Blood Curse Maurizio de Giovanni 2013-05-09 Book two in the Commissario Ricciardi series. Ricciardi has visions. He sees and hears the final seconds in the lives of victims of violent deaths. It is both a gift and a curse. It has helped him become one of the most acute and successful homicide detectives in the Naples police force. But all that horror and suffering has hollowed him out emotionally. He drinks too much and sleeps too little. Other than his loyal partner, Brigadier Maione, he has no friends. We're in Naples, 1931. In a working class apartment in the Sanita' neighborhood an elderly woman by the name of Carmela Calise has been viciously beaten to death. Commissario Ricciardi and Brigadier Maione arrive at the scene and start asking questions. No one wants to talk but slowly the neighbors let a few interesting facts slip out. Carmela Calise was moonlighting as a fortuneteller and moneylender. In her decrepit apartment she would receive clients, among them some of the city's rich and powerful, predicting their futures in such a way as to manipulate and deceive. If economic ruin lurked in their futures, Calise was happy to help. For a price, of course. She had many enemies, those who were indebted to her, or had been manipulated by her lies, disappointed by her prophecies or destroyed by her machinations. Murder suspects abound in this atmospheric thriller, and Commissario Ricciardi, one of the most original and intriguing investigators in contemporary crime fiction, has his work cut out for him.

All Around Bustletown: Nighttime Rotraut Susanne Berner 2022-04-05 Bustletown's many fans will delight in this nocturnal return trip, which finds the village's beloved people, animals, and streetscapes as fun and busy as ever. Different Seasons Stephen King 2017-03-28 Four novellas from Stephen King bound together by the changing of seasons, each taking on the theme of a journey with strikingly different tones and characters. This gripping collection begins with "Rita Hayworth and the Shawshank Redemption," in which an unjustly imprisoned convict seeks a strange and startling revenge--the basis for the Best Picture Academy Award-nominee *The Shawshank Redemption*. Next is "Apt Pupil," the inspiration for the film of the same name about top high school student Todd Bowden and his obsession with the dark and deadly past of an older man in town. In "The Body," four rambunctious young boys plunge through the facade of a small town and come face-to-face with life, death, and intimations of their own mortality. This novella became the movie *Stand By Me*. Finally, a disgraced woman is determined to triumph over death in "The Breathing Method."--Provided by publisher.
