Word Puppets Mary Robinette Kowal 2015-11-03 "Kowal's short works are difficult to classify, often poignant or tragic, and always spectacularly written . . . [sending] readers off on a breathless trip to the stars." - Publishers Weekly (STARRED) Celebrated as the author of five acclaimed historical fantasy novels in the Glamourist series, Mary Robinette Kowal is also well known as an award-winning author of short science fiction and fantasy. Her stories encompass a wide range of themes, a covey of indelible characters, and settings that span from Earth's past to its near and far futures as well as even farther futures beyond. Alternative history, fairy tales, adventure, fables, science fiction (both hard and soft), fantasy (both epic and cozy)-nothing is beyond the reach of her unique talent. WORD PUPPETS-the first comprehensive collection of Kowal's extraordinary fiction-includes her two Hugo-winning stories, a Hugo nominee, an original story set in the world of "The Lady Astronaut of Mars," and fourteen other show-stopping tales.

The Maker Cookbook: Recipes for Children's and Tween Library Programs Cindy Wall 2014-08-28 The Maker Movement is hot, and librarians are eager to participate. Even if you feel restricted by budget, staff, or space, this step-by-step guide will help you turn your library into a creativity center. • Makes it easy for you to host Maker programs for children and tweens—with "No Makerspace Required!" • Provides clear, step-by-step directions for creating new Maker programming or adding Maker elements to an existing program • Offers alternatives that allow you to customize programs according to the resources available • Suggests curricular tie-ins so the programs can be used in a school setting • Includes appendices chock full of supplemental materials such as book-discussion questions, checklists, and other reproducible participant handouts

Sock Puppet Madness Marty Allen 2013 It's a simple equation: old sock + craft foam x glue = a collection of the most amazing incredible, outrageous, awe-inspiring sock puppets you've ever seen. Sock Puppet Madness includes 35 of the most fun, outlandish, off-the-wall and enchanting characters on the planet, and by following the simple step-by-step instructions, you'll be able to put together your own puppet in no time. Take Bawston the ornery cat puppet, for example. He's a baseball fan with a questionable temper, so watch what you say to him. A more friendly guy is Sebastian Metaphor. He may seem aloof with his hipster appearance but behind those sleepy eyes lies a heart of gold. If you're a

sophisticated sort why not have a crack at Penelope Durtlinger, an heiress to a small fortune with an insatiable thirst for power. All the puppets are so simple to create, using just a few readily available materials that cost next to nothing - plus everyone has an old sock they can use, right? So what are you waiting for? Buy this now and make your own collection of sock puppets and join in the fun. And once you've made all the projects, why not create your own characters based on friends and family, too.

The Puppet Masters Robert A. Heinlein 2010-07-27 Now in Mass Market. An Epic Battle Against Mind-Controlling Alien Invaders as Only Robert A. Heinlein, the Best-Selling Grand Master of Science Fiction, Could Tell It. "One of the most influential writers in American literature." —The New York Times Book Review. First came the news that a flying saucer had landed in Iowa. Then came the announcement that the whole thing was a hoax. End of story. Case closed. Except that two agents of the most secret intelligence agency in the U.S. government were on the scene and disappeared without reporting in. And four more agents who were sent in also disappeared. So the head of the agency and his two top agents went in and managed to get out with their discovery: an invasion is underway by slug-like aliens who can touch a human and completely control his or her mind. What the humans know, they know. What the slugs want, no matter what, the human will do. And most of Iowa is already under their control. Sam Cavanaugh was one of the agents who discovered the truth. Unfortunately, that was just before he was taken over by one of the aliens and began working for the invaders, with no will of his own. And he has just learned that a high official in the Treasury Department is now under control of the aliens. Since the Treasury Department includes the Secret Service, which safeguards the President of the United States, control of the entire nation is near at hand .

Puppet Pandemonium Diane Roberts 2009-02-04 Nothing is worse than being the new kid, especially when your only friend is a puppet! If you loved Darci Lynne Farmer on America's Got Talent, you'll love this entertaining story about fitting in, making new friends, and learning to be the star of the show. Goodbye Seattle. Goodbye baseball buddies. Goodbye Gram & her cool puppet shows. Hello, Texas. Baker is sure there isn't anything worse than moving. Except being THE NEW KID. Sure, Gram gave him Waldo, a ventriloquist's dummy, for company -- but a puppet, no matter how funny it is, can't take the place of real friends. Baker is bummed. Until he starts school and discovers that kids in Texas (cowboy hats aside) aren't as different as he thought. And that puppets just might be the key to fitting in. Let the show begin!

The Fake Food Cookbook Tamara Honesty 2018-02-15 *The Fake Food Cookbook: Props You Can't Eat for Theatre, Film, and TV* contains step by step instructions on how to create the most realistic prop food for a theatrical production. Reason Why Advertising - With Intensive Advertising John E. Kennedy 2017-08-18 "ADVERTISING should be judged only by the goods it is conclusively known to sell, at a given cost. Mere opinions on Advertising Copy should be excluded from consideration, because opinions on Advertising are conflicting as opinions on Religion. "But, it is different with Advertising, as it is with Mechanics or with Medicine, all three of which can be conclusively tested. "Many Advertisers, however, seem satisfied to spend their money on mere Opinions about Advertising when they might have invested it on Evidence about Advertising. "When it is anything less than Salesmanship it is not real Advertising, but only 'General Publicity.' And, 'General Publicity' admittedly claims only to 'Keep the Name before the People, ' - to produce a 'General impression on the Trade, ' and to 'Influence Sales' for the salesman. "The only way to judge Advertising is to judge it by the amount of goods It is conclusively known to Sell, at a given cost." Get Your Copy Today.

The Secret Life of Puppets Victoria Nelson 2003-11-01 In one of those rare books that allows us to see the world not as we've never seen it before, but as we see it daily without knowing, Victoria Nelson illuminates the deep but hidden attraction the supernatural still holds for a secular mainstream culture that forced the transcendental underground and firmly displaced wonder and awe with the forces of reason, materialism, and science. In a backward look at an era now drawing to a close, *The Secret Life of Puppets* describes a curious reversal in the roles of art and religion: where art and literature once took their content from religion, we came increasingly to seek religion, covertly, through art and entertainment. In a tour of Western culture that is at once exhilarating and alarming, Nelson shows us the distorted forms in which the spiritual resurfaced in high art but also, strikingly, in the mass culture of puppets, horror-fantasy literature, and cyborgs: from the works of Kleist, Poe, Musil, and Lovecraft to Philip K. Dick and virtual reality simulations. At the end of the millennium, discarding a convention of the demonized grotesque that endured three hundred years, a Demiurgic consciousness shaped in Late Antiquity is emerging anew to re-divinize the human as artists like Lars von Trier and Will Self reinvent Expressionism in forms familiar to our pre-Reformation ancestors. Here as never before, we see how pervasively but unwittingly, consuming art forms of the fantastic, we allow ourselves to believe.

The World Book Encyclopedia 2002 An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

How to Make a Sock Puppet Jillian Powell 2012-06 Let's get creative and have fun! The Age of Surveillance Capitalism Shoshana Zuboff 2019-01-15 The challenges to humanity posed by the digital future, the first detailed examination of the unprecedented form of power called "surveillance capitalism," and the quest by powerful corporations to predict and control our behavior. In this masterwork of original thinking and research, Shoshana Zuboff provides startling insights into the phenomenon that she has named surveillance capitalism. The stakes could not be higher: a global architecture of behavior modification threatens human nature in the twenty-first century just as industrial capitalism disfigured the natural world in the twentieth. Zuboff vividly brings to life the consequences as surveillance capitalism advances from Silicon Valley into every economic sector. Vast wealth and power are accumulated in ominous new "behavioral futures markets," where predictions about our behavior are bought and sold, and the production of goods and services is subordinated to a new "means of behavioral modification." The threat has shifted from a totalitarian Big Brother state to a ubiquitous digital architecture: a "Big Other" operating in the interests of surveillance capital. Here is the crucible of an unprecedented form of power marked by extreme concentrations of knowledge and free from democratic oversight. Zuboff's comprehensive and moving analysis lays bare the threats to twenty-first century society: a controlled "hive" of total connection that seduces with promises of total certainty for maximum profit -- at the expense of democracy, freedom, and our human future. With little resistance from law or society, surveillance capitalism is on the verge of dominating the social order and shaping the digital future -- if we let it.

The Foam Book Drew Allison 1997 Whether you're a beginner to the world of puppet making or an experienced professional puppeteer, The Foam Book was written with you in mind. The Puppet Prince Lavonne Chung 2017-06-29 The time is ripe. Once a globally renowned statesman, Maxwell Hurst has been groomed for his place in history. The implication and installation of the New World Order is at hand even while nations are on the brink of war. Under the leadership of Archbishop Jeffrey Richards, Muslims, Christians, and Jews work relentlessly to pull together knitting a scarlet tapestry to cover the back of the Beast. The Puppet Prince is a look into the secret life of Maxwell Hurst, a man of destiny to be revealed in due time along with the not-so-secret life of his beautiful and popular wife, Marion, and their two children. Observe how the powers-that-be move the pieces into place to create what they perceive to be the salvation of their planet. Just as the hallmark of their plan is set to be implemented, mysterious supernatural messages are received from multitudes of colorful glowing Orbs descending and hovering over the earth. A dire warning is delivered to every man, woman, and child before the Orbs ascend back to the heavens from whence they came. Not to be deterred by these celestial events, Maxwell's elaborate inauguration as the first president of the United States of the World is set to take place in the newly constructed Temple in Jerusalem. With the world in attendance through Telecom, Maxwell is inaugurated by an unexpected celestial being. Her declaration of his royalty shocks the world to the core and all hell breaks loose-literally.
