**Love and Other Poems** Alex Dimitrov 2021-02-18 Alex Dimitrov's third book, *Love and Other Poems*, is full of praise for the world we live in. Taking time as an overarching structure—specifically, the twelve months of the year—Dimitrov elevates the everyday, and speaks directly to the reader as if the poem were a phone call or a text message. From the personal to the cosmos, the moon to New York City, the speaker is convinced that love is “our best invention.” Dimitrov doesn't resist joy, even in despair. These poems are curious about who we are as people and shamelessly interested in hope.

*Love Poems* Pablo Neruda 2008-01-17 Sensual, earthy love poems that formed the basis for the popular movie *Il Postino*, now in a beautiful gift book perfect for weddings, Valentine's Day, anniversaries, or just to say "I love you!" Charged with sensuality and passion, Pablo Neruda's love poems caused a scandal when published anonymously in 1952. In later editions, these verses became the most celebrated of the Noble Prize winner's oeuvre, captivating readers with earthbound images that reveal in gentle lingering lines an erotic re-imagining of the world through the prism of a lover's body: "today our bodies became vast, they grew to the edge of the world / and rolled melting / into a single drop / of wax or meteor...." Written on the paradisaical island of Capri, where Neruda "took refuge" in the arms of his lover Matilde Urrutia, *Love Poems* embraces the seascapes around them, saturating the images of endless shores and waves with a new, yearning eroticism. This wonderful book collects Neruda's most passionate verses.

Once again, Ladinsky reveals his talent for creating profound and playful renditions of classic poems for a modern audience. Rumi's joyous, ecstatic love poems; St. Francis's loving observations of nature through the eyes of Catholicism; Kabir's wild, freeing humor that synthesizes Hindu, Muslim, and Christian beliefs; St. Teresa's sensual verse; and the mystical, healing words of Sufi poet Hafiz—these along with inspiring works by Rabia, Meister Eckhart, St. Thomas Aquinas, Mira, St. Catherine of Siena, St. Teresa of Avila, St. John of the Cross, and Tukaram are all “love poems by God” from writers considered “conduits of the divine.” Together, they form a spiritual treasure to cherish always.

It opens us to pain and joy and delight. It amazes, startles, pierces, and transforms us. It can lead to communion and grace. Through the voices of ten inspiring poets and his own reflections, the author of *Sacred America* shows how poetry illuminates the eternal feelings and desires that stir the human heart and soul. These poems explore such universal themes as the awakening of wonder, the longing for love, the wisdom of dreams, and the courage required to live an authentic life. In thoughtful commentary on each work, Housden offers glimpses into his personal spiritual journey and invites readers to contemplate the significance of the poet's message in their own lives. In *Ten Poems to Change Your Life*, Roger Housden shows how these astonishing poems can inspire you to live what you always knew in your bones but never had the words for. last 200 years from around the world, a collection that will comfort and enthrall anyone trapped by grief or loneliness, selected by the award-winning, best-selling, and beloved author of *How to Read a Poem*. Implicit in poetry is the idea that we are enriched by heartbreaks, by the recognition and understanding of suffering--not just our own suffering but also the pain of others. We are not so much diminished as enlarged by grief, by our refusal to vanish, or to let others vanish, without leaving a record. And poets are people who are determined to leave a trace in words, to transform oceanic depths of feeling into art that speaks to others. In *100 Poems to Break Your Heart*, poet and advocate Edward Hirsch selects 100 poems, from the nineteenth century to the present, and illuminates them, unpacking context and references to help the reader fully experience the range of emotion and wisdom within these poems. For anyone trying to process grief, loneliness, or fear, this collection of poetry will be your guide in trying times.

**Love** Puja Mohan 2019-02-04 *Love - A Collection of Prose and Poetry* is an attempt to understand the emotion of love which is forever changing. It changes with time. You cannot love someone the same way from one day to another. It changes, you'll love some more, or you'll love a little less. But it will change. Your understanding of this emotion will change. What you consider love to be today might change tomorrow. But whatever it is, it can run deep only if you know how to love yourself first before loving anyone else. You have to be in love with yourself before you can be in love with anyone else. This collection is an attempt to explore the evolution of this emotion as we grow and our relationship changes over time with ourselves and with others.

**The Rest of Love** Carl Phillips 2014-08-26 The light, for as far as I can see, is that of any number of late afternoons I remember still: how the light seemed a bell; how it seemed I'd been living inside it, waiting - I'd heard all about that one clear note it gives. --from "Late Apollo III" In *The Rest of Love*, his seventh book, Carl Phillips examines the conflict between belief and disbelief, and our will to believe: Aren't we always trying, Phillips asks, to contain or to stave off facing up to, even briefly, the hard truths we're nevertheless attracted to? Phillips's signature terse line and syntax enact this constant tension between abandon and control; following his impeccable interior logic, "passionately austere" (Rita Dove, *The Washington Post Book World*), Phillips plumbs the myths we make and return to in the name of desire-- physical, emotional, and spiritual. *The Rest of Love* is a 2004 National Book Award Finalist for Poetry.
