Quincy Radcliffe has fast become a key asset at the newly formed Stark Security. A former British agent with lethal skills and criminal connections, it's a no-brainer for him to rise through the ranks. But Quincy isn't the man he appears to be. And one woman could expose all his secrets. Once, he worshipped Eliza Tucker. He adored her body and then broke her heart. But now she needs help, and he's the only man that can do it. Quincy knows he must either turn his back on her or risk revealing his dark past to the one woman who can—and will—tear open his old wounds. For years, Eliza has tried to forget the man who shattered her. His smoldering good looks had drawn her in; his British charm had enchanted her. But it was the wildness of his seduction and the ferocity of his passion that captured her. She'd given herself to him—and he'd destroyed her. Now, he's the only person who can help find her missing sister. She'll use him because she has to. She'll pay anything he demands, whether in the bank or the bedroom. She won't fall for him again. But what if it isn't her choice to make? BROKEN WITH YOU True love never fades... After surviving a troubled childhood, Denise can't believe that she's blissfully married to her partner and soulmate. She's confident that not even Mason's long-term, deep-cover assignment will shake their bond. And she certainly doesn't anticipate that when he finally walks back through her door that he'll have no memory of her, himself, or their time together... When Mason is pulled out of an operation gone bad, all he knows is what he's told — that he was a covert agent, that he has information vital to national security somewhere in his head, and that they can tell him no more for fear of burying those hard-fought secrets even further. They tell him nothing else; not even that the beautiful woman who makes his heart beat faster is not just his partner, but also his wife. The secret she must keep wrecks Denise, who wants only to return to Mason's arms. But despite the desire that still burns hot between them, she can't tell him who she is—or that she's carrying his child. But when dark forces threaten both their lives in order to retrieve the information trapped in Mason's mind, it's not their past that will be tested, but the tenuous new love now burning hot between them. RUINED WITH YOU When her high maintenance boss is assaulted, manager Xena Morgan contacts the only person who can help—the sexy, arrogant, incredibly capable Stark Security agent Liam Foster. The former vigilante takes every case personally, and he's determined to find answers—particularly since he thought he'd cleared this threat already. Xena had been thrilled when Liam completed his assignment, because he

affected her in ways she didn't want to contemplate, awakening yearnings that threatened her deepest secrets. But now she needs him, and her body won't let her forget it. As their attraction heats to a feverish degree, the web of lies, danger, and passion they find themselves in tangles further. Liam will stop at nothing to protect his client, even if it means sacrificing everything he holds dear ... and exposing the secrets that may destroy him—and Xena—forever.

My life with Damien has always been magical, and never more so than during the holidays, a time for us to celebrate the hardships we've overcome and the incredible gift that is our family. Over the years, he has both protected and cherished me. He has made my life more rich and full than I could ever have imagined.

This year, he's treating me and our daughters to a holiday in Manhattan. With parades and ice skating, toy displays and candies. And, most of all, with each other. It's a wonderful gift, a trip I will always cherish. But this year, I'm the one with the surprise. And I can't wait to see the look of delight and awe when I finally share my secret with Damien. But I'm terrified that when danger strikes, it will take a holiday miracle for me to even get the chance. **Every 1001 Dark Nights novella is a standalone story. Dirty Megan Hart 2012-09-01 I met him at the candy store. He turned and smiled at me and I was surprised enough to smile back. This was not a children's candy store, mind you—this was the kind of place you went to buy expensive imported chocolate truffles for your boss's wife because you felt guilty for having sex with him when you were both at a conference in Milwaukee. Hypothetically speaking, of course. I've been hit on plenty of times, mostly by men with little finesse who thought what was between their legs made up for what they lacked between their ears. Sometimes I went home with them anyway, just because it felt good to want and be wanted, even if it was mostly fake. The problem with wanting is that it's like pouring water into a vase full of stones. It fills you up before you know it, leaving no room for anything else. I don't apologize for who I am or what I've done in—or out—of bed. I have my job, my house and my life, and for a long time I haven't wanted anything else. Until Dan. Until now.

Sinner's Game J. Kenner 2022-02-15 What's more dangerous—a killer attraction that breaks all the rules, or the true killer who's closing in? Security consultant Ronan Thorne might be sex on a stick, but that doesn't mean I should want him. After all, I'm Brandy Bradshaw, the Girl With the Worst Luck With Men. As for that one kiss we shared? That was nothing but a drunken mistake between friends. I know perfectly well that Ronan's not a relationship guy. He's got dark edges and dangerous secrets and so many scars. But when I find my landlord dead in my living room, shot with a single bullet to the head, Ronan's the man I cling to. I feel safe in his arms, and he has the skills to figure out what's happening. Except what he learns is that a case of mistaken identity has made me the next target. Now we're on the run together, but I'm not prepared for the heat that flares between us, or the tantalizing things he does to my body when we give in to temptation. He soothes my fear by showing me a different type of danger, sensuous and wild. It's miraculous and wonderful, but terrifying, too. Because as soon as we catch the killer, I'm afraid Ronan will leave. And when he does, I know my heart will shatter. From the New York Times bestselling author who brought you Damien Stark comes a sexy and suspenseful romance between a woman in jeopardy and the reluctant hero determined to save the girl but not lose his heart.

Please Me Julie Kenner 2018-08-24 Each day with Damien is a miracle, each moment with our children a gift. I have to fight it. I know that. And I am waging the battle with all my heart. But it is Damien who is my strength, and we both know that the only way to push away the darkness is for him to fold me in his arms and claim me completely. And for me to surrender myself, once again, to the fire that burns between us.
