HomeMade Modern Ben Uyeda 2015-11-17 You can make the furniture you want at a fraction of the price of store-bought furniture. Not only will you save tons of money, but you'll also make environmentally sustainable pieces that are solidly built, using real materials like metal, wood, concrete, and other recycled ready-mades. The projects in this book don't require special skills, prior experience, or even a garage full of tools. You'll be walked step-by-step through the process of making furniture, from where to buy the materials (or where to scavenge) to how to make the most of the tools you own.

The Sauna Robert L. Roy 2009-03-20 With a history going back at least one thousand years, the sauna is ready for a new generation of enthusiasts seeking health, pleasure, and peace of mind, and Rob Roy is ready to recruit! "If the sauna is just a bath, then Buckingham Palace is just a house." So writes sauna expert and intrepid do-it-yourselfer Roy in this new, updated version of *The Sauna*. This completely revised and expanded edition of *The Sauna* contains everything you ever wanted to know about the famous "Finnish bath." In this inviting book, Roy shares his infectious enthusiasm for the sauna and provides a complete, detailed guide to sauna building, along with resources for equipment and supplies. *The Sauna* is replete with history, tradition, health benefits, instructions for proper use and maintenance, as well as step-by-step instructions for building a variety of cordwood masonry saunas and, new to this edition, conventionally wood-framed saunas. The beautiful color photographs, also new to this edition, will inspire you to create your own sauna haven.

a corresponding explosion of symbolic development of mortuary practices. The book attempts to provide a chronology for changes in burial practices, and situating the symbolism of these practices in the context of wider economic and cultural change, interprets their meaning and function. The analysis owes much to the psychoanalytic techniques of Freud and Lacan.
