Muhammad Ali Mark Collins Jenkins 2007-06-17 Many regard Muhammad Ali simply as "The Greatest" heavyweight of all time. Others admire his battles against racial injustice and religious intolerance. A few just call him "Dad." They are all here in this book—fifty men and women of note coming together to celebrate the man Sports Illustrated crowned "Sportsman of the Century": Angelo Dundee, Ali's trainer; Billy Crystal, actor; Sir Henry Cooper, former British and European heavyweight champion; Bert Sugar, journalist and boxing historian; Hana Ali, Muhammad Ali's daughter; Ferdie Pacheco, Ali's fight doctor; and more. This book will be treasured by anyone who has ever been inspired by "The Greatest." Skyhorse Publishing, as well as our Sports Publishing imprint, is proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. In addition to books on popular team sports, we also publish books for a wide variety of athletes and sports enthusiasts, including books on running, cycling, horseback riding, swimming, tennis, martial arts, golf, camping, hiking, aviation, boating, and so much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Queen of Shadows Waverly Fitzgerald 2020-06-09 In gas-lit Victorian London, a séance uncovers a murder...Isabel Grey, a trance medium, helps London's gentry contact their beloved dead. But she causes a public sensation when her séance at the Society for Scientific Spiritualism goes awry, and Isabel's life is swiftly in jeopardy. Chaos unfolds as Isabel seeks the truth about the séance's revelations: Accusations of murder by an angry spirit. Claims about a secret-and lost-child. Menace in a mansion that seems haunted. Allegations of deception, along with a new murder. Isabel enlists the aid of unlikely allies: a Pre-Raphaelite artist who paints his obsession; a friend from Isabel's Irish orphanage; and a skeptic who suspects Isabel defrauded his mother. With her allies, Isabel races to find the truth, unveiling many people's secrets while seeking peace for a menacing spirit. Waverly Fitzgerald revisits the world of her earlier Victorian romances, this time to create a vivid occult world in London society that resembles the world of the Hermetic Order of the Golden Dawn and its celebrities such as Aleister Crowley and William Butler Yeats.

Principles of Project Planning Don Burks 2017-07 This is a collection of advice and guidance for developers who struggle to plan and execute on projects. Most developers have a directory on a hard drive somewhere full of half-finished projects that were abandoned when things became difficult. Whether you are just learning how to code or a few years into your career and struggling to build side projects on your own, this book will help you. This book isn't for project managers. This book is your project manager. Learn about how to effectively plan the product you're going to build, including topics such as wireframing, ERD, and user stories. Delve into topics such as choosing the right deployment for your app and proper version control practices.
