When the frightened child in us hears the word no, an inner message tells us we are bad. We feel loved when we are pampered, and unloved when we are disciplined or scolded. ... However, long-term recovery is based on the scared little child regaining self-worth and learning to control the King Baby behavior. 5 King Baby Packet .

### [A Word From Our SENY Delegate - Panel 71](#)

inner peace I've been given by our program of recovery. Not peace like in a Tibetan monastery; rather peace with who I've become, and what my purpose is in this life. And that led me to think about our Fellowship's challenges and changes over the past several years, compounded by the seemingly endless pandemic through which we've all
