Fearless Speech Michel Foucault 2001 I would like to distinguish between the 'history of ideas' and the 'history of thought.' The history of ideas involves the analysis of a notion from its birth, through its development, and in the setting of other ideas, which constitute its context. The history of thought is the analysis of the way an unproblematic field of experience becomes a problem, raises discussions and debate, incites new reactions, and induces crisis in the previously silent behaviors, practices, and institutions. It is the history of the way people become anxious, for example, about madness, about crime, about themselves, or about truth. Comprised of six lectures delivered, in English, by Michel Foucault while teaching at Berkeley in the Fall of 1983, Fearless Speech was edited by Joseph Pearson and published in 2001. Reviewed by the author, it is the last book Foucault wrote before his death in 1984 and can be read as his last testament. Here, he positions the philosopher as the only person able to confront power with the truth, a stance that boldly sums up Foucault's project as a philosopher. Still unpublished in France, Fearless Speech concludes the genealogy of truth that Foucault pursued throughout his life, starting with his investigations in *Madness and Civilization*, into the question of power and its technology. The expression "fearless speech" is a rough translation of the Greek *parrhesia*, which designates those who take a risk to tell the truth; the citizen who has the moral qualities required to speak the truth, even if it differs from what the majority of people believe and faces danger for speaking it. *Parrhesia* is a verbal activity in which a speaker expresses his personal relationship to truth through frankness instead of persuasion, truth instead of flattery, and moral duty instead of self-interest and moral apathy.

Affective Health and Masculinities in South Africa Hans Reihling 2020-04-24 Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender

studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

Daughters of the King Natasha Metzler 2021-07 Fairy-tale meets allegory in this collection of stories about a Kingdom where those who were once enslaved become warriors, and the lost meet redemption. When a peasant-King arrives and pays the debt to free all those enslaved to an devious and destructive enemy, the whole world changes. A new kind of Kingdom is built in the land, where freedom abounds and slavery is abolished. In this Kingdom, the King serves the people and the people serve the King. Stories begin circling through the enemy's territory. Stories of a King who transforms slaves into warriors. Stories of how those who once stumbled under the weight of captivity are now carrying the message of freedom to the ends of the earth. And each story spreads the kingdom farther and wider and higher. Come meet five women who are learning what it means to be true warriors of the King. Alana, who must decide if the King can truly be trusted when her heart is pulled away from the Kingdom. Emberlyn, who has lived for so long with the weight of her past pressing on her. Claire, who is invited to become one of the most powerful warriors in the Kingdom, but at what cost? Toria, who knows that King saved her once, but fears it won't be enough to truly free her. And Katisia, who lives in a world of blindness but thinks she can see. "The women of the Kingdom are more than just beautiful-- they are warriors." Written for girls ages 12-18; enjoyed by all ages.

I Will Survive Gloria Gaynor 2014-03-11 *I Will Survive* is the story of Gloria

Gaynor, America's "Queen of Disco." It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including "Honey Bee," "I Got You Under My Skin," "Never Can Say Goodbye," and the song that has immortalized her, "I Will Survive," which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

An American Caddie in St. Andrews Oliver Horovitz 2013-03-14 A hilarious and poignant memoir of a Harvard student who comes of age as a caddie on St. Andrews's fabled Old Course. In the middle of Oliver Horovitz's high school graduation ceremony, his cell phone rang: It was Harvard. He'd been accepted, but he couldn't start for another year. A caddie since he was twelve and a

golfer sporting a 1.8 handicap, Ollie decides to spend his gap year in St. Andrews, Scotland—a town with the U.K.'s highest number of pubs per capita, and home to the Old Course, golf's most famous eighteen holes—where he enrolls in the St. Andrews Links Trust caddie trainee program. Initially, the notoriously brusque veteran caddies treat Ollie like a bug. But after a year of waking up at 4:30 A.M. every morning and looping two rounds a day, Ollie earns their grudging respect—only to have to pack up and leave for Harvard. There, Ollie's new classmates are the sons of Albania's UN ambassador, the owner of Heineken, and the CEO of Goldman Sachs. Surrounded by sixth generation legacies, he feels like a fish out of water all over again and can't wait to get back to St. Andrews. Even after graduation, when his college friends rush to Wall Street, Horowitz continues to return each summer to caddie on the Old Course. A hilarious, irresistible, behind-the-scenes peek at the world's most celebrated golf course—and its equally famous caddie shack—An American Caddie in St. Andrews is certain to not only entertain golfers and fans of St. Andrews but also anyone who dares to remember stumbling into adulthood and finding one's place in the world.

Mirrors of Joy and Pain Linda Howard Senior 2022-01-10 Author Linda Howard Senior, in her first completed book of poetry, *Mirrors of Joy and Pain*, credits as a primary source of inspiration her family: husband, Carl; sons, Carl Jr., Clayton, Corey; and daughter, Cicely. Her themes have been drawn from every aspect of life, the ups and downs, the challenges, and blessings. Throughout her life, she has been bolstered by faith in God. Even as a very young girl, Linda embraced the desire to overcome the challenges and stay the course for the sake of family. She is thankful for the family with which God has so generously blessed her. She knows it would not have been possible without God's help, and she would have missed so much. Her family has expanded to include grandchildren, Clayton III, Coriona, Miles, Layla, and Mason.
