Fly Into the Wind Lt Colonel Dan Rooney 2020-11-17 USA TODAY BESTSELLER “Lt Colonel Dan Rooney is a true patriot who serves our country with courage and honor.”—George H.W. Bush, 41st President of the United States F-16 fighter pilot, American hero, Folds of Honor founder, PGA professional, and inspirational family man Dan Rooney delivers a motivational code for living to help ordinary people ascend to their highest level in life. Part spiritual guide and part call-to-action, *Fly Into the Wind* combines Lt Colonel Rooney’s fighter pilot stories with his discovery of faith and purpose in order to help each reader achieve a philosophy he calls CAVU, after the Air Force acronym that stands for “ceiling and visibility unrestricted.” CAVU describes the perfect conditions for flying a fighter jet, when steel-blue skies invite pilots to spread their wings like supersonic eagles. In today’s world of identity politics, fractured racial relations, and external turmoil, Rooney’s book will show how all of us are connected by God in more ways than we realize, and that the path to fulfillment begins with changing ourselves in order to better one another. From the outside, Lieutenant Colonel Dan “Noonan” Rooney was living the American Dream: he was an F-16 fighter pilot, PGA Professional, husband to his college sweetheart, and father of five daughters. His position in life should have been a blessing. But a near-tragic mishap while piloting his F-16 triggered an ominous life storm that altered his trajectory and filled him with self-doubt. Realizing that a jet takes off into the wind because it requires resistance over its wings to fly, Lt Colonel Rooney’s attitude toward the resistance he encountered in his life changed from resentment to humble introspection. Hyper-focused on the precise areas that are immediately under your control, CAVU is a disciplined approach to each day that will help you reshape, motivate, prioritize, and ultimately thrive. In *Fly Into the Wind*, Lt. Colonel Rooney breaks down CAVU into ten unique lines of effort (LOE), with each LOE building upon the previous one to provide a positive vector toward a new way of living. Along this enlightened path, readers will discover a renewed belief in themselves and the art of the possible. The time for self-discovery and ultimate achievement begins now.

The Official Redneck Alphabet Ralph Masiello 2013-08-01 A is for Alphabet...because you probably need a refresher. If you're not laughing by the end of this book...well, you're probably slower than molasses on a cold day. Or maybe you're just as sharp as a cue ball. But the rest of us sure will find plenty of guffaws in this side-splittingly uproarious ABC, which takes comic aim at the redneck lifestyle. It's got 26 letters (yes, that's how

many there are) worth of fun, all illustrated with hilarious cartoons of rednecks and their more refined and proper dogs. G is for grandmother (who's also your aunt and your sister). L is for Lottery-otherwise known as the redneck retirement plan. And V is for the velvet Elvis painting that probably hangs in your trailer. This'll be hotter than a mess of collard greens on the back burner of a \$4 stove! And because we know how difficult the alphabet can be for those rednecks, we have several extra usages of the letters in the alphabet.
