The Arrival of B.B. King Charles Sawyer 1982 'Charles Sawyer's biography of B.B. King is, aside from its thorough study of the man's renowned musical achievements, a powerful, honest and admirable chronicle of his life. It is also very entertaining, despite the inevitable tensions and tragedies which are implicit in the lives of Black artists who, like B.B., have to fight wave after wave of bigotry and discrimination regardless of how talented they happen to be.' --Gordon Parks

Frank Martin 1990 This is the first comprehensive introduction in English that deals with work by and about the Swiss composer Frank Martin. It consists of a biography, a cataloging of the composer's works and performances, and a 229-item discography. One bibliography indexes and annotates the most important writings by Frank Martin, deriving from articles, lectures, letters, program notes, and interviews, and another contains critical, substantive articles about Martin and his work written in English, German, French, Dutch, and Italian. More than 25 formal papers in various languages, including some subsequently published dissertations, are referenced and the work concludes with two appendixes and an index.

Victorious Charles Caroline (Cally) Rogers Neill Sehnaoui 2013-03-01 *Victorious Charles: A Ladies' Man* is a fascinating historical account of the lives of the nobility and the poor in 15th Century France, under the reign of King Charles VII. Charles VII was a warrior King who reigned at the time of France's decades-long war against Henry V's England. Charles is also often remembered for his numerous high-profile affairs, including one with the beautiful Agnes Sorel, known at the time as the Dame de Beaute. The book explores Charles' youth, his crazy mother, and the positive influence of his aunt, Yolande d'Aragon. Charles ruled during the time of Joan of Arc, "The Virgin Warrior" who fought valiantly for France in the war. She delivered Orleans from the English, before being burned at the stake after a religious court sentenced her to death, proclaiming her a sorceress. The late Caroline (Cally) Rogers Neill Sehnaoui was born in 1944 in Manchester, NH to a 16th generation American family of English and Scottish descent. Her father was educated at West Point and Princeton, and her mother's ancestor was William Barton Rogers, who founded MIT in 1861.

California and the Civil War Richard Hurley 2017 In the long and bitter prelude to war, southern transplants dominated California government, keeping the state aligned with Dixie. However, a murderous duel in 1859 killed "Free Soil" U.S. Senator David C. Broderick, and public opinion began to change. As war broke out back east, a golden-tongued preacher named Reverend Thomas Starr King crisscrossed the state endeavoring to save the Golden State for the Union. Seventeen thousand California volunteers thwarted secessionist schemes and waged brutal campaigns against native tribesmen resisting white encroachment as far away as Idaho and New Mexico. And a determined battalion of California cavalry journeyed to Virginia's Shenandoah Valley to battle John Singleton Mosby, the South's deadliest partisan ranger. Author Richard Hurley delves into homefront activities during the nation's bloodiest war and chronicles the adventures of the brave men who fought far from home.

Essays in Honour of Michael Bliss E.A. Heaman 2008-03-22 A leading public intellectual, Michael Bliss has written prolifically for academic and popular audiences and taught at the University of Toronto from 1968 to 2006. Among his publications are a comprehensive history of the discovery of insulin, and major biographies of Frederick Banting, William Osler, and Harvey Cushing. The essays in this volume, each written by former doctoral students of Bliss, with a foreword by John Fraser and Elizabeth McCallum, do honour to his influence, and, at the same time, reflect upon the writing of history in Canada at the end of the twentieth century. The opening essays discuss Bliss's career, his impact on the study of history, and his academic record. Bliss himself contributes an autobiographical essay that strengthens our understanding of the business of scholarship, teaching, and writing. In the second section, the contributors interrogate public mythmaking in the relationship between politics and business in eighteenth-, nineteenth-, and twentieth-century Canada. Further sections investigate the relationship between fatherhood, religion, and historiography, as well as topics in health and public policy. A final section on 'Medical Science and Practice' deals with subjects ranging from early endocrinology, lobotomy, the mechanical heart, and medical biography as a genre. Going beyond a collection of dedicatory essays, this volume explores the wider subject of writing social and medical history in Canada in the late twentieth century.

The Cottage Cyclopedia of History and Biography Ed. M. Pierce 1870

The 17th and 18th Centuries Frank N. Magill 2013-09-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history. This is not a who's who. Instead, each entry provides an in-depth essay on the life and career of the individual concerned. Essays commence with a quick reference section that provides basic facts on the individual's life and achievements. The extended biography places the life and works of the individual within an historical context, and the summary at the end of each essay provides a synopsis of the individual's place in history. All entries conclude with a fully annotated bibliography.

Coverage is limited to persons no longer living and includes "explorers, frontiersmen, artists and scientists, craftsmen, inventors, businessmen, surgeons and physicians, feminists, scholars, politicians and statesmen"--Publisher's note.

Odessa: Genius and Death in a City of Dreams Charles King 2011-02-28 "Rich and riveting, complex and compelling, powerful and poetic."—Peter M. Gianotti, *Newsday* In Odessa, the greatest port on the Black Sea, a dream of cosmopolitan freedom inspired geniuses and innovators, from the writers Alexander Pushkin and Isaac Babel to Zionist activist Vladimir Jabotinsky and immunologist Ilya Mechnikov. Yet here too was death on a staggering scale, as World War II brought the mass murder of Jews carried out by the city's Romanian occupiers. Odessa is an elegy for the vibrant, multicultural tapestry of which a thriving Jewish population formed an essential part, as well as a celebration of the survival of Odessa's dream in a diaspora reaching all the way to Brighton Beach.

Charles W. Callow - My Autobiography Charles W. Callow 2014-12-23 Charles William Callow was born in San Francisco, California on October 5, 1921. He grew up in Berkeley with his sister, Jean, and his brother, Merrill. He served in World War II, graduated from UC Berkeley in 1947, and went on to work as an electrical engineer for 39 years. He continues to enjoy his retirement in Walnut Creek, chasing golf balls and jitterbugging to the Big Band music that he loves.

The White King Leanda de Lisle 2017-10-31 From the New York Times bestselling author and master of narrative nonfiction comes the tragic story of Charles I, his warrior queen, Britain's civil wars and the trial for his life. Less than forty years after England's golden age under Elizabeth I, the country was at war with itself. Split between loyalty to the Crown or to Parliament, war raged on English soil. The English Civil War would set family against family, friend against friend, and its casualties were immense--a greater proportion of the population died than in World War I. At the head of the disintegrating kingdom was King Charles I. In this vivid portrait -- informed by previously unseen manuscripts, including royal correspondence between the king and his queen -- Leanda de Lisle depicts a man who was principled and brave, but fatally blinkered. Charles never understood his own subjects or court intrigue. At the heart of the drama were the Janus-faced cousins who befriended and betrayed him -- Henry Holland, his peacocking servant whose brother, the New England colonialist Robert Warwick, engineered the king's fall; and Lucy Carlisle, the magnetic 'last Boleyn girl' and faithless favorite of Charles's maligned and fearless queen. The tragedy of Charles I was that he fell not as a consequence of vice or wickedness, but of his human flaws and misjudgments. *The White King* is a story for our times, of populist politicians and religious war, of manipulative media and the reshaping of nations. For Charles it ended on the scaffold, condemned as a traitor and murderer, yet lauded also as a martyr, his reign destined to sow the seeds of democracy in Britain and the New World.
