The Expectation Effect David Robson 2022-02-15 “As David Robson makes plain in this compelling book, the way we think about the world can profoundly shape how we navigate it. Based in science and packed with smart advice, *The Expectation Effect* will expand your mind—and maybe even extend your life.” —Daniel Pink, New York Times bestselling author of *When, Drive, and To Sell Is Human* A journey through the cutting-edge science of how our mindset shapes every facet of our lives, revealing how your brain holds the keys to unlocking a better you What you believe can make it so. You’ve heard of the placebo effect and how sugar pills can accelerate healing. But did you know that sham heart surgeries often work just as well as placing real stents? Or that people who think they’re particularly prone to cardiovascular disease are four times as likely to die from cardiac arrest? Such is the power and deadly importance of the expectation effect—how what we think will happen changes what does happen. Melding neuroscience with narrative, science journalist David Robson takes readers on a deep dive into the many life zones the expectation effect permeates. We see how people who believe stress is beneficial become more creative when placed under strain. We see how associating aging with wisdom can add seven plus years to your life. People say seeing is believing but, over and over, Robson proves that the converse is truer: believing is seeing. *The Expectation Effect* is not woo-woo. You cannot think your way into a pile of money or out of a cancer diagnosis. But just because magical thinking is nonsense doesn’t mean rational magic doesn’t exist. Pointing to accepted psychology and objective physiology, Robson gives us the practical takeaways we need to improve our fitness, productivity, intelligence, and happiness. Any reader who wants to take their fate into their own hands need only pick up this book.

Intermediate Korean Short Stories Lingo Mastery 2021-08-30 Are you looking for a new Korean challenge after mastering the basics? Welcome to the Intermediate level! The Korean language is constantly advancing and conquering new markets. Whether it's with their television series, their incredible music or simply the culture and tourism, the Korean tongue is currently taking over the world! And we guess that you don't want to be left behind in not understanding and speaking Korean, right? Because of this, we have created the next level of Korean stories for the students who have already surpassed the beginner level: *Intermediate Korean Short Stories*! In this book we have compiled 12 challenging, compelling and fun stories that will allow you to expand your vocabulary, educate you on the culture and give you the tools to boost your grasp of the wonderful Korean tongue. How *Intermediate Korean Short Stories* works: - Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to discover more about the Korean way of life. The last two are even more challenging in length and level for those of you getting ready for Advanced Korean! - The summaries follow the story: a synopsis in Korean and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. Use them if you're having trouble. - At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! - Finally, you'll be provided with a set of tricky questions in Korean, allowing you the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after (and in English), but no cheating! We want you to feel comfortable while mastering the Korean tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of *Intermediate Korean Short Stories* and level up your Korean language learning right now!

Salt and Straw Ice Cream Cookbook Tyler Malek 2019-04-02 Salt & Straw is the brainchild of two cousins, Tyler and Kim Malek, who stumbled into ice cream making. But that stumbling is what made them great. With barely an idea of how to make ice cream, they turned to their friends for advice- chefs, chocolatiers, brewers, and food experts of all kinds, and what came out is an ice cream company that sees new flavors and inspiration everywhere they look. Using a super-simple ice cream base you can make in about the time it takes you to decide on a scoop in their shop, here are dozens of their most beloved, innovative, (and a couple of their most controversial) flavors, like Sea Salt with Caramel Ribbons, Roasted Strawberry and Toasted White Chocolate, Roasted Parsnip and Banana, Buttered Mashed Potatoes and Gravy, and Olde People. But more importantly, this book reveals what they've learned, how to tap your own creativity and how to invent flavors of your own, based on whatever you see around you. Because ice cream isn't just be a thing you eat, it's a way to live.

All Grown Up Vi Keeland 2019-07-08 A new, sexy standalone from #1 New York Times Bestseller, Vi Keeland. When I first encountered Ford Donovan, I had no idea who he was...well, other than the obvious. Young, gorgeous, successful, smart. Did I mention young? If I did, it bears repeating. Ford Donovan was too young for me. Let's back up to how it all started. My best friend decided I needed to start dating again. So, without my knowledge, she set up a profile for me on a popular dating site—one that invited men ages twenty-one to twenty-seven to apply for a date. Those nicknamed Cunnilingus King were told they'd go straight to the top for consideration. The profile wasn't supposed to go live. Another point that bears repeating—it wasn't supposed to. Nevertheless, that's how I met Ford, and we started messaging. He made me laugh; yet I was adamant that because of his age, we could only be friends. But after weeks of wearing me down, I finally agreed to one date only—my first after twenty years of being with my high school sweetheart. I knew it couldn't last, but I was curious about him. Though, you know what they say...curiosity kills the cat. My legs wobbled walking into the restaurant. Ford was seated at the bar. When he turned around, he took my breath away. His sexy smile nearly melted my panties. But...he looked so familiar. As I got closer I realized why. He was the son of the neighbor at our family's summer home. The

boy next door. Only now...he was all man. I hadn't seen him in years. I left the restaurant and planned to put the entire crazy thing behind me. Which I did. Until summer came. And guess who decided to use his family's summer home this year?

Already Enough Lisa Olivera 2022-01-25 "When Lisa Olivera was just a few hours old, she

was abandoned behind a rock near Muir Woods in Northern California. She was found by a man and a woman who were out bird watching with their toddler. Two days later, she was adopted. Growing up, she knew she was adopted. She later discovered she was abandoned. She often wondered about her birth mother, and why her birth mother abandoned her in the woods. Without any answers, Lisa came up with her own: she was not enough as she was. This story wasn't true, but it made sense of a confusing experience. It allowed her to move forward-it felt like the only way. If you, like Lisa, have ever felt like you weren't lovable, or you didn't belong, or like you weren't enough exactly as you are... you are telling yourself the wrong story. With the help of a therapist, Lisa told herself a better story. In this book, she shows you how you can too. This book is about getting honest about our stories and how they affect us-and they affect a lot more than we realize. It's about doing the brave work of reframing our stories so we can choose to show up differently. And it's about getting free by integrating all parts of who you are-the messy and the beautiful-to live a truer, more whole, and more meaningful life. May this book humanize your healing. May this book honor your process. May this book remind you that you are not alone. May this book help you recognize your capacity to reframe and rewrite, to heal, grow, and change, to transform"--

Conjugal Love Alberto Moravia 2020-08-25 To begin with I'd like to talk about my wife. To love means, in addition to many other things, to delight in gazing upon and observing the beloved. --From *Conjugal Love* When Silvio, a rich Italian dilettante, and his beautiful wife agree to move to the country and forgo sex so that he will have the energy to write a successful novel, something is bound to go wrong: Silvio's literary ambitions are far too big for his second-rate talent, and his wife Leda is a passionate woman. This dangerously combustible situation is set off when Leda accuses Antonio, the local barber who comes every morning to shave Silvio, of trying to molest her. Silvio obstinately refuses to dismiss him, and the quarrel and its shattering consequences put the couple's love to the test.

How to Host a Viking Funeral Kyle Scheele 2022-02-08 An inspiring speaker and artist asked 20,000 people around the world to share the regrets they wanted him to burn in a mock Viking ship. This is the story of what he learned about letting go of the pain of the past and embracing the future with hope. Turning 30, artist and speaker Kyle Scheele wanted to do something unusual to mark this milestone. Instead of a birthday bash, he decided to hold a funeral to memorialize the decade of his life that was ending. Building a 16-foot Viking ship out of cardboard, he invited friends to help him set it on fire—a symbolic farewell to his 20s and all the grief, regret, and mistakes that accompanied those years. When video of his Viking funeral went viral, it encouraged many others to let go of past hurts as well. Moved by the response he received, Kyle planned a second funeral (this time with a 30-foot cardboard Viking ship) and asked people to share the things they carried—the bad choices, disappointments, heartaches, and negative thinking that they wanted to lay to rest. He received more than 20,000 responses from around the world—stories both heartbreaking and hilarious, painful and inspiring. In this entertaining and wise book, Kyle reflects on what he discovered about freeing ourselves from the pain of the past, interweaving anecdotes from those who participated with the story of his own journey of renewal. “This story involves multiple Viking funerals, thousands of square feet of cardboard, and enough hot glue to supply your mother-in-law's craft night for the rest of time,” he writes. “But it also involves regret, self-doubt, insecurity, and ultimately, redemption. So buckle up. It's about to get bumpy.” *How to Host a Viking Funeral* is the story of letting go of the people we used to be, but no longer want to be. It's about renewal; where there was once regret there is now blank space—an opportunity for a fresh start.
