The Vitamin Cure for Alcoholism Abram Hoffer 2009-04-24 This book can be a godsend for many persons--for those who suffer from alcohol addiction, for their friends and loved ones, and for those in the relevant helping professions. Its central message is that alcoholism is primarily a metabolic disease that should be treated with due consideration of its physiological roots. The old moralistic approach and the more recent behavioral and psychological treatment approaches have a dismal record of failure, largely because they pay little or no attention to the crucial physiological and nutritional needs of alcoholics.

Fundamentals of Human Resources in Healthcare Bruce Fried 2018 Human resources are the bedrock of healthcare organizations. Yet healthcare faces severe staffing shortages, both as a result of the aging population and workforce and because of wide disparities in the geographic distribution of workers. To attract and retain this increasingly scarce resource and to inspire the best from their employees healthcare managers must know how to develop, nurture, and coach their staff for success. Fundamentals of Human Resources in Healthcare takes a back-to-basics approach to workforce management, presenting proven best practices and evidence-based strategies. It sets forth fundamental concepts that will help healthcare managers succeed at the most important and challenging part of their job: managing people. This new edition puts human resources in the context of today s healthcare environment, with all of its rapid, ongoing, and unprecedented changes. Thoroughly revised and updated, it includes: A new chapter on enhancing diversity and inclusion in healthcare organizations Expanded material on physician compensation, including changes in incentives; compensation practices in patient-centered medical homes and accountable care organizations; and challenges in measuring physician productivity Revised and updated content on the legal and regulatory environment of human resources management, including sexual harassment, electronic monitoring and workplace searches, and termination A new chapter on human resources management practices that support quality improvement and patient safety initiatives Current developments in union organizing and union membership in healthcare organizations Written for current and aspiring managers throughout a healthcare organization not just those employed in the human resources department this book establishes a vision in which everyone is a human resources manager.

The Twilight Herald Tom Lloyd 2008 After the shattering events of THE STORMCALLER, the eyes of the Land are on the minor city of Scree, which could soon be obliterated as the new Lord of the Farlan plots his revenge against Scree's rulers. Suffering under an unnatural summer drought and surrounded by volatile mercenary armies that may be its only salvation, the city is a strange sanctuary for a fugitive abbot to flee to, but he is only the first of many to be drawn there. Kings and princes, lords and monsters; all walk the sun-scorched streets while the evenings witness the performance of cruel and subversive plays that work their way into the hearts of the audience. Elite soldiers clash after dark and the city begins to tear itself apart as the sanity of its citizens crumbles, yet even chaos can be scripted. There is a malevolent will at work in Scree and one that has a lesson for the entire Land; nations can be manipulated, prophecies perverted, and Gods denied. Nothing lies beyond the reach of a shadow, and no matter how great a man's power, there some things he cannot be protected from.

The Power of Six Pittacus Lore 2011-08-23 They caught Number One in Malaysia. Number Two in England. And Number Three in Kenya. They tried to catch Number Four in Ohio . . . and failed. I am Number Seven. And I'm ready to fight. I've seen him on the news. Followed the stories about what happened to John Smith. To the world he's a mystery, but to me . . . he's one of us. Nine of us came here, but sometimes I wonder if time has changed us, if we all still believe in our mission. There are six of us left. We're hiding, blending in, avoiding contact with one another, but our Legacies are developing, and soon we'll be ready to fight. Is John Number Four - and is his appearance the sign I've been waiting for? And what about Number Five and Six? Could one of them be the raven-haired girl with the stormy eyes from my dreams? The girl with powers that are beyond anything I could ever imagine? The girl who might be strong enough to bring the six of us together? Praise for Pittacus Lore: 'Tense, exciting, full of energy' Observer 'Relentlessly readable' The Times 'Tense, keeps you wondering' Sunday Times 'Set to eclipse Harry Potter and moody vampires. Pittacus Lore is about to become one of the hottest names on the planet' Big Issue Perfect for fans of The Hunger Games - The Power of Six is the second book in Pittacus Lore's Lorien Legacies series. Cruise Management Alexis Papathanassis 2011-11-03 Increasingly, cruise operators are utilising information and communication technologies (ICTs) to improve service-effectiveness and process efficiency, both on- and off-board. Therefore, it is worth initiating a discussion on the potential and challenges ICTs entail for both cruise operators' back-offices and for cruisers' consumption experiences. This book documents the proceedings of the 1st e-Cruising Conference (Bremerhaven, Germany), which was aimed at discussing the possibilities and applicability of ICTs and mobile services in various aspects of cruise operations. Following a rigorous double-blind review, the best papers were chosen to be incorporated in this volume.

GREP in InDesign Peter Kahrel 2008-10-27 Updated: June 2015. Author Peter Kahrel updated this Short Cut to cover InDesign CC. Several examples have been added, and most examples are now analysed in more detail. Updated: August 2010. Author Peter Kahrel updated this Short Cut to cover InDesign CS5. Updated: November 2009. Author Peter Kahrel updated this Short Cut to address typos and reader comments. GREP (short for "General Regular-Expression Print") is a powerful tool that lets you use wildcards ("jokers") to search and replace text. InDesign's GREP implementation can be used for text and also for formatting codes, finding patterns in text as well as literal text. GREP moves beyond the restrictions that hampered earlier InDesign search features, but unfortunately it does have the reputation of being difficult to master. As with many things, it can be challenging to learn, but, fortunately, a lot can be done with surprisingly simple expressions. The aim of this Short Cut is to show how to create simple but powerful regular expressions.
