Lost Downtown Peter Hugar 2016-02 It's a vanished world, and Peter Hugar was right there in it. The Lower East Side between 1972 and 1985 -- filled with artists, wannabe artists and hangers-on -- was a community of the misbegotten gathered from every town in America and relocated in the mean streets between Broadway and the Bowery. Nothing but their talent, their flamboyance, their rank gender-bending mockery and their arch irony supported them. Some made their names. Many came to grief. A few made art. In those days, the gutted streets of the Lower East Side looked like a war zone. Everyone lived and worked on the extreme outer margins of money and art, penniless and unknown. As a community, Downtown was a counterstatement to the rich New York of the banks, museums, media, corporations ... and the art world itself. That Downtown is

forever gone. Time, gentrification, disease and death have taken their toll and turned this vibrant epoch into a chapter of art history. But before it vanished, its extravagant cast sat for Peter Hujar's camera -- and is now alive again in front of our eyes. Featured among others: Joe Brainard, William Burroughs, Remy Charlip, Edwin Denby, Divine, Ray Johnson, Fran Lebowitz, Charles Ludlum, Susan Sontag, Paul Thek, John Waters, Robert Wilson, David Wojnarowicz.

Acoustic Guitars Ben Elder 2018-02-13 Acoustic Guitars: The Illustrated Encyclopedia is the most comprehensive guide of its type ever produced, covering decades of great instruments and the people who played them. You will find here the highest quality photos of acoustic guitars produced by every significant maker, from Alvarez to Zemaitis, plus detailed information, and a host of action pictures of important players from pop, rock, jazz, country classical, blues, and folk. An acoustic guitar need not be a simple brown box with a neck attached. Acoustic Guitars: The Illustrated Encyclopedia celebrates the unusual, the different and the purely bizarre in addition to the assured roots-based craft of the finest unadorned instruments, underlining the sheer diversity and variety of the acoustic stringed instruments that have been built and sold and played through three centuries. Here are resonator guitars made since the 1920s by Dobro, National, and others, often with highly decorated metal bodies; revered flat-tops from Martin, Taylor, Gibson, and more; peculiarly shaped and oddly featured creations from many of the custom builders; early 20th-century harp guitars with extra strings and extended bodies; creative archtops from D'Angelico, Epiphone, Benedetto, and more; and plastic-equipped constructions from Ovation. The comprehensive and informative text is in a clear A-to-Z format organized by brand name, written and researched by a unique team of the world's leading authorities on the subject. Acoustic Guitars: The Illustrated Encyclopedia shows in words and pictures just why and how the acoustic guitar continues to be the most popular musical instrument in the world.

Parkinson's Treatment Michael S. Okun 2013-03-16 Parkinson's Treatment English Edition: 10 Secrets to a Happier Life is available in over 20 language translations, so that all worldwide cultures can have access to the secrets that can help those living with Parkinson's disease. Additionally the book addresses all of the new and emerging Parkinson's disease therapies (stem cells, gene therapy, optogenetics, etc.). The most humbling experience of my life has been the time I have spent with families, and with patients suffering from Parkinson's and chronic neurological diseases. I use the word humbling, because time after time, in person, and also on the web forum, we have uncovered simple and addressable issues and secrets that have changed people's lives. For some sufferers it has meant walking again, for others it has restored their voices, and for many it has resulted in the lifting of a depression, anxiety and desperation cloud that has obscured their dreams, and robbed them of potential unrealized happiness. I never assume a sufferer or family member is aware of the "secrets" that may lead to hope and to a happier life. We must share these secrets, and this is the purpose of this book. Each chapter of this book reveals an important secret, and with each secret I will explain the insight, the rationale, the empiricism, and the science behind it. In each chapter I will also try to reveal a little more about myself, and a lot more about the patients and talented clinicians who gifted the Parkinson's secrets. These patients planted the seed of faith. They learned to grow hope, and they discovered the core values necessary to achieve happiness despite the chronic illness of Parkinson's disease.

Dietrich Bonhoeffer Traugott Jähnichen 2020-03 This volume is the documentation of a workshop at the "Dietrich Bonhoeffer Centre for Public Theology" in Kigali, that took place in February 2018 and discussed what can be gained from Bonhoeffer's theology for contextual theologies in Africa as well as in Europe. The core feature of the workshop in February 2018 was a competition in which students from Butare/Huye presented the findings of their examination of Dietrich Bonhoeffer's life and work. The prize-winning contributions are documented in this volume. Papers from the European perspective were contributed by doctoral candidates and students of the Ruhr University Bochum, and the chairing and commentary of the event was shared amongst Dr Clemens Wustmans (Berlin), Dr Christine Schliesser (Bern), the President of the Presbyterian Church in Rwanda, Dr Pascal Bataringaya (Kigali), the Dean of the Theological Faculty of the Protestant Institut of Arts and Social Sciences, Olivier Munyansanga, Ph.D. (Huye/Rwanda), and Prof. Dr Traugott Jähnichen (Bochum).

Connecting Faiths and Nationalities Marius Eppel 2021-03-30 This book examines the socio-professional background of the clergy in Transylvania, between 1848 and 1918, with a view to offering a comprehensive perspective on the clerical profession across various religious denominations. During the modern period, Transylvania was integrated in the Habsburg Empire and, as of 1867, in Dualist Hungary. As such, it represented a meeting ground for different ethnic groups and denominations. The prerogatives of the clergy could surpass their primary calling as spiritual leaders. They gradually assumed the role of intercessors between communities, higher ecclesiastical institutions, the government, and local authorities. Sometimes, they also took on the role of de facto leaders of the national and political emancipation movements.

Pavarotti Luciano Pavarotti 1996 Every generation or so an opera singer attains the kind of public adulation and affection usually reserved for film stars or pop singers. Luciano Pavarotti reached this level of fame: he was the most celebrated tenor of all time, his concerts attended by thousands, his records selling millions of copies. In *Pavarotti: My World*, he talks candidly about his successes and trials, from his forays into popular music and his performances in China, to the boos he endured at La Scala, from the near-fatal illness of his youngest daughter, to his worldwide efforts to convert people to the joys of classical music and opera. Pavarotti's acclaimed autobiography shows us how this great artist felt about his extraordinary voice, how he saw his work and how he regarded his extraordinary position in the world of music and entertainment. Generously illustrated with photographs taken from Pavarotti's private collection, this is an intimate, absorbing and wonderfully honest account of an astonishing talent.

The Golden Present Swami Satchidananda 1987 These daily inspirational readings contain Swami Satchidananda's teachings on the spiritual life—how to serve others and realize peace, truth, and union with the divine. Culled from twenty-five years of lectures to spiritual seekers in the West and the East, these readings are expressed with the simplicity and authority of one who speaks from his own experience. What is purity of heart? It's a heart full of tranquility and peace. Having a steady mind, a balanced mind, is what you call purity of heart. You must be well balanced between the dualities: the ups and downs, the pleasure and pain, the profit and loss. If the mind is free from turbulence, then the seer can see its own nature. If your heart is pure and steady, you can see God reflected in that steady heart.

Inking Eagle Khloe Wren 2017-04-11 The sins of her father will be her undoing... unless a hero rides to her rescue. As the 15th anniversary of the 9/11 attacks nears, Silk struggles to avoid all reminders of the day she was orphaned. She's working hard in her tattoo shop, Silky Ink, and working even harder to keep her eyes and her hands off her bodyguard, Eagle. She'd love to forget her sorrows in his strong arms. But Eagle is a prospect in the Charon MC, and her uncle is the VP. As a Daughter of the Club, she's off limits to the former Marine. But not for long. As soon as he patches in, he intends to claim Silk for his old lady. He'll wear her ink, and she'll wear his patch. Too late, they learn that Silk's father had dark secrets, ones that have lived beyond his grave. When demons from the past come for Silk, Eagle will need all the skills he learned in the Marines to get his woman back safe, and keep her that way.

The Seven-Day Soul Susannah Healy 2019-02-07 'An essential book about the transformative power of a grounded spiritual life' Jack Canfield, internationally bestselling author of *Chicken Soup for the Soul* 'This wonderful blend of science and spirituality provides a clear path to finding deeper meaning and joy in life. A beautiful read' Marci Shimoff, No.1 New York Times bestselling author of *Happy for No Reason* In this ground-breaking book, psychologist and mindfulness meditation teacher Susannah Healy reveals the evidence-basis for the value of spirituality in all aspects of our lives. She examines the place of spirituality in a culture that values individualism and left-brained thinking, and delves into the psychological research that shows that it is in self-transcendence -- the conscious service of others and the world -- that true happiness lies. Gently guiding the reader through millennia of spiritual teachings in the world faith traditions, Susannah expands the vision of God from the Western 'old man in the sky' image into something less literal, which can ultimately give meaning to all. She shows how we can apply this to all aspects of our life, including relationships, parenting, career and recreation, for our greater good and that of society as a whole. With meditations, simple exercises and case studies, *The Seven-Day Soul* is a book of gentle wisdom to live by.

Celtic Myths Miranda Jane Green 1993 As non-literates, the Celts left no written record of their lives, their beliefs, and the stories which were such an important part of their culture. Here Dr. Green uses the works of contemporary commentators from the Classical world, later Christian scribes recording oral traditions, and archaeological evidence to discuss Celtic myths and their religious beliefs and rituals. Boyash Studies: Researching "Our People" Annemarie Sorescu-Marinković 2021-01-22 The Boyash, also known as Rudari, Lingurari or, inclusively, as "oamenii noștri" (our people), are an ethnic group living today in scattered communities in the Balkans, Central and Eastern Europe, but also in the Americas. What brings the disperse communities of Boyash together is their Romanian mother tongue, (memory of) traditional occupation, common historical origin, and the fact that the majority population considers them Gypsies / Roma. A marginal topic until now, at the crossroads between Romani and Romanian studies, the Boyash studies are today an interdisciplinary field dealing with the experiences of the Boyash over time, in Romania and all the places where they have settled. The editors of this volume intend to mark two centuries of scholarly interest in the Boyash by bringing together researchers from different fields, summing up existing literature and bringing new research to the forefront.

Aesthetic and Performative Dimensions of Alevi Cultural Heritage Martin Greve 2020-04-30 In diesem Band werden die ästhetischen und performativen Dimensionen des alevitischen Kulturerbes in Vergangenheit und Gegenwart in einem interdisziplinären Rahmen untersucht. Die Beiträge analysieren traditionelle wie gegenwärtige Entwicklungen im alevitischen Kulturleben, lokale wie transnationale Praktiken und berücksichtigen dabei Textquellen, moderne Adaptionen wie auch Materialität. Die Herangehensweisen der in unterschiedlichen Fachbereichen tätigen AutorInnen – darunter Robert Langer, Nicolas Elias, Sinibaldo De Rosa, Jérôme Cler, Judith Haug und Janina Karolewski – belegen die Komplexität der sozio-historischen und sozio-kulturellen Dynamiken. Der vorliegende Band soll Zugang gewähren zu einer komplexen Thematik, die zweifellos weitere Forschungen und Analysen verdient.

CASTING THE NET Sharon McErlane 2015-03-16 We are bombarded by so much change that many today live with chronic stress. Accelerated change assaults our nervous system and makes us long for a place to rest. Fortunately for us,

underneath all the storms of life lies the Net of Light. What scientists call the Cosmic Web cradles everything--including us--in its comforting embrace, reminding us that we are not insignificant, separate entities, but are an intrinsic part of the fabric of life that supports our planet. This Net or Web holds us, penetrates the cells of our bodies, and reaches throughout the cosmos. "This is the Net of Light," the Grandmothers say, "that will hold the earth during the times of change that are upon you." Held in this Net of Love and Light, we can also hold one another and our beloved planet. Here is a place to rest.

They result from the collaboration between researchers and teachers.

In This Together Danielle Metcalfe-Chenail 2016-04-12 What is real reconciliation? This collection of essays from both Indigenous and non-Indigenous contributors from across Canada welcomes readers into a timely, healing conversation—one we've longed for but, before now, have had a hard time approaching. These reflective and personal pieces come from journalists, writers, academics, visual artists, filmmakers, city planners, and lawyers, all of whom share their personal light-bulb moments regarding when and how they grappled with the harsh reality of colonization in Canada, and its harmful legacy. Without flinching, they look deeply and honestly at their own experiences and assumptions about race and racial divides in Canada in hopes that the rest of the country will do the same. Featuring a candid conversation between CBC radio host Shelagh Rogers and Chief Justice Sinclair, this book acts as a call for all Canadians to make reconciliation and decolonization a priority, and reminds us that once we know the history, we all have the responsibility—and ability—to make things better.
