[What Your Preschooler Needs to Know](#) Core Knowledge Foundation 2008-12-10 Give your child a smart start with What Your Preschooler Needs to Know Designed for parents to enjoy with children, filled with opportunities for reading aloud and fostering curiosity, this beautifully illustrated anthology offers preschoolers the fundamentals they need to prepare for a happy, productive time in school—and for the rest of their lives. Hundreds of thousands of children have benefited from the acclaimed Core Knowledge Series, developed in consultation with parents, educators, and the most distinguished developmental psychologists. In addition to valuable advice for parents, such as what it means for a child to be ready for kindergarten, special sidebars throughout the book help parents make reading aloud fun and interactive, suggesting questions to ask, connections to make, and games to play to enrich their preschooler's learning experience. Inside you will discover • Favorite poems and rhymes—all beautifully illustrated, to be read and recited together, from Robert Louis Stevenson's "At the Seaside" to limericks by Edward Lear and tongue twisters by Jack Prelutsky, plus fun "clap along!" and "fingerplay" verses that parents and children can act out together • Beloved stories and fables—stories such as "The Three Little Pigs" and the African folktale "Why Flies Buzz" will open whole new worlds of learning and discovery • Visual arts—beautiful reproductions of classic works that foster early appreciation of art history while igniting discussions about shapes, colors, and different styles and media • Music—dozens of songs to sing and dance to, including such "move around" songs as "Head and Shoulders, Knees and Toes" and "The Wheels on the Bus" • History—a delightful introduction to American history, from the first Thanksgiving to Martin Luther King, Jr., with activities and stories parents and children can enjoy together • Science—from exploring the wonder of animals to the physical properties of light, air, and water—fun activities that will let children observe, experience, and enjoy the natural world

[Growing a Growth Mindset](#) Kevin Sheehan 2017-03-16 Growing a Growth Mindset: Unlocking Character Strengths through Children's Literature provides teachers with an innovative approach to teaching children the positive psychology constructs that underlie self-belief, goal motivation, and happiness. Through selected children's books, the book brings to life the latest research and strategies for

developing growth mindset, hope, grit, character strengths, and happiness. Each of these positive psychology constructs is explored through a set of three picture book classics that makes the research understandable to even the youngest learner. The National Council for Social Studies inquiry approach drives each book-driven analysis of the selected stories. This inquiry-based approach is organized around a compelling question and provides a complete outline, including formative and summative questions and assessments, as well as extensions that share this vital learning with parents. Lessons in this book have been created by outstanding teachers and have been field tested in classrooms across the region with extraordinary results.

Beginning Sounds Barbara Gregorich 2018-01-24 Presents plenty of practice for children to recognize the sounds of letters that begin words.

Our Children's Teachers Isla Calder 1971

All Are Welcome Alexandra Penfold 2018-07-10 Join the call for a better world with this New York Times bestselling picture book about a school where diversity and inclusion are celebrated. The perfect back-to-school read for every kid, family and classroom! In our classroom safe and sound. Fears are lost and hope is found. Discover a school where all young children have a place, have a space, and are loved and appreciated. Readers will follow a group of children through a day in their school, where everyone is welcomed with open arms. A school where students from all backgrounds learn from and celebrate each other's traditions. A school that shows the world as we will make it to be. "An important book that celebrates diversity and inclusion in a beautiful, age-appropriate way." - Trudy Ludwig, author of *The Invisible Boy*

Teaching Computational Thinking and Coding to Young Children Bers, Marina 2021-06-25 Computational thinking is a lifelong skill important for succeeding in careers and life. Students especially need to acquire this skill while in school as it can assist with solving a number of complex problems that arise later in life. Therefore, the importance of teaching computational thinking and coding in early education is paramount for fostering problem-solving and creativity. *Teaching Computational Thinking and Coding to Young Children* discusses the importance of teaching computational thinking and coding in early education. The book focuses on interdisciplinary connections between computational thinking and other areas of study, assessment methods for computational thinking, and different contexts in which computational thinking plays out. Covering topics such as programming, computational thinking assessment, computational expression, and coding, this book is essential for elementary and middle school teachers, early childhood educators, administrators, instructional designers, curricula developers, educational software developers, researchers, educators, academicians, and students in computer science, education, computational

thinking, and early childhood education.

81 Questions for Parents Kristen J. Amundson 2021-05-15 This book provides answers to parents everyday questions regarding school.

When It's the Last Day of School Maribeth Boelts 2004 A boy tells how he will change his behavior on the last day of school.

Dear Teacher

Evelyn Del Rey Is Moving Away Meg Medina 2020-09-08 From Newbery Medalist Meg Medina comes the bittersweet story of two girls who will always be each other's número uno, even though one is moving away. A big truck with its mouth wide open is parked at the curb, ready to gobble up Evelyn's mirror with the stickers around the edge . . . and the sofa that we bounce on to get to the moon. Evelyn Del Rey is Daniela's best friend. They do everything together and even live in twin apartments across the street from each other: Daniela with her mami and hamster, and Evelyn with her mami, papi, and cat. But not after today—not after Evelyn moves away. Until then, the girls play amid the moving boxes until it's time to say goodbye, making promises to keep in touch, because they know that their friendship will always be special. The tenderness of Meg Medina's beautifully written story about friendship and change is balanced by Sonia Sánchez's colorful and vibrant depictions of the girls' urban neighborhood.

No More Teaching a Letter a Week Rebecca McKay 2015 "Letter-a-week" may be a ubiquitous approach to teaching alphabet knowledge, but that doesn't mean it's an effective one. In *No More Teaching a Letter a Week*, early literacy researcher Dr. William Teale helps us understand that alphabet knowledge is more than letter recognition, and identifies research-based principles of effective alphabet instruction, which constitutes the foundation for phonics teaching and learning. Literacy coach Rebecca McKay shows us how to bring those principles to life through purposeful practices that invite children to create an identity through print. Children can and should do more than glue beans into the shape of a "B"; they need to learn how letters create words that carry meaning, so that they can, and do, use print to expand their understanding of the world and themselves.

A Letter to My Teacher Deborah Hopkinson 2017-04-04 This funny, touching picture book celebrates the difference a good teacher can make. Written as a thank-you note to a special teacher from the student who never forgot her, this moving story makes a great classroom read-aloud, and a perfect back-to-school gift for students and teachers! Dear Teacher, Whenever I had something to tell you, I tugged on your shirt and whispered in your ear. This time I'm writing a letter. So begins this heartfelt picture book about a girl who prefers running and jumping to listening and learning—and the teacher who gently inspires her. From stomping through creeks on a field trip to pretending to choke when called upon to read aloud, this book's young heroine would be a challenge to any teacher. But this teacher isn't just any teacher. By listening carefully and knowing just the right thing to say, she quickly learns that the girl's unruly behavior is due to her struggles with reading. And at the very end, we learn what this former student is now: a teacher herself. From award winning author Deborah Hopkinson and acclaimed illustrator Nancy Carpenter, this picture book is made to be treasured by both those who teach and those who learn.

Show and Tell Day Anne F. Rockwell 2000-03-01 Ten children share things that are special to them on show-and-tell day at school.

Last Day Blues Julie Danneberg 2013-01-07 Fans of First Day Jitters will love spending the last day of school in Mrs. Hartwell classroom. What do teachers do for summer vacation? Mrs. Hartwell's students worry that their teacher will miss them while they are gone for the summer. The class comes up with a way to make sure Mrs. Hartwell won't be too sad. But Mrs. Hartwell and the other teachers have some plans of their own. Once again Julie Danneberg and Judy Love bring to life the crazy antics of Mrs. Hartwell and her class and show that teachers and students are more alike than we sometimes think.

Words Their Way: Pearson New International Edition Donald R. Bear 2013-07-26 Words Their Way is a hands-on, developmentally-driven approach to word study that illustrates how to integrate and teach children phonics, vocabulary, and spelling skills. Building on its best-selling approach, this edition of Words Their Way continues the phenomenon that has helped thousands of children improve their literacy skills. This Fifth Edition features updated activities, expanded coverage of English learners, and emphasis on progress monitoring. All new classroom videos, an enhanced assessment application tool available on a new Web Resources site, as well as enhanced word sorts, picture sorts and games offer teachers even more tools that will enhance their word study instruction.

Preschool Assessment Marla R. Brassard 2008-09-16 Education.

Goodbye, Vietnam Gloria Whelan 2010-11-24 "When Mai's family discovers that Vietnam government soldiers will soon apprehend her father and grandmother, the family slips away in the night. They trudge through the swamps of the Mekong Delta toward the sea. The gut-wrenching trip to Hong Kong is just another step toward a new life, which the family eventually finds. Whelan's characters are distinctive, and her story is riveting, haunting, and memorable, reflecting the human virtues of determination, hope, love, and courage in the face of the most devastating of circumstances and injustices."--Booklist.

Miss Bindergarten Gets Ready for Kindergarten Joseph Slate 1996 Introduces the letters of the alphabet as Miss Bindergarten and her students get ready for kindergarten.

The Goodbye Book 2015-11-03 From bestselling author Todd Parr, a poignant and reassuring story about loss. Through the lens of a pet fish who has lost his companion, Todd Parr tells a moving and wholly accessible story about saying goodbye. Touching upon the host of emotions children experience, Todd reminds readers that it's okay not to know all the answers, and that someone will always be there to support them. An invaluable resource for life's toughest moments.

Helping Your Students with Homework Nancy Paulu 1998

The Knowledge Gap Natalie Wexler 2020-08-04 The untold story of the root cause of America's education crisis--and the seemingly endless cycle of multigenerational poverty. It was only after years within the education reform movement that Natalie Wexler stumbled across a hidden explanation for our country's frustrating lack of progress when it comes to providing every child with a quality education. The problem wasn't one of the usual scapegoats: lazy teachers, shoddy facilities, lack of accountability. It was something no one was talking about: the elementary school curriculum's intense focus on decontextualized reading comprehension "skills" at the expense of actual knowledge. In the tradition of Dale Russakoff's *The Prize* and Dana Goldstein's *The Teacher Wars*, Wexler brings together history, research, and compelling characters to pull back the curtain on this fundamental flaw in our education system--one that fellow reformers, journalists, and policymakers have long overlooked, and of which the general public, including many parents, remains unaware. But *The Knowledge Gap* isn't just a story of what schools have gotten so wrong--it also follows innovative educators who are in the process of

shedding their deeply ingrained habits, and describes the rewards that have come along: students who are not only excited to learn but are also acquiring the knowledge and vocabulary that will enable them to succeed. If we truly want to fix our education system and unlock the potential of our neediest children, we have no choice but to pay attention.

Young Children 1999

Purposeful Play Kristine Mraz 2016-04-14

First Day Jitters Julie Danneberg 2013-01-07 Everyone knows that sinking feeling in the pit of the stomach just before diving into a new situation. Sarah Jane Hartwell is scared and doesn't want to start over at a new school. She doesn't know anybody, and nobody knows her. It will be awful. She just knows it. With much prodding from Mr. Hartwell, Sarah Jane reluctantly pulls herself together and goes to school. She is quickly befriended by Mrs. Burton, who helps smooth her jittery transition. This charming and familiar story will delight readers with its surprise ending. Fun, energetic illustrations brighten page after page with the busy antics surrounding Sarah Jane. FIRST DAY JITTERS is an enchanting story that is sure to be treasured by anyone who has ever anticipated a first day of school.

Goodbye, School Tonya K. Lippert 2019 Franny takes her time saying goodbye to the only school she has ever attended, remembering everything that has made it special.

Preschool English Learners 2009

When I Feel Scared Cornelia Maude Spelman 2002-01-01 Children often feel afraid. This book, with its comforting words and illustrations, will help children address those fears and learn some new ways to cope with being afraid. First, a little bear describes some of the things that frighten him, like bad dreams or big, tall slides, or when his mother goes away. Sometimes, he just feels scared and doesn't know why! But he learns there are things he can do to make himself feel better. A "Note to Parents and Teachers" reinforces the positive messages in the book.

Our Class is a Family Shannon Olsen 2020-04-07 "Family isn't always your relatives. It's the ones who accept you for who you are. The ones who would do anything to see you smile, and who love you no matter what." -Unknown Teachers do so much more than just teach academics. They build a sense of community within their classrooms, creating a home away from home where they make their students feel safe, included, and loved. With its heartfelt message and colorfully whimsical illustrations, "Our Class is a Family" is a book that will help build and strengthen that class community. Kids learn that their classroom is a place where it's safe to be themselves, it's okay to make mistakes, and it's important to be a friend to others. When hearing this story being read aloud by their teacher, students are sure to feel like they are part of a special family. And currently, during such an unprecedented time when many teachers and students are not physically IN the classroom due to COVID-19 school closures, it's more important than it's ever been to give kids the message that their class is a family. Even at a distance, they still stick together.

Goodbye Brings Hello Dianne White 2018-06-26 Like Bernie Waber's COURAGE and Davis' KINDERGARTEN ROCKS!, this inspiring, vibrantly illustrated gift book is perfect for celebrating life's milestones, both great and small—especially that first day of kindergarten. Child Development and Education Teresa M. McDevitt 2012-08-21 Child Development and Education is a comprehensive child development text written especially for educators. It helps students to translate developmental theories into practical implications for teaching and caring for youngsters with diverse backgrounds, characteristics and needs. The text draws from innumerable theoretical concepts, research studies conducted around the world and the authors' own experiences as parents, teachers, psychologists and researchers to identify strategies for promoting young people's physical, cognitive and social-emotional growth. In this Australian edition, contemporary Australian and New Zealand research has been highlighted, and local educational structures, philosophies and controversies have been reflected.

Goodnight Moon Margaret Wise Brown 2016-11-08 In this classic of children's literature, beloved by generations of readers and listeners, the quiet poetry of the words and the gentle, lulling illustrations combine to make a perfect book for the end of the day. In a great green room, tucked away in bed, is a little bunny. "Goodnight room, goodnight moon." And to all the familiar things in the softly lit room—to the picture of the three little bears sitting on chairs, to the clocks and his socks, to the mittens and the kittens, to everything one by one—the little bunny says goodnight. One of the most beloved books of all time, Goodnight Moon is a must for every bookshelf and a time-honored gift for baby showers and other special events.
