How Long Has This Been Going On Ethan Mordden 2015-04-07 How Long Has This Been Going On? brings together a rich and varied cast of characters to tell the tale of modern gay America in this remarkable epic novel. Beginning in 1949 and moving to the present day, Mordden puts a unique and innovating spin on modern history. An adventurous, adroit, and fascinating novel by one of the finest gay writers of our time.

Rethinking the Gay and Lesbian Movement Marc Stein 2022-11-18 Now in its second edition, Rethinking the Gay and Lesbian Movement provides an accessible overview of an important and transformational struggle for social change, highlighting key individuals and events, influential groups and organizations, major successes and failures, and the movement's lasting effects and unfinished work. Focusing on four decades of social, cultural, and political change in the second half of the twentieth century, Marc Stein examines the changing agendas, beliefs, strategies, and vocabularies of a movement that encompassed diverse actions, campaigns, ideologies, and organizations. From the homophile activism of the 1950s and 1960s through the rise of gay liberation and lesbian feminism in the 1970s to the multicultural and AIDS activist movements of the 1980s, this book provides a strong foundation for understanding gay, lesbian, bisexual, transgender, and queer politics today. This new edition reflects the substantial changes in the field since the book's original publication eleven years ago. Rethinking the Gay and Lesbian Movement will be valued by everyone interested in LGBTQ struggles, the politics of movement activism, and the history of social justice in the United States.

What Was Stonewall? Nico Medina 2019-03-12 How did a spontaneous protest outside of a New York City bar fifty years ago spark a social movement across America? Find out about the history of LGBTQ rights in this Who HQ title. In

the early-morning hours of June 28, 1969, police arrived at the Stonewall Inn's doors and yelled, "Police! We're taking the place!" But the people in this New York City neighborhood bar, members of the LGBTQ community, were tired of being harassed. They rebelled in the streets, turning one moment into a civil rights movement and launching the fight for equality among LGBTQ people in the United States.

The Stonewall Riots Marc Stein 2019-05-07 On the occasion of its fiftieth anniversary, the most important moment in LGBTQ history—depicted by the people who influenced, recorded, and reacted to it. June 28, 1969, Greenwich Village: The New York City Police Department, fueled by bigoted liquor licensing practices and an omnipresent backdrop of homophobia and transphobia, raided the Stonewall Inn, a neighborhood gay bar, in the middle of the night. The raid was met with a series of responses that would go down in history as the most galvanizing period in this country's fight for sexual and gender liberation: a riotous reaction from the bar's patrons and surrounding community, followed by six days of protests. Across 200 documents, Marc Stein presents a unique record of the lessons and legacies of Stonewall. Drawing from sources that include mainstream, alternative, and LGBTQ media, gay-bar guide listings, state court decisions, political fliers, first-person accounts, song lyrics, and photographs, Stein paints an indelible portrait of this pivotal moment in the LGBT movement. In *The Stonewall Riots*, Stein does not construct a neatly quilted, streamlined narrative of Greenwich Village, its people, and its protests; instead, he allows multiple truths to find their voices and speak to one another, much like the conversations you'd expect to overhear in your neighborhood bar. Published on the fiftieth anniversary of the moment the first brick (or shot glass?) was thrown, *The Stonewall Riots* allows readers to take stock of how LGBTQ life has changed in the US, and how it has stayed the same. It offers campy stories of queer resistance, courageous accounts of movements and protests, powerful narratives of police repression, and lesser-known stories otherwise buried in the historical record, from an account of ball culture in the mid-sixties to a letter by Black Panther Huey P. Newton addressed to his brothers and sisters in the resistance. For anyone committed to political activism and social justice, *The Stonewall Riots* provides a much-needed resource for renewal and empowerment.

Chicago After Stonewall St Sukie de la Croix 2021-04-26 From the Author of the groundbreaking Chicago LGBTQ history book, *Chicago Whispers! Chicago After Stonewall: Gay Lib to Gay Life* is by award-winning historian, journalist, and Chicago LGBT Hall of Fame inductee, St Sukie de la Croix - author of the groundbreaking *Chicago Whispers: A History of LGBT Chicago Before Stonewall*. *Chicago After Stonewall* is a detailed account of how LGBTQ Chicagoans responded to the Stonewall Riots. The book pulls together jigsaw pieces of information from many sources, including a wealth of documents held in the McCormick Library of Special Collections at Northwestern University, Evanston, IL, to reveal a picture of a raggle-taggle band of dysfunctional rebels with one cause. In post-Stonewall Chicago, several attempts were made to publish a gay newspaper, but none lasted. The longest was the *Chicago Gay Crusader* with

twenty-six issues, between 1973-1975. However, the paper was irregular and a hangover from the 1960s hippie underground press in style. It wasn't until June 20, 1975, when Grant L. Ford published Volume 1/Number 1 of Chicago Gay Life, that Chicago boasted a professional gay newspaper. However, from the Stonewall Riots until the publication of Chicago Gay Life, there was no reliable source for local gay news, only irregular gay publications like The Paper, Mattachine Midwest Newsletter, or hippie underground/alternative rags, Seed, Kaleidoscope, Reader, and Second City, and college newspapers like Maroon and Roosevelt Torch. This book begins with Stonewall and Henry Weimhoff, a University of Chicago student, and ends with the first issue of Gay Life on June 20, 1975, and an impassioned editorial by Valerie Bouchard for the community to "come together, unite, and focus on similarities and not differences."

Pride: The Story of Harvey Milk and the Rainbow Flag Rob Sanders 2018-04-10 JUNIOR LIBRARY GUILD SELECTION • Celebrate Pride and its iconic rainbow flag-- a symbol of inclusion and acceptance around the world-- with the very first picture book to tell its remarkable and inspiring history! "Pride is a beacon of (technicolor) light." --Entertainment Weekly In this deeply moving and empowering true story, young readers will trace the life of the Gay Pride Flag, from its beginnings in 1978 with social activist Harvey Milk and designer Gilbert Baker to its spanning of the globe and its role in today's world. Award-winning author Rob Sanders's stirring text, and acclaimed illustrator Steven Salerno's evocative images, combine to tell this remarkable - and undertold - story. A story of love, hope, equality, and pride.

Art after Stonewall, 1969-1989 Jonathan Weinberg 2019-04-16 Winner of the 2020 Award for Excellence from the Association of Art Museum Curators, *Art After Stonewall* explores the powerful art that emerged in the wake of the Stonewall Riots and the rise of the LGBTQ liberation movement in the U.S. *Art after Stonewall* reveals the impact of the Lesbian, Gay, Bisexual, and Transgender civil rights movement on the art world. Illustrated with more than 200 works, this groundbreaking volume stands as a visual history of twenty years in American queer life. It focuses on openly LGBT artists like Nan Goldin, Harmony Hammond, Lyle Ashton Harris, Greer Lankton, Glenn Ligon, Robert Mapplethorpe, Catherine Opie, and Andy Warhol, as well as the practices of such artists as Diane Arbus, Jean-Michel Basquiat, and Karen Finley in terms of their engagement with queer subcultures. The Stonewall Riots of June 1969 sparked the beginning of the struggle for gay and lesbian equality, and yet fifty years later, key artists who fomented the movement remain little known. This book tells the stories behind their works--which cut across media, mixing performance, photographs, painting, sculpture, film, and music with images taken from magazines, newspapers, and television.

The Stonewall Reader New York Public Library 2019-04-30 For the fiftieth anniversary of the Stonewall uprising, an anthology chronicling the tumultuous fight for LGBTQ rights in the 1960s and the activists who spearheaded it, with a foreword by Edmund White. Finalist for the Randy Shilts Award for Gay Nonfiction, presented by The Publishing Triangle Tor.com, Best Books of 2019

(So Far) Harper's Bazaar, The 20 Best LGBTQ Books of 2019 The Advocate, The Best Queer(ish) Non-Fiction Tomes We Read in 2019 June 28, 2019 marks the fiftieth anniversary of the Stonewall uprising, which is considered the most significant event in the gay liberation movement, and the catalyst for the modern fight for LGBTQ rights in the United States. Drawing from the New York Public Library's archives, The Stonewall Reader is a collection of first accounts, diaries, periodic literature, and articles from LGBTQ magazines and newspapers that documented both the years leading up to and the years following the riots. Most importantly the anthology spotlights both iconic activists who were pivotal in the movement, such as Sylvia Rivera, co-founder of Street Transvestites Action Revolutionaries (STAR), as well as forgotten figures like Ernestine Eckstein, one of the few out, African American, lesbian activists in the 1960s. The anthology focuses on the events of 1969, the five years before, and the five years after. Jason Baumann, the NYPL coordinator of humanities and LGBTQ collections, has edited and introduced the volume to coincide with the NYPL exhibition he has curated on the Stonewall uprising and gay liberation movement of 1969.

Stonewall Martin Duberman 2019-06-04 The definitive account of the Stonewall Riots, the first gay rights march, and the LGBTQ activists at the center of the movement. "Martin Duberman is a national treasure."—Masha Gessen, The New Yorker On June 28, 1969, the Stonewall Inn, a gay bar in New York's Greenwich Village, was raided by police. But instead of responding with the typical compliance the NYPD expected, patrons and a growing crowd decided to fight back. The five days of rioting that ensued changed forever the face of gay and lesbian life. In Stonewall, renowned historian and activist Martin Duberman tells the full story of this pivotal moment in history. With riveting narrative skill, he re-creates those revolutionary, sweltering nights in vivid detail through the lives of six people who were drawn into the struggle for LGBTQ rights. Their stories combine to form an unforgettable portrait of the repression that led up to the riots, which culminates when they triumphantly participate in the first gay rights march of 1970, the roots of today's pride marches. Fifty years after the riots, Stonewall remains a rare work that evokes with a human touch an event in history that still profoundly affects life today.

Pride Fred W. McDarrah 2019 "The ultimate chronicler of New York's downtown scene, and therefore of a signal moment in gay culture, was Fred W. McDarrah, the first staff photographer and first picture editor of the legendary Village Voice. On the streets in the aftermath of Stonewall, at the first marches, and among the activists and artists who defined the movement through the 1990s, McDarrah's camera engaged with the period's chaos, anger, and intense optimism. As the critic Hilton Als puts in his foreword, McDarrah deserves a lasting place in New York's alternative history not only for his documentation of a world in transformation, but for his work as 'an agent of change himself'-- Cover.

Pride Fred W. McDarrah 2019-05-07 This is the definitive visual account of the

gay liberation movement in New York, following the Stonewall uprising in Greenwich Village in 1969, an event that marked the coming-out of New York's gay community. As a direct outcome of Stonewall, gay pride marches were held in 1970 in San Francisco, Los Angeles, and New York. Fifty years later Pride will be celebrated in thousands of cities across the world.

The Book of Pride Mason Funk 2019-05-21 THE BOOK OF PRIDE captures the true story of the gay rights movement from the 1960s to the present, through richly detailed, stunning interviews with the leaders, activists, and ordinary people who witnessed the movement and made it happen. These individuals fought battles both personal and political, often without the support of family or friends, frequently under the threat of violence and persecution. By shining a light on these remarkable stories of bravery and determination, THE BOOK OF PRIDE not only honors an important chapter in American history, but also empowers young people today (both LGBTQ and straight) to discover their own courage in order to create positive change. Furthermore, it serves a critically important role in ensuring the history of the LGBTQ movement can never be erased, inspiring us to resist all forms of oppression with ferocity, community, and, most importantly, pride

Photography After Stonewall Bill Travis (Photographer) 2019 Through works by 23 photographers, artist statements, and scholarly essays, the catalog explores the themes of body/gender/sexuality; home; family and couples; gays in the military; AIDS; fetish and pulp; and fantasy.

Acorn Yoko Ono 2013-11-19 "It's nearly 50 years ago that my book of conceptual instructions Grapefruit was first published. In these pages I'm picking up where I left off. After each day of sharing the instructions you should feel free to question, discuss, and/or report what your mind tells you. I'm just planting the seeds. Have fun." –Yoko Ono Legendary avant-garde icon Yoko Ono has inspired generations of artists and performers. In Acorn, she offers enchanting and thought-provoking exercises that open our eyes—and all of our senses—to more creative and mindful ways of relating to ourselves, each other, and the planet we cohabit. Throughout this beautifully designed book are 100 black-and-white line drawings by Yoko. Like this legendary woman herself, the book is wildly original, stimulating, and hard to label: Call it purposeful play, call it brain poetry, call it guided motivation, call it Zen-like incantations, call it whatever you want. But read it. Acorn may change the way you experience the world.

Ziggy, Stardust and Me James Brandon 2019-08-06 In this tender-hearted debut, set against the tumultuous backdrop of life in 1973, when homosexuality is still considered a mental illness, two boys defy all the odds and fall in love. The year is 1973. The Watergate hearings are in full swing. The Vietnam War is still raging. And homosexuality is still officially considered a mental illness. In the midst of these trying times is sixteen-year-old Jonathan Collins, a bullied, anxious, asthmatic kid, who aside from an alcoholic father and his sympathetic neighbor and friend Starla, is completely alone. To cope,

Jonathan escapes to the safe haven of his imagination, where his hero David Bowie's Ziggy Stardust and dead relatives, including his mother, guide him through the rough terrain of his life. In his alternate reality, Jonathan can be anything: a superhero, an astronaut, Ziggy Stardust, himself, or completely "normal" and not a boy who likes other boys. When he completes his treatments, he will be normal--at least he hopes. But before that can happen, Web stumbles into his life. Web is everything Jonathan wishes he could be: fearless, fearsome and, most importantly, not ashamed of being gay. Jonathan doesn't want to like brooding Web, who has secrets all his own. Jonathan wants nothing more than to be "fixed" once and for all. But he's drawn to Web anyway. Web is the first person in the real world to see Jonathan completely and think he's perfect. Web is a kind of escape Jonathan has never known. For the first time in his life, he may finally feel free enough to love and accept himself as he is. A poignant coming-of-age tale, *Ziggy, Stardust and Me* heralds the arrival of a stunning and important new voice in YA.

Stonewall David Carter 2010-05-25 The basis of the PBS American Experience documentary *Stonewall Uprising*. In 1969, a series of riots over police action against The Stonewall Inn, a gay bar in New York City's Greenwich Village, changed the longtime landscape of the homosexual in society literally overnight. Since then the event itself has become the stuff of legend, with relatively little hard information available on the riots themselves. Now, based on hundreds of interviews, an exhaustive search of public and previously sealed files, and over a decade of intensive research into the history and the topic, *Stonewall: The Riots That Sparked the Gay Revolution* brings this singular event to vivid life in this, the definitive story of one of history's most singular events. A Randy Shilts / Publishing Triangle Award Finalist "Riveting...Not only the definitive examination of the riots but an absorbing history of pre-Stonewall America, and how the oppression and pent-up rage of those years finally ignited on a hot New York night." - Boston Globe

Queer X Design Andy Campbell 2019-05-07 The first-ever illustrated history of the iconic designs, symbols, and graphic art representing more than 5 decades of LGBTQ pride and activism--from the evolution of Gilbert Baker's rainbow flag to the NYC Pride typeface launched in 2017 and beyond. Organized by decade beginning with Pre-Liberation and then spanning the 1970s through the millennium, *QUEER X DESIGN* will be an empowering, uplifting, and colorful celebration of the hundreds of graphics--from shapes and symbols to flags and iconic posters--that have stood for the powerful and ever-evolving LGBTQ movement over the last five-plus decades. Included in the collection will be everything from Gilbert Baker's original rainbow flag, ACT-UP's Silence = Death poster, the AIDS quilt, and Keith Haring's "Heritage of Pride" logo, as well as the original Lavender Menace t-shirt design, logos such as "The Pleasure Chest," protest buttons such as "Anita Bryant Sucks Oranges," and so much more. Sidebars throughout will cover important visual grouping such as a "Lexicon of Pride Flags," explaining the now more than a dozen flags that represent segments of the community and the evolution of the pink triangle.

The Stonewall Riots Marc Stein 2019-05-07 On the occasion of its fiftieth anniversary, the most important moment in LGBTQ history—depicted by the people who influenced, recorded, and reacted to it. June 28, 1969, Greenwich Village: The New York City Police Department, fueled by bigoted liquor licensing practices and an omnipresent backdrop of homophobia and transphobia, raided the Stonewall Inn, a neighborhood gay bar, in the middle of the night. The raid was met with a series of responses that would go down in history as the most galvanizing period in this country's fight for sexual and gender liberation: a riotous reaction from the bar's patrons and surrounding community, followed by six days of protests. Across 200 documents, Marc Stein presents a unique record of the lessons and legacies of Stonewall. Drawing from sources that include mainstream, alternative, and LGBTQ media, gay-bar guide listings, state court decisions, political fliers, first-person accounts, song lyrics, and photographs, Stein paints an indelible portrait of this pivotal moment in the LGBT movement. In *The Stonewall Riots*, Stein does not construct a neatly quilted, streamlined narrative of Greenwich Village, its people, and its protests; instead, he allows multiple truths to find their voices and speak to one another, much like the conversations you'd expect to overhear in your neighborhood bar. It offers campy stories of queer resistance, courageous accounts of movements and protests, powerful narratives of police repression, and lesser-known stories otherwise buried in the historical record, from an account of ball culture in the mid-sixties to a letter by Black Panther Huey P. Newton addressed to his brothers and sisters in the resistance. For anyone committed to political activism and social justice, *The Stonewall Riots* provides a much-needed resource for renewal and empowerment.

Queering Gay and Lesbian Studies Thomas Piontek 2010-10-01 Queering Gay and Lesbian Studies is a broadly interdisciplinary study that considers a key dilemma in gay and lesbian studies through the prism of identity and its discontents: the field studies has modeled itself on ethnic studies programs, perhaps to be intelligible to the university community, but certainly because the ethnic studies route to programs is well established. Since this model requires a stable and identifiable community, gay and lesbian studies have emphasized stable and knowable identities. The problem, of course is that sexuality is neither stable, tidy, nor developmental. With the advent of queer theory, there are now other perspectives available that frequently find themselves at odds with traditional gay and lesbian studies. In this pioneering new study, Thomas Piontek provides a critical analysis of the development of gay and lesbian studies alongside the development of queer theory, the disputes between them, and criticism of their activities from both in and outside of the gay academic community. Examining disputes about transgenering, gay male promiscuity, popular culture, gay history, political activism, and non-normative sexual practices, Piontek argues that it is vital to queer gay and lesbian studies--opening this emerging discipline to queer critical interventions without, however, further institutionalizing queer theory.

VIRAL: The Fight Against AIDS in America Ann Bausum 2019-06-04 Groundbreaking narrative nonfiction for teens that tells the story of the AIDS crisis in America. Thirty-five years ago, it was a modern-day, mysterious plague. Its earliest victims were mostly gay men, some of the most marginalized people in the country; at its peak in America, it killed tens of thousands of people. The losses were staggering, the science frightening, and the government's inaction unforgivable. The AIDS Crisis fundamentally changed the fabric of the United States. Viral presents the history of the AIDS crisis through the lens of the brave victims and activists who demanded action and literally fought for their lives. This compassionate but unflinching text explores everything from the disease's origins and how it spread to the activism it inspired and how the world confronts HIV and AIDS today.

Pride Matthew Todd 2020-06-23 In June 1969, police raided New York gay bar the Stonewall Inn. Pride charts the events of that night, the days and nights of rioting that followed, the ensuing organization of local members of the community, and the 50+ years since in which activists and ordinary people have dedicated their lives to reversing the global position. Pride documents the milestones in the fight for equality, from the victories of early activists, to the gradual acceptance of the LGBTQ+ community in politics, sports, and the media and the landmark court cases that helped to ban discrimination, permit marriage, and help in the fight for equality. This wide-reaching text covers key figures and notable moments, events, and breakthroughs a wealth of rare images and documents, as well as moving essays from key witnesses to the era. Pride is a unique and comprehensive account of the ongoing challenges facing the LGBTQ community, and a celebration of the equal rights that have been won for many as a result of the sacrifices and passion of this mass movement. Includes personal testimonies from: Travis Alabanza, Bisi Alimi, Georgina Beyer, Jonathan Blake, Deborah Brin, Maureen Duffy, David Furnish, Nan Goldin, Asifa Lahore, Paris Lees, Lewis Oakley, Reverend Troy Perry, Darryl Pinckney, Jake Shears, Judy Shepard, and Will Young.

This Day in June Gayle E. Pitman 2014-05-01 "A picture book illustrating a Pride parade. The endmatter serves as a primer on LGBT history and culture and explains the references made in the story"--

Pride 2019-05-07

We Are Everywhere Matthew Riemer 2019 Have pride in history. A rich and sweeping photographic history of the Queer Liberation Movement, from the creators and curators of the massively popular Instagram account @lgbt_history, released in time for the 50th anniversary of the Stonewall Riots. Through the lenses of protest, power, and pride, *We Are Everywhere* is an essential and empowering introduction to the history of the fight for queer liberation. Combining exhaustively researched narrative with meticulously curated photographs, the book traces queer activism from its roots in late-nineteenth-century Europe--long before the pivotal Stonewall Riots of 1969--to the gender warriors leading the charge today. Featuring more than 300 images from more

than seventy photographers and twenty archives, this inclusive and intersectional book enables us to truly see queer history unlike anything before, with glimpses of activism in the decades preceding and following Stonewall, family life, marches, protests, celebrations, mourning, and Pride. By challenging many of the assumptions that dominate mainstream LGBTQ+ history, *We Are Everywhere* shows readers how they can--and must--honor the queer past in order to shape our liberated future.

PRIDE The New York Times 2019-05-21 A stunning fifty-year visual history of LGBTQ pride marches, parades, and protests, taken from the New York Times photo archives. It began in New York City on June 28, 1969. When police raided the Stonewall Inn—a bar in the Greenwich Village neighborhood, known as a safe haven for gay men—violent demonstrations and protests broke out in response. The Stonewall Riots, as they would come to be known, were the first spark in the wildfire that would become the LGBTQ rights revolution. Fifty years later, the LGBTQ community and its supporters continue to gather every June to commemorate this historic event. Here, collected for the first time by The New York Times, is a powerful visual history of five decades of parades and protests of the LGBTQ rights movement. These photos, paired with descriptions of major events from each decade as well as selected reporting from The Times, showcase the victories, setbacks, and ongoing struggles for the LGBTQ community. “To take in the breadth of [PRIDE’s] contents—to see the scope of LGBTQ+ rights, from the first Christopher Street Day march in 1970 to protests for transgender rights just last year—is to witness the power of visibility firsthand.” —them. “This book is a powerful visual history of five decades of parades and protests for equality. Educational and visually enriching, complete with photos from The New York Times, this book is the perfect companion for any coffee table.” —BookTrib

Pride Fred W. McDarrah 2019-05-07 This is the definitive visual account of the gay liberation movement in New York, following the Stonewall uprising in Greenwich Village in 1969, an event that marked the coming-out of New York's gay community. As a direct outcome of Stonewall, gay pride marches were held in 1970 in San Francisco, Los Angeles, and New York. Fifty years later Pride will be celebrated in thousands of cities across the world.

Pride, New York 2014 Jan Wandrag 2014-09-04 Street portraits of the crowd at the 2014 Gay Pride Parade in New York City by photographer Jan Wandrag. 45 Years after the Stonewall riots ...

Stonewall: Breaking Out in the Fight for Gay Rights Ann Bausum 2015-05-05 That’s the Stonewall. The Stonewall Inn. Pay attention. History walks through that door. In 1969 being gay in the United States was a criminal offense. It meant living a closeted life or surviving on the fringes of society. People went to jail, lost jobs, and were disowned by their families for being gay. Most doctors considered homosexuality a mental illness. There were few safe havens. The Stonewall Inn, a Mafia-run, filthy, overpriced bar in New York City’s Greenwich Village, was one of them. Police raids on gay bars happened

regularly in this era. But one hot June night, when cops pounded on the door of the Stonewall, almost nothing went as planned. Tensions were high. The crowd refused to go away. Anger and frustration boiled over. The raid became a riot. The riot became a catalyst. The catalyst triggered an explosive demand for gay rights. Ann Bausum's riveting exploration of the Stonewall Riots and the national Gay Rights movement that followed is eye-opening, unflinching, and inspiring.

PRIDE Fred W. McDarrah 2019-05-07 PRIDE is back. Fifty years ago this coming June, the Stonewall uprising occurred in Greenwich Village—an event that marked the coming-out of New York's gay community and a refusal by gays to accept underground status that was as important in its way as the Montgomery bus boycott was to the civil rights movement. As a direct outcome of Stonewall, gay pride marches were held in 1970 in San Francisco, Los Angeles, and New York. The ultimate chronicler of New York's downtown scene in that period, and therefore of a signal moment in gay culture, was the late Fred W. McDarrah, the first staff photographer and first picture editor of the legendary Village Voice. In a recent appreciation of the man and his work in The New York Times, "He Was the Visual Voice of the Village Voice," Dwight Garner wrote: "McDarrah had an inflamed curiosity, great feelers and an ability to capture liquid moments. He also had hustle." Twenty-five years ago, to mark Stonewall's 25th anniversary, McDarrah brought out a work that became a classic: Gay Pride: Photographs from Stonewall to Today. That book has long been out of print. Now, scanning from original negatives, OR Books has lovingly re-set and re-designed the book, newly entitled Pride. This edition also includes a number of photographs not in the original and available nowhere else. The forthcoming edition of Pride features a new foreword by Hilton Als (the New Yorker critic, who got his first job from McDarrah) and essays by Allen Ginsberg and Jill Johnston. Its portraits of people and setting are unique, but as Hilton Als puts it, McDarrah deserves a lasting place in New York's alternative history not only for his documentation of a world in transformation, but for his work as "an agent of change himself." Fred W. McDarrah is considered one of the essential chroniclers of alternative New York from the days of the Beats through the 1970s. As the first on-staff photographer for the Village Voice, he was one of the first professionals to photograph artists such as Bob Dylan and Jack Kerouac. McDarrah received a Guggenheim Fellowship for his work in 1972. He died in 2007 in Greenwich Village.

Popular Photography: The Most Iconic Photographs in History Popular Photography 2022-01-25 More than 125 Photos That Changed Our World. Get the fascinating stories behind the greatest pictures ever taken. So said famed French film director Jean-Luc Godard about the incredible moments that can be captured in an image. In the nearly 200 years since the first photograph was taken, the art form has revolutionized history and created eyewitness accounts of what we would not have otherwise seen, from the devastation of war and the brilliance of human achievement to nostalgia's fondest memories. Popular Photography: The Most Iconic Photographs in History highlights more than 125 of the most important images ever taken, from victories to memorials, coronations to

assassinations, iconic moments, groundbreaking discoveries, thrilling comebacks, social revolutions and much more. It's an inspirational look at history and modern society in a way no mere words can explain.

Gay Liberation at 40

Queer Fictions of the Past Scott Bravmann 1997-10-09 In *Queer Fictions of the Past*, Scott Bravmann explores the complexity of lesbian and gay engagement with history and considers how historical discourses animate the present. Characterising historical representations as dynamic conversations between then and now, he demonstrates their powerful role in constructing present identities, differences, politics, and communities. In particular, this is the first book to explore the ways in which lesbians and gay men have used history to define themselves as social, cultural, and political subjects.

Gay Pride Fred W. McDarrah 1994 Fotoboek over de geschiedenis van homobevrijding in de VS sinds Stonewall.

Love and Resistance Jason Baumann 2019 More than one hundred vivid photographs of the LGBTQ revolution--and its public and intimate moments in the 1960s and 70s--that lit a fire still burning today.

Pride Robin Stevenson 2020-03-24 Like the original version, this new edition of *Pride: The Celebration and the Struggle* celebrates the LGBTQ+ community's diversity and the incredible victories of the past 50 years—but it also has a larger focus on activism, the need to keep fighting for equality and freedom around the world and the important role that young people are playing. The new edition has been updated and expanded to include many new Proud Moments and Queer Facts as well as a profile of LGBTQ+ refugees from Indonesia, a story about a Pride celebration in a refugee camp in Kenya and profiles of young activists, including teens from a Gender and Sexuality Alliance organizing Pride in Inuvik and a trans girl from Vancouver fighting for inclusion and support in schools. There is also a section on being an ally, a profile of a family with two gay dads (one of them trans) and much, much more!

Out of the Closet and Onto the Streets Bruce Poli 2016-03-01 The first comprehensive photo documentation of the Gay Pride movement in New York City from the Stonewall Uprising (28 June 1969) to the present day. The Stonewall riots in NYC in 1969 are frequently cited as the first instance in American history when people in the homosexual community fought back against a system that persecuted sexual minorities. They have become the defining event that marked the start of the gay rights movement in the United States and around the world. Suzanne Poli, a Brooklyn native, witnessed that Stonewall and has documented the decades of the gay pride parades in New York since 1970. This book showcases Suzanne Poli's photographs: more than 120 colour and black and white plates illustrating the gay rights movement, as an artistic, social, and political witness inside New York City and providing unique interpretative angles into a reality that is often misunderstood by the wider community. These

images provide an on-the-street insight, exploring the emotional and social topography of a decidedly personal, sexual, social, local, and global phenomenon.

Pride Colors Read-Along Robin Stevenson 2019-03-12 This is an enhanced ebook with a read-along function. Through gentle rhymes and colorful photographs of adorable children, *Pride Colors* is a celebration of the deep unconditional love of a parent or caregiver for a young child. The profound message of this delightful board book is you are free to be whoever you choose to be; you'll always be loved. Celebrated author Robin Stevenson ends her purposeful prose by explaining the meaning behind each color in the Pride flag: red = life, orange = healing, yellow = sunlight, green = nature, blue = peace and harmony, and violet = spirit.

Stonewall Rob Sanders 2019 From Rob Sanders, author of the acclaimed *Pride- The Story of Harvey Milk and the Rainbow Flag*, comes this powerful and timeless true story that will allow young readers to discover the rich and dynamic history of the Stonewall Inn and its role in the gay civil rights movement--a movement that continues to this very day. In the early-morning hours of June 28, 1969, the Stonewall Inn was raided by police in New York City. Though the inn had been raided before, that night would be different. It would be the night when empowered members of the LGBTQ+ community--in and around the Stonewall Inn--began to protest and demand their equal rights as citizens of the United States. Movingly narrated by the Stonewall Inn itself, and featuring stirring and dynamic illustrations, *Stonewall- A Building. An Uprising. A Revolution* is an essential and empowering civil rights story that every child deserves to hear.

The Stonewall Riots Gayle E Pitman 2019-05-14 This book is about the Stonewall Riots, a series of spontaneous, often violent demonstrations by members of the gay (LGBTQ+) community in reaction to a police raid that took place in the early morning hours of June 28, 1969, at the Stonewall Inn in the Greenwich Village neighborhood of Manhattan, New York City. The Riots are attributed as the spark that ignited the LGBTQ+ movement. The author describes American gay history leading up to the Riots, the Riots themselves, and the aftermath, and includes her interviews of people involved or witnesses, including a woman who was ten at the time. Profusely illustrated, the book includes contemporary photos, newspaper clippings, and other period objects. A timely and necessary read, *The Stonewall Riots* helps readers to understand the history and legacy of the LGBTQ+ movement.

We Are Everywhere Matthew Riemer 2019-05-07 Have pride in history. A rich and sweeping photographic history of the Queer Liberation Movement, from the creators and curators of the massively popular Instagram account *LGBT History*. "If you think the fight for justice and equality only began in the streets outside Stonewall, with brave patrons of a bar fighting back, you need to read *We Are Everywhere* right now."—Anderson Cooper Through the lenses of protest, power, and pride, *We Are Everywhere* is an essential and empowering introduction

to the history of the fight for queer liberation. Combining exhaustively researched narrative with meticulously curated photographs, the book traces queer activism from its roots in late-nineteenth-century Europe—long before the pivotal Stonewall Riots of 1969—to the gender warriors leading the charge today. Featuring more than 300 images from more than seventy photographers and twenty archives, this inclusive and intersectional book enables us to truly see queer history unlike anything before, with glimpses of activism in the decades preceding and following Stonewall, family life, marches, protests, celebrations, mourning, and Pride. By challenging many of the assumptions that dominate mainstream LGBTQ+ history, *We Are Everywhere* shows readers how they can—and must—honor the queer past in order to shape our liberated future.
