Gleanings from Joshua Arthur W. Pink 2011-09-01 "In approaching the study of one of the books of Scripture it must be of considerable help to the student if he can ascertain what is its main design and what is its outstanding topic. As pointed out in the pages in our Introduction to Exodus each book in the Bible

has a prominent and dominant theme which, as such, is peculiar to itself, around which everything is made to center and of which all the details are but the amplification. What that leading subject may be, we should make it our business to prayerfully and diligently ascertain. This can best be discovered by reading and re-reading the book under review, noting carefully any particular feature or expression which occurs frequently in it—such as "under the sun" in Ecclesiastes or "the righteousness of God" in Romans. "The book of Joshua records one of the most interesting and important portions of Israel's history. It treats of the period of their estate as a nation, of which Genesis was prophetic and the rest of the Pentateuch immediately preparatory. The books of Moses would be imperfect without this one: as it is the capstone of them, so it is the foundation of those which follow. Omit Joshua and there is a gap left in the sacred history which nothing could supply. Without it what proceeds would be incomprehensible and what follows unexplained. The sacred writer was directed to fill that gap by narrating the conquest and apportionment of the Promised Land. Thus this book may be contemplated from two distinct but closely related standpoints: first as the end of Israel's trials and wanderings in the wilderness, and second as the beginning of their new life in the land. It is that twofold viewpoint which supplies the clue to its spiritual interpretation, as it alone solves the problem which so many have found puzzling in this book." Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan-like teachings. Though born to Christian parents, prior to conversion he migrated into a Theosophical society (an occult gnostic group popular in England during that time), and quickly rose in prominence within their ranks. His conversion came from his father's patient admonitions from Scripture. It was the verse, Proverbs 14:12, 'there is a way which seemeth right unto a man, but the end thereof are the ways of death, ' which particularly struck his heart and compelled him to renounce Theosophy and follow Jesus.

Challenging Nature Philip W. Porter 2006-03 Tanga Region, Tanzania, is an area of persistent rural poverty with a long history of drought, floods, food shortages, famine, and social and economic disruption. Though farmers have been cultivating the land there for hundreds of years, they have consistently been unable to supply adequate food for the region's inhabitants. In *Challenging Nature*, Philip Porter examines eighteen farming communities to understand what the farmers there know about their environment and which historical and economic factors play into the lack of food security. Porter first began work on this project in 1972, asking 250 farmers in the region about life history, environmental and agricultural changes, types of crops grown and methods of planting, environmental assessments, agricultural practices, food and water supplies, training and education, and attitudes toward nature. Twenty years later, he returned and reinterviewed as many farmers as could be found from the first survey. The result contextualizes the environmental history of the region

while informing current and future agricultural development.

The Poisonwood Bible Barbara Kingsolver 2008-09-04 'Breathtaking.' Sunday Times 'Exquisite.' The Times 'Beautiful.' Independent 'Powerful.' New York Times An international bestseller and a modern classic, this suspenseful epic of one family's tragic undoing and their remarkable reconstruction has been read, adored and shared by millions around the world. This story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it - from garden seeds to Scripture - is calamitously transformed on African soil. What readers are saying 'This remains one of the most fascinating books I have ever read.' 'I felt every emotion under the sky with this book.' 'Riveting.' 'This novel left a lasting - YEARS LASTING - impression.' 'This is one of those books that stands the test of time and is worth rereading.' 'Five epic, no-wonder-this-book-is-so-well-loved stars!'

The Psychosocial Implications of Disney Movies Lauren Dundes 2019-07-11 In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

The Life of Elijah Arthur W. Pink 2017-10-07 From one generation to another, the servants of the Lord have sought to edify their fellow-believers by commenting on the Old Testament narrative. In such ministries expositions of the life of Elijah have always been prominent. His sudden appearance out of complete obscurity, his dramatic interventions in the national history of Israel, his miracles, his departure from earth in a chariot of fire, all serve to captivate the thought of preacher and writer alike. The New Testament sustains this interest. If Christ Jesus is the Prophet "like unto Moses," Elijah, too, has his New Testament counterpart in John—the greatest of the prophets. And even more remarkably, Elijah himself in living person reappears to view when, with Moses, he stands on the mount of "the excellent glory," "to speak of the strife that won our life with the incarnate Son of God."

To Sell Is Human Daniel H. Pink 2012-12-31 Look out for Daniel Pink's new book, *When: The Scientific Secrets of Perfect Timing* #1 New York Times Business Bestseller #1 Wall Street Journal Business Bestseller #1 Washington Post bestseller From the bestselling author of *Drive* and *A Whole New Mind*, and teacher of the popular MasterClass on Sales and Persuasion, comes a surprising—and surprisingly useful—new book that explores the power of selling in our lives. According to the U.S. Bureau of Labor Statistics, one in nine Americans works in sales. Every day more than fifteen million people earn their keep by persuading someone else to make a purchase. But dig deeper and a startling truth emerges: Yes, one in nine Americans works in sales. But so do the other eight. Whether we're employees pitching colleagues on a new idea, entrepreneurs enticing funders to invest, or parents and teachers cajoling children to study, we spend our days trying to move others. Like it or not, we're all in sales now. *To Sell Is Human* offers a fresh look at the art and science of selling. As he did in *Drive* and *A Whole New Mind*, Daniel H. Pink draws on a rich trove of social science for his counterintuitive insights. He reveals the new ABCs of moving others (it's no longer "Always Be Closing"), explains why extraverts don't make the best salespeople, and shows how giving people an "off-ramp" for their actions can matter more than actually changing their minds. Along the

way, Pink describes the six successors to the elevator pitch, the three rules for understanding another's perspective, the five frames that can make your message clearer and more persuasive, and much more. The result is a perceptive and practical book--one that will change how you see the world and transform what you do at work, at school, and at home.

Practical Christianity A.W Pink 2015-11-29 Arthur W. Pink has become known as a masterful expositor of the Word of God. Both his expository works and some of his doctrinal works have long been in print. His deep concern for experimental Christianity and the practical Christian life, however, is not so well known. Yet he wrote many short series and single articles on what Scripture has to say about the inner man. And in writing these articles Pink expounded the Scriptures as penetratingly as he did in his expository and doctrinal writings. His practical Christianity, then, is not a collection of pious thoughts on the Christian life or a simple outline of Scripture, but a full treatment of the subject.

Long Walk to Freedom Nelson Mandela 2008-03-11 The book that inspired the major new motion picture *Mandela: Long Walk to Freedom*. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. *LONG WALK TO FREEDOM* is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

Ella Enchanted Gail Carson Levine 2012-12-26 This beloved Newbery Honor-winning story about a feisty heroine is sure to enchant readers new and old. At her birth, Ella of Frell receives a foolish fairy's gift—the “gift” of obedience. Ella must obey any order, whether it's to hop on one foot for a day and a half, or to chop off her own head! But strong-willed Ella does not accept her fate... Against a bold backdrop of princes, ogres, giants, wicked stepsisters, and fairy godmothers, Ella goes on a quest to break the curse forever. A tween favorite for 25 years—now shared with today's young readers by moms, teachers, and other adults who remember the pleasure of discovering this fun fairy-tale retelling themselves!

Suffering and the Sovereignty of God John Piper 2006-09-13 In the last few years, 9/11, a tsunami, Hurricane Katrina, and many other tragedies have shown us that the vision of God in today's churches in relation to evil and suffering is often frivolous. Against the overwhelming weight and seriousness of the Bible, many Christians are choosing to become more shallow, more entertainment-oriented, and therefore irrelevant in the face of massive suffering. In *Suffering and the Sovereignty of God*, contributors John Piper, Joni Eareckson Tada, Steve Saint, Carl Ellis, David Powlison, Dustin Shrimek, and Mark Talbot explore the many categories of God's sovereignty as evidenced in his Word. They urge readers to look to Christ, even in suffering, to find the greatest confidence, deepest comfort, and sweetest fellowship they have ever known.
