Beauty and the Beast Marie le Prince de Beaumont 2017-04-14 Beauty and the Beast is a traditional fairy tale written by Marie Leprince de Beaumont. A wealthy, widowed merchant lives in a mansion with his six children, three sons and three daughters. All his daughters are very beautiful, but the youngest, Beauty, is the most lovely, as well as kind, well-read, and pure of heart; while the two elder sisters, in contrast, are wicked, selfish, vain, and spoiled. They secretly taunt Beauty and treat her more like a servant than a sister. The merchant eventually loses all of his wealth in a tempest at sea. He and his children are consequently forced to live in a small farmhouse and work for their living. Some years later, the merchant hears that one of the trade ships he had sent off has arrived back in port, having escaped the destruction of its compatriots. He returns to the city to discover whether it contains anything valuable. Before leaving, he asks his children if they wish for him to bring any gifts back for them. The sons ask for weaponry and horses to hunt with, whereas his oldest daughters ask for clothing, jewels, and the finest dresses possible as they think his wealth has returned. Beauty is satisfied with the promise of a rose as none grow in their part of the country. The merchant, to his dismay, finds that his ship's cargo has been seized to pay his debts, leaving him penniless and unable to buy his children's presents...

The Lovers Alice Ferney 2002 Pauline is young and coquettish. She is also happily married to Marc and has a child. Gilles, kind and self-confident, is twenty years older and a recent divorcee. After he watches Pauline one morning, he asks to meet her. In spite of herself, Pauline agrees. Alice Ferney unfolds the next stages of the seduction in forensic detail and with devastating lucidity. As Pauline faces the possibility of an affair, she is thrown into confusion. Is she just feeling flattered because she is desired? Is she indulging in a fantasy version of love? Or could she have truly fallen for a stranger? We also eavesdrop on the lives of the people around Pauline and Gilles, from Pauline's adoring and unsuspecting husband, to Max and Eve's disintegrating marriage, to Penelope and her relationship with a man older than her father, and Laura, who desperately wants a child. Together, their stories make up a complete picture of the changing degrees of love.

German and Dutch in Contrast Gunther Vogelaer 2020-03-09 Designed as a contribution to contrastive linguistics, the present volume brings up-to-date the comparison of German with its closest neighbour, Dutch, and other Germanic relatives like English, Afrikaans, and the Scandinavian languages. It takes its inspiration from the idea of a "Germanic Sandwich", i.e. the hypothesis that sets of genetically related languages diverge in systematic ways in diverse domains of the linguistic system. Its contributions set out to test this approach against new phenomena or data from synchronic,

diachronic and, for the first time in a Sandwich-related volume, psycholinguistic perspectives. With topics ranging from nickname formation to the IPP (aka 'Ersatzinfinitiv'), from the grammaticalisation of the definite article to /s/-retraction, and from the role of verb-second order in the acquisition of L2 English to the psycholinguistics of gender, the volume appeals to students and specialists in modern and historical linguistics, psycholinguistics, translation studies, language pedagogy and cognitive science, providing a wealth of fresh insights into the relationships of German with its closest relatives while highlighting the potential inherent in the integration of different methodological traditions.

VARIATIONist Linguistics Meets CONTACT Linguistics Manuela Lanwermeier 2020-09-07 The current volume is dedicated to the inherently heterogeneous nature of language(s) as seen from the perspective of variationist linguistics and contact linguistics, which became established and internationally recognized sub-disciplines of (socio)linguistics during the latter half of the 20th century. Over the last few years, each paradigm has broadened the spectrum of the topics under investigation considerably, but there has not yet been an extensive and satisfactory exchange between the two scientific fields named. The present volume aims at giving an insight into the complex synergy between occurring linguistic contact constellation, on the one hand, and variation in the parlance, on the other hand.

Letter to a Hostage Antoine de Saint-Exupéry 2017-02-01 Letter to a Hostage is a book by the author Antoine de Saint-Exupéry. Saint-Exupéry initially wrote this piece as a preface for his best friend, Léon Werth's novel: Trente-trois jours (Thirty Three Days). Werth had been forced to take refuge in the Jura region of France during the autumn of 1940 because of his Jewish origins. His book, however, could not be published, and so the author significantly revised his preface, removing any direct references to his friend and making him anonymous within the text and a symbol for France as the hostage of the occupying forces. This version was published independently in June 1943. The work is comprised of six short chapters which reflect upon recent aspects of the author's life (travelling to Portugal, impressions of the Sahara, living in the USA...), and combines references to his friendship with Werth and to his love for his country.
