Intersections of Religion and Migration Jennifer B. Saunders 2016-09-28 This innovative volume introduces readers to a variety of disciplinary and methodological approaches used to examine the intersections of religion and migration. A range of leading figures in this field consider the roles of religion throughout various types of migration, including forced, voluntary, and economic. They discuss examples of migrations at all levels, from local to global, and critically examine case studies from various regional contexts across the globe. The book grapples with the linkages and feedback between religion and migration, exploring immigrant congregations, activism among and between religious groups, and innovations in religious thought in light of migration experiences, among other themes. The contributors demonstrate that religion is an important factor in migration studies and that attention to the intersection between religion and migration augments and enriches our understandings of religion. Ultimately, this volume provides a crucial survey

of a burgeoning cross-disciplinary, interreligious, and global area of study.

**2020 and Beyond - Prophetic Breaking News 1 of 4 - 65 Prophetic Gifts
Prophecies on World Economies, Politics, Nations, Churches and Track their
Fulfilments to Help You Stay Successful in 2020 and beyond** Ambassador Monday

Ogwuojo Ogbe Imagine what you could do if you knew the future! No doubt each of you has plans for the future, plans for what you will do when you get on the outside. What does the future hold? We go to considerable lengths to find out what the future holds. For instance, we pay people to be meteorologists, so that we can know what the weather will be like in the future. They have limited success – they might get tomorrow’s weather right but things get very inaccurate past 2 or 3 days. What they do is look at the past conditions, track the trend and extrapolate it into the future. But it only works if things continue on as they are doing – no one predicted an earthquake was going to hit. It was a one off, an unexpected event. Things don’t always continue on the way they always have. Sudden, unexpected, out of the ordinary things take place. It is a fallacy to think that the past is the key to the future. The Bible speaks of those who mock the predictions of the Bible of a coming day of judgement: [2 Peter 3:3-4 First of all, you must understand that in these last days some people will appear whose lives are controlled by their own lusts. They will mock you and will ask, “He promised to come, didn’t He? Where is He? Our ancestors have already died, but everything is still the same as it was since the creation of the world!”] Everything carries on the same as it always does – but this is not case. It is impossible to plan unless you know the future. The one who knows the future is at a distinct advantage – in the past rulers and leaders spent considerable resources trying to gain the advantage of knowing the future – they employed astrologers, men who could read omens, examine livers etc. Even today you find the government spends considerable sums getting people to provide fiscal and economic forecasts – they want to know the future. But predicting the future is an inexact science – no one knows! Well not quite. God claims to know the future! [Isaiah 46:9-10 Remember what happened long ago; acknowledge that I alone am God and that there is no one else like Me. From the beginning I predicted the outcome; long ago I foretold what would happen. I said that my plans would never fail, that I would do everything I intended to do.] Isaiah 45:21 Who predicted long ago what would happen? Was it not I, the Lord, the God who saves his people? There is no other god.] In fact the Bible has 100% accuracy record in its predictions of the future. That is pretty impressive! It predicted that the Messiah would come, and minute details of Jesus’ life were written about hundreds of years before hand – they were fulfilled exactly. [Joshua 21:45 Not one of the good promises which the Lord had made to the house of Israel failed; all came to pass.] Everything God promised would happen, took place. [Joshua 23:14 “Now behold, today I am going the way of all the earth, and you know in all your hearts and in all your souls that not one word of all the good words which the Lord your God spoke concerning you has failed; all have been fulfilled for you, not one of them has failed.] What does the Bible say about the future? Not only did it predict the coming of Jesus, it speaks far more frequently about His coming again, His return. One of the big things we know for certain about the future

that Jesus is coming again! [John 14:3 And if I go and prepare a place for you, I will come again and receive you to myself, so that where I am, you may be also.] The Bible describes Jesus going back to heaven: [Acts 1:9-11 After saying this, He was taken up to heaven as they watched Him, and a cloud hid Him from their sight. They still had their eyes fixed on the sky as He went away, when two men dressed in white suddenly stood beside them and said, "Galileans, why are you standing there looking up at the sky? This Jesus, who was taken from you into heaven, will come back in the same way that you saw Him go to heaven."] We don't need to be in the dark about the future, the Bible gives us insight. God has given the body of Christ gifts for equipping and edifying of the body for work of ministry as written In scripture - And He Himself gave some to be apostles, some prophets, some evangelists, and some pastors and teachers, for the equipping of the saints for the work of ministry, for the edifying of the body of Christ. – EPHESIANS 4:11-12 2 Chronicles 20:20 The Message (MSG) 20 They were up early in the morning, ready to march into the wilderness of Tekoa. As they were leaving, Jehoshaphat stood up and said, "Listen Judah and Jerusalem! Listen to what I have to say! Believe firmly in God, your God, and your lives will be firm! Believe in your prophets and you'll come out on top!" Yes., believe His prophets and you shall prosper. In 2020 prophetic Breaking News, we have pulled together for you prophecies from 65 prophetic gifts in the body of Christ to equip you and edify you for the work of ministry for 2020 and beyond. The prediction will also help you in economic decisions, political decision, on how to pray for your nation and also where to work on in the spiritual life. We cannot determine if all prophetic messages are accurate as some can serve as warning which we can pray to avert while others are determined already and cannot be averted. We will encourage you to test the spirit before you take action based on prophecies provided here. We will continue to update you with new prophesies through the year and their fulfilment so stay tuned, stay blessed and stay connected to Him through His body in Jesus name..

Powerful Devices Abimbola Adunni Adelokun 2022-10-14 Powerful Devices studies spiritual warfare performances as an apparatus for disestablishing structures of power and knowledge, and establishing righteousness in their stead. Drawing on performance studies' emphasis on radicality and breaking of social norms as devices of social transformation, the book demonstrates how Christian groups with dominant cultural power but who perceive themselves as embattled wield the ideas of performance activism. Combining religious studies with ethnography, Powerful Devices explores Nigerian Pentecostals and US Evangelicals' praxis of transnational spiritual warfare. By closely studying spiritual warfare prayers as a "device," Powerful Devices shows how the rituals of prayer enable an apprehension of time, paradigms of self-enhancement, and the subversion of politics and authority. A critical intervention, Powerful Devices explores charismatic Christianity's relationship to science and secular authority, technology and temporality, neoliberalism, and reactionary ideology.

Waiting on God Wayne Stiles 2015-08-11 We have all experienced a disconnect between God's promises to us and our everyday reality. We wait, without understanding why. We want to know God's plan so that we can trust it--but God so often hides his plan so that we will trust him. What can we do in the meantime as we are waiting for an answer, a change, or a miracle? With deep compassion, Wayne Stiles helps readers understand why God makes them wait. Unpacking the Old Testament story of Joseph, Stiles shows readers how to find comfort and opportunity in the time between God's promises and his answers, revealing the perspective-altering truth that sometimes when we think we are waiting on God, he is actually waiting on us. Anyone who has felt a disconnect between God's promises and their reality, who doesn't know what God wants them to do next, or who struggles with the brokenness of their world will find in Wayne Stiles a wise and trustworthy guide to finding peace in the pauses.

Fasting for Financial Breakthrough Elmer L. Towns 2002-07-08 Shed a spiritual light on some of the biggest problems facing people today: the need to put the role of money in a proper perspective and to solve financial problems. Elmer Towns states at the outset that this is not the primary purpose of fasting and prayer. Instead, it is all about knowing God. It is not about withdrawing prayer on an as-needed basis from some spiritual ATM kiosk. It is about meditation, studying the Scriptures, and communing with God. When we fast and pray in faith, asking for God's help and provision, He begins to teach us how to become good stewards of what He has provided. Chapter topics include "Fasting to Learn Stewardship," "Why We Have Money Problems," and "A Faith Approach to Fasting for Money." Once we understand why we struggle with money problems, we can do something about it with this practical step-by-step guide.
