Mastering English Pramod K Chaudhari 2020-09-15 This is one of the rare books on English which covers every aspect of the language—vocabulary, pronunciation, grammar and punctuation. It will open a new chapter in the learning process of every student. English is not so easy to learn as claimed by certain fly-by-night teaching centres, but every effort has been made in this book to understand the nuances of the language—and fast. English is one of the richest languages. It has borrowed extensively from all the major languages in the world, including Hindi. Mantra, chutney, dosa, etc have now become English words. A separate list of foreign words is given in this book. Twenty students have 'left' the class means gone out of the class. Twenty students are 'left' in the class means remained in the class. 'That's life' means bad/hard life while 'This is the life' means good life. A fat chance or a slim chance have the same meaning. Such oddities have been explained in the book quite clearly.

This book will be useful not only for students but for all who want to learn English from A to Z and want to use the language with authority.

Spoken English Learned Quickly Lynn Lundquist 2002-01-01 Are you frustrated with your English study? You want to speak English. Instead, you are taught to write English sentences and memorize grammar rules. There is a better way. The best way for you to learn a language is to speak it. Therefore, the author of SPOKEN ENGLISH LEARNED QUICKLY developed a method so that you can learn English by speaking it even when you do not yet know the language. Two U.S. patent applications have been filed on the method. This new method allows even the beginning student to speak grammatically correct English for two or more hours each day. The Fluency Builder Course provides enough audiotape material for nine months of spoken English study. Through repeating grammatically correct English sentences, you will quickly learn to speak fluently. The course emphasizes correct use of the English verb. SPOKEN ENGLISH LEARNED QUICKLY uses neither beginning nor advanced levels of study - all students use the same course, and are immediately immersed in normal, spoken English. This is a self-taught course for highly motivated students. Fluency is achieved at almost twice the rate attainable with typical ESL courses. www.spokenli.com gives two free demonstration lessons.

Good Economics for Hard Times Abhijit V. Banerjee 2019-11-12 The winners of the Nobel Prize show how economics, when done right, can help us solve the thorniest social and political problems of our day. Figuring out how to deal with today's critical economic problems is perhaps the great challenge of our time. Much greater than space travel or perhaps even the next revolutionary medical breakthrough, what is at stake is the whole idea of the good life as we have known it. Immigration and inequality, globalization and technological disruption, slowing growth and accelerating climate change--these are sources of great anxiety across the world, from New Delhi and Dakar to Paris and Washington, DC. The resources to address these challenges are there--what we lack are ideas that will help us jump the wall of disagreement and distrust that divides us. If we succeed, history will remember our era with gratitude; if we fail, the potential losses are incalculable. In this revolutionary book, renowned MIT economists Abhijit V. Banerjee and Esther Duflo take on this challenge, building on cutting-edge research in economics explained with lucidity and grace. Original, provocative, and urgent, *Good Economics for Hard Times* makes a persuasive case for an intelligent interventionism and a society built on compassion and respect. It is an extraordinary achievement, one that shines a light to help us appreciate and understand our precariously balanced world.

Learning Marathi Through English Kalyan Kale 2014 This book is specially designed as a course book for the non-Marathi speaking adult learners of Marathi language. This course has been tried out by the authors themselves. They have taught it in various Marathi-language teaching programmes to learners

from different disciplines and occupations. All the lessons in it are situation oriented and it serves the purpose of providing cultural set-up of Marathi language. All of them are organized according to the gradation of the structural units given at the beginning of every lesson. These lessons are followed by grammatical notes. The grammatical notes, if followed in sequence will depict the structure of the pedagogical grammar of current Marathi. Every lesson is equipped with various drills and exercises for the practice and for guessing the purpose of the learners. At the end of every lesson a special conversational paragraph is added for giving the feel of free usage of Marathi. An important and unique feature of this book is the special script book added to it in the beginning. It contains eighteen chapters for script teaching. Here-in the letters are graphed according to the principle of shape similarity. The author have taken pains to demonstrate all the possible strokes, their sequences and the direction of writing them. The four appendixes given at the end are quite useful. The vocabulary and the solution of all the exercises especially will be useful learning aids for the self learners as well.

Dynamic Memory Methods Biswaroop Roy Chowdhury 2015-01-23 This book is based on the principles of mnemonics and laws of controlled association, and if you apply the principle you will be able to bestride both the world of memory, and world of knowledge simultaneously, giving yourself greater self-confidence, a growing mastery of imagination, improved creativity, and vastly improved perceptual skills. In fact, education system has created pressure on students in which memory, the technique, by Biswaroop Roy Chowdhury, can provide some rescue. -Dr. A.K. Sharma (Former Director, NCERT) The greatest mystery of life is our ignorance of human brain. In fact, brain is not a dustbin, but a gateway to some higher attainment. This demonstration today by Biswaroop is an assurance that not everything is lost in the civilization. -Justice M.N. Venkatchelliah (Former Chief Justice of India) Biswaroop's memory technique is surely a help for overburdened students. -Prof. (Dr.) G.R. Sunder (Registrar of Bhartiya Vidya Bhawan) Biswaroop's technique should be a part of school curriculum. -IPS Kiran Bedi Biswaroop's student, Ms. Neerja from Meerut, could recollect the exact details of last six months' issue of India Today. -Hindustan Times. 15 May 2003
