In the Sea There are Crocodiles Fabio Geda 2011-08-09 When ten-year-old Enaiatollah Akbari's small village in Afghanistan falls prey to Taliban rule in early 2000, his mother shepherds the boy across the border into Pakistan but has to leave him there all alone to fend for himself. Thus begins Enaiat's remarkable and often punishing five-year ordeal, which takes him through Iran, Turkey, and Greece before he seeks political asylum in Italy at the age of fifteen. Along the way, Enaiat endures the crippling physical and emotional agony of dangerous border crossings, trekking across bitterly cold mountain pathways for days on end or being stuffed into the false bottom of a truck. But not everyone is as resourceful, resilient, or lucky as Enaiat, and there are many heart-wrenching casualties along the way. Based on Enaiat's close collaboration with Italian novelist Fabio Geda and expertly rendered in English by an award-winning translator, this novel reconstructs the young boy's memories, perfectly preserving the childlike perspective and rhythms of an intimate oral history. Told with humor and humanity, *In the Sea There Are Crocodiles* brilliantly captures Enaiat's moving and engaging voice and

lends urgency to an epic story of hope and survival.

Spells Michel Ghelderode 2016-12-27 Hitherto unavailable in English, *Spells*, by the Belgian dramatist Michel de Ghelderode, ranks among the 20th century's most noteworthy collections of fantastic tales. Like Ghelderode's plays, the stories are marked by a powerful imagination and a keen sense of the grotesque, but in these the author speaks to us still more directly. Written at a time of illness and isolation, and conceived as a fresh start, *Spells* was Ghelderode's last major creative work, and he claimed it as his most personal and deeply felt one: a set of written spells through which his fears, paranoia and nostalgia found concrete form. By turns mystical, macabre and whimsically humorous, and set in the unsettled atmosphere of Brussels, Ostend, Bruges and London, *Spells* conjures up an uncanny realm of angels, demons, masks, effigies and apparitions, a twilight, oppressed world of diseased gardens, dusty wax mannequins and sinister relics. Combining the full contents of both the 1941 and 1947 editions, this translation of *Spells* is the most comprehensive edition yet published. Michel de Ghelderode was born in Brussels in 1898. After nearly a decade of penning fiction, drama, literary journalism and puppet plays, in 1926 he began to write almost entirely for the theater and the following ten years saw the creation of most of his major plays. After 1936 he suffered from poor health and his involvement with the theater diminished. In the later 1940s, performances of his plays in Paris sparked a major awakening of interest in his work. Ghelderode died in 1962; the interior of his apartment, packed with books, pictures, puppets and masks, has been reassembled in Brussels as the Musée-Bibliothèque Michel de Ghelderode.

Page Proof Raffaello Baldini 2001 Essays. Theater. Edited by Daniele Benati. Translated by Adria Bernardi. "Baldini's texts have the wonderful simplicity of fairy tales. It is for this reason that they can be read again and again without becoming tiresome. In the entire civilized western world, simplicity is usually considered as something inferior. Baldini is one of the few who makes us realize that simplicity is the highest conquest of words. But he achieves it through an unbelievably pliable, modulated, and complex prosody, which revolves around a few fundamental sounds, as in modern music. His dialect is a reservoir of these fundamental sounds of emotion" - Gianni Celati.

Writing and Performing Female Identity in Italian Culture Virginia Picchiotti 2017-01-28 This volume investigates the ways in which Italian women writers, filmmakers, and performers have represented female identity across genres from the immediate post-World War II period to the turn of the twenty-first century. Considering genres such as prose, poetry, drama, and film, these essays examine the vision of female agency and self-actualization arising from women artists' critique of female identity. This dual approach reveals unique interpretations of womanhood in Italy spanning more than fifty years, while also providing a deep investigation of the manipulation of canvases historically centered on the male subject. With its unique coupling of generic and thematic concerns, the volume contributes to the ever expanding female artistic legacy, and to our understanding of postwar Italian women's evolving relationship to the narration of history, gender roles, and these artists' use and revision of generic convention to communicate their vision.
