Managerial Accounting 2010 Edition John Wild 2009-01-15 Wild's Managerial Accounting presents the managerial accounting course content using a corporate approach. It features the same student-friendly writing style and learning tools that have enjoyed consistent success with students and instructors using other texts in the Wild series. Also consistent with this series is Managerial Accounting's focus on the "Three C's": • Clear presentation of accounting concepts, • Concise coverage to help students focus on important material, and • Cutting edge technology to engage students and improve their chances for success. The author provides a balance of small and large business examples, integration of new computerized learning tools, superior end-of-chapter materials, and highly engaging pedagogical learning structures. Technology tools such as Connect Accounting provide students with further advantages as they learn and apply key accounting concepts and methods.
