You may not be perplexed to enjoy all book collections prewrath a very short introduction to the great t that we will extremely offer. It is not almost the costs. Its roughly what you infatuation currently. This prewrath a very short introduction to the great t, as one of the most full of zip sellers here will entirely be accompanied by the best options to review.

*Silence in Heaven* Gordon Lawrence 2016-03 In this groundbreaking new book by Gordon and Sandra Lawrence, the complex mysteries of Revelation are divided into SEVEN BASIC STAGES in an attempt to provide the reader with a comprehensive view of past history and future prophecy. It is the author's hope to paint a realistic picture of the second coming of Christ, and to prepare the next generation of Christians for inevitable persecution and unprecedented global crisis. Section 1, Chapters 1-4 provide critical background information: Israel, The Apple of God's eye; The Spirit of Amalek; Daniel, Man of Prophecy; The Olivet Discourse; Section 2, Chapters 1-7 outline the book of Revelation as follows: The Beginning of Birth Pangs; The Tribulation; Gathering His Church; The Wrath of God Begins; The Day of Atonement; The Millennium; The New Jerusalem; Lawrence addresses what he calls 'the great theological debate of the 21st century': the issue of the Pre-Tribulation Rapture vs the Pre-Wrath rapture of the Church. The Day of Atonement chapter provides unique scriptural insight called: The Journey of the Mighty Angel. The author describes this book as: expository, encyclopedic and editorial. The reader will delight, perhaps for the first time, in learning the systematic progression of events that break the code of end-time mystery. Be prepared to learn new truth from the pages of scripture. A great tool for small group study!

A False Kind of Christianity Dan Jensen 2017-06-15 In this work, Dan Jensen offers the conservative Evangelical community a no-nonsense assessment of the growing and aggressive progressive Christian movement. Jensen provides two chapters of personal testimony, a short overview of the history behind the progressive Christian movement, a brief summary of the teachings of the movement, and then he clearly elucidates the fact that the progressive Christian possesses absolutely no biblical foundation. Jensen makes it clear why this movement must be countered by conservative Evangelicals.

Dispensationalism Michael Joseph Vlach 2016-08-10

**Who Will Face the Tribulation?** Tim LaHaye 2016-08-30 Unravel One of the Biggest Mysteries of the End Times Will Christians go through the tribulation? Is there any way for you to know for sure? The battle of beliefs about the timing of the rapture is becoming more intense. But what the Bible says about the future doesn't need to be confusing. People have been baffled about the pre-, mid-, and post-tribulation views. *Who Will Face the Tribulation?* carefully unravels the confusion, offering greatly needed clarity. With scholarly research, bestselling author Tim LaHaye uses God's Word to provide helpful and

compelling answers to those questions so you can understand when the rapture will occur. In this book, you'll find solid explanations for why the rapture happens before the tribulation the keys to interpreting Bible prophecy correctly timelines and charts that give a clear picture of the end-times Get excited about Christ's return in this highly readable and informative study of the rapture.

**Afghanistan - Culture Smart!** Nazes Afroz 2013-12-01 Afghanistan is situated at the crossroads of Asia, a strategically important location that connects the Middle East with Central Asia and the Indian subcontinent. Down the ages it has been subjected to continuous foreign invasion and intervention—from Alexander the Great to Genghis Khan, and as a pawn in the struggle between the British and Russian Empires—making its people wary of outsiders. That history is being repeated in the twenty-first century. Afghanistan has always been seen from the outside as a realm of much intrigue and many myths. The Afghans tried to keep their distance from the outside world—especially from the Europeans who, whether in pursuit of imperial goals or simply as explorer-travelers, attempted to enter and traverse the land. Their very elusiveness attracted Westerners to this landlocked country of high mountains and breathtaking beauty, where age-old customs and traditions were zealously guarded, sometimes at the cost of many lives. The Afghan people are a tapestry of ethnicities woven over time—Pashtuns, Tajiks, Hazaras, Uzbeks, and many smaller ones. Society is organized mainly along ethnic and tribal lines, but ethnic identity becomes irrelevant when a common enemy threatens to take control of the country. There are also many shared values and unwritten codes of conduct that govern interpersonal relations, which are not taken lightly. Visitors are struck by the simplicity, hospitality, dignity, and generosity of the Afghan people, and often confounded by customs that they find hard to understand. Culture Smart! Afghanistan is a unique introduction to the background, habits, traditions, idiosyncrasies, suspicions about foreigners, and patterns of behavior of the Afghan people. It offers visitors invaluable information and insights that will help them to interact with Afghans, to interpret their behavior, and to behave appropriately in their company, whether in personal or business exchanges. Once the ice is broken, the rewards will be great.

The Last Shofar! Joseph Lenard 2014-01 Dark clouds of global turmoil are causing many to question if the end is near. The Last Shofar examines ancient biblical Feasts of the Lord that reveal God's timing for the Second Coming of Christ and how it all ends. Its message to the Church is clear-get ready The Last Shofar is a unique practical guide to prepare for the end times. Chapter-based questions help the reader and small groups engage critical themes. "Most highly recommended Devoutly honoring Scripture as the Word of God, meticulously researched in an area that has received scant attention from Biblical scholars, this book has the potential to dramatically enlighten prophecies of the end times." Larry H. Ellis, D.Div., formerly The Chaplain, United States Marine Corps "A vital contribution-The Last Shofar brings to the church a new understanding of God's plan for ushering in the Millennial Kingdom. Believers will do well to study this groundbreaking exposition of scriptural truth for guidance and encouragement as we prepare to meet our Lord in the air and abide with Him forever." Donald B. Benson, Ph.D., M.S., M.Div., Director-The Kingdom Curriculum Project "A wake-up call" to every believer The Last Shofar sounds a clarion call to the church at large to prepare-to make ourselves ready for the challenging days preceding our Savior's return. Lenard and Zoller succinctly set forth this urgent message applicable to every believer." Marilyn Lake Griffin, Director-Ministries of New Life Dr. Joseph Lenard and Donald Zoller have spent a lifetime studying, researching and teaching biblical themes that impact, encourage and build-up the body of Christ. The disciplines of their medical and scientific backgrounds contribute to careful investigation of biblical truth as seen in The Last Shofar Further information about the authors is found at the end of the book and on their website ([www.thelastshofar.net](http://www.thelastshofar.net)).

*The Pre-Wrath Rapture of the Church* Marvin J. Rosenthal 1990 In a readable, informative style, (complete

with twenty-five charts), Rosenthal takes a fresh look at the biblical prophecies concerning end-times events and helps us understand what impact they should have on our daily Christian lives.

The Pre-Wrath Rapture View Renald E. Showers An authoritative biblical critique of the recent pre-wrath rapture theory popularized by Rosenthal and Van Kampen.

The Language of Heaven Sam Storms 2019 What does the gift giver say about the gift He gave? This book will help you overcome the arguments, fears, and anxieties related to this gift. FEATURES AND BENEFITS Shares the author's personal testimony and spiritual journey with speaking in tongues Examines the history of this gift in the church for the past two thousand years Interacts with those who have denied that this gift is valid for today's church Speaks to the relationship between Spirit baptism, Spirit filling, and the gift of tongues Few other issues have separated the church more than the issue of tongues. Sam Storms focuses on this controversial subject with his signature insights to theology and the gifts of the spirit. What does the gift giver say about the gift He gave? Storms seeks to bring balance to this subject in *The Language of Heaven* as he wrestles with this sensitive issue experientially as well as theologically. He ultimately provides a platform to allow God to speak for Himself as he addresses every text of Scripture on the subject and engages with every theological issue that speaking in tongues provokes. As a pastor, Storms knows the questions that the typical churchgoer is asking and provides clear and accessible answers to them all, including: Is the gift of tongues for every Christian or only some? How does the gift of tongues operate in the life of the believer individually in private practice? How does the gift of tongues operate in the corporate assembly of God's church? How is the Christian edified and strengthened by praying in tongues? How do I pray for the gift and prepare my heart to receive it? You can overcome the arguments, fears, and anxieties related to this spiritual gift. Remember, God gives only good gifts, and it is His intention that His church utilize all that He has provided so that we might experience all that He is.

**The Mystery of the Shemitah Updated Edition** Jonathan Cahn 2018-01-09 New York Times Best Seller! Over 2,700 5-Star Reviews From the author that brought you NEW YORK TIMES best sellers *The Book of Mysteries*, *The Harbinger*, and *The Paradigm* with over 3 MILLION copies sold "Rabbi Jonathan Cahn is a Jewish prophet who has been chosen to reveal end-time mysteries—vital material to put the last-days puzzle together!" —Sid Roth | Host, *It's Supernatural!* "The Mystery of the Shemitah is a detailed, compelling, and provocative book for anyone seeking answers to the future of America and the world." —Marcus D. Lamb | Founder, president, Daystar Television Network "The Mystery of the Shemitah is the most amazing thing I have ever read! Brilliant and stunning . . . sobering . . . humbling . . . it is undeniable truth. It is one of the most important books of our lifetime!" —Joseph Farah | Founder, WND The Shemitah occurs every seven years. Has God already given us clues as to WHAT WILL HAPPEN NEXT?

*Ten Lies The Church Tells Women* J Lee Grady 2013-07-29 The gospel was never intended to restrain women from pursuing god or to prevent them from fulfilling their divine destiny. In his revised and updated book, which includes testimonials, Lee Grady boldly proclaims the truth of the gospel: that men and women are appointed by god and empowered by Him. In *10 Lies the Church Tells Women*, readers will discover: Why Jesus went out of His way to minister to and disciple women. Why so many Christian women suffer abusive marriages, and why many pastors don't do anything about the problem. How "the Proverbs 31 woman" has been misinterpreted to deny women opportunities in the workplace.

**Examining the Pre-Wrath Rapture of the Church** Marvin Rosenthal 1994-02-01 This companion workbook to the highly acclaimed *Pre-Wrath Rapture of the Church* helps readers journey--step-by-step--to a new Bible-based understanding of when specific end-times' events will occur and further elaborates

on the crucial points made by Rosenthal in his much-discussed book.

**A Quick Look at the Rapture and the Second Coming** Tim LaHaye 2013-12-01 What is the rapture? When is the second coming? Why is there so much talk about Bible prophecy, and what is it all about? There's no better place to go for clear, specific answers than to God's Word, which is what Bible prophecy expert Tim LaHaye does in this Quick Look guide to the last days. This book, based on decades of careful research, presents a concise picture of the end times. You'll learn about the two most important events to take place in the future—the rapture and second coming—and along the way, discover answers to questions such as... Will Christ's return be literal, or is it merely symbolic? What signs of the last days can we expect to see in the days ahead? How can you be ready for these events?

The Rapture Question John F. Walvoord 2010-12-21 Now completely revised and enlarged, using quotations from the New International Version -- John F. Walvoord's classic work on the Rapture! The Rapture Question examines the four views of the church's role in the tribulation: Partial Raptureism, Pretribulationism, Midtribulationism, and Posttribulationism, with the revised edition particularly discussing the current debate between pretribulationism and posttribulationism. In updating his work, the author also added treatments on the Rapture in the Gospels, in 1 Thessalonians 4, in 1 Thessalonians 5, in 2 Thessalonians, in 1 Corinthians, and in Revelation. A bibliography of current literature plus general and Scripture indexes are included.

**Antichrist Before the Day of the Lord** Alan Kurschner 2013 Many of us have been told that we will be "raptured out of here before the Antichrist arrives." But what if this is wrong? Is this really what the Bible teaches? In this thought-provoking and freshly examined account on the second coming of Christ, Alan Kurschner traces the key topics and passages, providing compelling biblical evidence that the church will first encounter the Antichrist's great tribulation before Christ returns to rapture his people and judge the world. Jesus warns us, "Remember, I have told you ahead of time" (Matt. 24:25). And Paul cautions us, "Let no one in any way deceive you, for that day will not arrive until the apostasy comes first, and the man of lawlessness [Antichrist] is revealed, the son of destruction" (2 Thess. 2:3). Since Jesus and Paul ominously warn us "ahead of time," should this not be an urgent message the church needs to hear? Are we spiritually preparing our hearts to be "overcomers" for what may soon come to pass? Some topics in the book include: Antichrist's Great Tribulation, Jesus' Olivet Discourse, Beginning of Birth Pangs, The Apostasy and Revelation of the Antichrist, The Archangel Michael the Restrainer, The Seven Seals, The Rapture of God's People, Celestial Disturbance Event, Sixth Seal Signals Impending Wrath, The Shekinah Sign, "Gather His Elect", The Thessalonian Letters, Where Do Believers Go after the Rapture?, Four Reasons the Rapture Is in Matthew 24:31, The Jewish Remnant Protected for Future Israel, The Day of the Lord that Jesus Knew, Jesus on Back-to-Back Rapture and Wrath, Seventh Seal Pronounces Wrath, Seven Tormenting Trumpets of God's Wrath, Blitzing Bowls and Battle of Armageddon, Key Terms Related to the Return of Christ, Parallels between Jesus and Paul, Proposed Structure to the Book of Revelation, Expectancy Not Imminency, What Did the Early Church Believe? Also included: Kurschner engages his end-time theology (eschatology) of the prewrath perspective with other positions such as pretribulationism, posttribulationism, and preterism.

Learn the Bible in 24 Hours Chuck Missler 2011-11-28 For those who have tried and failed to follow through on a plan to study the entire Bible, Chuck Missler has the answer. Learn the Bible in 24 Hours is an ideal study aid to help you grasp the big picture of Scripture. Each chapter is designed for study in an hour or less. Features include: Sound, fresh teaching on Scripture Historical and cultural insight into biblical passages Sidebars that highlight the primary concepts of the chapter

**Prewrath** Alan E. Kurschner 2014-06-24 Many of us have been told that we will be "raptured out of here before the Antichrist arrives." But what if this is wrong? Is this really what the Bible teaches? Prewrath: A Very Short Introduction to the Great Tribulation, Rapture, and Day of the Lord is a shortened edition to Alan Kurschner's book Antichrist Before the Day of the Lord: What Every Christian Needs to Know about the Return of Christ. In this book, Kurschner traces the key topics and passages, providing compelling biblical evidence that the church will first encounter the Antichrist's great tribulation before Christ returns to rapture his people and judge the world. Jesus warns us, "Remember, I have told you ahead of time" (Matt. 24:25). And Paul cautions us, "Let no one in any way deceive you, for that day will not arrive until the apostasy comes first, and the man of lawlessness [Antichrist] is revealed, the son of destruction" (2 Thess. 2:3). Since Jesus and Paul ominously warn us "ahead of time," should this not be an urgent message the church needs to hear? Are we spiritually preparing our hearts to be "overcomers" for what may soon come to pass? Some topics in the book include: Antichrist's Great Tribulation, Jesus' Olivet Discourse, Beginning of Birth Pangs, The Apostasy and Revelation of the Antichrist, The Seven Seals, The Rapture of God's People, Celestial Disturbance Event, Sixth Seal Signals Impending Wrath, The Shekinah Sign, "Gather His Elect", Four Reasons the Rapture Is in Matthew 24:31, The Day of the Lord that Jesus Knew, Jesus on Back-to-Back Rapture and Wrath, Seventh Seal Pronounces Wrath, Parallels between Jesus and Paul, Proposed Structure to the Book of Revelation, Expectancy Not Imminency.

Three Views on the Millennium and Beyond Zondervan, 2010-08-10 Is there biblical evidence for a thousand-year earthly kingdom (the Millennium) ruled by Christ before the fulfillment of the new heaven and new earth? Revelation chapter 20 seems to suggest so, but few books of the Bible are so difficult to interpret. And a discussion of the Millennium branches out into many other theological questions about the end times (eschatology): Are these the last days? What must happen before Jesus returns? What part does the church play? This Counterpoints volume compares three views of the Millennium: Premillennial: Christ will come again before this kingdom is established. Postmillennial: our present age represents that kingdom and that the church is and must move toward the fulfillment of this kingdom. Amillennial: a future Millennium is not a literal kingdom, and when Christ returns, he will usher in an immediate new heaven and new earth. Robert B. Strimple, Kenneth L. Gentry Jr., and Craig A. Blaising offer their perspectives, giving their exegetical reasoning. Each of them then responds to the views held by their peers in a respectful and informative setting, making it easy for you to compare their beliefs and gain a better understanding of how this aspect of Christianity's great hope--the return of Jesus--is understood by the church. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

**Exposing the Fallacies of the Pre-Tribulation Rapture** Billy Broadwater 2014-06-18 The Pretribulation Rapture theory has had a foothold on many Christians in America for over a hundred years. This teaching is not allowed to be challenged in many Christian circles. Exposing the Fallacies of the Pretribulation Rapture takes the building blocks of this theory and dismantles them one by one in a serious, thought-provoking analogy of this doctrine. - Is the seven year tribulation really a biblical term? - Is the church literally raptured in Revelation chapter 4? - Are there signs that precede the return of Christ? - Is the rapture really an invisible event? - Are Christians exempt from tribulation? - Where did the true roots of the pretribulation rapture come from? - What does the day of the Lord have to do with the rapture? These questions and many more are answered in Exposing the Fallacies of the Pre-Tribulation Rapture. Not only is there a thorough examination of the rapture, but also a detailed account is given of the numerous discrepancies among leading pretribulation teachers over Bible passages on the second coming. Billy Broadwater's in-depth Bible based research for over twenty-years brings home the truth

about the rapture.

*Roadmap Through Revelation* Rick Schworer 2011-02-01 For those who've picked up Revelation and wondered why Armageddon happens more than once, or which comes first, the Trumpets, the Vials, or the Seals, this is a book that will clearly chart out for you a timeline of events, harmonizing the four accounts of Christ's Second Coming. Whether you are new to Revelation or have studied it for years, you will enjoy the short stories that bring Revelation to life. Experience the faceoff between the two witnesses and the Antichrist at the temple. Watch as a living, breathing statue commands the world to worship the Antichrist and receive his mark. Rejoice as the Messiah rescues His chosen people hiding within the rock city of Petra. This book will help to answer your questions with an in-depth look at the three raptures, the seventy-five days between the Tribulation and the Millennium, the differences between the Red Dragon, the Beast of the Sea, and the Beast of the Earth, and Daniel's Beast; as well as the history of Baal, Nimrod, and Babylon. Rev. 1:3, "Blessed is he that readeth, and they that hear the words of this prophecy, and keep those things which are written therein: for the time is at hand." Book Excerpts: "When I discovered that Revelation is divided up four times, I tried to find a harmony of it. By that I mean a book or commentary that takes all the accounts and examines them separately and then intertwines them. There are several harmonies of the Gospels available, so I thought I could find a harmony of Revelation. I couldn't, and I still haven't. There are several commentaries that touch on the subject, but to the best of my knowledge there are no harmonies of Revelation." - "When Nimrod died, his wife Semiramis claimed that he was now the sun-god. Nimrod, extolled as the sun-god, was Baal. This is the same Baal that the Israelites had problems with throughout their history. It all started with his wife making him out to be a god after his death. Not long after Nimrod's death, his widow Semiramis gave birth to a son named Tammuz, or Bacchus. She claimed that the son was Nimrod reborn, as some kind of messianic savior. The sun and fire became the symbols for Nimrod, the sun-god, and the golden calf became the symbol for Tammuz, the child of Semiramis. Yes, the golden calf problem that Israel had so many times started with this mixed up family..." - "The "pre-wrath" argument teaches that the church is raptured out in the middle of the Tribulation, before the wrath of God is poured out on the Earth. As already stated, this theory ignores the wrath of God in the first half. The only real evidence for this idea is I Cor. 15:52 which refers to us being raptured out at the "last trump." The pre-wrath argument claims that we are raptured out at the Seventh Trumpet in Revelation - which would be this one. The problem is, the last Trumpet in Revelation is at the very end of the Tribulation, meaning, that if we're raptured out at that point we go through all of the wrath of God. In the Old Testament, specifically Numbers 10, trumpets were used to move the camp or to give orders. This is what Paul is referring to. The "last trump" is God's final command to the church on Earth, to "come up hither." - "Why do so many of the commentators call these things bowls? The text always calls them Vials. They don't call the Seals, stamps, or the Trumpets, flutes, but they always insist on calling these things bowls. A vial doesn't even look like a bowl A bowl is something you put bean dip in; a vial is shaped like a Coke bottle. Try dipping your chips in a vial filled with bean dip and you'll see the difference." - "It wouldn't take long for perfect people who never die to fill the Earth with perfect people who will never die. What happens then? Well, there's the entire universe, the new universe that is not cursed..."

**Christmas yet to Come** Kevin D. Perdue M.D. 2022-08-30 When is Christ returning? Is it soon as many prophecy experts predict? Can you even really know? Since the Bible provided an accurate timeline for Christ's first arrival, it seems possible that scripture would also identify when His second coming will occur. A study of the dates and times provided in scripture provides a different and unique look at when and how God may unfold the events of Daniel's 70th week and the return of Christ.

*A Case for Historic Premillennialism* Craig L. Blomberg 2009-02-01 Many evangelical readers who have

Downloaded from [avenza-dev.avenza.com](https://avenza-dev.avenza.com)  
on December 9, 2022 by guest

learned the basics of eschatology from popular authors and more recently from novelists assume that dispensational premillennialism, with its distinctive teachings about the pretribulation rapture of the church, is the only reliable view of the end times and the return of Christ. This volume, however, offers a compelling case for an alternative perspective--one that was widely prevalent throughout church history. The contributors, all respected scholars in their respective fields, suggest that classic premillennialism offers believers a more coherent and viable approach to understanding eschatology. Their studies, which examine eschatology from biblical, theological, historical, and missiological approaches, provide a broadly accessible argument for returning to the perspectives of historic premillennial eschatology.

**Who Will Be Left Behind and When** Dave Bussard 2002-02 In this book, *Who Will Be Left Behind and When?* Dave Bussard takes us back to the Bible to examine what it teaches on the end times and the rapture of the Church. Written in an easy-to-read style, the title critically examines the teaching of the pretribulation theory of the rapture that is the foundation of the *Left Behind* series. Bussard explores the books of Daniel, Matthew, 1 and 2 Thessalonians, and Revelation, and builds a solid case for the timing of the rapture. This is far from another dry book on eschatology. Rather, it is a wake-up call to believers to examine what they believe and to realize the vital importance of our understanding of Christ's return. A proper understanding of the return of Christ affects not only our present spiritual walk, but will have profound consequences for those who will face the final days of this age.

**The Saints Go Up and The Wrath Comes Down** Aaron Eggman 2016-06-19 Looking for a clear, concise, chronological explanation of the coming of Jesus and the rapture? "*The Saints Go Up and the Wrath Comes Down: A Pre-Wrath Perspective on the End Times*" attempts to do just that. It uses Jesus' teachings on his coming in conjunction with Daniel 9:24-27 to create a base timeline that allows for other major end-time passages to be explained and chronologically charted. This book uses 50+ colorful charts and tables in order to visually depict important points explored in the book. The book is broken up into five main parts, which examine Daniel's seventieth 'seven, ' events leading up to the Great Tribulation, the Great Tribulation, the Day of the Lord, and the coming of Jesus. This book is organized in a teaching format which covers crucial end of the age prophecies, focusing on those found in the book of Daniel, Matthew, First and Second Thessalonians, and the book of Revelation. This book also has a free five-part video teaching series that presents the major concepts found in the books (links to these additional resources are found in the book). The video teaching series brings the charts and tables to life through animation. You will be in awe at the majesty of God's easy to understand yet detailed end-time plan. Fall in love with Jesus by learning about His person, His power, and His plan. This book attempts to: -Present a simple, chronological, biblical explanation that every Christian can understand. -Remove the confusion surrounding the biblical events of the coming of Jesus. -Help Christians replace fear with trust in God as they realize God's great power and perfect plan. The book is broken up into five main parts, which examine Daniel's seventieth 'seven, ' Events Leading up to the Great Tribulation, the Great Tribulation, the Day of the Lord, and the Coming of Jesus. As you read, you will be in awe at the majesty of God's easy to understand yet detailed end-time plan. Fall in love with Jesus by learning about His person, His power, and His plan.

*Three Views on the Rapture* Gleason Leonard Archer 1996 This book explores three views on the Rapture--Pre; Mid; and Post-Tribulation.

*Not Afraid of the Antichrist* Michael L. Brown 2019-03-19 Despite the popular theology of our day, Christians should not expect to get out of experiencing the tribulation or the end times. Nowhere in the Bible does the Lord promise us this, say Michael Brown and Craig Keener, two leading, acclaimed Bible scholars. In fact, they say, Jesus promises us tribulation in this world. Yet this is no reason to fear. In this

fascinating, accessible, and personal book, Brown and Keener walk you through what the Bible really says about the rapture, the tribulation, and the end times. What they find will leave you full of hope. God's wrath is not poured out on His people, and He will shield us from it--as he shielded Israel in Egypt during the ten plagues. So instead of taking comfort in what God hasn't promised, take comfort in the words of Jesus: He has overcome the world, and we live in his victory.

**The Returning King** Vern S. Poythress 2000 Noted New Testament scholar Poythress provides an understandable and practical look into Revelation in this insightful commentary. Poythress focuses on Revelation's core message and ensures that its details do not cloud the big picture. He shows Revelation to be a picture book, not a puzzle book, relevant and applicable to the daily lives of Christians.

Revelation 1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

**Overcomer** Kristen Wisen 2009-02-06 Life can change in the blink of an eye. You wake up one morning, go to work and everything is as it should be. But a surprise press conference halfway around the world is all it takes to turn your life inside out. Noah Greer was in the minority. He was actually prepared for that day but no matter how much he tried to warn his friend and fellow church member, Tara refused to listen. Soon she finds herself out of work, unable to provide for herself and under pressure to align with the Federation of World Powers that promises security, peace, and prosperity to all who join. All she would have to do is place a mark of identification on her head. But not just any mark. His mark. The whole world faces the same decision "take the mark or die. As the final days of history race to their biblical conclusion, some are prepared to survive the last days but most are not and even the most careful preparations are not foolproof. *Overcomer* is the second novel by Kristen Wisen, author of *The Appearing*. Following the same international timeline as her first book, Wisen throws the reader ahead in time to the final days before the return of Christ, spinning a tale of faith, love and deception, while also challenging the reader to visit their own beliefs and preparation for this time.

*Four Views on Hell* Zondervan, 2016-03-08 Recent years have seen much controversy regarding a unified Christian doctrine of hell: Do we go to heaven or hell when we die? Or do we cease to exist? Are believers and unbelievers ultimately saved by grace in the end? By focusing on recent theological arguments, *Four Views on Hell: Second Edition* highlights why the church still needs to wrestle with the doctrine of hell. In the fair-minded and engaging Counterpoints format, four leading scholars introduce us to the current views on eternal judgment, with particular attention given to the new voices that have entered the debate. Contributors and views include: Denny Burk – representing a principle of Eternal Conscious Torment John Stackhouse – representing a principle of Annihilationism (Conditional Immortality) Robin Parry – representing a principle of Universalism (Ultimate Reconciliation) Jerry Walls – representing a principle of Purgatory Preston Sprinkle concludes the discussion by evaluating each view, noting significant points of exchange between the essayists. The interactive nature of the volume allows the reader to reflect on the strengths and weaknesses of each view and come to an informed conclusion. **BONUS CONTENT:** Includes entire first edition of *Four Views on Hell* to help readers grasp the history of the discussion and how it has developed over the last twenty years.

**Three Views on the Rapture** Craig A. Blaising 2018-06-26 The rapture--or the belief that Jesus' living followers will, at some point, join him forever while others do not--is an important but contested doctrine among evangelicals. Scholars generally hold one of three perspectives on the timing and circumstances

of the rapture, all of which are presented in this important volume of the Counterpoints series, *Three Views on the Rapture*: Alan D. Hultberg (PhD, Trinity International University and professor of New Testament at Talbot School of Theology) explains the Pre-Wrath view. Craig Blaising (PhD, Dallas Theological Seminary and president of Southwestern Baptist Theological Seminary) defends the Pre-Tribulation view. Douglas Moo (PhD, University of St. Andrews and professor of New Testament at Wheaton College) sets forth the Post-Tribulation view. Each author provides a substantive explanation of his position, which is critiqued by the other two authors. A thorough introduction gives a historical overview of the doctrine of the rapture and its effects on the church. The interactive and fair-minded format of the Counterpoints series allows readers to consider the strengths and weaknesses of each view and draw informed, personal conclusions.

*Four Views on the Book of Revelation* Zondervan, 2010-08-03 Of all the books of the Bible, few are as fascinating or as intimidating as Revelation. Four grim horsemen, the Antichrist, the ten-horned beast, the ultimate battle at Armageddon, the "mark of the beast." It's no wonder that these images have gripped the imagination of so many--and have been variously interpreted as symbolizing everything from Hitler and Gorbachev to credit cards and the Internet. Is the book of Revelation a blueprint for the future? A book of powerful symbolic imagery with warnings for the church? Is it essentially an imaginative depiction of historical events in the first century? *Four Views on the Book of Revelation* explores four interpretations of the book of the Apocalypse: Preterist - a historical interpretation, arguing that most of John's prophecies occurred in the first century, soon after his writing of them. Idealist - a spiritual or symbolic interpretation, arguing that the events in Revelation are not literal, and that apocalyptic literature requires a different approach than the Gospels or Epistles. Classical dispensationalism - a literal interpretation based on a reading of Revelation that pays close attention to the rules of grammar and the separate eras of covenantal history. Progressive dispensationalism - a modification of classical that has its root in the understanding of Christ's reign beginning immediately after the resurrection. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

**The Sign** Robert Van Kampen 2000 Based on the conviction that biblical prophecy will be literally fulfilled, *The Sign* powerfully presents the Bible's teachings concerning the Antichrist's identification and how he will control the world, the sign of the end of the age, the signal of Christ's return, and the church and the Great Tribulation. This revised edition of the concise, sequential overview of the End Times has an urgent message for every Christian.

*The Gospel According to Jesus* John F. MacArthur 2009-05-26 What is authentic faith? *The Gospel According to Jesus* challenges Christians to re-evaluate their commitment to Christ by examining their fruits. MacArthur asks, "What does it really mean to be saved?" He urges readers to understand that their conversion was more than a mere point in time, that, by definition, it includes a lifetime of obedience. John MacArthur tackles the error of "easy-believism" by addressing these questions: Is it possible to accept Jesus as Savior while refusing him as Lord? Can someone truly believe without actually repenting? How do obedience, commitment to Christ, and turning from sin fit together with the truth that we are saved by grace through faith alone? *The Gospel According to Jesus* is just as powerful today as it was more than two decades ago. It is a Scripture-based clarion call for a rejection of the watered-down message that has gained popularity in the church and a return to the gospel Jesus preached. This 20th anniversary edition adds a powerful new chapter to the complete text of the original classic, reinforcing the book's timeless message—that Jesus demands to be both Savior and Lord to all who believe. This

book is compulsory reading for Christians from all walks of life and will help guide you into a deeper relationship with Jesus Christ.

**Answers to Prayer** George Müller 2020-05-10 In this compilation, the editor has endeavored to select those incidents and practical remarks from Mr. Müller's Narratives, that show in an unmistakable way, both to believers and unbelievers the secret of believing in prayer, the manifest hand of a living God and His unfailing response, in His own time and way, to every petition which is according to His will. The careful perusal of these extracts will thus further the great object which Mr. Müller had in view, without the necessity of reading through the various details of his "Narratives," details which Mr. Müller felt bound to give when writing periodically the account of God's dealings with him. \_x000D\_ \_x000D\_ \_x000D\_ \_x000D\_

*When Jesus Became God* Richard E. Rubenstein 2013-08-16 "[A] panoramic view of early Christianity as it developed against the backdrop of the Roman Empire of the fourth century" (Publishers Weekly). The story of Jesus is well known, as is the story of Christian persecutions during the Roman Empire. The history of fervent debate, civil strife, and bloody riots within the Christian community as it was coming into being, however, is a side of ancient history rarely described. Richard E. Rubenstein takes the reader to the streets of the Roman Empire during the fourth century, when a fateful debate over the divinity of Jesus Christ is being fought. Ruled by a Christian emperor, followers of Jesus no longer fear for the survival of their monotheistic faith. But soon, they break into two camps regarding the direction of their worship: Is Jesus the son of God and therefore not the same as God? Or is Jesus precisely God on earth and therefore equal to Him? The vicious debate is led by two charismatic priests. Arius, an Alexandrian priest and poet, preaches that Jesus, though holy, is less than God. Athanasius, a brilliant and violent bishop, sees any diminution of Jesus's godhead as the work of the devil. Between them stands Alexander, the powerful Bishop of Alexandria, who must find a resolution that will keep the empire united and the Christian faith alive. With thorough historical, religious, and social research, Rubenstein vividly recreates one of the most critical moments in the history of religion. "A splendidly dramatic story . . . Rubenstein has turned one of the great fights of history into an engrossing story." —Jack Miles, *The Boston Globe*; author of *God: A Biography*

**Ancient Apocalypse of Ezra** Ken Johnson 2017-05-25 The Ezra Apocalypse is the only non-Catholic book included in the KJV 1611 Apocrypha. It contains many prophecies about the end times. Quoted often by the church fathers of the first and second century AD, this apocalypse reveals the rise of Islam. In chapters 11-12 there is a prophecy of a three-headed eagle symbolizing how the Roman Empire would split into three empires. The empires would die out and leave three kingdoms ruling in the last days. Chapters 15-16 contain a prophecy of the Dragon Nations of Arabia. This Islamic power devastates Syria to the point that Russia must step in to control the issue. This Syrian war sets the stage for the beginning of the Last Days. The book also contains numerous prophecies about the signs of the birth pangs and details about the Rapture of the church, revealing that the end is near. *The SAGE Handbook of Governance* Mark Bevir 2010-12-14 The study of governance has risen to prominence as a way of describing and explaining changes in our world. The SAGE Handbook of Governance presents an authoritative and innovative overview of this fascinating field, with particular emphasis on the significant new and emerging theoretical issues and policy innovations. The Handbook is divided into three parts. Part one explores the major theories influencing current thinking and shaping future research in the field of governance. Part two deals specifically with changing practices and policy innovations, including the changing role of the state, transnational and global governance, markets and

networks, public management, and budgeting and finance. Part three explores the dilemmas of managing governance, including attempts to rethink democracy and citizenship as well as specific policy issues such as capacity building, regulation, and sustainable development. This volume is an excellent resource for advanced students and researchers in political science, economics, geography, sociology, and public administration. Mark Bevir is a Professor of Political Science at the University of California, Berkeley.

The Rapture Richard R. Reiter 1984

**The Bartender's Pride: Book 1 in the Pride Trilogy** TJ Dallas 2019-10-23 This \*erotica follows Lara as she moves to a new city & comes to terms with her desire for another woman; a seductive bartender with a supernatural secret. Semi-finalist for the BBNYA (Book Bloggers Novel of the Year Award) 2020 Lara's world is turned upside down when her boyfriend cheats on her with her best friend and she's forced to move to a new city. Desperate for money, she lands a job in an LGBT nightclub, but her racing heart and inappropriate thoughts about the club's owner, Harry, must have everything to do with the stress she's under. She's not gay. There's something about Harry. She's stunning, cocky, and looks far too good in a shirt and tie, ignoring the fact she's telepathic and can read Lara's emotions like a book. Harry is one of seven managers at the Cardinal, and she has a set of skills that can help Lara, but she has to manage her own feelings about three of the other managers in the meantime-Lust, Gluttony, and Envy. When things go downhill for Lara, can Harry ultimately make her proud of who she is without admitting their deadly secret? Or will Lara's shame, depression, and her homophobic parents, lead her down a path of destruction? \*18+, mature and sexually explicit content, 1 x brief M/F scene, depression/attempted suicide.
