Dark Rise C. S. Pacat 2021-09-28 * Instant New York Times Bestseller * Indie Bestseller * In this stunning new fantasy novel from international bestselling author C. S. Pacat, heroes and villains of a long-forgotten war are reborn and begin to draw new battle lines. This epic fantasy with high-stakes romance will sit perfectly on shelves next to beloved fantasy novels like the Infernal Devices series, the Shadow and Bone trilogy, and the Red Queen series. Sixteen-year-old dock boy Will is on the run, pursued by the men who killed his mother. Then an old servant tells him of his destiny to fight beside the Stewards, who have sworn to protect humanity if the Dark King ever returns. Will is thrust into a world of magic, where he starts training for a vital role in the oncoming battle against the Dark. As London is threatened and old enmities are awakened, Will must stand with the last heroes of the Light to prevent the fate

that destroyed their world from returning to destroy his own. Like V.E. Schwab's *A Darker Shade of Magic* and Shelby Mahurin's *Serpent & Dove*, *Dark Rise* is more than just high intrigue fantasy—it's fast-paced, action-packed, and completely surprising. Readers will love exploring the rich setting of nineteenth-century London. This thrilling story of friendship, deception, loyalty, and betrayal is sure to find a passionate audience of readers.

A Mind of Its Own: How Your Brain Distorts and Deceives Cordelia Fine
2008-06-17 "Provocative enough to make you start questioning your each and every action."—Entertainment Weekly The brain's power is confirmed and touted every day in new studies and research. And yet we tend to take our brains for granted, without suspecting that those masses of hard-working neurons might not always be working for us. Cordelia Fine introduces us to a brain we might not want to meet, a brain with a mind of its own. She illustrates the brain's tendency toward self-delusion as she explores how the mind defends and glorifies the ego by twisting and warping our perceptions. Our brains employ a slew of inborn mind-bugs and prejudices, from hindsight bias to unrealistic optimism, from moral excuse-making to wishful thinking—all designed to prevent us from seeing the truth about the world and the people around us, and about ourselves.

Modern Brazilian Portuguese Grammar Workbook John Whitlam 2017-03-16 The second edition of *Modern Brazilian Portuguese Grammar Workbook* is an innovative book of exercises and language tasks for all learners of Brazilian Portuguese. The book is divided into two sections: • Part A provides exercises based on essential grammatical structures • Part B practises everyday functions (e.g. making social contact, asking questions and expressing needs). A comprehensive answer key at the back of the book enables you to check on your progress. The *Modern Brazilian Portuguese Grammar Workbook* is ideal for all learners who have a basic knowledge of Brazilian Portuguese, including undergraduates taking Brazilian Portuguese as a major or minor part of their studies, as well as intermediate and advanced school, adult education and self-study students. While primarily intended for use in conjunction with *Modern Brazilian Portuguese Grammar: A Practical Guide*, it can also serve as an independent resource.

second edition of this popular course for beginners is easy to use and completely up-to-date. Based on Portuguese as used in Brazil, it includes a new chapter on the internet and mobile phones, as well as an updated vocabulary section. Dialogues and exercises focus on the everyday spoken and written forms of the language. Specially written by experienced teachers for self-study and class use, it offers a step-by-step approach to written and spoken Portuguese of Brazil. These two 60-minute cassettes, recorded by native speakers, accompany the book and will help perfect your listening and pronunciation skills.

Testosterone Rex: Myths of Sex, Science, and Society Cordelia Fine 2017-01-24
“Beliefs about men and women are as old as humanity itself, but Fine’s funny, spiky book gives reason to hope that we’ve heard Testosterone rex’s last roar.”
–Annie Murphy Paul, New York Times Book Review Many people believe that, at its core, biological sex is a fundamental force in human development. According to this false-yet-familiar story, the divisions between men and women are in nature alone and not part of culture. Drawing on evolutionary science, psychology, neuroscience, endocrinology, and philosophy, Testosterone Rex disproves this ingrained myth and calls for a more equal society based on both sexes’ full human potential.

Twenty Years Later Charlie Donlea 2021-12-28 “Excellent...Donlea tells a propulsive tale.” – The New York Times The New York Times Best Thrillers This Season | E! News Recommended Books | Overdrive Biggest Books of the Month Fans of Verity by Colleen Hoover won’t want to miss this thrilling new suspense novel from the #1 internationally bestselling author of The Girl Who Was Taken! Hiding her own dark past in plain sight, a TV reporter is determined to uncover the truth behind a gruesome murder decades after the investigation was abandoned. But TWENTY YEARS LATER, to understand the present, you need to listen to the past... Avery Mason, host of American Events, knows the subjects that grab a TV audience’s attention. Her latest story—a murder mystery laced with kinky sex, tragedy, and betrayal—is guaranteed to be ratings gold. New DNA technology has allowed the New York medical examiner’s office to make its first successful identification of a 9/11 victim in years. The twist: the victim, Victoria Ford, had been accused of the gruesome murder of her married lover. In a chilling last phone call to her sister, Victoria begged her to prove her innocence. Emma Kind has waited twenty years to put her sister to rest, but closure won’t be complete until she can clear Victoria’s name. Alone she’s had no luck, but she’s convinced that Avery’s connections and fame will help. Avery, hoping to negotiate a more lucrative network contract, goes into investigative overdrive. Victoria had been having an affair with a successful novelist, found hanging from the balcony of his Catskills mansion. The rope, the bedroom, and the entire crime scene was covered in Victoria’s DNA. But the twisted puzzle of Victoria’s private life is just the beginning. And what Avery doesn't realize is that there are other players in the game who are interested in Avery’s own secret past—one she has kept hidden from both the network executives and her television audience. A secret she thought was dead and buried . . . Accused of a brutal murder, Victoria Ford made a final chilling

call from the North Tower on the morning of 9/11. Twenty years ago, no one listened. Today, you will. "Breathtaking pacing and clever plot twists."
–Publishers Weekly "An entertaining thriller...surprises lurking around every corner."
–Kirkus Reviews "A superb storyteller." –Robert Dugoni, New York Times bestselling author

Pois não Antônio Roberto Monteiro Simões 2010-01-01 Spanish speakers can learn Brazilian Portuguese much more rapidly than any other language, and thousands of students have used Antônio Simões's text/workbook *Com licença: Brazilian Portuguese for Spanish Speakers* to make the transition between the two languages. Recognizing the need for a text that incorporates current cultural references and the latest language pedagogy, Simões now offers *Pois não: Brazilian Portuguese Course for Spanish Speakers, with Basic Reference Grammar*. *Pois não* contrasts Portuguese and Spanish, which accomplishes two main goals. It teaches the equivalent of one year of college Portuguese in one semester, three times a week, to Spanish speakers who also have a solid understanding of English. Additionally, the book serves as a basic reference guide to Brazilian Portuguese for the same audience. *Pois não* can be used by students in the classroom or by independent learners. Users of the book may focus on the drills alone, concentrate on both the explanations and drills, or use the book as a reference for consultation only. Answers to all of the exercises are included in the book. A CD containing recordings by native Brazilian speakers of dialogues that appear in the book is included.

As Variedades do Português no Ensino de Português Língua Não Materna Christian Koch 2019-08-12 Nos últimos anos, o ensino das variedades linguísticas tornou-se uma temática importante na didática e linguística aplicada para as línguas estrangeiras. O português como língua policêntrica com uma forte variação diatópica não se exclui deste discurso. Além da questão clássica Que português ensinar e aprender? referindo-se às duas variedades padrão de Portugal e do Brasil, novas perspectivas enfocam o conjunto global das variedades lusófonas e as outras dimensões de variação linguística. Neste volume reúnem-se contributos que abordam a temática em contextos de ensino secundário e superior na Alemanha, em Portugal, na Galiza e em Timor-Leste. Reflexões teóricas, estudos empíricos, análises de manuais e propostas didáticas demonstram a extensão do discurso sobre as variedades no ensino de PLNM.

Agape Agape William Gaddis 2003-09-30 William Gaddis published four novels during his lifetime, immense and complex books that helped inaugurate a new movement in American letters. Now comes his final work of fiction, a subtle, concentrated culmination of his art and ideas. For more than fifty years Gaddis collected notes for a book about the mechanization of the arts, told by way of a social history of the player piano in America. In the years before his death in 1998, he distilled the whole mass into a fiction, a dramatic monologue by an elderly man with a terminal illness. Continuing Gaddis's career-long reflection on those aspects of corporate technological culture that are uniquely destructive of the arts, *Agape Agape* is a stunning achievement from one of the indisputable masters of postwar American fiction.

Rules of Play Katie Salen Tekinbas 2003-09-25 An impassioned look at games and game design that offers the most ambitious framework for understanding them to date. As pop culture, games are as important as film or television—but game design has yet to develop a theoretical framework or critical vocabulary. In *Rules of Play* Katie Salen and Eric Zimmerman present a much-needed primer for this emerging field. They offer a unified model for looking at all kinds of games, from board games and sports to computer and video games. As active participants in game culture, the authors have written *Rules of Play* as a catalyst for innovation, filled with new concepts, strategies, and methodologies for creating and understanding games. Building an aesthetics of interactive systems, Salen and Zimmerman define core concepts like "play," "design," and "interactivity." They look at games through a series of eighteen "game design schemas," or conceptual frameworks, including games as systems of emergence and information, as contexts for social play, as a storytelling medium, and as sites of cultural resistance. Written for game scholars, game

developers, and interactive designers, *Rules of Play* is a textbook, reference book, and theoretical guide. It is the first comprehensive attempt to establish a solid theoretical framework for the emerging discipline of game design.

The Five Graces of Leadership Gary Burnison 2021-12-02 "Protests and violence. Struggles, storms, and shutdowns. Droughts and wildfires. Delta Variant on the rise. Cuba to Jakarta, Haiti to South Africa. Germany and the UK--Brazil and India. Locked up, pent up, people wanting change. As the world tilts on its axis, people are turning to leaders for help and hope, direction and decision. After all, leadership is inspiring others to believe and enabling that belief to become reality. And that takes grace. Whether that crisis be a global pandemic, uncertainty in the state of the economy, a war, or something else, employees often look to their leaders for a sense for more than just direction. And leaders have a responsibility to deliver that 'something more'. They are looked to for hope, comfort, and for reassurance that whatever the crisis may be, they'll all get through it together and that all will be ok. Grace is not just something leaders should have. It's something they MUST have and never has that been more apparent than now. In this book, Gary will breakdown the five main kinds of 'grace' that are required of a leader to make his or her team feel comforted, safe, and guided in the right direction"--

Gabriela, Clove and Cinnamon Jorge Amado 2006-09-12 Ilhéus in 1925 is a booming town with a record cacao crop and aspirations for progress, but the traditional ways prevail. When Colonel Mendonça discovers his wife in bed with a lover, he shoots and kills them both. Political contests, too, can be settled by gunshot... No one imagines that a bedraggled migrant worker who turns up in town--least of all Gabriela herself--will be the agent of change. Nacib Saad has just lost the cook at his popular café and in desperation hires Gabriela. To his surprise she turns out to be a great beauty as well as a wonderful cook and an enchanting boon to his business. But what would people say if Nacib were to marry her? Lusty, satirical and full of intrigue, *Gabriela, Clove and Cinnamon* is a vastly entertaining panorama of small town Brazilian life.

Essentialism Greg McKeown 2014-04-15 NEW YORK TIMES BESTSELLER • More than one million copies sold! Essentialism isn't about getting more done in less time. It's about getting only the right things done. "A timely, essential read for anyone who feels overcommitted, overloaded, or overworked."—Adam Grant Have you ever: • found yourself stretched too thin? • simultaneously felt overworked and underutilized? • felt busy but not productive? • felt like your time is constantly being hijacked by other people's agendas? If you answered yes to any of these, the way out is the Way of the Essentialist. Essentialism is more than a time-management strategy or a productivity technique. It is a systematic discipline for discerning what is absolutely essential, then eliminating everything that is not, so we can make the highest possible contribution toward the things that really matter. for what is Essential, the disciplined pursuit of less empowers us to reclaim control of our own choices about where to spend our precious time and energy—instead of giving others the implicit permission to choose for us. Essentialism is not one more thing—it's a whole new way of doing everything. It's about doing less, but better, in every area of our lives. Essentialism is a movement whose time has come.

Primary and Secondary Education During Covid-19 Fernando M. Reimers 2021-09-14

This open access edited volume is a comparative effort to discern the short-term educational impact of the covid-19 pandemic on students, teachers and systems in Brazil, Chile, Finland, Japan, Mexico, Norway, Portugal, Russia, Singapore, Spain, South Africa, the United Kingdom and the United States. One of the first academic comparative studies of the educational impact of the pandemic, the book explains how the interruption of in person instruction and the variable efficacy of alternative forms of education caused learning loss and disengagement with learning, especially for disadvantaged students. Other direct and indirect impacts of the pandemic diminished the ability of families to support children and youth in their education. For students, as well as for teachers and school staff, these included the economic shocks experienced by families, in some cases leading to food insecurity and in many more causing stress and anxiety and impacting mental health. Opportunity to learn was also diminished by the shocks and trauma experienced by those with a close relative infected by the virus, and by the constraints on learning resulting from students having to learn at home, where the demands of schoolwork had to be negotiated with other family necessities, often sharing limited space. Furthermore, the prolonged stress caused by the uncertainty over the resolution of the pandemic and resulting from the knowledge that anyone could be infected and potentially lose their lives, created a traumatic context for many that undermined the necessary focus and dedication to schoolwork. These individual effects were reinforced by community effects, particularly for students and teachers living in communities where the multifaceted negative impacts resulting from the pandemic were pervasive. This is an open access book.
