The Dirty Dust Máirtín Ó Cadhain 2015-03-01 Máirtín Ó Cadhain's irresistible and infamous novel The Dirty Dust is consistently ranked as the most important prose work in modern Irish, yet no translation for English-language readers has ever before been published. Alan Titley's vigorous new translation, full of the brio and guts of Ó Cadhain's original, at last brings the pleasures of this great satiric novel to the far wider audience it deserves. In The Dirty Dust all characters lie dead in their graves. This, however, does not impair their banter or their appetite for news of aboveground happenings from the recently arrived. Told entirely in dialogue, Ó Cadhain's daring novel listens in on the gossip, rumors, backbiting, complaining, and obsessing of the local community. In the afterlife, it seems, the same old life goes on beneath the sod. Only nothing can be done about it—apart from talk. In this merciless yet comical portrayal of a closely bound community, Ó Cadhain remains keenly attuned to the absurdity of human behavior, the lilt of Irish gab, and the nasty, deceptive magic of human connection.

winners, and a lot of losers. And yet we played on, because we had hope that we might be the lucky ones." In the early 1900s, teenaged Sunja, the adored daughter of a crippled fisherman, falls for a wealthy stranger at the seashore near her home in Korea. He promises her the world, but when she discovers she is pregnant--and that her lover is married--she refuses to be bought. Instead, she accepts an offer of marriage from a gentle, sickly minister passing through on his way to Japan. But her decision to abandon her home, and to reject her son's powerful father, sets off a dramatic saga that will echo down through the generations. Richly told and profoundly moving, *Pachinko* is a story of love, sacrifice, ambition, and loyalty. From bustling street markets to the halls of Japan's finest universities to the pachinko parlors of the criminal underworld, Lee's complex and passionate characters--strong, stubborn women, devoted sisters and sons, fathers shaken by moral crisis--survive and thrive against the indifferent arc of history. *Includes reading group guide*

The Discerning of Spirits Frank Hammond 2014-11-17 The gift of discerning of spirits is a powerful weapon in the Christian's arsenal! When God calls us into ministry, He equips us. God has called all of us into spiritual warfare and spiritual battle. His Church will be a militant Church, and the "gates of hell shall not prevail against her." The weapons God supplies us with are not carnal or fleshly weapons, but spiritual ones, they are "mighty through God to the pulling down of strong holds." We are equipped by God for spiritual warfare through the gifts of the Holy Spirit mentioned in 1 Corinthians 12. God has said that these are the channels through which His power will flow, the avenues through which His Holy Spirit will operate. Chief among these gifts for the ministry of deliverance is the gift of discerning of spirits. We must rely upon the Holy Spirit for the ministry of deliverance and nothing else, not the arm of the flesh or the voice of demons. Frank Hammond explains the application of this gift to the believer, and provides examples of how it has worked in his own ministry. He concludes with a prayer of impartation for the reader to receive this gift and the gifts of knowledge, wisdom and faith.

America in Retreat Michael Pembroke 2021-01-28 In the heady days after 1945, the authority of the United States was unrivalled and, with the founding of the UN, a new era of international co-operation seemed to have begun. But seventy-five years later, its influence has already diminished. The world has now entered a post-American era, argues Michael Pembroke, defined by a flourishing Asia and the ascendancy of China, as much as by the decline of the United States. This book is a short history of that decline; how high standards and treasured principles were ignored; how idealism was replaced by hubris and moral compromise; and how adherence to the rule of law became selective. It is also a look into the future - a future dominated by greater Asia and China in particular. We are in the midst of the third great power shift in modern history - from Europe to America to Asia. Covering wars in Korea, Vietnam, Iraq and Afghanistan, interventions in Iran, Guatemala and Chile, and a retreat from international engagement with the UN, WHO and, increasingly, trade agreements, Pembroke sketches the history of America's retreat from universal principles to provide a clear-eyed analysis of the dangers of American exceptionalism.

Book of Abstracts of the 70th Annual Meeting of the European Federation of Animal Science Scientific Committee 2019-08-26 This Book of Abstracts is the main publication of the 70th Annual Meeting of the European Federation of

Animal Science (EAAP). It contains abstracts of the invited papers and contributed presentations of the sessions of EAAP's eleven Commissions: Animal Genetics, Animal Nutrition, Animal Management and Health, Animal Physiology, Cattle Production, Sheep and Goat Production, Pig Production, Horse Production and Livestock Farming Systems, Insects and Precision Livestock Farming.

Livestock Handling and Transport Temple Grandin 2007 This book brings together the latest research data and practical information on animal handling, restraint methods and the design of facilities and transport. Published 14 years after the first edition, the third edition is fully updated with the latest research findings. An extensively revised introductory chapter covers the increasing awareness of animal welfare around the world and outlines the effective auditing programmes of large, corporate meat buyers. Three new authors have chapters on sheep transport, biosecurity and low-stress methods for sorting cattle and weaning calves. To provide an additional perspective on livestock management in South America, Asia, India and other regions, two new co-authors have been added to the chapters on cattle transport and the handling of cattle raised in close association with people. The best of the old material - including all the popular handling system layouts and behaviour diagrams - has been kept. All aspects of animal handling are covered, such as handling for veterinary and husbandry procedures, stress physiology, restraint methods, transport, corral and stockyard design, handling at slaughter plants and welfare. The principles of animal behaviour are covered for cattle, sheep, pigs, horses, deer and poultry. The extensive reference lists in each chapter will help preserve important knowledge that may not be available on the Internet. Also, at the end of the book is an index of useful web pages on handling, behaviour and transport. This book is an invaluable resource for students and professionals in animal behaviour, applied psychology and animal and veterinary sciences, and livestock producers, regulatory bodies and animal welfare groups.

Pigs Wim Delvoye 1999 Perpetrator, prankster, artful butcher, tattoo artist -- Wim Delvoye wears many hats in this book documenting his art projects involving pigs. Delvoye, a Post-Pop Belgian artist, devotes one section of this book to photographs of his tattooed pigs, the other to his elaborate faux-marble floors made with slices of assorted cold cuts. Saving them from their slaughterhouse fate, he uses these pigs as examples of exemplary cleanliness, as living canvases on which he doesn't even paint himself -- he contracts professional tattoo artists to do so. Also included are his original tattoo drawings, his tattoo series made on pigskins, a selected biography and bibliography, photographs recording the tattooing process, and three essays that delve into Delvoye's provocative past and present work.

Mountain Rain Eileen Crossman 2002-01 James Fraser was only twenty-two when he abandoned a promising career and went to China. At first sight of the Lisu tribes people of Yunnan province he felt an immediate affection for them, and for the rest of his life he labored to bring them to Christ and to Christian maturity. Eileen Crossman has brought him to life for today's readers in this superb biography which reveals the secret of his success.

The Fair Fight Anna Freeman 2015-04-14 NAMED A BEST BOOK OF THE YEAR BY BOOKPAGE AND LIBRARY JOURNAL The Crimson Petal and the White meets Fight Club: A page-turning novel set in the world of female pugilists and their patrons in late eighteenth-century England. Moving from a filthy brothel to a fine manor house, from the world of street fighters to the world of champions, The Fair

Fight is a vivid, propulsive historical novel announcing the arrival of a dynamic new talent. Born in a brothel, Ruth doesn't expect much for herself beyond abuse. While her sister's beauty affords a certain degree of comfort, Ruth's harsh looks set her on a path of drudgery. That is until she meets pugilist patron George Dryer and discovers her true calling—fighting bare knuckles in the prize rings of Bristol. Manor-born Charlotte has a different cross to bear. Scarred by smallpox, stifled by her social and romantic options, and trapped in twisted power games with her wastrel brother, she is desperate for an escape. After a disastrous, life-changing fight sidelines Ruth, the two women meet, and it alters the perspectives of both of them. When Charlotte presents Ruth with an extraordinary proposition, Ruth pushes dainty Charlotte to enter the ring herself and learn the power of her own strength. A gripping, page-turning story about people struggling to transcend the circumstances into which they were born and fighting for their own places in society, *The Fair Fight* is a raucous, intoxicating tale of courage, reinvention, and fighting one's way to the top.

Pigs in the Parlour Frank Hammond 1992-09

THE INVISIBLE MAN H. G. Wells 2017-12-06 *The Invisible Man* is a science fiction novella. The Invisible Man of the title is Griffin, a scientist who has devoted himself to research into optics and invents a way to change a body's refractive index to that of air so that it absorbs and reflects no light and thus becomes invisible. He successfully carries out this procedure on himself, but fails in his attempt to reverse the procedure. Herbert George Wells (1866 – 1946), known as H. G. Wells, was a prolific English writer in many genres, including the novel, history, politics, and social commentary, and textbooks and rules for war games.

Pigs in the Parlour Frank Hammond 1992

Porkopolis Alex Blanchette 2020 In the 1990s a small midwestern American town approved the construction of a massive pork complex, where almost 7 million hogs are birthed, raised, and killed every year. In *Porkopolis* Alex Blanchette explores how this rural community has been reorganized around the life and death cycles of corporate pigs. Drawing on over two years of ethnographic fieldwork, Blanchette immerses readers into the workplaces that underlie modern meat, from slaughterhouses and corporate offices to artificial insemination barns and bone-rendering facilities. He outlines the deep human-hog relationships and intimacies that emerge through intensified industrialization, showing how even the most mundane human action, such as a wayward touch, could have serious physical consequences for animals. Corporations' pursuit of a perfectly uniform, standardized pig—one that can yield materials for over 1000 products—creates social and environmental instabilities that transform human lives and livelihoods. Throughout *Porkopolis*, which includes dozens of images by award-winning photographer Sean Sprague, Blanchette uses factory farming to rethink the fraught state of industrial capitalism in the United States today.

Real Pigs Brad Weiss 2016-08-05 In addition to being one of the United States' largest pork producers, North Carolina is home to a developing niche market of pasture-raised pork. In *Real Pigs* Brad Weiss traces the desire for "authentic" local foods in the Piedmont region of central North Carolina as he follows farmers, butchers, and chefs through the process of breeding, raising, butchering, selling, and preparing pigs raised on pasture for consumption. Drawing on his experience working on Piedmont pig farms and at farmers'

markets, Weiss explores the history, values, social relations, and practices that drive the pasture-raised pork market. He shows how pigs in the Piedmont become imbued with notions of authenticity, illuminating the ways the region's residents understand local notions of place and culture. Full of anecdotes and interviews with the market's primary figures, *Real Pigs* reminds us that what we eat and why have implications that resonate throughout the wider social, cultural, and historical world.

Soul Ties Frank Hammond 1988-01-01 There are good soul ties and bad soul ties, just as there are healthy relationships and unhealthy ones. My wife and I dealt with soul ties, through the ministry of deliverance, long before we had much understanding of them. In fact, long before someone introduced the designation "soul ties," we referred to them as "unholy alliances" or "perverse relationships." Through the deliverance ministry, soul ties are encountered regularly and their power over individuals' lives needs to be broken. Yes, soul ties are real, but what are they? What is the scriptural basis for understanding soul ties? How are they formed? Are they always demonic? What danger is there in soul ties? How can they be broken? In this booklet, Frank Hammond explains the root causes of these ties and how to distinguish between Godly and demonic soul ties.

The Hedgehog and the Fox Isaiah Berlin 2013-06-02 "The fox knows many things, but the hedgehog knows one big thing." This ancient Greek aphorism, preserved in a fragment from the poet Archilochus, describes the central thesis of Isaiah Berlin's masterly essay on Leo Tolstoy and the philosophy of history, the subject of the epilogue to War and Peace. Although there have been many interpretations of the adage, Berlin uses it to mark a fundamental distinction between human beings who are fascinated by the infinite variety of things and those who relate everything to a central, all-embracing system. Applied to Tolstoy, the saying illuminates a paradox that helps explain his philosophy of history: Tolstoy was a fox, but believed in being a hedgehog. One of Berlin's most celebrated works, this extraordinary essay offers profound insights about Tolstoy, historical understanding, and human psychology. This new edition features a revised text that supplants all previous versions, English translations of the many passages in foreign languages, a new foreword in which Berlin biographer Michael Ignatieff explains the enduring appeal of Berlin's essay, and a new appendix that provides rich context, including excerpts from reviews and Berlin's letters, as well as a startling new interpretation of Archilochus's epigram.

Storyworthy Matthew Dicks 2018-05-15 A five-time Moth GrandSLAM winner and bestselling novelist shows how to tell a great story – and why doing so matters. Whether we realize it or not, we are always telling stories. On a first date or job interview, at a sales presentation or therapy appointment, with family or friends, we are constantly narrating events and interpreting emotions and actions. In this compelling book, storyteller extraordinaire Matthew Dicks presents wonderfully straightforward and engaging tips and techniques for constructing, telling, and polishing stories that will hold the attention of your audience (no matter how big or small). He shows that anyone can learn to be an appealing storyteller, that everyone has something “storyworthy” to express, and, perhaps most important, that the act of creating

and telling a tale is a powerful way of understanding and enhancing your own life.
