The Twilight of Equality? Lisa Duggan 2012-04-03 By now, we've all heard about the shocking redistribution of wealth that's occurred during the last thirty years, and particularly during the last decade. But economic changes like this don't occur in a vacuum; they're always linked to politics. *The Twilight of Equality?* searches out these links through an analysis of the politics of the 1990s, the decade when neoliberalism-free market economics-became gospel. After a brilliant historical examination of how racial and gender inequities were woven into the very theoretical underpinnings of the neoliberal model of the state, Duggan shows how these inequities play out today. In a series of political case studies, Duggan reveals how neoliberal goals have been pursued, demonstrating that progressive arguments that separate identity politics and economic policy, cultural politics and affairs of state, can only fail. Ultimately, *The Twilight of Equality?* not only reveals how the highly successful rhetorical maneuvers of neoliberalism have functioned but, more importantly, it shows a way to revitalize and unify progressive politics in the U.S. today.

Prescribee Chia-Lun Chang 2022-11-15 An arch, precise collection of poems that casts world-historical hierarchies in an aspic mold and serves them back to us on a warped platter. Reading *Prescribee* is not dissimilar to the experience of coming across a recipe in a vintage American cookbook: it transforms the familiar ingredients of contemporary life into an uncanny, discomfiting concoction. Wielding English as a foreign language and medium, Chang redefines the history of Taiwan and captures the alienation of immigrant experience with

This course provides the foundation of Coach Simpson's offensive philosophy. His explanations were clear and concise, and the presentations were easy to follow." - Todd Knipp "This is absolutely amazing. Coach Simpson does an excellent job of explaining his system. Whether you're a young coach or an experienced coach this is a must see. You can easily see why he is a successful coach. His detail and organization is on point and I cannot wait to learn more from Coach Simpson." - Mike Kloes "I've been following coach Simpson for a while now and it's very clear to me that even though I may not be a HC, we have similar philosophies. If you are a Wing T guy looking for ways to "Modernize" your offense, or a Spread guy looking for an effective and efficient run game this is the offense you should be looking at!" - Coach Sheffer "The course by

I Will Survive Gloria Gaynor 2014-03-11 *I Will Survive* is the story of Gloria Gaynor, America's "Queen of Disco." It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including "Honey Bee," "I Got You Under My Skin," "Never Can Say Goodbye," and the song that has immortalized her, "I Will Survive," which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had

anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.
