book covers the complete story of the Volvo Amazon, from 1956 onwards, including full production histories, comprehensive specification details, and over 250 photographs. The book covers the history of Volvo before and after the Amazon, and development and production of all Amazon derivatives from 1956-1970, including the 121, 122S, 123GT and all of the estate editions. There are biographies of key Volvo personnel, including the company's first designer, Jan Wilsgaard. Also included is the Amazon in motorsport, plus driver biographies: Tom Trana, Sylvia Osterberg and Carl-Magnus Skogh. There is a full buying guide along with tips on tuning and modifying, including rally preparation, and an insight into what the press thought of each Amazon derivative, with pages also devoted to how the car was marketed in period. An ideal resource for owners, or anyone with an interest in the evolution of these classic cars, which is superbly illustrated with 250 colour photographs.

To Africa and Beyond James Stroud 2021-04-29 Bronnie Ellis Stroud left Indianapolis for Bawku. There in the sahel, in the northeastern corner of the Gold Coast, now Ghana, and later along the forested coast, he altered the course of a people and a country. A linguist, missionary and educator, a husband, father and grandfather, he was an adventurer and a man of unfailing affection. He built churches and schools. More importantly, he formed enduring loyalties that strengthened those with whom he worked. A tireless man, his eyes twinkled blue and he walked fast.
