A Frequency Dictionary of German Randall Jones 2015-06-03 A Frequency Dictionary of German is an invaluable tool for all learners of German, providing a list of the 4,034 most frequently used words in the language. Based on a 4.2 million-word corpus which is evenly divided between spoken, fiction and non-fiction texts, the dictionary provides a detailed frequency-based list plus alphabetical and part of speech indexes. All entries in the rank frequency list feature the English equivalent, a sample sentence plus an indication of major register variation. The dictionary also contains twenty-one thematically organized lists of frequently used words on a variety of topics as well as eleven special vocabulary lists. A Frequency Dictionary of German aims to enable students of all levels to maximize their study of German vocabulary in an efficient and engaging way.

Medical Arabic Abderrahman Zouhir 2020-07-22 Medical Arabic is a valuable resource for students interested in learning medical Arabic at ACTFL level Advanced Low. Effective communication is essential in health care, and communication is most effective when both parties share a common language, therefore resulting in a comfortable relationship between health care provider and patient. This textbook is intended for those with prior knowledge of Arabic language and grammar. It is designed to provide students with the linguistic and cultural competencies and medical Arabic terminology necessary to communicate in medical settings such as a hospital, clinic, or a community health care facility. Students will be able to ask questions in Arabic and provide answers in common medical situations, conduct patient interviews, and understand a wider variety of possible responses from patients. The book provides clear explanations of medical vocabulary and concepts as they occur in the reading materials to encourage active interaction with the text. The book's drills are designed as either in-class exercises or homework. The answer key for the book exercises is also provided as a downloadable e-resource. Written by dynamic authors who taught Arabic as a foreign language for several years and reviewed by physicians and professionals in the field, the book is an essential guide for students in medical school, biology, and other science majors. Students will find Medical Arabic more than merely a textbook but rather a pathway to enhance their communication skills effectively.

Essential Korean for Business Use Sungmi Kwon 2011 Essential Korean for Business Use is constructed around the various situations you may encounter while conducting business, and includes numerous expressions that can be used by learners of Korean at all levels. It contains those expressions necessary for foreigners who reside in Korea and work permanently at Korean companies, and it also deals with situations required for short term business trips. Especially, in order to do effective international business, you will have to first understand the culture of the country and people. In this context, this book will aid in bringing its readers a bit closer to Koreans by broadening their understanding of Korean culture. In a word, because it is composed of the actual Korean expressions most often used when doing business, it is apparent that all readers will find it useful. The volume is composed of 15 chapters, each of which contains expressions necessary for both business and daily living. All of the expressions contained in this book are provided with both a literal translation and an English equivalent. At the end of each chapter, there is a list of vocabulary related to the chapter's theme, and each chapter also contains short tips that introduce key elements of Korean culture.

The Bad Mood Moritz Petz 2019-11-05 Sometimes a bad mood can be contagious! Badger got up one morning feeling very grumpy. "Humph!" Badger said to himself. What was the point of being in a bad mood if nobody noticed? he thought. So Badger headed out, slamming the door behind him. Badger spreads his bad mood far and wide, greeting all his friends with angry, rude remarks that put them in bad moods, too. A comical, cautionary tale for anyone who has ever gotten up on the wrong side of the bed.

The Golden Atlas Edward Brooke-Hitching 2018-10-18 'Stunning...divine' Stephen Fry 'A fabulous book, good enough to eat with a spoon! Marvellous' John Lloyd, creator of QI 'Perfect for the armchair adventurer historian, this is a rich visual exploration of some of the most beautiful charts ever created' National Geographic 'Introduces us to a whole different way of looking at maps. Great illustrations, most engaging - the author is just a mine of information' Simon Mayo's Books of the Year The Golden Atlas is a spectacular visual history of exploration and cartography, a treasure chest of adventures from the chronicles of global discovery, illustrated with a selection of the most beautiful maps ever created. The book reveals how the world came to be known, featuring a magnificent gallery of exceptionally rare hand-coloured antique maps, paintings and engravings, many of which can only be found in the author's collection. Arranged chronologically, the reader is taken on a breathtaking expedition through Ancient Babylonian geography and Marco Polo's journey to the Mongol Khan on to buccaneers ransacking the Caribbean and the voyages of seafarers such as Captain Cook and fearless African pathfinders. Their stories are told in an engaging and compelling style, bringing vividly to life a motley collection of heroic explorers, treasure-hunters and death-dealing villains - all of them accompanied by eye-grabbing illustrations from rare maps, charts and manuscripts. The Golden Atlas takes you back to a world of darkness and peril, placing you on storm-lashed ships, frozen wastelands and the shores of hostile territories to see how the lines were drawn to form the shape of the modern world. The author's previous book, *The Phantom Atlas*, was a critically acclaimed international bestseller, described by Jonathan Ross as 'a spectacular, enjoyable and eye-opening read' and this new book is sure to follow suit.

Mein Englisch-Bildwörterbuch 2004 Trotz anderem Cover: Identisch in Themen, Illustrationen und Vokabeln ist das Buch schon mehrfach aufgelegt worden: Zunächst als "Ur"Version "Ich lerne Englisch" (BA 10/97). Dann, 2001 im Gondrom Verlag, als "Mein erstes großes Englisch Bildwörterbuch", ISBN 3811218697, (nicht besprochen, inzwischen nicht mehr erhältlich). Der GondromVerlag baute den Titel auch als ganze Reihe aus, u.a. "Mein erstes großes Italienisch Bildwörterbuch", "Mein erstes großes Türkisch Bildwörterbuch" (beide BA 9/03). Mit neuem Cover, etwas kleinformatiger, etwas günstiger, ansonsten unverändert, wird die Reihe nun wieder beim LoeweVerlag herausgegeben. Sprich: Wer bereits eine der beiden oben genannten EnglischBildwörterbücher besitzt, braucht diesen Titel außer als Austausch oder Staffelexemplar demnach nicht zu kaufen. Für alle anderen gilt die sehr positive Bewertung der "UrVersion" immer noch trotz der inzwischen größeren Anzahl von Konkurrenzprodukten . So kann vorliegender Titel jetzt neben dem etwas umfangreicheren "Bildwörterbuch Englisch" von Langenscheidt (BA 7/03) vorbehaltlos empfohlen werden. . In Themen wie Familie, Alltag, Freizeit etc. wird ein Wortschatz von rund 800 Wörtern vermittelt. Ab 6.
