Wise Up! Alyce M. McKenzie 2018-05-22 Wise Up! invites the reader to step up to the divine customer service desk and exchange self-sufficiency, self-absorption, self-indulgence, and self-protection for the four virtues of biblical wisdom: the fear of the Lord (faith), the listening heart (compassion), the cool spirit (self-discipline), and the subversive voice (moral courage). An invaluable resource for personal devotion, small

group study, and sermon series, *Wise Up!* is a spiritual manual for navigating the twists and turns of an unpredictable life. The author mines the riches of the Bible's wisdom literature from Proverbs, Job, Ecclesiastes, and the short sayings of the synoptic Jesus. The result is four guiding virtues that can keep our feet from stumbling on the journey to wisdom through the thorniest of paths. McKenzie, the author of several popular books for both clergy and laity, places her profound knowledge of biblical wisdom in conversation with the absurdities, pains, and joys of our everyday lives. She invites wisdom down from the pedestal to accompany the reader on his or her daily rounds. Reading this book, at the same time, soothes the soul and troubles the conscience. It deepens faith, fires compassion, cools destructive desires, and nudges the sleeping conscience awake.

Words of Wisdom Ram Dass 2021-11-23 *Words of Wisdom* is a distillation of the last five decades of Ram Dass's life containing the most powerful quotes from his most resonant core teachings. Ram Dass always had a knack for heart-to-heart transmission. Far before he had a vocabulary to describe his spiritual experiences, he was Richard Alpert, a Harvard professor and early experimenter with psychedelics. After these early soul-expanding journeys, he spoke and wrote about his transcendent experiences with the innate, intuitive understanding of a true inner-voyager. Even before Alpert realized that psychedelics weren't the final answer to enlightenment, he was more interested in cultivating a shared heart space with his patients and friends than he was in the clinical, scientific side of psychedelia. *Words of Wisdom* is a distillation of hundreds of lectures and many hours of audio and video recordings from the last five decades—his core essential teachings. This anthology celebrates the spark that helped to ignite the flame of grace and Loving Awareness in so many hearts. By the end of his life, Ram Dass was a true conduit for soul connection. Wise Thoughts for Every Day Leo Tolstoy 2011-07-01 During the last years of his life, Leo Tolstoy kept one book invariably on his desk, read and reread it to his family, and recommended it to all his friends: a compendium of wise thoughts gathered over the course of a decade from his wide-ranging readings in philosophy and religion, and from his own spiritual meditations. It was banned under the Communists, and only one volume, *A Calendar of Wisdom*, drawn largely from the writings of other famous thinkers, has been published before in English. *Wise Thoughts For Every Day* is the volume comprising Tolstoy's own most essential ideas about spirituality and what it is to live a good life. Designed by Tolstoy to be a cycle of daily readings, this book offers thoughts and aphorisms for every day according to a succession of themes repeated each month--such as God, the soul, desire, our passions, humility, inequality, evil, truth, happiness, prayer, and the blessings of love. At once challenging, comforting, and inspiring, this is a spiritual treasure trove and a book of great human warmth.
