Human Nature Sebastiao Salgado 2015-03-01 Davidson's deep commitment to sustainable farming stems from both her personal and professional lives. While photographing in Cuba in the 1990s, she learned of the traditional, natural methods of farming employed there, and realized the parallels with practices her husband John was implementing on their own farm in Washington. The end of a photographic series on Cuba became the beginnings of her visual exploration of a local farming community in Washington committed to sustainable agriculture and animal husbandry. Davidson's photographs highlight over ten small farms throughout the region; the book opens with an honest and poignant essay by her exploring her personal roots in photography, her affinity for the Northwest, and the joys and challenges many creative souls face of balancing sometimes conflicting identities--in her case, that of photographer, mother, activist, daughter, colleague, wife, friend, and farmer.

Letter to My Daughter Maya Angelou 2009-10-27 NEW YORK TIMES BESTSELLER • Maya Angelou shares her path to living well and with meaning in this absorbing book of personal essays. Dedicated to the daughter she never had but sees all around her, Letter to My Daughter transcends genres and categories: guidebook, memoir, poetry, and pure delight. Here in short spellbinding essays are glimpses of the tumultuous life that led Angelou to an exalted place in American letters and taught her lessons in compassion and fortitude: how she was brought up by her indomitable grandmother in segregated Arkansas, taken in at thirteen by her more worldly and less religious mother, and grew to be an awkward, six-foot-tall teenager whose first experience of loveless sex paradoxically left her with her greatest gift, a son. Whether she is recalling such lost friends as Coretta Scott King and Ossie Davis, extolling honesty,

decrying vulgarity, explaining why becoming a Christian is a “lifelong endeavor,” or simply singing the praises of a meal of red rice—Maya Angelou writes from the heart to millions of women she considers her extended family. Like the rest of her remarkable work, *Letter to My Daughter* entertains and teaches; it is a book to cherish, savor, re-read, and share. “I gave birth to one child, a son, but I have thousands of daughters. You are Black and White, Jewish and Muslim, Asian, Spanish speaking, Native Americans and Aleut. You are fat and thin and pretty and plain, gay and straight, educated and unlettered, and I am speaking to you all. Here is my offering to you.”—from *Letter to My Daughter*

Janelle Lynch: Another Way of Looking at Love 2018-09-25 In 'Another Way of Looking at Love', the landscape is explored as a metaphor to consider the personal, societal, and environmental consequences of disconnection, and simultaneously, our yearning to be connected. From 2015-2018, Janelle Lynch (born 1969) has used an 8 x 10 camera to create still lives in the landscape that combine similar and disparate visual and biological elements. This process begins by identifying details in nature that, based on a unique vantage point, created geometric formations of closure. The connective point, or nucleus, that is created by the union becomes the artist's plane of focus. The work is informed by Lynch's recent immersion in drawing and painting from perception, primarily by charcoal mark-making—a new aspect of her practice that has allowed for a deeper inquiry into the nature of seeing, such as: formal abstraction, color relativity, and the notion of relationality.

Le livre de Christophe Colomb Paul Claudel 2005 Cette pièce s'inspire des voyages et de la vie de Christophe Colomb. L'auteur a conçu sur ce thème un véritable opéra dont la partition musicale a été confiée à Darius Milhaud. Y sont associés musique, chœurs, théâtre et cinéma. La narration utilise les techniques du flash-back et du procès pour exposer les principaux moments de la vocation et de l'aventure du génois.

The Transmission of the Avesta Alberto Cantera 2012 The Avesta is a collection of liturgical texts considered as their sacred book by the Zoroastrian community. It contains the recitatives of the Zoroastrian liturgies still celebrated in the 17th century, some of them even celebrated until today. The texts integrated in these ceremonies were composed in different places and at different times, and transmitted orally for centuries. The exact date of the fixation of the ceremonies in the shape in which they are presented in the manuscripts and the creation of the different manuscripts is unknown. But today it is proven that even after the creation of the first manuscripts, the transmission of these liturgical texts was the result of a complicated process in which not only the process of copying manuscripts but also the ritual practice and the ritual teaching were involved. The only deep analysis of the written transmission of the Avesta was made by K. F. Geldner as Prolegomena to his edition of the Avesta. Since then, many new manuscripts have appeared. In Poets, Priests, Scribes and Librarians contributions by the main experts in the transmission of the Avesta are gathered: the oral transmission, the fixation of the different collections, the first writing down, and the manuscripts. Special interest is devoted to the manuscripts. Some contributions of the volume were presented at the correspondent colloquium held in Salamanca, September 2009; others were added in order to make of the volume a comprehensive work on the different aspects of the Avestan transmission.

Outcasts and Innocents Alice Wheeler 2015-10-15 Continually occupied by its indigenous peoples, as well as a siren to waves of pioneers, the Northwest has long fostered a sense of isolation and opportunity. Alice Wheeler's subjects embody both. Internationally known for her photographs of Nirvana, Bikini Kill, and the punk-feminist bands of Riot Grrl, Wheeler is drawn to people and landscapes that possess unique strength and beauty. Hers are the lesser-seen realities of Seattle's history over the last three decades: not the incessant rain and coffeehouse earnestness represented in films and sitcoms, but the glory of the drag scene; the devastation of AIDS; the freedom of choice celebrated at Hempfest and protest rallies; brilliant sunsets and radiant clouds; and a music scene that for decades has captivated devotees internationally. This is her first monograph.

Allouma Guy de Maupassant 2018-08-06 Allouma by Guy de Maupassant "Allouma" recounts the story of a man named Auballe that loves the way Allouma gives herself to him with passivity, submissiveness and the faculty to give herself completely. Nevertheless Allouma stays committed to herself. Written in 1889 by French author Guy de Maupassant this short story takes place in Algeria with a woman who uses her body as a language of seduction. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to

facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

Empire Made Me Robert Bickers 2003 This riveting "biography of a nobody" offers a rare view of empire from the bottom up and a glimpse of the making of modern China. Robert Bickers mines the letters of Richard Tinkler along with archival files to create a fascinating and much-needed narrative of everyday life in the colonial world and an unvarnished portrait of the colonial experience that will permanently affect our view of it.

An Anthology of Modern French Poetry (1850-1950) Peter Broome 1976-07-15 This anthology is the companion volume to *The Appreciation of Modern French Poetry*, the aim of which was to give detailed preliminary help with the problems of poetic appreciation. The fourteen poets represented here provide a varied and exciting introduction to what is probably the richest century of French poetry, from 1850 to 1950. Hugo, the colossus of the nineteenth century, whose work gives new resonance and vitality to imaginative vision, opens the anthology, and Michaux, the most individual and 'modern' of twentieth-century poets in that he bridges the gap between poetry and contemporary science, closes it. Almost all the major poets of the period are included: Nerval, Baudelaire, Mallarmé, Verlaine, Rimbaud and Laforgue from the second half of the nineteenth century; Valéry, Apollinaire, Supervielle and Eluard in the twentieth. The lesser known Cros and Desnos, fresh and spontaneous poets with an immediate appeal, invite a new look at the lyric traditions of french verse and offer an attractive new avenue for study. The choice of poems, dictated above all by their individual poetic value, reflects also the trends of recent criticism and the tastes of present-day readers. The texts are all accompanied by full notes, which not only explain local difficulties of vocabulary, syntax and expression, but lead the reader directly into the heart of the richness of theme, style and interpretation. These will prove of value not only to the student who is grappling with the basics of french verse, or is anxious to give depth to his familiarity, but to the general reader seeking to rekindle his enjoyment of French poetry. In addition, there are introductions to each poet summarizing the essence of his art, useful suggestions for further reading, and groups of

discussion topics to stimulate comparative insights and a wider responsiveness.

The Strongest Steel Scarlett Cole 2015-07-07 In Scarlett Cole's *The Strongest Steel*, Harper Connelly never expected to find herself outside of a tattoo parlor at one in the morning. The scars that decorate her back are just one more reminder of things she'd rather forget, the past she wants to leave far behind her, but before she can move on, she needs him. Tattoo artist Trent Andrews has his own reasons for specializing in inking over scars. And there's no way in hell he's going to turn Harper away. Not when a swirling mix of tenderness and desire slams into him every time he sees her. She stirs feelings in him he thought were long gone... if he can only get past her carefully constructed defenses. As each session at Second Circle Tattoos gives Harper new ink to cover up old demons, it brings her closer and closer to Trent. His lingering touches seduce her, making her believe in a life without fear, where she can be happy, whole, in love. But when cryptic messages start appearing on Harper's phone, strange deliveries arrive at her door, and Second Circle is vandalized, Harper is convinced that her ex-boyfriend has tracked her down, and worse, that he knows about Trent. She ran from her past once before; this time will she have the strength to fight back? "This book gave me so many feels! Angst, passion, and love all set in Miami, my favorite city. I can't wait for more from this author and I can't recommend this book enough." - Sidney Halston, USA Today bestselling author of *Against the Cage* "An incredible story about healing, pain, and trust...you don't want to miss this one!" --New York Times bestselling author Jen McLaughlin

The Barrio Gangs of San Antonio, 1915-2015 Mike Tapia 2017-06-22 Barrio Gangs is the most comprehensive academic case study of barrio group dynamics in a major Texas city to date. This is a sociological work on the history of barrio gangs in San Antonio and other large Texas cities to the present day. It examines the century-long evolution of urban barrio subcultures using public archives, oral histories, old photos, and other forms of qualitative data. The study gives special attention to the barrio gangs' "heyday," from the 1940s through the 1960s, comparing their attributes to those of modern groups. It illustrates how social and technological changes have affected barrio networking processes and the intensity of the street lifestyle over time. Intergenerational shifts and the tension that accompanies such changes are also central themes in the book. Few other places are so conducive to such historical exploration as is San Antonio. Street ignobility in the barrio no doubt mirrors processes found in other Chicano communities in Texas and the Southwest. The gang contexts in major Chicano population centers have lengthy historical bases rooted in weak opportunity structures, oppression, and discrimination. This work shows that participation in street violence, drug selling, and other parts of the informal economy are functional adaptations to the social structure; the forces propelling the formation of barrio gangs are not temporary social phenomena.
